

DISCOURSE VIII

December 4, 1938

NEW YORK CITY, N. Y.

Beloved Students and Friends, truly the Cosmic Hour is here; and nearer and nearer are all of you drawing to God, the “Mighty I AM Presence”! You are fortunate in this time of the World’s turmoil, considering the conditions which exist in the rest of the World. I am quite sure none of you wishes to be in those conditions. You have the opportunity now, in answer to the Great Release of the Cosmic Light, to enter this Cosmic Hour into the Fullness of Its Majesty, Presence, and Power; to release into the human octave, Limitless Assistance which all mankind need.

Make no mistake about it, fellow Students and Friends, the hour is here when mankind must give this Assistance! We know it and We are even urging them to take hold of the Laws of their Life and render this Assistance to America, to your own Life, to your people, for this Great Achievement—the Victory of the Light! (*applause*)

Since for thousands of centuries I have known only Victory in everything to which My Attention was drawn, then I am in a position to assist you; and

I have chosen of My own volition to assist America to Her Victory! (*applause—audience rising*) While you are standing, Ladies and Gentlemen, may I remind you that you have sought friends in the human octave, you have sought authority, and you have trusted human beings who have deceived you. I say to you, now you have Friends of Light, of Power, whom you can trust, who will never deceive you in the world! (*applause*) Therefore, will you not turn to these Friends, this Cosmic Hour, and be assured that not one of Them will ever fail you—that not one of Them will ever deceive you? They are in a position to keep you definitely informed upon every condition which exists in your America, so not one action of deceit or treachery may go on in your government that you do not know it. (*applause*)

Now just for a moment more while you are standing, accept My Power of Victory charged into your feeling world to remain anchored there to assist you, and to hold the anchorage of your own Life's Power there with such activity that you will not longer be subject to the conditions which the World attempts to impose upon you. May your Selective Intelligence, may your Discriminating Intelligence be so quickened tonight that you are alert; so It will always be on guard to stand before you and, in your Call to the "Mighty I AM Presence" of Light, render you a service which no one can touch.

So tonight, as I charge this Mighty Current of Energy into your feeling world, may you accept It with the Full Honest, Loving Sincerity with which I offer It? Tonight is your opportunity, Beloved Friends—even though you do not understand all I am doing, you can be kind enough to accept that which I offer, which can only bring you Blessing! Although you are here for the first time, if you will accept It, I will give you plenty of Proof in the months to come, that My Charge was Real in your feeling world. (*applause*) Won't you be seated, please.

Allow Me to remind you tonight, that you are dealing with Friends with whom the people of Earth have rarely been privileged to associate. Had it not been for your Beloved Saint Germain, where do you think you in America would be today? Are you aware, Beloved People, that your city, magnificent in its splendor, would have been in ruins today? That is the position you in human form do not comprehend. Such is the Assistance which We are giving the people of Earth; and if you do not believe that, let Us withdraw for three months, and then tell Me if We did not give you the Protection!

Mankind have been quite inclined to challenge the Messengers and to challenge Us. Very well, if you wish to challenge Us, then We will withdraw and let you see, Friends of America and fellow Students, whether We have protected you or not.

It is unwise, even though you do not understand, to deny the Protection which is given by the Powers of Light which you might not yet understand! At least be kind enough to Life to say, "Very well," and if you don't know, say, "I don't know"; but never deny a Power of the Light—for one day, Life will call upon you to answer for it.

That is why today, you beloved ones who are here cannot even imagine the persistency, the power of determination with which these two humble Messengers have pounded away all walls of human doubts and fears! You have no idea. They have beat down those walls for four years, and I say to you, they shall never beat down another wall! (*applause—audience rising*) Again I say to you, Beloved People of the entire Americas, where the people in America don't wish the Messengers, they shall not go. People now must choose. The Messengers out of love and kindness have gone forth rendering this Almighty Service to mankind; now let the people awaken and invite them to come. (*applause*)

The Messengers, Beloved Ones, do not need mankind; but mankind need them more than you will ever know until your Ascension! (*applause*) I assure you, Beloved Friends of Los Angeles, that I shall take a hand in that condition, and it shall be silenced forever! (*applause*)

Beloved Ones, can you understand how greatly

We love you who are struggling for your Mastery and Freedom of Life? Do you think that We do not see and know your Heart's cry for supply, for harmony, for happiness, for the ability to achieve success—some of which you have held to from childhood? Oh, the matter of years upon your head matters little. You are not nearly as old as you seem; even though your hairs are gray, still are your Hearts young. Your Hearts are the Presence of Life in your human form and cannot grow old. I want you to feel it tonight, if you will, as never before.

My Dear Ones, Life—being Eternal—only requires your Acknowledgment of Its Mastery of human conditions, to allow Its Great Power to flood forth without limit to reform your human form. Do you quite understand that? May I repeat it—to reform your human form.

I smile to Myself tonight when I see within the desire of mankind, a tremendous craving for some Manifestation, some Miracles, so-called, from Us. Well, be encouraged; such things might come about! (*applause*) This is no imagination. Suppose for your gratification We stood four people here and before your eyes changed their bodies, changed their hair—and made them more beautiful than they are—what would you think about it? (*applause*) There would be many tomorrow morning who would say: “Oh, sure enough, they got me last night; I'll bet you I was hypnotized, and

there was not a thing took place there." Now then, be kind enough, Beloved Ones, to abide in the Wisdom of the Great Ones, who one day in the Wisdom of Life will give you Limitless, Boundless Proof of Their Presence, Their Authority, and Their Ability.

Therefore, I say to you tonight, We are your Friends, and you cannot help Us being your Friends, can you? (*applause*) Think of the joy of the incoming friends, who have not come to know Us yet. You know you have society events to invite your important friends to meet each other? We invite you to meet Us. (*applause*) I do not think you quite get that!

Mrs. Ballard: "We accept it!"

Answer: Thank you very much.

Shall I repeat it? We invite you to meet Us. (*applause—audience rising, "We accept it!" in unison*) Victory! When the day comes that you understand all your response just now has meant, your joy will be boundless. My Dear Ones, you don't know what you have done! I love you and bless you forever for that response, and you blessed ones who might not quite understand, please accept My Invitation with the rest. (*applause*) Won't you sit down.

Let Me try to explain to you. I know words are not complete or sufficient, but they release enough Understanding to try to help you to comprehend the outburst of Reality which you just gave. My Dear Ones, that is a Mighty Feeling! Do you quite realize

that? Now in response to Life, when you release a Mighty Feeling like that, you outwardly do not know what has been set into action; but since you must make the Call to Life for what you require in Its Greater Perfection, then I say to you tonight, you have opened Doors of which you do not yet dream! Will you accept that in great kindness? (*applause—audience rising*)

Beloved Ones, do you not think it wise to remain seated? Otherwise your friends might think Us peculiar. You see, We are very considerate! (*applause*) While exercise is good for anyone, yet many feel that they come for peace and quiet. I say to you friends who might be here for the first time, you will find the “I AM” Students very active! (*applause—audience rising*)

Powers of Light! What shall I do with these Children! (*applause*) You are very gracious and kind. Won’t you be seated. Mankind has not understood that We are Beings of Happiness and Kindness and of Great Reality; and one day, when you do accept My Invitation, you will then see that Life does not struggle! Precious People, Life does not struggle! I so charge that into the world of mankind, that one day at a great banquet table, Saint Germain shall sit at one end and I shall sit at the other! (*applause*) Please rest in peace. You who have read *Unveiled Mysteries* and *The Magic Presence* have seen where more than two hundred

people sat at the banquet, which the Presence of Life provided. You are closer than you dream, Beloved Students, to where you will see many of these Natural Things. All that seems so transcendent and unnatural as We speak of them sometimes, is, after all, the Perfect Natural Activity of Life!

Will you understand tonight, while We are in this Wonderful, Harmonious State which will mean so much to you, that in the Octave of Light beyond your human octave, everything which is brought into outer manifestation, is first perfected there? Your designs are all perfected there. Everything which has taken on human form here was first designed there. Therefore, the Octave of Light is just as Real and Tangible as your human octave, even as tangible as this building you are sitting in tonight. Can you not realize, that in the Octave of Light and in the Golden City which is over the Sahara Desert, that Its Substance, while It is finer—much finer of course than the physical substance of which this building is composed—yet It is just as tangible to Us who are in this Higher Vibratory Action, as your buildings are to you. Where Our Ascended Bodies are, Our Buildings are just as Real as your physical building is here!

I ask you tonight to try to comprehend this; and as the days go on, contemplate that for a few moments each day—then see how natural will come the feeling of these things which to you

seem transcendent! I say to you, truly there is no transcendent thing in the World. All is a Perfectly Natural Activity of Life of which you are a part.

When you began school and some of your studies seemed difficult, all of a sudden you entered into them, and they were quite easy. After you had accomplished the mastery over them, they did not seem anything unusual, did they? In the greater Understanding of the Laws of Life, as you go from one step to another, it all becomes just as Real, Natural, and Tangible as your achievement here in passing from kindergarten to the university, and then on to the completion of what you desire to accomplish.

Therefore, tonight try to feel, Beloved Ones, how Natural We are, how Real—and in Our Octave of Light where all is Perfection, then if you have Us for your Friends there, why not bring that Perfection here, into the human octave where it is needed? Since human beings are the decreers of their worlds, if you decree Perfection, why not have It? If you decree a thing, you have set the Law of Life into action to produce that thing for you. Beloved Friends, understand that tonight as you never did before in your lives. When you decree a thing, you have set the Mightiest Law in the Universe into action to produce that for you; and if your human feeling will not waver, it will come forth into your use as sure as you make the Decree for it.

This is why tonight, I am trying in this Magnificent Radiance to have you draw a little more into that which you have called "transcendent"; to make you feel the Reality of all that you have conceived as transcendent, because I say that all is Life in Its Perfectly Natural, Practical Action from the Earth to the Great Spheres of Light! On the other Planets, the greater Perfection which is there is all Perfectly Natural. Yet it would be so astonishing, were you to suddenly step onto Venus, where so much greater Perfection reigns. We have all the practical things, for remember that is My Home! I am a long way from home tonight; but remember, I came that long way several years ago—and when I saw these two Messengers at the Royal Teton for the first time, I said then, "I shall remain here (*applause*) and give them the Assistance which Life requires."

I say to you, Beloved Friends, I do not wonder that you love these Beloved Messengers as you do. You never had anyone in all the centuries in which you have lived, and the hundreds and thousands of various embodiments which you have lived—you never had such friends in any embodiment, who are willing to battle for you and hold the Balance of Life, until you in your Call to Life could sustain It. (*applause*) That is why, Beloved Ones, We rejoice so greatly in your response to Life. Please understand, you could not be here—it would be

impossible—if the Light within your Hearts had not drawn you here. Even though you might not accept what you hear, still there is only One Source of Action, and that is Light within your own Hearts. I want you to see that if you will!

No human being ever acts, ever walks across the floor, without the Light within his or her own Heart in action. Oh, it is so very glorious to understand once again, after the long forgotten period when the Light ruled before, that mankind is the Action of Life; and once you begin to give response back to Life—oh, what Life will do for you!

Beloved Ones, adore Life! Give your attention to your Presence of Life, the “Mighty I AM,” as never before in Great Calm Mastery and Adoration, so the Fullness of all that It wants to give you, will flow forth like a mighty river. It is ready to do it, to bring the Harmonization, the Expansion of this Light.

We call Eternal Blessing upon all those who have assisted in the radio; for you have no idea, Beloved Ones, what the Class Broadcasts have done for your city. You cannot imagine, even in the great number of people who have come to know of this Great “I AM” Presence of Life, how It has helped them. (*applause*) I call in the Power of My Victory, that the Presence of your Life, everyone who has assisted in the radio, be multiplied in ten, twenty, or a thousandfold if necessary, to bring all that your Heart has wished to

give in the way of assistance! If you will cooperate with Me in that Call, you shall have abundance with which to do what you wish for the Light.

Today the wealth, the money which is used in useless frivolity, if once turned in the Service of this Light, would produce a Transformation in America in six months, which you would scarcely recognize. All that is coming, Beloved Ones; and one day you will be so happy, so grateful that you were a part of the Vanguard of Light, the Army of Light sweeping across the Earth, in your Armor of Crystal Light. How many of you in this room tonight could tell Me how many of you are already wearing It? How many of you have visited with Me in that Crystal Armor? We are not strangers, please be advised of that now.

When those bodies of yours sleep, how We take advantage of that opportunity to see you, grasp your hand, shake your hands, and say, "Children of Earth, go on and on and on." If you will remind yourselves of this on going to sleep, you will return with a Strength and Energy which you never conceived possible.

I say to you ladies and gentlemen who have the human sense of years upon you, try it! Give Us your attention on going to sleep—first to your "Presence" always, then to Us; and ask for Our Sustained Energy and Youthful Action, and see if you do not see the change! We are offering the Presence of Life to you,

and We know how to release It! You must first make your Call; and then what you lack in your feeling, We can supply temporarily, until you are the Master of substance and vibration!

How many of you in this room can think with Me for a few moments? Remember, if it were not for the Vibratory Action of Life in your body, the structure of your human body would not hold together fifteen minutes. That is the Truth of Life! All Life's Mighty Action is substance and vibration. Therefore, the Power of Life within you is the Vibratory Action which makes every organ of your bodies function. It circulates your blood and the nerve fluid through your nerves. Then still, Beloved Ones, you think that Life cannot produce Its Perfection in your human form, because the appearance has caused you to believe it was difficult to do! Will you not remove that difficulty from your feeling world, and just LET Life set you Free?

Think of your Power of Qualification in the words that you use by the hour; and be very careful, Beloved Ones, that you do not joke with the Law! It might choose to joke with you! It is not quite safe! You see, you are responsible for every vibratory action which you send forth in your world of action. You do not quite understand that, but you cannot speak a word, you cannot feel a feeling, that you do not send forth a vibratory action into your world of action. If

you understood and would send forth the Ascended Masters' Words of Power, which are in those Books, in your Mighty "I AM" Decrees, and stand by them—soon you would see the Outpicturing of the Perfection of Their Qualities, which is in Their Words!

Oh, please won't you remember to not ever say, "I can't, I am broke, I am a failure." Oh, please do not ever say those words again! You are being false to Life when you use those terms! I am very serious just now, Beloved Ones. You are untrue to Life when you let your lips or your feelings utter those words—"I am sick, I am unhappy, I am broke, I am helpless, I am the victim of circumstances." Oh, My Dear People, what makes a discordant circumstance? Your denial of the "I AM" Powers of Life!

Beloved Ones, I plead with you, be careful of your words and the vibratory action which goes out from your feeling world! When you see or realize that your feeling is the Powerhouse of you and your worlds, if you charge that feeling with discord and limitation, how can you hope to have Harmony, Happiness, and the Victory of Life?

Since this Service has been rendered, tonight I am prompting you on these things; and won't you be kind enough, please, to stand guard and be alert to your words and feelings? Oh, if you would only do it for thirty days, you would see the reason why I plead with you; thus you would allow Us to give

you the Assistance which Life wants you to have. Then, you would come into sufficient Mastery so quickly that you would not require Our Assistance; but today you do require It very much!

I do so deeply appreciate your love and kindness in this audience tonight, that has made it possible for Me to render this Service which you cannot quite even imagine tonight! I ask every one of you in the days to come, to watch your feeling and watch your conditions, and see if you will not come back to Me within six months and tell Me of My Victory acting in you. (*applause*)

Mighty Powers of Light! Enfold these beloved people of Earth, these beloved Students of the Light, and clothe them this hour in Your Crystal Armor, and hold It about them until their Ascension! Clothe them tonight in the Glory of Thy Presence, Thy Mighty Radiance which this Crystal Armor holds within the compass of action within the human octave; and let It do Its Perfect Work for the people of America—for your beloved America—that each may render the maximum service in the Call to Life for themselves and which America needs today!

Remember this Cup of Light which America is, and how much depends upon that Cup being filled to overflowing with Light, so It can spread to the rest of the World. Remember, Children of the Light, you have a Mighty Service to render! As more of your

beloved Americans and those of other nations are drawn into this Great Light of the "Mighty I AM Presence," then will all become easier and easier for you in your Service to the Light. Then there will come One Great Family of Harmonious, Happy Action, which will release the Powers of Light! Then each one will call for the Blessing of the others, instead of feeling unkind one to the other!

So tonight carry with you, My Beloved Ones, My Victory! Wear My Garment of Crystal Armor so you may walk in the World, but not be of it. Then you will be untouched by its human discord! Then in that Harmony of Life, you may call forth the Perfection of Life with such Speed and Power, that no one will question the Presence and Power of Life in Its Victory over human conditions!

I thank you.
