

PART II

THE “I AM” DISCOURSES

BY BELOVED DAVID LLOYD

THE FOLLOWING DISCOURSES
WERE DICTATED
THROUGH

THE BELOVED MESSENGER
MRS. G.W. BALLARD

DISCOURSE XIV

December 11, 1953

CHICAGO, ILLINOIS

Precious Ones of the Mighty Saint Germain's Family, thank you for your presence here tonight, thank you for your Love of the Light, thank you for your Desire to be raised into Its Victory forever. And if in My Humble Way, I can do anything to assist you, to make you feel what I felt in the Accomplishment of My Ascension the Way It was attained, I shall be so happy at any moment to send My Feeling to you, that you may anticipate the Experience and live deep within the Love of that Feeling, so We may accomplish the most possible as the Great Cosmic Law permits.

Having once attained the Ascension in the Way which I did, anyone who can feel Me within your Heart, can feel the Feeling I experienced in the Magnificent Victory and Transcendent Way in which it was accomplished for Me. Long years of Love and Desire for That, drew the Power in and around Me, qualified with the Ability to accomplish It. So it is with you, If you desire to do It that Way, without any personal reason, but just because It is the most wonderful, perfect Way to accomplish It,

and then to leave It as an Example for mankind to love to follow, then it is an easy matter, as you dwell upon the Experience to receive the Feeling that was Mine in the Moment and the Hour of My attainment. For I assure you, when you make the Transition from the outer self into the Full Perfection of the Higher Mental Body, it is the most wonderful feeling to accomplish that consciously with Full Determination, knowing every instant the Glory into which you are Ascending and the Blessing to that which you leave.

One of the Secrets which I feel you should know in regard to the Fulfillment of your Desire, if you want to attain your Ascension as I did, is to be continuously aware, sometime each day, of blessing everything in the physical world that has assisted you. Just as if it were a Being, you thank the thing for the Blessing which its existence gave to you. You just thank everything with the Love that frees you from all connection with anything in this World, except your "Beloved I AM Presence" and the Ascended Host. Then you leave the feeling of that wave of Love and Gratitude to everything that you have used; you leave the Blessing that one day will free It from all human qualities imposed upon anything in the World. That is one way of overcoming what the World calls the gravity pull of Earth. I want you to feel, if you will, My Presence in

your Heart, as you send your Love to your “Mighty I AM Presence” and your Call to Me to assist you to enter into Its Eternal Perfection.

My Dear Ones, while the struggle was over a period of more than fifty years in My Search for the Man who could give Me My Ascension, yet in that Experience of fifty years desiring It, was the ever-increasing release of the Expansion of My own Heart’s Flame of Love, that became the Raising Power drawn from the Great Central Sun Magnet, that gave the outer physical form the Assistance to pass directly from what you call the physical atomic structure of this World into the gradual Raising and Vibratory Action of the Love of My Higher Mental Body. I assure you, the Sensation was something, like what you experience when you go up in an elevator, only much more refined and much more enjoyable. There was not one fraction of an instant when I was not completely aware of the Love to all that was down here, and My Love to that which was drawing Me There, and I was passing just clothed in the Love that set Me Free.

I loved to attain That so long—I wanted to attain It so long—and I knew that Love was the *Only Way*, because you cannot take There anything that is not Love. So, I knew if I were going to attain It, that Love had to be the Purifying Power of the physical body; it had to be all the Vibratory Action of the

Love of God, if I were to attain consciously the Fulfillment of My Desire. So, Beloved Ones, I am going to do something for you all tonight, which I trust you will enjoy and one day appreciate without feeling that I have intruded upon you.

"I AM" GOING TO PLACE THE IMAGE OF MYSELF WITHIN THE LOVE OF YOUR HEART, THAT I MAY ANCHOR WITHIN YOU MY FEELING OF LOVE TO HELP YOU ATTAIN THE ASCENSION AS I DID! (*Applause*) Thank you, Precious Ones, won't you be seated, please, and just remain so.

Now, you may think, well, we don't know what you look like. How can we hold the Image? Well, you see, if you just hold the Oval of Light within your Heart, knowing It is My Love, I will be able to convey to you through That more easily, My Actual Feeling of the Raising of the body. That will assist you much more than you realize, to expand the Unfed Flame in your Heart and let Its Love go forth to bless the things that you have used in this World and those you have contacted. So, when enough Love has gone forth to bless everybody and everything that has ever contacted your Life Stream, when enough of That has gone forth, then there are no more pulls so to speak, to the conditions of the outer world that hold any of your energy away from your "Presence." When the

Release comes from the things that have held you, or the conditions, because you have just poured Love enough upon them to give them Freedom from any connection with you, then the energy of the outer self is free in the Love to the “Presence” to complete the Victory.

I am quite sure that I can make you feel My Love that brought Freedom to Me. I know what I felt when I gave everything else its Freedom by My Love and Blessing to it. I know what that feeling is of just being Free from every bit of struggle in this World. That Love to everything around Me gave Me that Feeling of Freedom; and as soon as I had given complete Freedom, I had My Freedom. It can only come through enough Love to all that you contact in the physical world; and that Love must be the Outpouring of your Higher Mental Body through the outer self, with that Pure Divine Love that just blesses with deep Gratitude everything that God has placed in this World to assist your Life Stream to be Free. So, Love is the *Only Way*; and since your Love is so great tonight for your Nation and for the Protection of that which is right, and since your Service thus far has been so wonderful, I wanted to offer you the Assistance of My Love to accomplish your Victory as happily as I did Mine.

I can make you feel what it means to love yourself Free from the connection with this World, and to

love yourself into the next World by your Love to your "Presence." It works both ways. Your Love to everything in this World that has blessed you, and even all that has not, frees you from the connection with the qualities of this World; and your Love to your "Presence" is an Action of the Great Central Sun Magnet that draws you into the Love of your "Presence." Since your Love to your Nation tonight has been so great, and since your Calls have gone forth, then Love must answer Its own and the Love you have given to save that which is of God within your borders, will always remain within and around you to help you give that same Protection and Freedom to the Life around you, until your "Presence" gives you the same thing.

My Feeling when I saw the Beloved Godfre, and He handed Me that Cup, I shall feel that Thrill and I feel It yet! I shall feel It for Eternity! For in that Moment, there is a record made in the Universe of the Glory that comes only from that "Magnificent I AM Presence" that gives you existence. No one knows how much I loved Him; no one knows how much I love Him; no one knows how deeply you feel the Gratitude for the connection with that Power that attains the Fulfillment of your Desire. That is why My Love was so Great. It took Me some time, even in the Ascended State, to control the Intensity of My Love and Gratitude to Him,

because it was a Management of the Energy which had gathered so powerfully during those long years of My Desire. The Mighty Saint Germain and the Great Ones have taught so well the Way, the Means of gaining your Victory.

So, in the Realm to which I went immediately, as I became accustomed to the Use of those Greater Powers of My Freedom, as the Greater Love surges, you still have to hold control of that energy, and I had to sort of practice controlling that before I dared come back into the atmosphere of the Beloved Godfre.

Do you know, My Dear Ones, the Channel through which you receive your Ascension is an Altar of Love that abides with you for all Eternity. You never lose the Love nor the Gratitude nor the Wonder of that Help which comes to you in the Attainment of the Final Moment of your Victory. There is no Compensation! There is no Balance you could ever give in the Universe to those Who help you to your Ascension. The Love is so Great for Eternity, that It ever seeks to spread forth Its Blessings to make others feel that same Love that sets all Free. That is why the Mighty Saint Germain, in His Love to the Master Jesus, is an Honor to Life whenever He passes Him, and that Love and Gratitude ever grows greater for His Great Magnificent Work throughout the World. The Blessed Master Jesus in the Powerful Assistance and

Strength which He was to the Earth, in that Victory of His Attainment, shall forever bless this whole System of Worlds with the Glory of Its Perfection. So it is with you! In the Moment of the Ascension, there comes such Joy if you attain It consciously, without passing through the change called death. There comes such Joy as you will never know, until you begin to use It to bring Joy to others.

That is why tonight, I have anchored the Image of Myself within the Love of your own Heart's Flame, that I may make you feel again and again the Feeling which was Mine of that Complete Love that is your Attainment. Then it will not be so difficult to pour Love to the World around you, as you feel more often the Mastery and Complete Freedom that is in My Feeling as I attained that Freedom and felt It for the first time. The first time you feel that Complete Release, the Feeling will never fade through Eternity!

So, My fifty years of wandering throughout the World, throughout America, seeking that which fulfilled the Blessing of the Master Who gave Me that Instruction, while it seemed a long strenuous effort, yet it was so little for what I received. All the effort you will ever make toward your Ascension, Beloved Ones, in self-correction and obedience, is such a small thing compared to the Great Thing of attaining the Ascension. So, when you realize, that in letting go of everything here, by pouring

your Love and Blessing to It, you are receiving the Infinite Love and Happiness of Eternity. Nothing will seem difficult; nothing will be a struggle. Everything will be just an opportunity to send forth more of that Love that brings the Moment of such transcendent Joy, as you complete your Victory of your Journey through this World, and you arise consciously within that Ray of Light, whose Love to the Heart of Creation ever raises you to Greater Heights of Perfection. But the Greatest Freedom in the Universe is yours as you bless this World and everything that touched your Life Stream, with the Love that sets you Free. In setting yourself Free, you are loving the substance of this World into the Purity that will one day be Self-luminous, and the Earth Itself becomes Ascended also. So, as you give the Love that cuts you loose from the limitations of this World, you are also giving the Love that helps to raise this World into Its Ascension, as you take your own.

So, as you remember Me, try to keep paramount in your consciousness, THAT I HAVE PLACED WITHIN MY IMAGE, IN THE LOVE OF YOUR HEART, I HAVE PLACED MY FEELING OF MY LOVE TO LIFE; and it will be much easier for you to pour forth love and kindness, where heretofore, perhaps, it has been something of a struggle. So, My Love, in the Image in your Heart

of Me, will be the Assistance to you that enables you to expand your own love more rapidly in that magnificent Service which you have the Privilege to give to Life, because you know This Law consciously. Then, if it becomes necessary, you will have made preparation ahead, whereby the Cosmic Law can draw you unto Its Own Love, because the way is prepared; your love has been sent forth to free the rest of Life; and automatically the Cosmic Law pours back to you your Freedom of Eternity.

So, when you think of Me, try to feel Me Ascending. As that Feeling saturates the energy in and around your physical body and the atmosphere about you—the more you can feel Me and feel that Love which was mine at the Moment of My Ascension—that simply begins to saturate you and your world, and in its natural raising action, one day, helps you to complete the journey of centuries through the distress of this World. It’s wonderful to be able to just draw God’s LOVE into everything that gives Freedom. In giving It to the World, you give It to yourself. It’s the best investment you can ever make! May you know with every fiber of your Being, that as you give the Love of God to the World, you are giving It to yourselves; because, as It frees the World, your “Presence” frees you. So, as I give you My Love and My Feeling at the

Moment of My Ascension, through the Image of Myself into the Energy of your feeling world, I am quite sure you will know that “I AM” Real, “I AM” Tangible, “I AM” Visible and “I AM” Your Friend of Eternity! If I may assist you through My Love to your Final Victory, I shall be your Friend for Eternity! (*Applause*) Thank you, Precious Ones.

Now, as you go forward, there is nothing strenuous about it. You do not have to sit hours in a day, and do it. You simply feel It, let Its Love expand, and go on about your business. It just becomes like when you turn up a light. If you turn on more current, the Light just gets brighter, and you turn it on again and It gets brighter. So it is, with the raising of the outer self. As you just send your Love to your “Presence,” in recognition of that which you want, and as you ask to feel My Love at the Moment of My Ascension, It will be an expanding Flame, flowing through you to enable you to do likewise. That which man has done, man can do; and, if the Great Cosmic Law permitted My Ascension that Way, why would it not permit yours, if you give the same Love to Life that I did? And I can give you My Feeling of Love at that Moment. As you give that Love to free Life, Life above you gives you Its Love to free you. There is no such thing as failure to the Love that is for Eternity, the Perfection of God’s Great Miracle Life

from the Great Central Sun. So, just whenever you think of Me, remember My Love is ever abiding within you.

When you come to Beloved Shasta Springs, when you come near to the locality where I attained My Victory, I assure you, that locality is flooded with My Love, because there I got My Freedom. It's no wonder you love Mount Shasta! It's no wonder you love the Springs! For My Love has ever abided there and ever will abide, to raise all who will understand This Law, as rapidly as possible to attain a like Victory. Because, when you have a wonderful Blessing, you know Love wants to share It with others who will be as happy as I am. So, go forward, and know that My Love in you will make you feel the Love to Life, that enables you one day to enter in consciously to the Love of your "Presence," and then go on into Cosmic Action.

So, may the fulness and awareness of My Love for you ever abide with you, and clothe you in all the Power of that Love you will ever require to attain your Victory, as I did Mine. May We go forward and just bless everything with the Love that purifies and sets Free, until the Giving of Freedom to others has automatically brought your own. May you feel My enfolding Presence, and remember the Image of Myself in you, as My Love to help you, till

your Victory is Complete forever. May you feel It deeply and give It everywhere, till all stand in Our Octave, the Journey completed, the World blest with Our Love, until It is the Sun in Space, that forever loves the Universe. May My Love abide, and forever bring you to your Final Attainment.

Thank you so much.

DISCOURSE XV

August 19, 1954

SHASTA SPRINGS, CALIFORNIA

Beloved Ones of My Heart, I welcome you tonight with a Joy that words will never convey, but which My feelings shall reveal to you within yourselves, for your strength and accomplishment of that which you choose to make conscious effort to attain. In entering into the use of the Great Power by which the Ascension is attained, there may seem situations in the outer that apparently would try to discourage you, but remember your own Authority of your “Blessed Mighty I AM Presence” is paramount over all human creation; and tonight I want you to feel that. I want you to use that Authority, with the full Realization that the Sacred Fire from the Great Central Sun in Its dominion upon the Earth is yours to use without limit.

Now, to make your journey more wonderful in every way, and your Victory more certain, I wish you to understand, that as you are definitely concerned with calling forth the Ascension for all mankind the Original Divine Way, sixty percent of that Desire and the Energy which It concentrates into your feeling world, remains in your own Life Stream to be the Ascending Power to help you.

Mankind, bound as they are in the shadows that will not let them understand what the Light holds to bless them, must have Assistance to draw them up and out of those shadows by a Power of Light that they cannot resist. That is the reason for the Descent of the Cosmic Light into the atmosphere of Earth, and into the mental and feeling world of the mass of the people, that there may live again within them the Desire to have the Perfection of God, and the Freedom from the Heart of Creation, that fulfill the Divine Plan to set them Free.

This, I want to assure you, will flood to you every day from My Heart, and from the Hearts of the Ascended Host that are ready now to release Their Feeling that They experienced at the moment of the Ascension, into the feeling world, into the energy of the mental and feeling world of all mankind. Because, in attaining the Ascension, there must come within the energy of the outer self, the Feeling of levitation, the Feeling of arising, and the Vibratory Action increasing in the flesh structure to the point, where it becomes One with the Vibratory Action of the Higher Mental Body, which is the Christ Consciousness, the Christ Love that you must feel for all that is, before you can enter into the Flame Presence, or the Electronic Body of the “Mighty I AM.”

So, those of Us Who have gone the pathway

before you, have already experienced the Feeling of rising from the physical structure of Earth into the Glorifying, Blazing Substance of the Higher Mental Body, which carries a thrill, a joy, a power, that you will never forget in all Eternity! Then, as you enter into the Oneness with the Electronic Body, that Raising Process is so wonderful; It is such Ecstasy; It is such a sense of Freedom, and such Dominion over all the atmosphere around you, that It makes Its Eternal Impression upon your feeling. You never forget the Joy of those Moments when you are arising into your Great Mastery and Almighty Dominion over the energy of the Universe. Since no unascended being can convey That to you, it is imperative that mankind have this Assistance from the Ascended Masters and the Cosmic Beings and the Angelic Host; because, the Ascension cannot be accomplished without That Feeling flooding into and qualifying everything that is the energy and substance of the outer self, with the Feeling of that Love which is Master of Creation, and is the Source from which all Happiness and all Perfection forever pour forth to flood everywhere Its Dominion for Eternity.

While Our Love is so great for you all, and We do have to temper It with Mercy, Beloved Ones, as you turn your attention to Us, so We do not overwhelm you too suddenly; yet, every time you

give Us the opportunity, through your attention, to make you feel Our Presence and Our Feeling at the Moment of the Ascension—every time you do that, you are raised one step nearer into your Victory. So, if you don't mind, I would like to associate with you very, very often. (*Applause*) Thank you, Precious Ones, with all My Heart. Won't you be seated please, and just remain so.

Now if you care to experiment with This Feeling sometime each day, if only for a few moments, as you turn your attention to Me, I think you will be quite conscious of a Peace and an Ease coming into the energy of your feeling world, that will be not only a Sustaining Strength, but will be an Expanding Light and a Raising Power that gradually transmutes the substance of the outer self into the White Fire Body of your Higher Mental Body.

This is the Great Process within Life for raising the substance and the energy of which this World is composed, into the Eternal Activity of the Sacred Fire, that forever expands Its Perfection everywhere throughout the Universe. Therefore, even the tiniest portion of the substance or energy of the physical octave must someday become a Flame in the Ascended Masters' Octave; and as you draw forth Our Feeling into the physical conditions of the World around you, our Sacred Fire begins to flood your World with the Perfection and the

Happiness, that one day makes the Earth a Sun in space, and all Life upon It, Ascended.

Regardless of anything mankind has created, This of which I speak is the Master Power of Life. It will never fail you, and It is never absent, and no one in the Universe can prevent you having Its Perfection, if you decide within yourself to feel the love to your "I AM Presence" and the Ascended Host, which enables Their Sacred Fire, Our Sacred Fire, to come back into you, carrying into you Our Feeling of Dominion, of Illumination, and of the Miracle Control of all substance, and all energy for which you have called.

Then, My Dear Ones, the matter of the healing of the body, or the healing of the mind, or the illumination of the outer self, is but a continual flow into that energy of the Feeling from Our Great Octave of Life. If you will bring Our Feeling of that Love to Life into this World, just as surely as you call This forth into outer physical conditions, must the Cosmic Law flood you with the Feeling from the Great Central Sun that gives you the Blessings, and the Power and Assistance to express the Fulness of your Mastery.

So, if I may convey to you the Joy of Attainment after long years of search and struggle, I am just as sure, as I am that the Universe exists, that you will accept My Feeling of My Victory and My Love and My Enjoyment of Attainment! And regardless

of anything of human creation or limitation, if you will turn away from it, and DEMAND THE ETERNAL JOY AND VICTORIOUS ATTAINMENT OF THOSE WHO STAND THE MASTER PRESENCE OF THE COSMIC LAW TO THIS WORLD, Their Love and Their Feeling of Complete Dominion comes into the energy of your Life; and you—feeling as They do—manifest as They do, Their Love to this World; and as you give It, you must receive It from Above.

So, Beloved Ones, the Greatest Joy in existence is to call to your “Mighty I AM Presence” to make the outer self feel the Fulness of Its Own Mighty Heart’s Command to Life. As you ask That from your “Presence,” and then, ask It from Those of the Ascended Host to Whom your attention might be called at that time, there comes a two-fold stream of That Feeling into the energy of your own outer self, and as That Feeling is built permanently into your outer consciousness, and its energy and substance, It must produce Perfection for you and It must raise the outer world around you into Perfection also. Since, in this Magnificent Gift of Life, which the “Mighty I AM Presence” has bestowed upon the outer self for its use in this physical world, there must come the Attainment of your Victory, then We Who are privileged to assist, continually watch every opportunity when your attention comes to

Us, to flood you with Our Feeling.

Now, in the Assistance which I wish to give to you, that as many of you as possible may have the Ascension the same Way I attained Mine, I assure you, I am not going to recall the feeling of My struggle, through the years before My Attainment. That has been consumed! I have replaced it with the feeling of My Joy and Freedom at the Moment of the Ascension. So, any feeling that comes to you from Me, when your attention comes to Me, can never bring back to you anything but the Joy, the Victory, and the Power of My Attainment.

Now then, in sending forth your Call for the Freedom of mankind, there must come the love of forgiveness to that which is of the shadows. Now I do not mean a sympathy with that which is destructive. I mean the Use of this Sacred Fire, with the Command that It go forth into all that causes distress and consumes it from the Universe, and in its place, you leave This Feeling from the Heart of Creation of the Glory and Attainment of the Ascension. Then That becomes an Illumining, Purifying Activity to the physical structure of Earth, until—like a magnet—It draws off the impurities that have been imposed upon the Beings of the Elements, and the Forces of Nature, and the substance of mankind's bodies. In drawing off that impurity, it changes the appearance of the physical form, and mankind return to the Original

Divine Pattern from whence they began their journey upon the Earth. This will solve more problems than you can possibly understand tonight, for It is the Hand of the Sacred Fire from the Great Central Sun that removes from God's World, and from those Who have journeyed this way, the appearance and the qualities of desecration of the Beauty that was given in the beginning.

So, when My Feeling of Love comes to you, I want you to realize, I shall charge you with the exhilaration and the thrill of Joy that will lift you, day after day, into such Victorious Accomplishment while you yet move in the outer world, that wherever you abide, the Ascended Masters' Perfection does become a Part of this World because of your joy and anticipation of your Attainment. So, Beloved Ones, let us try this in the next three days. If you want My Exhilaration and Thrill of My Experience in the place of seeming physical weariness, I have the Power to draw off that which is not the joy and miraculous accomplishment of that which you desire to produce before mankind, as the picture of the Joy of fulfilling the Great Divine Plan. I will assist you in every way in this locality to accomplish anything your Hearts desire to do for the raising of mankind and the Earth into the Perfection that should long ago have been established here, as the Great Blessing from the Central Sun.

You may have anything you desire, so long as you bring Ascended Master Perfection into this World for the Ascension of all, including the Earth Itself, in the Fulfillment of the Great Divine Plan. It seems to Me, mankind have traveled the path of struggle and distress, and the shadows, long enough. My Love is Light to the Universe; and so should yours be, in your Call for the Ascension of mankind. The very intensity of your Call will bring a Light within and around you, that will show the rest of mankind the pathway out of distress, and into the Happiness that Mastery alone can give.

So, as Those Who have assisted mankind through the centuries to attain the Ascension through the Retreats of the World, are now pouring Their Feeling of that Ascension into the outer activities of mankind, it is that the distress of the centuries may be compelled to be released and consumed from the Universe, that the Heart in every human being may speak Its command to the Fulfillment of the Great Divine Plan, the Joyous Way out of the human ideas, and into the Feeling of the Love that never produces imperfection.

So, Blessed Ones, whenever you pour your love to mankind, remember to make the Call for the Ascended Masters' Feeling of that Love to go forth to mankind that can never produce imperfection, or unhappiness, or anything in the way of a struggle

to Life anywhere you pass by. I tell you, it is such a thrill of joy to be able to send forth that Sacred Fire of the Love that brings happiness wherever the shadows of distress have unfortunately been created by mankind.

Will you try to awaken to the consciousness that the Great All-Wise, All-Loving, All-Perfect Source of Life, the “Mighty I AM Presence” in the Great Central Sun, never created unhappiness or imperfection in this World. So, since you have had to experience some of it, and certainly want no more, then as you understand what it means to draw the Thrill of the Ascension into the feeling world of yourselves and the rest of mankind, just make the Call, then go on in a perfectly natural, normal way every day. You will find that Thrill and Feeling which We experience, becoming a natural part of your own outer activities, just as the Joyous Assurance of your own Victory attained. The very Intensity of that Love and that Feeling will draw your Ascension into action, not necessarily more quickly, but with the Greater Power that is the Raising Activity to the rest of the Earth. In that way, My Dear Ones, you could raise an entire locality out of the distress, and imperfection, and blight mankind have imposed upon it, and make it become a Glorifying Activity to the Source of Life to all.

If you will only remember how intense My Love was for the Beloved Godfre after those long

years of search, when, again and again, I became discouraged—but only for a time, just perhaps a few moments or an hour. Then, there always arose within Me, the determination to search once again. Where do you think that determination came from? Both My “Mighty I AM Presence” and the Radiation of the Love of that Blessed Master in India, Who told Me to search. That was the Strength of His Love which He gave Me in those words, and That was My power to accomplish.

So, I too can give It to you. I can give you the Thrill of My Feeling at that Moment; and, I can give you the Feeling of that Determination that never wavers, because the Goal must be attained someday, sometime, somewhere by all!

In the meantime, you can draw Perfection into this World, until all understand their obligation to release the Earth from the distress of unfortunate human creation. So, as We go forward, Beloved Ones, who have tread the very ground I walked upon—you who have gazed upon the Mountain that I loved; you who have felt the Peace and the Power in this locality—I ask you to accept right here My Feeling, and Joy, and Raising Activity at the Moment of the Ascension!

The Master Jesus, and the Beloved Godfré, and All Who have attained It, will intensify that Feeling in this locality, as well as in yourselves.

Then, when you DEMAND THAT MANKIND SHALL AWAKEN OUT OF THEIR DISTRESS, AND SHALL FEEL THE LIGHT OF THE APPROACHING DAY OF COSMIC FREEDOM, then in that feeling which you send forth, will they too reach up and become aware of That which is their Goal. It is just as certain of accomplishment as that you exist in this World!

From tonight, and in your Presentation, please know there will be the Host of the Ascension abiding in the atmosphere where you portray the picture, and the action, and the words of Those Who have gone before you. There will stand the Host of Ascended Beings Who will charge the atmosphere of all who behold this which you will present, and that atmosphere will be charged with the Ascended Masters' Exhilaration at the moment of Their Ascension. You may absorb That, and the Earth Itself be filled with Its Light, until the Ascension is the Goal of Happiness for all—consciously determined, deliberately chosen.

With intense power, send forth the Call for the release of mankind from the distress of the centuries. Your privilege is very great—also your obligation and responsibility; but, as you arise and are determined to have the Happiness and the Thrill of Eternal Mastery, will there come always the Assistance to you to attain It.

So, in that which you are privileged to present, will come to you the Greater Power of your own Attainment. Just know, the Love from Our Octave will bring you every good thing you could ever desire, as you go forward and are determined that this World shall become a Sun of Happiness, and mankind—the Legions of the Ascension—to go forth and produce in Cosmic Action that which fulfills the Law of Love.

So, unto your Victory do I commend you tonight; and know that every time you turn to Me, My Feeling and Thrill of My Freedom shall come into you, to abide until you too have become the Fulness of Its Victory. May this whole locality be so charged with that Feeling, that all who ever pass this way will turn to the Light and enter into their Eternal Mastery. Thank you, with all My Love for Eternity.

DISCOURSE XVI

January 10, 1957

CHICAGO, ILLINOIS

Beloved Ones of the Mighty Saint Germain's Family, it is again My Privilege and My Pleasure to take you deeper into the thought and the feeling that is as surely raising mankind, as that individuals exist in this World. I want you to feel tonight, the Great Privilege that is yours—and It is Ours—in awakening mankind once again to the Desire to fulfill the Divine Plan of Life, and to close the door on the distress of the last two and a half million years. Because, in the returning of the World and all upon It, into the Luminosity by which the Purity is maintained and the Accomplishment of the Ascension is again brought forth the Original Divine Way, it is a far greater task than you understand and it requires far greater Release of the Sacred Fire than any individual has any concept of at this time.

In your Desire to attain the Ascension the Original Divine Way, there comes an awakening, just like a Flame passing through the emotional bodies of all mankind. All life in this World, is aware of the Wave of that Light and the passing of that Sacred Fire through the energy of the emotional body and

through the mental body. It is an Awakening again into the Realization of the Great Divine Plan's happy Fulfillment of the Destiny of each Life Stream.

It is not the work of a moment to take mankind out of individuals' human creation of the centuries. But nevertheless, as the Flame in the Heart begins to reach up and desire to fulfill the Design of the Divine Plan of the Higher Mental Body—once that Flame begins to expand—It will surge, and continue to surge with a certain Cosmic Pressure from Our Octave of Life that will eventually bring It to the Fulfillment of Its Cosmic Victory. So, when you desire to attain the Ascension the Original Divine Way, you are doing a great deal more than just lifting yourselves to your Eternal Freedom—you are a Raising Power to all Life, and every time you desire the Divine Way to do a thing, there comes back to you a Release of the Sacred Fire by which your Desire can be fulfilled.

If you will remember Beloved Saint Germain's reference to the Blessed Godfre's Desire to see the Ascended Masters, and that Desire had become so strong that the Cosmic Law had to see It fulfilled in outer manifestation. So it is with you. When a few of mankind begin to desire to fulfill the Great Divine Plan, the Original Divine Way, that Desire—since the feeling world of mankind is one, and the mental world is one—your Desire for what is right

ramifies and continues to flow out into the mental and feeling world of all Life—not only human being's life, but the life of animals, the plant life, the life of this World. Every Desire that you have for anything constructive goes on and on as a Raising Activity to Life wherever that Vibration Flows.

Therefore, to divinely desire the Fulfillment of the Great Divine Plan, brings always Its Blessing to all the Life in the World. When you begin to desire the Original Divine Way of doing anything, you cannot desire that without the Greater Life beginning to release to you the Greater Wave of the Sacred Fire by which you can accomplish the Fulfillment of your Desire. So, be very careful what you desire! When you understand what you could have by just the great, joyous, loving release of yourselves into the complete Control of your “Mighty I AM Presence” and Higher Mental Body with no thought or desire for anything, except just the Awareness of Its Presence, filling you and your world with what It desires for you, you would have so much, infinitely more of Perfection than you could ever imagine in your wildest use of your imagination.

Now I speak from experience, because in those long years of My Experience in searching for the Man that could help Me to My Ascension, you have no idea what the Intensity of My Feeling

built and what Power it accumulated, until the Final Moment of My Victory; and that Desire—the Energy I concentrated in that Desire—was the Raising Power that helped Me to the Fulfillment of My Desire.

So it is with you; so it is with all Life. When you desire That which is of God and continue to desire It, the very Intensity of your Desire draws back into you and your world the Power to fulfill It. So, never feel discouraged, never feel that any earnest effort is wasted, for it is not. Anything constructive will always raise all Life, substance and energy into something that is better.

While destructive forces, through their evil, seek always to desecrate and destroy That which is of God; yet, My Dear Ones, in their desire to do that, they shut off all ways and means by which they could have help, until they desire God! I want you to see what this means to Life Streams that come and go in embodiment, with no thought at all of the Fulfillment of the Great Divine Plan. They are pushed here and there, like a boat on the ocean, without pilot or rudder—battered here and battered there—until the human stubbornness goes down, and allows the Desire of the Higher Mental Body to come into the energy of the outer self, and release Its Power to raise the outer self into the Greater Perfection that is the Fulfillment of the Divine Plan.

Then, I want you to see, and I want to show you what it means to call forth the Love of the Sacred Fire into yourselves; and then, pour that Love of the Sacred Fire to everything in the outer world. That Sacred Fire Love is the Disconnecting Power that makes every discord disconnect from you and your world and drop away of its own weight. You will never realize, until you're completely Ascended—did you get that? I said, COMPLETELY ASCENDED! Do you realize you're partly ascended now? (*Applause*) Thank you.

The reason I said that was because your Mighty Saint Germain said to you: ONCE YOU BECOME AWARE OF YOUR “MIGHTY I AM PRESENCE,” AND YOU BEGIN TO CALL IT INTO ACTION AND RECOGNIZE YOUR ASCENSION, YOUR ASCENSION HAS BEGUN! Once you become aware of what you can do to free yourselves, by calling the Love of the Sacred Fire into yourselves and into outer world conditions, how you free yourselves, you will never realize how important It is, until you are completely in Our Octave forever. But, I am come to remind you; and to try to make you feel the Power that you have all the time, to keep calling forth the Great Central Sun's Sacred Fire Love into everything of the outer world, that just lifts it by the very Intensity of the Flame.

So, Blessed Ones, be not discouraged when you

look at the outer world. It is changing; perhaps not as rapidly as all would like—but I assure you, the Light in Its Cosmic Action is expanding! There has not for centuries—in any age—ever been released into the outer world, the Desire and the Calls for the Sacred Fire from the Central Sun that you Blessed “I AM” Students have poured forth in this “I AM” Activity through the years! Not in the entire history of the Earth has that much Desire gone forth in a Call to the Heart of the Central Sun, for the Release of the Sacred Fire for the Ascension of all! So, It is raising you far more rapidly than you understand; and It goes on in Its Raising Activity to the Earth. When It reaches a certain Point, I assure you, the people will awaken—just as certainly as they exist. When the Sacred Fire appears, they will either understand It and love It, or they will bow and give Obedience, until the evil in them is consumed. For there is no escape for evil! Evil must be annihilated! Therefore, when you desire these Magnificent Activities of the Sacred Fire to come into yourselves and do these things that produce Greater Perfection, and bring about that change harmoniously, you are establishing a Permanent Raising Force into the structure of Earth Itself.

So, Blessed Ones, when I said that I blessed everything at the Moment of My Ascension—everything that had ever touched My Life Stream,

while it was harmonious or otherwise—I just blessed it with the Sacred Fire and let it go. Oh, you will never know how much pressure you struggle under until you are Free from it. When it completely lets go, you will experience a Joy, a Relief, an Ecstasy of that World of Love which is God's Heart, and was the Original Way you were always intended to enjoy.

The Original Divine Plan of embodiment never contained the struggle through which you have passed, never! There have been Planets and Systems of Suns that have come forth and fulfilled the Great Glorifying Plan of the Universe, and not one shadow of distress or discord ever touched those Manifestations. So is it going to be in this World; except, as We close the door on the hordes of human creation, We also will close the door on the memory of the discord—for God's Universe never included a plan of discordant manifestation.

So, in order to be Free from the discord, you must at all times CALL THE GREAT CENTRAL SUN'S SACRED FIRE LOVE IN AND AROUND YOURSELVES AS A RAISING POWER TO TAKE YOU OUT OF THE DISTRESS, TO DISCONNECT YOU FROM ITS SUBSTANCE. Then, as you gain your Freedom, that Sacred Fire goes on and on into that substance and energy and continues to purify it, until it is returned to its Original

Purity. So, no matter what you do in the Use of the Sacred Fire of the Great Central Sun's Love, you bless yourselves, you bless all Life, you bless the World, you raise all that you contact, and whatever you do—by that Use of the Sacred Fire—is permanently done!

When you see how much the World needs that Love from the Central Sun, you will not miss an opportunity to call the Great Central Sun's Sacred Fire Love of Cosmic Control into the physical conditions of this World to control them until they are purified, rebalanced and set into action to fulfill the Great Divine Plan. So, Blessed Ones, I hope, as I make you feel the Freeing Power of the Sacred Fire—I hope you will use It daily in and around yourselves, that you may feel the Release from the pressure, and the strain, and the struggle of the conditions of the outer world; and while yet unascended, you may have a very great deal of this sense of lightness and freedom from connection with the destructive forces, until they are completely removed.

As you go on in the Full Realization of how the Great Central Sun's Sacred Fire Love can transmute conditions and close out that which creates discord, when I you begin to see It work, when you begin to feel the relief, then you will understand what I mean; and if it takes too long, I will come and visit more often to remind you of it! (*Applause*) Thank

you so much, Precious Ones. Won't you be seated please.

When you begin to realize the Power in the Great Central Sun's Sacred Fire Love, once you begin to experiment with It to correct conditions that have opposed you—once you become aware of how It can transmute those conditions—you will not forget to use It. I tell you this night, if with your fierce determination you turn to your “Mighty I AM Presence,” and say to It: “MY ‘BELOVED I AM PRESENCE’ AND THE ASCENDED HOST, FREE ME FROM EVERYTHING THAT IS NOT THE GREAT CENTRAL SUN’S LOVE OF THE SACRED FIRE, THAT IS MASTER OF ALL! FREE ME FROM ALL ELSE AND MAKE ME THY SUN PRESENCE!” I tell you, tons of struggle can drop away from you overnight! If you will experiment, you will miss the tons of pressure.

You do not know yet what Power you have to free yourselves, by simply pouring to Life everywhere the Great Central Sun's Love of the Sacred Fire; because That is the Love from the Heart of the Central Sun that does all things well, and does not produce discord anywhere. If discord exists, It dissolves it; but It goes on Its way with a Freedom that brings Joy to Life forever. So, Blessed Ones, I hope you will experiment with this of just blessing Life everywhere, with the Great Central

Sun's Love of the Sacred Fire, and go on your way.

Tonight, if you could replace all resentment, all criticism, condemnation or blame, and all rebellion against conditions, with just the constant Call for the Great Central Sun's Love of the Sacred Fire—just let It go forth into outer conditions; be unconcerned as to when they change—you would find them changing very much more rapidly than otherwise would be. You can even CALL THIS FORTH AS A MANTLE ABOUT YOU, TO KEEP AWAY THE PRESSURE OF OUTER WORLD DISCORD AND THE IMPERFECTION THAT HAS BEEN GENERATED BY MANKIND.

I tell you the only comfortable place to live—when all is said and done, when you've experienced everything that has ever taken place in this World—the only real comfortable place to live—permanently—is the Sacred Fire's Great Central Sun's Love. When you call forth the Love of the Great Central Sun's Sacred Fire as your home, your business, your world, your atmosphere, everything you do, and continue to do that, It will reveal Itself. I will need to say no more. It will unfold within and around you; It will reveal what It can do; and the Powerhouse of the Universe will have come to abide with you. So, go forward, and experiment with It tonight. I'm not giving you any advice; I'm just offering you an opportunity! (*Applause*)

Thank you, Precious Ones. If you remain standing just a moment, I have just this to say: If you want Freedom enough, you will do This from tonight; and if you do It, your Freedom will come very, very quickly.

So, I enfold you in My Feeling of what the Freedom is that comes with that Love of the Sacred Fire. May It be a Mantle about you, to forever release you from the pressure of all in this World that is not the Great Central Sun's Love of the Sacred Fire of your Eternal Freedom that lifts you unto your Ascension as you have called. Accept It tonight; go forward and use It; and be free from the distress of the outer world, till that Hour when you come to Us for Eternity, and no pressure can ever touch your Life Stream again. Thank you, with all My Heart's Love for your presence here tonight. Good night! Won't you be seated, please.

DISCOURSE XVII

May 23, 1963

CHICAGO, ILLINOIS

Beloved Ones of the Light, I trust I may bring to you this hour, more of the Power of Our Love from the Ascended Masters' Octave of Life. I wish you to feel how important it is for you to recognize the Ascension as an Action of Life, not only within your own Life Stream, to raise you into the Eternal Perfection of the Great Divine Plan's Fulfillment—not only that—but to recognize the Ascension as the Great Raising Power from the Great Central Sun, to raise everything where you pass by into something better, and greater, and more magnificent in Its Glorifying Activity to the Greater Life that has placed It here.

In the Attainment of the Ascension, it is not just the concern of your own Life Stream which should be considered by the outer self—it is the awareness of your affecting presence upon all Life that you contact; because, as you call for your own Ascension, your very Desire to rise into the Ascended Masters' Octave is an Activity of the Great Central Sun Magnet that, through Radiation, goes forth into the feeling of all Life around you. That Feeling, as It touches other Life Streams, and even the Powers of Nature and Forces

of the Elements, is a Raising, Expanding Power of Perfection.

It is the Way that you can give back to Life, as you take your own Ascension, something of the Great Love of the Universe for the Blessings that the Life in this World have given you as you took embodiment here, and used the substance and the Blessings of this World to draw forth the Powers of your own Life Streams, to exert your Mastery, and rise into the Eternal Perfection of the Divine Plan fulfilled that makes you Master everywhere you go through Infinite Space.

Each one's individual Ascension is a Raising Activity to the whole World! It's a Raising Activity to the Powers of Nature and Forces of the Elements! It's a Raising Activity to every particle of Life that you contact!

So every thought, feeling, spoken word, and act that you send forth qualified with the Desire for the Ascension, the Sacred Fire's Love that gives you your Ascension, and the Use of the Ascended Masters' Consciousness to help you attain the Ascension, everything you send forth is a Raising Activity to some other part of Life. That is why each one can be of such Tremendous Power in his or her effect upon the rest of Life; and that is true of everything that is constructive, everywhere in this World or any other.

Whatever you call forth into manifestation that is constructive, it is always—if left undisturbed by discord—it is always a Raising Activity to all the rest of Life that it contacts!

Now this is the Master Power of the Great Central Sun Magnet! If people understood how much of that Power the outer self could have to use in outer world activities, to raise every other part of Life into something better than it is now experiencing, the individual who is willing to do that, would forever keep receiving Greater and Greater Blessings from the Ascended Masters' Octave.

You cannot use your own Life to pour forth the desire, the feeling, and the Blessing to some other part of Life, to raise it to something better, without the Greater Life above you pouring into you something that will raise you into something better!

So, whatever you give to Life that is constructive, the Greater Life will give to you in Greater Abundance, Greater Power, and Greater Protection! Now, this is the Fulfillment of the Divine Plan! It is the Ascended Masters' Way to live Life; and if you will notice, *everything that is concerned with your Ascension is a giving out of the Perfection of your own Life to the Life around you!*

Therefore, *the Ascension can only be attained by unselfishness, by the action of giving out a force that*

raises the rest of Life! Then the Greater Force and Power from the Ascended Masters' Octave come into the individual, to raise the outer self into the Greater Perfection of the Ascended Masters' Octave.

Now, it is only because mankind's selfishness of holding things to the outer self, and the outer feeling has been concerned just with the outer self, that it has closed the door to the awareness of the Purpose of physical embodiment! It is only because of that selfishness that *mankind has forgotten that the Attainment of the Ascension is the Purpose of physical embodiment!*

I hope, with your assistance, to awaken the people to a Realization of, not only the possibility of attaining the Ascension, but the necessity of mankind understanding that It is the Divine Plan fulfilled, and It is the Law that is one day going to compel It in the physical world; and you can be a part of Its Fulfillment! (*Applause*) Thank you so much, Precious Ones! Won't you be seated please, and just remain so.

THE BELOVED MASTER JESUS CAME TO GIVE THE PROOF OF THE ASCENSION; and yet, mankind does not accept that It is the Duty, and the Obligation, the Destiny of every Life Stream's use of Life in this World.

Therefore, when mankind sleeps in the senses, in the selfishness of human feeling, there must come again the Awakening Force from one or more of the

Ascended Host, to move into outer physical conditions the Awareness of the Purpose of Life, and then the Explanation of how It is attained, and then mankind must give Obedience or suffer until the Obedience is given!

It is with very Great Joy that We contemplate the Student Body throughout the World who have accepted and understand that the Ascension is the Purpose of your experience in this World! When We see this many people accepting the Ascension as the Purpose of physical embodiment, We not only offer every possible Assistance through Our Love, but We try to expand into the consciousness of individuals that you meet, sometimes just through your Radiation, the Awakening Power that will pour into other Life Streams the Desire to attain the Ascension also!

Therefore, your influence is not only upon individuals. Your Desire for the Ascension, your Understanding of how to attain It, goes forth into the mental and feeling world of all mankind, and must, someday, bring to the outer intellect the Conscious Understanding that It is the Fulfillment of the Divine Plan, and the outer self is obligated to, one day, gain its Freedom that Way!

This is very far reaching—and the Beloved Saint Germain, bless Him for Eternity for all that He has done, and every effort He has made to bring This to the consciousness of the people, that by their

acceptance of It, their suffering may cease—because suffering never will cease, until individuals understand that the Ascension must be attained somewhere, and every experience in this World should lead one to the Attainment of that Victory!

Here is the Beloved Mighty Victory, offering all the Love from the Beings on Venus to the people of this World, to awaken in them the Desire for the Ascension, the Desire to become an Ascended Being, the Desire to master discord, and evil, and limitation in this World.

When you realize the amount of Love Life has bestowed upon the people of this World—age, after age, after age, civilization, after civilization, to bless mankind with these Greater Blessings from the Ascended Masters' Octave, in order that the Divine Plan may be fulfilled by which the Earth Itself may become Ascended as a Sun—when you realize how much Love Life has released to the Life in this World to attain That, only then will you understand just what the Sacred Love of the Sacred Fire means to the Universe!

Unascended beings will not know and cannot know, till they become Ascended, what terrific effort the Great Cosmic Law has released through individuals, civilization after civilization, to build Blessings in this World, to raise mankind's Desire to attain the Ascension.

Unascended beings haven't the slightest concept

of the amount of energy they have used in the experience of one embodiment after another, that have not only not attained the Ascension, but have deliberately created conditions that prevent the Ascension. Therefore, you Blessed people, who are awakened to This, are blessed beyond any words to explain! You cannot realize yet how great is the Gift that has been given to you, until you see It from the Ascended Masters' Octave, and you will look back and you will wonder, how could any part of Life be held in the shadows that long, and endure suffering that long, when Love is ready to release the Assistance to the Ascension!

If you do not realize how great the Love of Life is, recall often, through your intellect, the feeling of what it means to Life, what the Freedom of Life is in the Victory of the Ascension. When that Blessed Being said in the early days of This Instruction: "Give Me a little bootblack off of the street, and if he will give Me Obedience, I will give him his Ascension in three years!"

Now, after hundreds and thousands of embodiments in which you did not gain the Ascension—in which you suffered tragedy, and distress, and limitation, and destruction—yet, in three years, the door to that can be closed for Eternity, and all It takes is cooperation with Love! All It takes is the cooperation with the Love of that Great Being Who has offered It!

Because, every Ascension is only accomplished by the Love of some one or more Ascended Beings; because It takes the Power of the Ascended Masters' Octave, the Ascended Masters' Love, to be the Force that raises the outer self into the Ascended Masters' Perfection!

Just think how Great the Sacred Love of the Sacred Fire is! When, after hundreds and thousands of embodiments, in which only the Great Law knows what has been created, all of that can be dissolved, consumed, removed from the Universe, so it never touches Life again; and just the Love from the "Presence" and the Assisting Master, and the obedience of the feeling of the outer self to that Love, takes the individual out of the centuries of miscreation in this World!

You cannot comprehend how Great that Love is till you become It; and then you realize that It is the Law of all Systems of Worlds, It is the Law of all Creation! It is the Law of all Peace, and Mastery, and Ever-Expanding Use of all that is in Infinite Space, and only Happiness—no discord—can ever touch It.

It is well to contemplate what the Sacred Love of the Sacred Fire is, can do for you, and also, it is well to realize what It has done for mankind age after age after age. So, when the shadows gather in outer world conditions, by the selfishness and destruction of mankind's unfortunate human creation, TURN

BACK TO YOUR “BELOVED I AM PRESENCE,” AND TO THE ASCENDED HOST, AND TO THE SACRED FIRE’S LOVE, AND CALL WITH ALL YOU ARE AND HAVE FOR ALL THAT THE ASCENDED MASTERS KNOW THAT MEANS TO LIFE TO COME IN AND AROUND YOU, RENDER ITS SERVICE, AWAKEN THE REST OF LIFE OUT OF ITS DISTRESS, AND PERFORM FOR YOU THE SERVICE THAT GIVES YOU ETERNAL FREEDOM!

Blessed Ones, until you are Ascended, you never can know what Gratitude is, till you are Free from the limitations through which you have passed in this World. So, whenever you think of the outer world’s chaos, more than ever, turn back to your “Beloved I AM Presence,” and CALL FORTH WHATEVER COSMIC SACRED FIRE AWAKENING IS NECESSARY, TO BLAZE THROUGH THE WORLD FOREVER THE ANNIHILATION OF EVERYTHING THAT IS NOT THE LOVE OF THE ASCENDED HOST THAT SETS LIFE FREE! Because Life cannot be Free without Our Ascended Master Love—It never was set Free without Our Ascended Master Love, and never will be!

This World needs the Sacred Fire Love of the Ascended Masters’ Octave, and that’s the only thing that can ever give the Ascension! It’s the

only thing that will ever produce Peace! It is the only thing that is Eternal, Invincible Creation of Perfection, forever expanding as a Raising Power to every bit of manifestation everywhere for all Eternity!

Whenever the outer world weighs heavily upon you, turn away from it and calling to your “Beloved I AM Presence” and to Us, but sending your Love to your “Presence” first, ASK FOR YOUR “PRESENCE” AND THE ASCENDED MASTERS’ SACRED FIRE AWAKENING CONSCIOUSNESS, AND SACRED FIRE LOVE TO COME IN, THROUGH, AND AROUND YOU, AND PREVENT THE EXISTENCE OF ANYTHING ELSE IN YOUR BEING AND WORLD, NOW AND FOREVER. As you gain even a small momentum of This, your experience will be so astounding, the Miracles will bless you so greatly, your Victory will be so Invincible, and your Boundless Supply so Ever-Expanding, that you will realize that to live any other way of Life is but the foolishness of the human!

So, if you want to dissolve and consume the human creation, FILL YOURSELVES WITH YOUR “BELOVED I AM PRESENCE” AND THE ASCENDED MASTERS’ SACRED FIRE AWAKENING CONSCIOUSNESS OF ALL THAT THE ASCENSION MEANS TO LIFE, TO YOU, TO THE LIFE AROUND YOU, TO

THE UNIVERSE EVERYWHERE; and try to become One with the Love that is so Great that It only produces Perfection, everywhere, forever expanding, and never contains discord again, never!

The Sacred Love of the Sacred Fire never produced discord and never will. So, until mankind is ready to come within the Heart of Love and live there, Peace does not come, and will not come, and has not come in the past!

There is only One Place from whence Peace comes, and that's the Sacred Love of the Sacred Fire from the "Beloved I AM Presence" and the Ascended Host. From the Ascended Masters' Octave alone comes the only Peace in all Infinity, and all Eternity!

So, when you want Peace, TURN BACK TO THE "BELOVED I AM PRESENCE" AND THE ASCENDED HOST, AND ASK FOR THE SACRED FIRE'S LOVE OF THE AWAKENING CONSCIOUSNESS THAT RAISES ALL INTO THE ASCENSION; and you have no idea what Miracles can be produced. You have no idea what Power you can have. You have no idea what Protection It will be.

If the Great Cosmic Law, through the Love of the Beloved Master Saint Germain, or any Ascended Being, is willing to raise a little bootblack off the

street into the Ascension in three years, surely, there is some Love in the Universe that will raise you too; and “I AM” that Love! (*Applause*) Thank you so much!

Try to remember that whenever you call to Us for anything, whatever Our Love gives to you is a Raising Consciousness to raise you out of distress, out of limitation, out of everything that is not Our Love, and Our Mastery over all Creation!

Go forward, and remember, there are Angels of the Ascension, Whose Love is indescribable in words, but Whose Raising Power of that Love is forever the Control of all wherever you abide.

So, I commend you to your close association with Them! I commend you to your Call to Them, that They may raise others you contact, as well as yourselves, so all may go forward to the Victory of the Ascension, and that Ascension is what? Just letting go of the distress and the limitations you have had in this World. So, it shouldn't be so hard; it shouldn't be difficult; it shouldn't be feared; and certainly, it needs to be understood!

When you CALL THE SACRED FIRE'S LOVE OF THE AWAKENING CONSCIOUSNESS FROM THE ASCENDED MASTERS' OCTAVE INTO ALL THAT LIVES IN THIS WORLD, you are giving the Eternal Love of Immortal Perfection of Mastery over discord, and therefore,

the Immortal Purity of Freedom, and Peace, and Victory for Eternity.

I commend you to It by the Love which it is My privilege to use, to bestow, and which I am pouring into this World with your assistance, to help the rest of Life become that which We are.

So, unto that Divine Purpose, to that Great Joy, to that Mighty Victory do I pour My Love, that I may help to raise you to that Freedom which "I AM." Then again, as you turn to pour your Love to the rest of Life, will you find Illumination taking the place of the shadows of Earth, and the Happiness, and the Music—the "I AM" Miracle Music of the Spheres—will forever replace the cry of human distress!

I invite you to come into My Heart's World in the Song of the Sacred Fire's Love, which is Immortal Peace! May you become Its Sun Presence to the Earth, and walk with Us every day, and pour forth the Sacred Fire Love that produces It for Eternity! Thank you with all My Heart!

DISCOURSE XVIII

January 4, 1967

CHICAGO, ILLINOIS

Beloved Ones of the Mighty Saint Germain's Family, I wish to give you some of the Feeling that We have from the Ascended Masters' Octave, that will stay with you for Eternity and will, at all times, bring in, through, and around you more and more of Its Eternal Perfection!

I wish to show you what an Outpouring of Love from your "Beloved I AM Presence" and the Ascended Host can do everywhere in the physical world, if people would only use It, and try to understand just how Powerful It is!

This which I am going to call to your attention, tonight, is concerning Healing! If you could see, for one moment—just a second—what is the effect in the cellular structure of your body, when just one Wave of Love comes from an Ascended Being in, through, and around you, to fill you with whatever is required to either heal the outer self, or to purify it, or harmonize it, or protect it, or to help it expand the Light from the "Mighty I AM Presence" in Its producing of the Victory in the physical octave of anything and everything that is constructive, with

which you are concerned in daily activity!

Could you understand and see, just once, what the effect is in every cell of your body, when just one Wave of Love comes from an Ascended Being, you would see the Point of Light in every cell expand—you would see the Beings of the Elements within you expand the Light, and harmonize very quickly. More than that, you would see pass off and be consumed, the rates of vibration that have been the discord within the emotional body, or the etheric body, or the physical structure itself, or the mental body—the outer intellectual consciousness!

When you watch this from an Inner Standpoint and see how easily, how quickly, and how happily the Wave of Love from an Ascended Master’s Heart passes through the physical flesh structure of the outer self, and can dissolve and consume the shadows that caused distress, you would use this all the time to solve every problem you have! You would use It all the time in every physical thing in the physical world, because It is the Master Presence, the Master Control of all the energy in the physical world; and all energy that is not manifesting Harmony, or Love, or Perfection to the outer self, is some shadow. It is some vibration that is not letting the Light release, so that the Feeling of Love from the Higher Mental Body can be the only Feeling in the emotional body of the outer self.

But when you CALL AN ASCENDED MASTER’S HEART FLAME’S LOVE INTO YOURSELVES

AND THROUGH YOURSELVES, OR YOU JUST CALL THE ASCENDED MASTER'S HEART FLAME OF LOVE TO SOLVE THIS PROBLEM OR THAT PROBLEM, OR ANYTHING, TO CONTROL CONDITIONS IN WHICH YOU MUST MOVE, if you could watch This at the Inner Level, just once, you would be the most grateful people on Earth!

Tonight, I trust I may make clear to you what Happiness that Wave of Love—which is always Luminosity—brings to the Powers of Nature and Forces of the Elements, as you watch It pass through the Beings Who create the Blessings that the Powers of Nature and Forces of the Elements give you all the time, and by which you are able to survive, or move, and have an embodiment in the physical world to accomplish the Victory of your Ascension!

Now, when We come to the Attainment of the Ascension, every bit of Purification that has to take place in the physical body at the moment of the Ascension, has to take place by an Ascended Master's Purifying Love, a Flame from the Heart of the Ascended Master Who is assisting!

The Beloved Divine Director, Beloved Jesus, Beloved Godfre, the Mighty Saint Germain, and Blessed Victory, and every Ascended Master Who gives Assistance at the moment of the Ascension, stands, and expands, and pours the Flame of Love

from that Ascended Master's Heart, right through the atomic structure, until the etheric body and emotional bodies are purified and drawn up and into the Higher Mental Body! At the same time, the Higher Mental Body is pouring Its own Love and Light into the outer substance that is being raised into the Ascension.

So, when you think of solving your problems by using the Ascended Masters' Love, will you always remember that It brings a Light into the atmosphere in which you move. It brings a Light into the condition; and then, whatever the problem is to be solved, you will find the Purifying Love from the Ascended Master's Body is what passes the Vibration through the condition, and dissolves and consumes every vibration that causes discord!

Therefore, when you call forth the Ascended Master's Heart Flame's Love to solve any problem in the physical world, try to remember, the Beings of the Elements rejoice more than you can realize, when destructive frequencies of vibration are dissolved and consumed, and the Love from the Ascended Master enfolds the Light in the Being that is creating a Blessing to the Powers of Nature for which mankind is constantly calling, and which mankind must have and use in order to embody in this World, and create a body through which the Ascension can be attained!

If the people of the World would only learn to use the Love We Offer, the Love that is Light, the

Love that is Peace, and the Ascended Masters' Love, that is Power Unlimited and Indestructible! Human experience in this World would be dissolved and consumed, and every bit of discord be replaced by the Perfection that is the Ascended Masters' Way of Life for Eternity!

So it doesn't matter what is the cause of discord in the outer world—nothing is really important, except how much Sacred Fire Love you pour into this World, you pour in and around yourselves, how much you draw forth to be the world in which you live, until your Ascension is complete!

It doesn't make any difference how much is needed in the physical world, there's infinitely more in the Ascended Masters' Octave than all the energy and substance in this World put together!

I trust I shall make this plain to you tonight, in a way that makes you realize what a very Tangible, Powerful, ever present Blessing that Life has always offered, and is always in existence, and can always be used in physical conditions, when you call the Ascended Masters' Sacred Fire Love into any condition in the physical world that needs purifying, or removing, and—in order to set Life Streams Free—must be consumed, if Freedom is to come; and Freedom cannot come from anywhere, except the Ascended Masters' Sacred Fire Love!

The Love in the “Mighty I AM Presence,” and

the Electronic Body and Higher Mental Body is Ascended Master Love, because It has never been anything else! Never has anything else ever existed in the Electronic Body or the Higher Mental Body, but the Invincible, Eternal Sacred Fire Love from the Great Central Sun, which is One with the Heart Flames of Love in the Hearts of the Ascended Masters!

If you can understand what a Miracle Power this is, to form the habit of using It in everyday affairs to do everything for you that you want to have done, to give Greater Harmony, or Greater Happiness, or to solve your problems—if you would only try this out, and use It on everything—there is no thing where you can’t use It—you would avoid everything that is of distress!

The Ascended Masters’ Heart Flame of Sacred Fire Love is Eternal. It’s Indestructible Victory, and Indestructible Purity, and Indestructible Love, for which you have been calling!

Therefore, to fill yourselves with It, feel yourselves clothed in It, call It forth into all conditions of the physical world—whether they affect you or not, is not important. There is only one thing important—this is bringing the Perfection, which the Ascended Masters’ Sacred Fire Love is, into the physical conditions of this World, that mankind’s suffering may cease! There is no

way to take out of existence mankind's frightful human creation, except the Sacred Fire Love of the Ascended Masters, which is Indestructible Purity!

So when you call forth these Great Cosmic Powers of the Sacred Fire into physical conditions to purify them, They are, at all times, the Heart Flame of Life, the Heart Flame of Love of some Life Streams, the Cosmic Beings and the Sacred Fire, which the Angelic Host direct into the physical atmosphere of Earth, which the Cosmic Beings Direct, which all Ascended Masters direct, and which the Cosmic Law of the Great Central Sun is constantly pouring forth—that Heart Flame of Love from the Heart of the Great Central Sun; and It can never produce discord, never did, and never will!

You have an Infallible Concentration of Cosmic Power to use in the physical world, with which there is no contest! You can have It without limit—there isn't a condition in existence that It cannot perfect! There isn't a thing that is needed in the physical world to purify it, to hold balance, and to bring into outer manifestation the substance and the things necessary to fulfill the Great Divine Plan—there isn't anything in existence that That Ascended Master Sacred Fire Love cannot produce!

When, previous to the Attainment of the Ascension, the little Beings within the cells of your own bodies

begin to feel that Purifying Love illumine the flesh, and remove the vibrations that are the discord and limitations of the flesh body—could you see the Happiness that That Love produces in every cell of your body! I hope, some day, this can be held before mankind and picturized, so mankind can see some of these Inner Activities of the Magnificent, Magical Powers of the “Beloved I AM Presence” and the Ascended Host, these Magnificent Master Powers of the “Beloved I AM Presence” and the Ascended Masters’ Octave, and these Great Cosmic Powers that come from Great Systems of Worlds, to pour what you call Light to a System of Worlds. Try to realize, the very Light that is coming to this Earth, that is the Life that is being given to the Earth, is the Life that Love gives!

That Light and Life, which comes from your Physical Sun—whether mankind accepts It or not, good or otherwise—the Gift is the Gift of Life’s Love; and Life is constantly giving into manifestation the Love by which mankind can have Perfection, and can have Permanent Peace and Harmony, can have Mastery over the manifestations which are brought into outer existence for mankind’s use!

When, after long years of searching, as was My Experience, that Love developed—which the Master Who came to Me in India and told Me what to do to gain the Ascension—I knew that only

Love could find the One who could help Me; and only Love could raise Me into the Victory of the Ascension! Only Love sustained Me, all through those years, when I sought everywhere for the Man with the Crystal Cup, who could help Me to the Ascension; and Love finally rewarded Me for My Search. Now, that Love, which raised Me into My Eternal Freedom, I give without limit to you! May It do for you what It did for Me! May It enable you to use It to help your Loved Ones, to help all life everywhere you go to be set Free from the distress that that which is not Love has imposed upon Life, to create limitation and destruction!

There is only One Thing that can stop war on this Earth, and That is the Sacred Fire from the Ascended Masters' Octave. That Sacred Fire is Love and Love's Purity from Cosmic Realms of this System of Worlds, who pour constantly to the Earth the Blessings of Life to manifest Perfection by which mankind can draw forth the Master Powers of Life, and, producing Perfection in manifestation to bring Happiness to the rest of Life, gain the Ascension in the drawing forth of the Master Powers from the "Mighty I AM Presence" and the Ascended Host!

If you will realize the Master Powers of Life are the Master Powers of that Sacred Fire Love, there is nothing else important! What is there in the outer world that can compare with that Sacred Fire Love,

which is not only Eternal, but is ever manifesting Greater and Greater Perfection, to bring Greater Happiness to Life, to consume everything that is not Happiness, and to let mankind go forward to the Great Magnificent Use of all the Master Powers that Life contains, that the Great Cosmic Beings contain, and Who are always giving more and more of that Sacred Fire Love into outer physical conditions, until this World becomes the Ascended Masters’ Octave. Then, never again can any vibration of discord ever be created by Life in the Ascended Masters’ Octave!

If you are to be through with distress, limitations, suffering, and the unhappiness that has been created in this World, you might just as well make up your mind—there is no way but One Way! There is no power but One Power to use! There is nothing existing anywhere in the Universe that is comparable to the Sacred Fire Love from both your “Mighty I AM Presence” and the Ascended Host; and, It is the Eternal Freedom from everything that is of limitation or distress! Won’t you let go of your limitations tonight? (*Applause*) Thank you, Precious Ones! Won’t you be seated please, and just remain so.

Won’t you help Us, when you think of the atmosphere in which you move—and sometimes, it’s unpleasant—won’t you help Us to CALL FORTH

THE SACRED FIRE'S PURIFYING LOVE OF SUCH INDESTRUCTIBLE VICTORY INTO THE ATMOSPHERE, WHEREVER YOU ABIDE, THAT THE UNPLEASANT THINGS THAT MANIFEST IN THAT ATMOSPHERE—THE IMPURITY, AND THE UNPLEASANT THINGS—CANNOT LONGER SURVIVE, because Our Sacred Fire Love can consume them completely, and change them into the Fragrance, and the Healing, and the Harmony, the Light, the Illumination, and the Perfection which Our Love is!

We only ask people to use that which makes them happy; and It is the Master Presence of Life throughout Infinite Space for all Eternity, and is forever as free as the air you breathe!

Beloved Ones, if I were to talk to you a million, billion years, I could not exhaust the Blessings contained within that Love, for It fills and surrounds, controls all in existence that manifests anywhere in any System of Worlds. Do you not think It can manifest in you and your world, and produce the same Luminosity, and Beauty, and Perfection, and Music of the Spheres in you and your world, just as well as It can in the Ascended Masters' Octave, or in Interstellar Space?

It is without limit! It is Almighty! It is Eternal; and there is never anything but Joy as the result of Its Use! It never creates any discord to any part

of Life! If I may remind you of this often, I may remind you of the Love and the Gratitude that were Mine, when the Blessed Godfre fulfilled My Desire that I had held so long! Fifty years is a long time to search for It; but I held to Love, and Love held to Me, and Love set Me Free! It will do the same thing for you!

Whenever you are unhappy, or limited, or in distress in any way, just stop a moment and know that Above you is the Love from your "Beloved I AM Presence," and from the Ascended Masters' Octave, that can love away everything that is of distress, and put an end to your experiment with that which God never designed! God never created—the Great Cosmic Law of Life never created discord! The Sacred Fire Love cannot create discord! So It is your place of Eternal Security!

If My Heart's Flame of Love can remind you often enough to use It, day after day, in the little details with which you are concerned, to dissolve and consume that which is not the Happiness of Our Love, that which is not the Victory of Our Purity, that which is not the Fulfillment of the Divine Plan—if I can remind you, that My Love is waiting for you to use It—I trust We shall accomplish what the World calls Miracles.

As you gain a momentum in the use of It, the Master Powers of Life become perfectly natural in

your outer use; and as you use Them to bless the rest of Life, the Infinite Life above you will pour more Sacred Fire Love, and more Powers of Perfection into your outer use, till the World becomes the Heart Flame of Our Love, and your love, because you have passed this way and have accepted the Gifts of the Powers of Nature by which you could embody here, and in which you can abide, until your own Heart Flame from the “Mighty I AM Presence” has expanded enough to raise the flesh structure into the Ascension!

What else is there in this World that is important beside that? Is there anything important except the amount of Sacred Fire Love you draw into this World from the Ascended Masters’ Octave, that you may purify, and balance, and set free some part of Life, or some part of substance that has been bound in discord that is not God’s Divine Plan—never was, never will be, never was God-created?

Freedom is with you always, because the Mighty Saint Germain’s Love to Life was the Call to bring the Knowledge of the Violet Consuming Flame into the physical conditions of this World, to those of mankind who would listen to Him, and accept, and use It, until Its Love has proved the Truth that He told; and the Great Cosmic Creative Word “I AM”—when you understand that as you issue those Words “I AM,”

the Ascended Masters’ Sacred Fire Love that sets all Free, controls all manifestation, takes all through to the Ascension, and brings Joy to Life for Eternity; and “I AM” Its Victory!

Acknowledge It, Beloved Ones! Try It! Use It! Fill yourselves with It! Ask to be clothed with It! Ask your world to be Its World of Perfection, and then send It forth to the rest of Life, irrespective of what mankind has or has not done in outer world activities; and let It reveal to you what a change It brings, the Master Powers which are within It, and the Master Control which It is everywhere over Manifestation, everywhere you go in Infinite Space, the rest of Eternity!

You can never fail! You can never be limited again! You can never know anything but the Magnificent Happiness, and all the Ever-Expanding, Protecting Perfection of the Sacred Fire’s Mighty Master Presence everywhere that Life abides!

Go forward and try It out; and, when you think of things that are in distress—whether they be the Powers of Nature, or, sometimes, the physical things that are in discord of the outer world, or whether you see human beings in distress—just CALL FORTH THE WORLD-ENFOLDING OCEANS OF WHATEVER SACRED FIRE’S PURIFYING LOVE WILL NOT LET MANKIND’S HUMAN

CREATION EXIST LONGER IN ANY PART OF LIFE, BUT JUST FORGIVE IT BY THE SACRED FIRE'S LOVE, for which the world for centuries has needed, but does not use to undo mankind's unfortunate creation!

Do you realize that it was the Love of the Master in India, that told Me what to do to gain My Ascension; and His Love stayed with Me, and was the Strength and the Protection of the Love I needed to release, to search long enough, until I found It; and when I did find It, It was still Love! When the Love of the Blessed Godfre made the Call to God, as He understood It, to do That which fulfilled the Divine Plan, Love acted! His Call was Love! My Strength of the Light to search for the Cup was Love! The Sustaining Power I had was Love! Therefore, I got the Victory that only Love can bring!

When you want Victory, remember, It is Ascended Master Sacred Fire Love within which is all of everything Life could ever desire, or need, or use, or manifest, to fulfill the Great Divine Plan, and take every particle of Life into the Ascended Masters' Octave for Eternity!

Since the World, this hour, is in distress indescribable, those of you who know This Law, We hope, will begin to CALL FORTH ITS OVERWHELMING COSMIC ACTION TO PREVENT NOW ANY LONGER MANKIND'S

CREATION OF THAT WHICH HAS CAUSED SUCH DISTRESS TO LIFE, AND WHICH HAS NO RIGHT TO EXIST, BECAUSE IT IS NOT LOVE!

Therefore, when you CALL FORTH THE ASCENDED MASTERS' MIRACLE MANTLE OF LOVE'S MASTERY, It is very Real, Tangible Substance and Flame from one or more of the Ascended Host, or a Conscious Projection from the Temples of the Sacred Fire of a Living Flame, and Living Substance, that can enfold anybody or anything in the Ascended Masters' Life, that consumes everything unlike Itself!

I hope, tonight, you will accept Its Mastery! We will abide with you, whenever you want Us; and if problems seem to need attention, We are quite willing to flood those problems with Our Hearts' Flame of Love, the Sacred Fire Love from the Ascended Masters' Octave, that is Indestructible Victory of Indestructible Purity, and Indestructible Control of all wherever you abide!

May We help you without limit; and We offer you everything to attain your Freedom, to exert your Mastery, to hold your Protection, and to help you render your service to your Loved Ones that Love will always give; and your Loved Ones will return their love to you. You can render that service that will be a Blessing to them and to you for Eternity!

We offer you the Master Presence of the Ascended Masters' Sacred Fire Love, to redeem the Earth, and raise all into the same Great Perfection to which the Ascended Master Jesus attained, and into the Great, Eternal Freedom that the Mighty Master Saint Germain has said He would bring about; and He would love, and love, and love the World, till all are Free!

We hope you will love the World, as He has loved It! We hope you will love the World, as Beloved Jesus has loved It! And I hope I may be a part of the Love that helps you to free the rest of Life, till all have become the Ascended Masters' Manifestation and the Ascended Masters' Octave of Perfection for Eternity; and Love—the only Eternal Manifestation—forever fills everything with Its Happiness, and Ever-Expanding, All-Protecting Perfection of Eternity!

We offer you Our All! Our All is the Love of Our Life, and may Its Sacred Fire now come and stay around you, until you are raised into Our Octave forever!

Thank you with all My Heart!

DISCOURSE XIX

April 25, 1968

CHICAGO, ILLINOIS

Beloved Ones of the Light, I trust I may bring to your consciousness tonight, an Awareness of the Mighty Divine Plan of Life's Perfection in this World fulfilled, and the Full Comprehending Consciousness of all that It means to all Life, everywhere you go, the rest of Eternity!

Life's Almighty Divine Plan fulfilled is Ever-Expanding Perfection! Now, intellectually, you have heard this; and, intellectually, you agree with It! In your feeling you desire It; or, at least most people do, when they really understand It. But when you realize, that in allowing the Perfection of your own "Beloved I AM Presence" to come forth through the outer self, and fill all the conditions that you contact, and go on expanding Perfection that your "Beloved I AM Presence" is constantly giving, and that the Ascended Masters are constantly giving, through this Flame of the Seven Mighty Elohim, then you must realize that your effect upon the rest of Life, and the rest of the Universe around you, must forever be the expanding of the love, and the peace, and the blessings that have given you—from within the outer self—the good that

has kept you happy, the good that has enabled you to manifest Perfection in outer world conditions, and the good that has sustained harmony, and blessing and happiness for you.

Since the Life of the whole Planet, and the System—all the Life in this System of Worlds—is continually held within the Love of the Great Central Sun, and It is continually giving more of Itself, and Its Perfection, and Its Love, and Its Peace, and Its Purity into outer manifestation, always expanding that which is Harmonious and Perfect, then, the Individual must—someday—come to realize that the outer self must, of necessity—because of the Cosmic Law that governs all Systems of Worlds—the outer self must learn to let flow through that Greater Perfection, and that the outer self is obligated to pour that purifying love, and peace and blessing to Life; it is obligated to pour that back to every bit of Life in the Universe, because the Infinite Universe surrounds the finite body of the physical world of the Individuals who embody here. Since all that is the Perfection of Infinity is pouring Its Blessings to the Earth, then, every particle of Life in this World must—one day, sometime, somewhere—pour back to that Infinite Scheme of Creation—it must pour back its love!

Mankind embodied in this World has not received from the other Systems of Worlds anything

but Light; and Light is Love; and the Love is the Heart Flame from the Great Central Sun!

Therefore, since that Perfection of Life has constantly blest this World, and all upon It, then the Life in the human beings in this World is expected to pour back Love, and Blessing, and Perfection to the Greater Life of the Universe; and, until that is allowed to expand through the outer self, limitation and discord go on. But when the outer intellectual consciousness of the mind, and the desire in the feeling, understand and realize that the Greater Life is giving to the Individual, all the time—when the Full Illumination and Realization of all that means to the outer self, comes from within, as the All-Illumining Ascended Master Consciousness—then there comes the Expansion of the Unfed Flame in the Heart. When that comes, Happiness that is yours for Eternity, begins to fill everything in your beings and worlds; and, then you know—because of that Happiness—you know that you are that Love from the Great Central Sun! You know that all in the Universe loves you; and you, in return, must love the rest of Infinite Space!

Mankind cannot live alone! Individuals cannot live alone! No one part of Life can be completely cut away from all the rest of the Life in the Universe, because there is no place where Life is not. Therefore, the Happiness that people seek—

the Perfection the feeling in the emotional body desires, and craves, and wants to bring into outer manifestation, and place in the physical world—that Perfection must come from the “Mighty I AM Presence” and the Ascended Host; but It must come within the Individual, by the Love to the “Presence,” which keeps the way clear for the Perfect Ideas, and that Sacred Fire to come into the outer self—which is the Power that the outer self uses to produce manifestation out here, that is of Perfection, fulfills the Divine Plan, and It gives Its Blessings to the rest of Life wherever you abide.

The individual who does not live to let that Greater Love and Sacred Fire’s Perfection come into the outer self, and then, loves to give It back to the Infinite Life, and gives It back to all Life in the Universe—the Individual who will not live for that, simply closes the door to the Light and the Love, and abides in the distress of human discord, and impurity, and imperfection, because it will not let the Light of Love come through. When it comes to the Attainment of the Ascension, I assure you, Blessed, Blessed, Blessed Hearts of the Light—when you come to that moment—you can’t feel anything except the Love to Life that disconnects you from the discord of this World.

Now, before the Ascension, you can learn to pour that Love to Life, realizing It is the Greater Activities of

the Sacred Fire from your “Beloved I AM Presence” and all the Ascended Host. As you understand that, you can, and you will take time to—for even just a moment—ASK YOUR “BELOVED I AM PRESENCE” AND ALL THE ASCENDED HOST, TO FLOOD EVERYWHERE GREAT OCEANS OF ITS OWN SACRED FIRE LOVE! Just send It to all Life, to fulfill the Great Divine Plan of this World, and the System to which you belong. You could not give the Love of your own “Blessed Mighty I AM Presence,” and you could not give the feeling, within yourself, of offering love to the rest of Life, without having all the Love in Infinite Space come back and love you! You cannot lose! There is no such thing as not having the Greater Life flood you with Its Own Love, by which Infinite Space is filled with Perfect Manifestation, forever expanding!

Beloved Ones, when people will not live for the Expansion of the Sacred Fire’s Love of Ever-Expanding Perfection and Protection to all that is in manifestation—when mankind will not let that Love go forth, there is no such thing as Happiness and Peace! It doesn’t come from anywhere, except the Light of the Supreme Love of Creation! It is that Heart Flame from your “Beloved I AM Presence,” from the Ascended Masters and Cosmic Beings—the Heart Flame of Love that is the focus of Terrific

Power in the Temples of the Sacred Fire, which are the Homes of the Ascended Host and the Cosmic Beings—that Love in the Physical Sun, and the Great Central Sun, that gives Its Life into the use of the people of this World. Certainly the human intellect should understand, it owes something back to Infinite Life, because of the Blessings that the Life in this World has made possible for the outer self to use!

When it comes to the Hour of the Ascension—I assure you, as you leave this World—you will bless everything with the Love that is drawing you into Its Heart of Perfection forever. Then, the places that have seemed dark, and filled with discord and destruction, will be filled with the Sacred Fire’s Purity, and Love, and Illumination. That is why, at every Ascension, there is a Raising takes place, not only of the immediate locality where the Ascension is accomplished, but in the city, and the Nation, and then throughout the World. EVERY ASCENSION RAISES THE EARTH, TO SOME DEGREE, INTO GREATER LIGHT.

If people—the masses of the people, I am speaking of now—would intellectually understand, and realize, and accept the Accomplishment of the Ascension as the Purpose of physical embodiment in this World, there would come such Illumination to the intellect of man, that mistakes would not longer be created

in outer world experience; and that which the World knows as problems would begin to dissolve and drop away. Until that Illumination comes—until that Sacred Fire Love comes into this World, through unascended beings, and That is poured back to the Great Central Sun—the Purification of the World does not release enough Purity, and enough Raising Power to keep the Illumination going on that prevents more and more creation of discord by mankind, when Individuals are bound in the darkness and the destruction of their own hard feeling to Life!

If I may be of Assistance to you, I trust I can convey to you My Feeling of Love and Gratitude to the Beloved Godfre for His Assistance to Me; because, when you realize what someone's Love for the outer world can, at the moment that you attain your Freedom—when that Love comes, It is Light that illumines your Pathway, and It surrounds you with the Peace that only Those know Who have attained It. You cannot be grateful enough for that the rest of Eternity, because of what It means when you enter into your Freedom for Eternity!

That is why the Beloved Saint Germain feels to the Master Jesus His Love and Devotion, and Obedience, even to this hour; because Beloved Jesus was the One Whose Love enfolded Him when He attained His Ascension. He never fails to pour back the Love, and the Gratitude, and the

Devotion to that part of the Universe—that Life—Whose Love was the Light that opened the Door to Eternal Freedom. So it is with you! So it is with the Blessed Godfre! So it is with every Ascended Master and Cosmic Being!

You cannot understand just how Intense That Love is till you begin to contemplate It; but if you ASK US TO TEACH YOU THE TRUTH OF ITS LAW, AND THE FEELING WHICH IT IS TO LIFE, there will come within you, such Light, such Illumination, that you won't feel anything else! The very Intensity of the Light of Our Love, as It comes within you, to give you the Explanation of the Law—Our Radiation coming in and around you—while your attention is on That, you do not feel anything but the Love of Our Life, and the Peace of the Light; because in that Light is Peace for Eternity.

If mankind would only call this, and fill—Individuals would fill themselves with It—or ASK US TO FILL YOU ALL WITH OUR HEARTS' FLAMES, CLOTHE YOU IN OUR HEARTS' FLAMES, AND BLAZE THE ILLUMINING PRESENCE OF THE SACRED FIRE INTO EVERYTHING, NO MATTER WHAT IT IS! If you'll just only let It expand—all that We want It to do for the rest of mankind—there couldn't a limitation remain within you!

I stand ready to make that Feeling alive within you, whenever you want It, or CALL TO ME, TO MAKE IT LIVE WITHIN YOU, AND TEACH YOU ALL THAT IT IS, AND CAN DO FOR LIFE, AND ALL THAT IT CONTAINS OF THE POWERS OF LIFE, TO BLESS EVERYBODY AND EVERYTHING YOU CONTACT, UNTIL EVERYTHING HAS BECOME THE ASCENDED MASTERS' PERFECTION OF ETERNITY! And, in the Light of Our Love, Precious Ones, not only discord cannot come, but there cannot come imperfection of any kind into the physical bodies of those who will fill themselves with enough of Our Sacred Fire Love of Our Life!

Any time that you seem in distress, any time that problems weigh heavily upon you, any time that there seems to be a mistake, or a looking back upon something that was discordant, if you will just master that attention, and forbid it to any longer connect with the mistakes of the past—anyone's, yours or anyone else's—and if you will only command it to come into the Heart Flame of Our Illumining Love, and ask Us to teach you about Ourselves, and what Powers of Life We can draw in and around you, to enable you to create much more harmonious activities in the outer, enable you to create the things that fulfill the Divine Plan, and, wherever you go, your world becomes the Divine

Plan fulfilled, because you live within that which you create.

If you are interested in creating, in outer world conditions, the Ascended Masters' Divine Plan fulfilled, Our Way, that It may bless all Life, wherever you call It forth, It can only produce that which is constructive. As It is sustained, It will let the Light of Our Love expand; and That is the Raising Power of all on this Earth, to raise it into the Ascended Masters' Octave; because as you let Our Love come into this World, and you CALL OUR SACRED FIRE'S ILLUMINING LOVE INTO EVERY BIT OF SUBSTANCE, AND ENERGY, AND CONSCIOUSNESS IN THIS WORLD, It purifies, and illumines, and compels everything to come into Perfection—Harmoniously, Permanently. Then you will know what Power really is!

When you have attained this, or you have a good strong momentum of it in the atmosphere about you, you will find the Powers of Nature not only obey you, but They will come to you, They will flood to you Their Blessings, because your Love is a magnet that draws the Perfection of Their Life to you, as you give It to the World around you. I know of nothing—there is nothing in the Universe—that pours back such Expanding Perfection and Blessings for Eternity, as does the use of the Ascended Masters' Sacred Fire Love in the physical

octave, while you yet remain unascended.

It is This I bring to you tonight, as Power Unlimited, to fulfill some of the Calls you have made tonight. I hope you will feel the Peace, and the Invincible Power, Authority and Control of everything about you, as you let Our Feeling come in and around you, and you acknowledge the Victory of Ascended Master Control, instead of the appearance world of what seems, at the present time, to be controlling outer world conditions; for I tell you, that temporary control by destructive forces of conditions in this physical world, that must be consumed by the Sacred Fire—and the Sacred Fire of Our Life is Power Unlimited, Invincible, Eternal Purity, and It is Victory assured!

As you understand that It is Invincible Protection, I plead with you, use It, use It, use It in anything and everything you do, from the smallest to the greatest; because It is the Sacred Fire from the Great Central Sun! It's the Sacred Fire everywhere in manifestation, that produces Perfection in outer physical conditions; and when physical conditions need purifying and correcting, please, first of all, CALL FORTH THE VIOLET CONSUMING FLAME'S PURIFYING LOVE, AND PROTECTING LOVE, THAT IS ALL FREEDOM FROM HUMAN DISTRESS! When you CALL FORTH THE ASCENDED MASTERS' SACRED FIRE VICTORY OF THE CONTROL OF EVERYTHING IN THE PHYSICAL WORLD,

We can clothe you, in an instant, with Powers that, as yet, you have not drawn forth, and cannot draw forth from your “Mighty I AM Presence” and Higher Mental Body at the present time, until your momentum reaches a certain point. But, no matter what the crisis might be, if it were suddenly necessary to hold Invincible Protection around you—if you have this momentum around you, and your attention calls to Us for Our Sacred Fire Protecting Love—It can flash the next instant, before anything human can act in this physical world.

Sometimes, when it’s difficult to pour kindness to people, or conditions in the physical world, just stop a moment, and CALL TO YOUR “BELOVED I AM PRESENCE” AND TO US, TO RELEASE WHATEVER SACRED FIRE POWER OF OUR PURIFYING LOVE IS NECESSARY, TO DO IN A CONDITION WHAT YOU CANNOT DO YET THROUGH YOUR OWN FEELING! Then, there comes the Sacred Fire from the Higher Mental Body, and from the Ascended Masters’ Temples of the Light, and that Sacred Fire can go into any physical condition and control it when you, physically, cannot! Now, this is the Power We offer! This is the Sacred Fire Mastery over all mankind’s human creation! It is Sacred Fire Victory, because It is Unlimited when It comes from the Ascended Masters’ Octave, because there are no limitations there!

We offer you Unlimited Power of Our Sacred Fire Love, to do anything and everything in the physical world that needs to be done, in order to fulfill the Ascended Masters’ Divine Plan Their Way, keep It Invincibly Protected forever, Invincibly Free from anything human, and forever expanding Its Blessings to Life! I know of no greater interest on the investment of anything that you can do, any more than the moments that you place your love and attention upon your “Mighty I AM Presence” and the Ascended Host, and CALL FORTH OUR COSMIC SACRED FIRE LOVE INTO THIS WORLD, TO CONSUME EVERYTHING THAT IS NOT THAT LOVE; because that Love contains only Perfection. It is Master over all manifestation! It can do anything and everything; and there is no such thing as failure in Its use!

If you were in physical danger—the danger might have already started to destroy you—and yet, just the moment your attention comes to Our Sacred Fire Love, the Flash could enfold you, and that which was destructive could not touch you. I think It is worth every effort you will ever make to set This Habit—for the Habit must be set by Conscious Command! If you will MAKE THE CALL TO SET THIS HABIT, We will be very grateful to answer It, and just as quickly as possible! (*Applause*) Thank you so much! Won’t you be seated please, and just remain so.

Now, We have all been reminding you of This, in one way or another! Every one of the Ascended Host has constantly come and reminded you of this Action, and are trying to help you establish the Habit—because, if you will make effort to set the Habit, you will find this will control your attention, and therefore, allow Our Perfection to come in and around you, instead of the outer world’s discord controlling your attention, and allowing that to come—the outer world’s discord—to come and make your problems, and your distress, and sustain lack and limitation.

There isn’t a thing in the Universe that cannot be changed by the Ascended Masters’ Sacred Fire Love; for It is Power Unconquerable, Invincible, Victorious, Overwhelming, and Eternally Sustained, forever Expanding! It is the Raising Power of everything in the Universe, to raise the lesser into the Greater; and It contains only Perfection! I would think that would be a relief from some of the experiments you’ve made in the physical world with trying other things, most of which did not produce Perfection, but only problems.

If there are problems that weigh heavily, will you please EXPERIMENT WITH ASKING YOUR “BELOVED I AM PRESENCE” AND US, TO DISSOLVE, OR SOLVE—which is one and the same thing—AND THEN, PREVENT THE PROBLEMS THAT TORTURE YOU! If you will only ASK US

TO FILL EVERYTHING WITH OUR SACRED FIRE LOVE, you will find many, many, many Powers being released within you, and many conditions changed in the world around you as if by magic. This is what is meant by Miracles, which are the Ascended Masters' Divine Way of Perfection, uninterfered with, and uninterrupted by mankind's discord. That is Eternal Security!

If you CALL FORTH THE ASCENDED MASTERS' SACRED FIRE LOVE'S ETERNAL SECURITY IN AND AROUND EVERYTHING IN YOUR BEINGS AND WORLDS, you will give Us an opportunity to anchor into the physical structure of Earth more of the Sacred Fire, to help control conditions that need to be purified, and kept from destroying the Blessings that are yours this hour! This is Protection to all that is constructive; and It is the leashing, and dissolving and consuming of everything that is of human discord!

If We may help you, as We release this Power in and around you, to enable you to hold constructive activities sustained, and Victorious over the hordes of evil, you will give Us very Great Happiness—if you will let Us expand the Sacred Fire that relieves the Earth from the hordes of evil that have been generated through the centuries; and this must come! The Purity must come, if that which mankind has generated is to be consumed; but in the meantime, you

may be the Open Door through which this Sacred Fire comes, as you call It into outer physical conditions. Then, through the Powers of Nature and Forces of the Elements, We can draw certain other Forces to keep destructive conditions from either being sustained, or expanded; and so, It is the Victory of the Light! It is the Mastery of the Ascended Host's Control of this World; and It is the Fulfillment of the Great Divine Plan—for the Great Divine Plan is only the Perfection Manifested of Our Sacred Fire's Divine Love, and Almighty Manifesting Perfection, and Almighty Peace; because, wherever It goes, discord cannot be created again.

We enfold you in everything Our Hearts' Love can give, and give you the Peace, and the Encouragement, and the Assistance, to keep your attention on that which forever raises you into the Ascension, and raises all you contact into That, one day, also! We clothe you in Our Miracle Mantle of the Love of the Sacred Fire; and may It blaze in and around you, Our Victory in all you ever do, Invincible for Eternity! Thank you with all My Heart!
