

## DISCOURSE V

### GREAT COSMIC ANGEL

December 7, 1951

DENVER, COLORADO

Beloved Ones of the Mighty Saint Germain's Family, as We come through the atmosphere of Earth tonight to again release the Flame of Love from Our Hearts, We trust you will feel within yourselves the Power that Life provides to set you Free. Great as have been the Blessings of Life all through the centuries in Its Boundless Gifts to mankind, greater still is the great Mercy and Law of Forgiveness in the use of the great Violet Consuming Flame, that the mistakes of mankind's own creations may be consumed; and again mankind try to turn and serve the Light that sets them Free.

Infinite has been the Patience of the great Cosmic Law in permitting mankind to continually go on in the gratification of their

own desire. But now, since We enter the Cycle of the Violet Consuming Flame, then selfishness must die from the Earth and human desires cease to be. Those are the two things that have enslaved mankind to the anti-Christ. And only as the individual refuses to be a part of the selfishness of the mass of the people can he or she have Protection against the reaction of the destruction generated by the mass of mankind. Long has mankind misused the great Energy of Life. Long have they held to themselves that which belongs to God. And now the hour cometh when the Cosmic Fire, in Its Eternal Command, must take Its Toll of the destructive forces of the Earth.

Therefore, in the Mighty Blessings that have come to you through the Mighty Saint Germain, you are blessed indeed to know the Way and Means by which you may disconnect yourselves from the destructive forces of the outer world, that are as surely engulfing mankind as they continue to look away from God. In My Capacity as one of the Guardians of America, it is My Privilege to work with your Mighty Saint Germain; and since My Service in Cosmic Activity is that of the use of the Cosmic Light and Cosmic Fire, then I offer

Him every possible Assistance in the great Task  
He has chosen to carry in His Love for Life to  
set mankind Free.

The Destiny of America lies in Our Hands; and  
even though the selfishness of mankind has built  
this frightful condition that so dishonors God and  
enslaves mankind, yet I say to you: understand  
what the Cosmic Fire means when We call It into  
Action to consume that which mankind cannot  
consume without It. Selfishness is the root of all  
evil. Everything on the Earth belongs to God;  
and unless the individual awakens and returns  
everything to the Great “God Presence” of Life,  
how can the individual be Free?

The things that tie mankind to distress and  
limitation are the intense desires and feelings  
of selfishness that are determined to hold to the  
personality that which belongs back to the Universal.  
And only the individual who is fearless enough to  
return everything to the “Presence” and stand in,  
with, by, and for that “Presence” can be Free.

In the use of the Violet Consuming Flame  
through the energy of the feeling world, can you  
dissolve those human desires that have held to the  
personal self that which belongs to the “Presence.”  
And unless the outer self will let flow the Gifts

from the “Presence” in the Mighty Activities of Life’s Perfection, then that which is stagnated by interference with its flow back to the Blessing of all Life, automatically limits the personal self with its own determination to interfere with the God Course of Life.

But knowing the Destiny of America is assured, knowing the Eternal Authority and Power of the Cosmic Light, knowing the Almighty Command of the Sacred Fire, then at a certain point—when We issue that Cosmic Fiat into the atmosphere of the Nation—must the destructive forces bow and let go of that which belongs to God.

Mankind are going to turn Godward or else face the suffering of their own creation. And you who have been loved so long by the Mighty Saint Germain, you who have been lifted again and again and again out of conditions through the centuries that would have taken you to the second death, surely at this hour you can turn Godward and give back to your “Presence” and the Ascended Host that which They may use for the Freedom of the Nation.

And if you are determined that America shall be Free, then sixty percent of America’s Freedom automatically remains as Freedom in your own

worlds. So you cannot lose by giving. And he who understands the Authority of the “Mighty I AM Presence” and loves that “Presence” with a devotion unquestionable, is automatically loved by that “Presence” and supplied by that “Presence” and protected by that “Presence,” until he stands untouched by the destructive forces of the outer world.

Hesitate not to keep using these Calls for the Cosmic Christ Fire to move into outer physical conditions and affairs, and burn away that which wants to destroy your younger generation and your Blessings that God has given you here. Mankind sleep in their own human desires and forget the good of the mass of the people. And when individuals say, “Well, the mass are just animals; you can’t do much with them,” that’s no excuse!

An individual in a position of trust and authority should be concerned about raising the conditions of the mass. They should be—all should be concerned with the Call for Purification of life’s conditions everywhere in this Nation. And unless the Fire of Cosmic Purity sweeps within your Land, how can you have Protection, how can your Freedom continue, how can your prosperity be protected?

Man cannot—mankind in their own individual desires and activities cannot go on with the habits of selfishness and impurity and dishonesty, and expect the Power of God to raise them or the Nation out of the destructive conditions that the sinister force is hourly imposing upon them. Mankind have not yet made their Service to God the main business of life. The main Business of your “Blessed I AM Presence” has been in giving you everything with which you might bless the Universe around you with ever-expanding Perfection; but the Cosmic Law’s Patience is not forever going to tolerate mankind’s inhumanity to life.

Those who will listen to Me, those who will understand what it means to give back to God everything for the Freedom of the Nation and the Purification of conditions here, will automatically have Our Love and Protection and Supply. But the individual who amasses a fortune at the expense of the individuals who are unawakened is unfortunate indeed.

Your Blessed Saint Germain has given you the Divinest Gifts of all Eternity. Value Them! (*applause—audience rising*) Thank you, Precious Ones. Won’t you be seated, please. I say to you,

when you have five minutes, *read, read, read these Books!* Read every Word the Ascended Masters have given you; for They are Cups of Light, Cups of Sacred Fire, Cups of Cosmic Power to do for you what nothing else can do.

The “I AM” Student Body have not yet absorbed a millionth part of what has been given them. Therefore, My Dear Ones, make those Words your own, that at any moment in your contact with people of the outer world you may use the Ascended Masters’ Words to enlighten mankind and to render a Service which They alone can give.

We are awaiting the hour when We may release more intense Action of the Cosmic Fire to shock awake the hardened individuals who thus far have not listened to the Promptings that have been given. But there are some Promptings in the Action of the Cosmic Fire to which they will listen, because there will be no escape.

But those of you who have turned to your Mighty Saint Germain, I say: With every atom of your being, call into outer conditions these Powers of the Cosmic Christ Fire; for unless the Fire of the Cosmic Christ passes through the atmosphere over your Nation and through the mental and

feeling worlds of the people, then if that does not hold Command, then the destructive forces will.

Mankind are in some places awakening and are realizing that the God Power is the only Power that can save them. But they do not know how to call that God Power into physical conditions enough to conquer their fear, and render the Service through their Calls that will protect them and the Nation. Therefore in your Demand for the Cosmic Fire to sweep throughout the mental and feeling world of the people, with the Demand that It compel them to be purified, you will enter into a use of the Sacred Fire that will bless the Nation, and individually bless you the more you use It.

We are making a supreme, concerted, concentrated effort over the Seven Sacred Weeks, and converging all Our Activities of the Sacred Fire under the Direction of the Master Jesus—while His Intense Outpouring at this time is being concentrated within the Nation for the greatest Assistance possible. We are offering everything to Him because of the certain Responsibility which He has taken. And in turn, He joins the Mighty Saint Germain with that Outpouring to prevent, if possible, some of the more frightful things that the sinister force, the anti-Christ, is yet determined to try out.

Regardless of the appearance world, call forth this Cosmic Christ Fire and demand Its Victory purify everything within the Nation, and We will give you every Help possible and protect you. As you render the Service in the coming Christmas Class, will you automatically be raised yourselves to a feeling of Mastery you have never yet known. Do not give in an inch to anything that is of discouragement nor fear. Go forward like the wind on your way. Demand the Victory of Cosmic Christ Fire that compels Purity in your Land, and you shall have Protection that the mankind of Earth cannot give.

We want everyone who knows this Law to give every possible Assistance in your Calls at this time. And in the Power that it is your privilege to direct, there are certain Activities of the Cosmic Fire which We can draw into physical conditions that may astound mankind; but they will not understand what is being done for many years ahead.

We are privileged, through your Calls, to use certain Action of the Fire Element to do that which needs to be done and which the anti-Christ cannot prevent. Therefore you are not dealing with an uncertainty in your Application of this

Law. In fact, you have the only certain thing on the whole Earth by which you may reach up and use the God Powers of Life's Authority—the concentrated Sacred Fire of your "Mighty I AM Presence"—and draw that into physical conditions in no uncertainty, until destructive forces are compelled to recede.

Regardless of mankind's frightful disobedience to God, still the Great God Law of the "Mighty I AM Presence" is in Supreme Command. And if mankind would awaken and turn away from their selfishness and physical desires, and sincerely turn to God, there could come Assistance that would remove the anti-Christ in a very short while from your Nation.

But unless the people will purify themselves, unless they stop feeding the anti-Christ with their very life energy, how can they be set Free? The hour of final decision is here—between the Christ and the anti-Christ. The Christ is the Light of the "Mighty I AM Presence" and Its Eternal Sacred Fire of Conscious Victory and Command. The Authority of the Fire of Creation is the Cosmic Christ to which We refer, and the anti-Christ is but the accumulated energy that has been qualified with that which is defiance to God. Therefore, turn

your back on everything that is not the Light of the Cosmic Christ, your “Blessed I AM Presence”; and you demand the Fiery Christ to appear everywhere before the eyes of men and be the Authority and Power that compels Purity to all.

And in that Fiat which We issue will come the shattering of the hold of the anti-Christ upon the people of this world. Go forward with your Heart facing your “Presence,” and demanding the Cosmic Christ Fire of Eternal Victory to burn out the impurity of mankind wherever you move. And you who will be willing to do that, will be held automatically within Our Protection and Our Supply, as you are determined that Cosmic Christ Fire shall purify all of mankind’s human creation.

Use the phrase, “the Cosmic Christ Fire of Everlasting Purity” blaze through the conditions of your Nation, and shatter the hold of the destructive forces upon your people. If you’ll call for the Cosmic Christ Fire Annihilation of your political machine, it shall be so! And unless those conditions are shattered, how can you have improvement? Do not bow to those things longer. Take your stand with the Fire of God, and the Cosmic Christ Fire of Everlasting Authority and Purity shall shatter the hypnotic control of the

destructive forces in the Land over the people through government channels.

Your Hour of Purification is at hand, My Loved Ones; and the individual who hasn't backbone enough to stand up and oppose those forces is not worthy of the Freedom of your Master. Someday doubt and fear must be replaced by Cosmic Christ Fire of Everlasting Purity whose Authority reigns throughout the Universe for Eternity. If you bow to the anti-Christ, complain not if you are enslaved to their filth and destruction. You either want the Purity of God and the Freedom of that “Blessed I AM Presence” or you don't.

And I say to you, the Freedom that your “Presence” offers, that your Mighty Saint Germain offers, that the Ascended Host offer, is worthy of any effort it takes on your part to blast away the selfishness and creation of the anti-Christ. Your bodies won't be fit to live in if the anti-Christ continues to rule your Land. You will remember My Words tonight as time goes on. You better place everything on the side of the Victorious Christ, and take your stand and have your Freedom. You better pass out of the body in your stand for the Light than to live here under the control of the anti-Christ. Do not buy your way

anywhere by appeasement of destructive forces. You will regret it with the last breath you breathe on this Earth if you do.

The outer self is so filled with selfishness. It has so protected itself at any cost all through the ages, that when it sells the freedom of the mass for the individual's fortune or protection, the individual sells himself with the mass. And therefore in this supreme effort We are making over the Christmas Season—to shatter some of the frightful viciousness that is planned as an insult to your Master Jesus, then I say to you: arise with every bit of Fire in your being and demand the Cosmic Christ Fire without limit purify the Nation, purify the people, purify the atmosphere over your Nation, and put an end to the anti-Christ forever.

I am not here by accident. I am not here except at the Command of the Cosmic Law because of the need of the hour. And when We are using Cosmic Fire—indescribable in your words—the duty of the “I AM” Student Body is to arise as one gigantic Flame and demand Cosmic Christ Fire Victory into your Nation everywhere, into the people, until they are aroused and of their own Free Will demand release from the anti-Christ.

I have stood the Guardian of your Nation—I still stand the Guardian of your Nation—since the very inception of this Land that was brought forth to worship God. And when the people forget the purpose for which the Nation was brought forth, it is tragic indeed. But there are those brave souls within your borders who still want to worship God and who want to save the Nation for that end. And there is no Freedom without the placing of that “God Presence” first—and above all, within the borders of your Nation.

So go forward in the use of these Fire Decrees, and the Manifestations in the outer world that are required to awaken mankind will come in Ways and Means mankind cannot prevent and cannot misunderstand. There are many Ways and Means by which the Cosmic Fire can manifest in the physical world, that mankind will be compelled to pay attention to—and cease their senseless ridicule of that which is their Superior.

Therefore My Loved Ones, in your Service to your “Blessed I AM Presence,” to your Nation, and to your Master, the Mighty Saint Germain, I will give every possible Assistance. And when you call the Cosmic Fire of Victorious Purity into the Nation and into yourselves and into your

affairs, that Flame shall flash and shall perform according to your Command. To the Victory of Its Mighty Power do I commend you, and to the Eternal Freedom of Its Everlasting Authority do I call you. And all the world put together and all that is contained within it is not worth anything compared to that Freedom which We are. It comes only as the Gift of Love from your “Presence” and from Us, and It has no equal anywhere in this world.

Therefore turn Godward; and forget not your obligation to call into physical conditions the Cosmic Christ Fire Power that will compel mankind to understand God, the “Mighty I AM Presence,” and compel them to bow and respect the Ascended Masters who are their Saviors. Let that Fire blaze tonight in Cosmic Action and Eternal Authority that compels the Illumination by which mankind can once again turn Godward and go forward to Freedom.

With all the Blessings the Mighty Saint Germain has given, with all that is yet to come as the Gifts from the Ascended Host, I say to you: you are the most fortunate people on the face of the Earth tonight. You do not yet know the Blessing that is yours and that you are privileged to use, to

both protect yourselves and to assist those who are trying to hold to God the best they know how and serve the Constructive Way of Life.

It is your obligation and your responsibility to be their guardian, for you have the Power to guard them. You have the Power to protect all that is constructive within the Nation. You have the Power to sustain God's Freedom within the Land that was dedicated to God. And therefore We expect you to use that Power in the Service of the Light until the Momentum reaches the point where It takes Its Dominion, and the rest is left in Our Hands. You make the Call and draw this Power to the best of your ability; and when you have done your utmost, then the Cosmic Law puts Us in Command, and We will finish the work of the ages.

To the Victory of Eternal Purity and the Joy of Freedom that alone abides within your "Blessed I AM Presence" and the Ascended Masters' Octave do We turn your attention, and hold it there until it has raised you into the Glory of Itself. The Flame of Love from My Heart stands your Guardian, and the Guardian of the Nation whose Destiny rests within the Hands of that Cosmic Christ Fire of the "Mighty I AM Presence." May

the Fullness of Its Glory descend into the physical octave and compel the Purification that must come, and remove the anti-Christ from existence in this world.

In the Glory of Cosmic Action and Authority that rules the whole System of Worlds, may that Cosmic Christ Fire produce Its Victory quickly in the physical octave and shut off the senseless slaughter of the innocents. Every one of you is responsible to send forth your dynamic Calls every hour, every day, until those blessed ones in the national defense are cut free from the senseless torture of depraved creatures that are lower than the beasts of the field.

Mankind, in their frightful misuse of the intelligence of life, have gone lower than the animals in their desire to destroy. And everyone who knows this Law is held responsible before the Great Divine Law of Creation, the “Mighty I AM Presence” in the Great Central Sun, to use this Power to your utmost to shut off this war and protect this younger generation. It is your responsibility, and Life will hold you to it. You have the Powers. You’ve been taught what to do. Your human creation has been consumed, therefore Life expects you to use the Cosmic Christ Fire Power

to do that which It alone can do in the saving of the younger generation from this frightful thing.

So as the Mighty Saint Germain ever pours to you His Cosmic Fire of Freedom, call with every atom of your beings for all the Cosmic Christ Fire necessary to shut off this war and slaughter of those Life Streams who are driven into the jaws of frightful torture. You who are privileged to sit in these magnificent Sanctuaries—in the comfort and ease and Purity that has been provided for you—surely owe to Life your Decrees and everything you know how to give to prevent what's going on in other parts of the world where your people do not belong.

Your younger generation are the sacrifice to the beasts of destruction; and you have the Authority and the Power to protect that and prevent it—protect those younger people and prevent that which has been imposed upon them. If every "I AM" Student felt the responsibility of coming into these Classes and giving everything they had to prevent that war, if everybody gave their maximum effort, then the Cosmic Law would do what you cannot do in the removal from the Earth of those Life Streams that have no further constructive intent.

I call you to your duty tonight, as the People of the Cosmic Christ, to use every Power at your command to shut off this war and prevent the sending into torture of those Life Streams that have a right to be Free in the Ascension. You have been clothed with Power second to none; and therefore I call you tonight to the Service, over this Seven Sacred Weeks, of using all the Cosmic Christ Fire Power in Creation to shut off this war and torture of those Life Streams that ought to be turning to their “Presence” and attaining the Ascension.

If you will do your duty, I will do Mine; and together, as We offer that to the Mighty Saint Germain, you will find His Authority felt everywhere within the Nation, until the people awaken and shake off that which is engulfing them—until they do shake it off. Let the Cosmic Fire descend and do Its Perfect Work for Eternity, but forbid the existence of that which tortures your younger generation or cripples them to live the rest of their life in that condition that is indescribable. I shall fire you awake. I shall fire the American people awake. I shall fire all Life awake until the anti-Christ is gone forever! (*applause—audience rising*) Thank you, Precious Ones.

My Loved Ones, tonight I want you to remember: the anti-Christ is not My Master; and if I wrap you in My Heart's Flame, it will not be your Master. And I have offered My Heart Flame to you for use in the physical octave until this Service is completed.

So I leave you clothed in the Cosmic Fire of My Victorious Authority, and may It blaze from the housetops those Manifestations of the Sacred Fire before which all bow and give obedience and remember forever. And to the Glory of that Eternal Victory do I call you. In the Mantle of Its Eternal Power do I clothe you. In the Almighty Authority of your Cosmic Freedom may you turn and be raised tonight into that service to your Nation and to your “Mighty I AM Presence,” that draws around each of you the boundless Supply of every good thing, and the Cosmic Fire that goes forward to compel Purity and Freedom to take Its Dominion within the Nation; and everywhere you abide becomes the Perfection of Eternity and the Protection of each of you until your Ascension.

And to the Everlasting, Glorifying Presence of that Sacred Fire do I call you and clothe you and hold you, until America's Victory is complete forever. Thank you with all My Heart, and won't you be seated.
