• BELOVED ERIEL'S DISCOURSE •

*Long Beach Group—July 23, 1939*

**B**ELOVED STUDENTS of the Light and friends who are here, your heart is the Heart of Light—and I am speaking of your physical heart.

As you have observed, or if you have not you may have the opportunity to observe, these magnificent Charts show your position to your own God Presence. If there is not within the Light of your heart that which makes you comprehend Its Reality, then you will have to wait until such time as you do; for the Great Activity of Life will no longer wait upon anyone. All must come into action.

Since your great Cosmic Friend, Cosmos, came forth, and as the vibratory action of the student body of America is raised to a certain point of comprehension, it will be revealed to you who He is, what His Part in this Mighty Activity for the Freedom of America and her people is, and from whence He came. He rendered a Service for you last evening, beloved ones, that only in years to come will you come into a greater comprehension of what it was and what it means to you; but with your acceptance of It, It will go into action now in the fulness of Its Power.

Beloved students, and I speak to you directly, try to assert a fuller comprehension of what your acceptance of a thing means. You use the word, you hear it often, but I tell you few yet comprehend what the power of your acceptance is. Why? What enables you to accept anything? Is it not the Light in you? Now notice why. Would the discordant element of your own creation or anyone's else of its own volition allow you to accept

anything good? Of course it would not, for that discordant element always wishes to hold you in its bondage of limitation. That is perfectly logical. Then what is it which is the acceptance of the Power of Light within you? Is it not the Light that is there?

Let us be so practical, to-night, and grasp the fulness of this; why these Mighty Laws are so; why they are acting in you now; and why your call without the understanding of your acceptance of the Power of Light acting within you, will deprive you of much that you could otherwise have.

How true it is that the comprehension and these faculties which you are using are steadily and surely clearing; for instance your acceptance, the power of your attention and your physical vision. My dear students—may I use the term?—it is almost pitiful how students understanding this Great Law, will continue to let their eye-sight, which is their vision of course, rest upon things that are undesirable when they have the power to change it immediately.

I call your attention to this for a very great reason, because of all that occurred last night. It is important that you be alert and prompted to withdraw your vision, your eye-sight, from things that are limiting or undesirable. I ask you to please observe this, to-night and in the future; otherwise you will meet conditions which I could help you to absolutely and completely avoid.

Since last night, everything is changed, and do not forget it, beloved students, not one! The whole atmosphere of this earth is changed, I tell you. You have been calling for the "Light as of a thousand suns," the Cosmic Light, to descend into

America. Well some of It came forth last night (applause). It is the beginning of the greatest Spectacle ever known upon this earth. Now please do not begin to watch for some unusual thing. Remember, this Mighty Spectacle must first act within the feeling world, the invisible world of mankind. Its out-picturing may be gentle or it may come with tremendous force. That depends entirely upon mankind and largely upon the student body.

Before proceeding, I wish you to know, beloved ones, the power and intensity of your beloved Lotus' call for your Freedom and the clearing from the earth of these destructive forces. You might not know it, but in your little city here there has been one of the most powerful dope activities in the country. To-night, that is shattered! (applause—audience rising)

May I through the hand of this Messenger grasp the hands of these two who have been so loyal, so valiant in holding the Light here? Even they do not know what they have stood against. I would not care to picture it, but let it suffice to say that the Light has been victorious. (applause) I want them to have this encouragement, My strength and support and to know that I shall be back of them at all times, to the continued Glory, Victory and Expansion of the Light here. One day these Messengers shall return here for a ten-day class. It will be the completion of all that We have desired to have done—not just by you, but of conditions which I shall later relate to you. (Thank you so much)

I want to congratulate our beloved Lotus for making that call to-night, for dear ones how little mankind knows what one intense call with

a charge of—shall we use the term for the sake of expression?—almost violent intense feeling will do to bring the balance in the activity of a certain release which is required. That also was done to-night! Therefore, as you go forward now, please remember this and feel Its Glory and Activity within you. It is Real. We do not talk to hear Ourselves or to entertain you, but to give you your Freedom.

From within a radius of twenty miles, making this the central focus, every discarnate entity has been removed to-night. (applause—audience rising) This focus of destructive activity was first established here before the sinking of the last remnant of Atlantis, approximately sixteen thousand years ago. It was established here by a certain black magician who of course, as you know, has been removed from the earth.

I want you to understand how those destructive beings made claws of human beings and looked far ahead, not knowing that their time was so nearly finished. They established these vortexes in various parts of the world, so they could attain the full destruction of mankind; but fortunately they were disappointed as all destructive forces are bound to be.

Since last night, the speed and power of the closing in upon the destructive forces sent out by destructive individuals will sometimes be almost appalling. I say to you beloved students, while you are standing please accept it! You need have no fear in the future that there is anything in the experience of mankind which you need longer fear; for the feeders of such destructive force will no longer act upon the Student of Light who is sincere to the Light.

Now I want you to clearly, distinctly, understand this because if you do not accept and have the fulness of it, the fault will be yours, for I am telling you the Truth about it. There is no reason why anything in the future should cause you disturbance. You are the Master of your world from last night. Now understand that, beloved ones! You can issue your command to Life in your call to the "Mighty I AM Presence" and it will be answered.

Just for a moment will you close your eyes and accept this Charge into your world, for a certain Quality which I wish to add to the Blessing of last evening? It will, I trust, give you the full courage, strength and acceptance of that which will make you fearless before all conditions of the outer world that you confront in the future. Say fearlessly to such an appearance: "You have no power! be thou dissolved! 'Mighty I AM Presence' take command! Produce Your Perfection! Hold Your Dominion there forever!"

Silence

Most remarkable. Thank you so much. Will you be seated?

I wish, to-night, to again call your attention to something, because it is so important. Oh, your attention has been called to this so many times, but We cannot let up until you have seen the importance, the imperative need of using the Violet Consuming Flame, not fearing what is to come forth, but welcoming it.

Now let us be very explicit. In regard to anything which has been within your accumulation of the past, call your Higher Mental Body to draw it forth into the Violet Consuming Flame and dissolve the last vestige of it. Do not fear it! There

is nothing to fear, but call it forth. Command it to come forth and be dissolved by the Power of the Violet Consuming Flame right now, (applause) and be through with it!

Oh, how I wish you all would realize this and how it is within your province, within your power, within your authority in a few hours or a few days under these marvelous conditions that have been established for the student body, to now have the last vestige of your accumulation dissolved and consumed, so it may no longer have the slightest effect or pressure upon you.

To you who have rendered such magnificent service in your Decrees, I wish to say—We do not often speak personally in this manner, but I must do it to-night, because it is necessary and right. In the magnificent service that Mr. and Mrs. Sindelar have rendered, their Freedom is at hand. (applause—audience rising) Ratana's Freedom is at hand. (applause) Last night, all things were changed within their worlds. May they accept It in the fulness of that Great Power of Divine Love, Divine Order and Divine Justice, for at their command It will become the Ruling Power of their worlds. Such is the reward of sincere service to the Light.

There are a lot of things that I would like to say to many of you, beloved students, but not quite yet. Just be of good courage and strength. Go forward in the Great Power of the Light of your Great Presence which is the Victory of all things.

Watch carefully, beloved ones, that in either your enthusiasm or your earnest endeavor, you do not leap the bounds of Wisdom in any way. You cannot drag people into this Light by the hair and I would suggest that you do not try it. In all

that you desire to do and bring into Perfection, be patient. Humanity must come to this Light of their own volition. It is quite right to call their attention to it, but do not on first discussion try to give them all the Law at once. Just let them have time.

I tell you very earnestly, if you want to find out whether people are interested or not, call their attention to the books; and if the Light within them is strong enough, they will want to read those books. Then, you will be able to determine whether they are really interested or not.

Oh, beloved ones, let Me tell you something—Unveiled Mysteries is a mighty sieve. It separates them rapidly. If they can accept Unveiled Mysteries, they are doing well. (applause) You will never know, precious people of earth, what that blessed volume has done for mankind. Only in your Ascension will you know. When you remember that your Beloved Saint Germain is responsible for those books, do not forget that His Wisdom is very great. (applause) When He put them forth, He knew exactly what was going to happen. He knew exactly the results. To-day, that little volume is loved by more people than you know. It is a wonderful magnificent thing.

Become fixed upon this firm premise, if you want to go forward from this point. The opportunity is here for all that is required to be done, to send you quickly forward to your Freedom. I am going to try the tactics of Saint Germain. Do you believe in His Reality? (applause—audience rising)

That is very delightful, it seems to be unanimous.

Do you believe in the Reality of the Mighty Instruction which He has brought forth? (applause) Thank you.

Do you believe in the Truth, sincerity and blessings of the Messengers? (applause)

That is magnificent and I will tell you why. Then, you are in a position to go forward with the speed of lightning. (applause)

While you are standing, I want to say just a few more words. Beloved people, there is no more disintegrating force—notice the word—there is no more disintegrating force in the Universe than *doubt*. If you let it into your world, you have just given up the ghost. Do you know who that ghost is? It is the garment—the body which you are wearing. The body is what mankind need. The beloved students of this land have only recently through some very terrific experiences arisen, awakened to what that thing was doing in their midst.

I tell you again, *doubt is the most disintegrating force in your entire experience!* Look how it acts in your commercial activities. If you start an activity and through some person, place or condition, you begin to doubt your success, well do you succeed? Of course not, how could you? Because you have reversed the Currents of Life, to produce the opposite condition from that which you started into action or intended to have. All of this is practical, dear people.

I want to help you anchor in the Light so firmly is the reason why I have asked these questions. The evidence stands before every human being on the face of this earth. I repeat it again, as the Messenger has repeated it to you so many times; and I ask you to think of this, when someones tries

to instill doubt into your world. When physical bodies no longer have Life acting within them, they lay down and disintegrate, do they not? Is there anybody who can deny it in the world? The matter of whether you consider the Source of that body is not the point in hand; but since something withdraws from those bodies, which We know is Life, and they are no longer of action or use, then why not see and realize fully once and forever the Power which is acting within you?

We have Our Freedom. You just said, you believed in Our Reality. Then, when We tell you that your Source of Life, Intelligence and Action in these bodies is your "Mighty I AM Presence," whose Ray of Light and Energy is anchored within your heart, that is true, is it not? Well then, you are anchored to the Greatest Intelligence in the Universe, to the greatest ceaseless, limitless Power of Life flowing into your body. Now follow closely. If you did not waste that energy by the various things that act in your Life—sex, pleasure, anger, hatred or those conditions which drive the energy from your body—you would become Invincible. You cannot get away from This Law. When you exercise sex pleasure or drive that energy down and out of the body, it is gone forever.

Now notice, when you dissipate the energy of Life through intense feeling of anger, hatred, resentment, jealousy or discord of any kind, it goes out from your body through the Power of Radiation. Not only are you losing that, but you are charging it into the feeling world of other individuals to produce a like result.

My dear people, will you not see once and forever your responsibility to your fellow-man?

Your Beloved Saint Germain and Others have called your attention to it so many times. One had better never been born into this embodiment than to, through falsehood, turn one person from this Light. I tell you, dear people, they will pay a penalty that no one of this world would want to describe. This is Law, dear people. It is not somebody's opinion about it. It is the Law of Life acting and Life now is taking an entirely different action through man, than it did one week ago. Do not forget it.

Your Saint Germain has told you from the beginning that these things were coming and the majority of mankind have not believed Him. Many of the blessed students wanted to but did not altogether in their feeling.

Remember, precious people, I do not care whether you are here for the first time or not, any human being who longer practices deceit and treachery in his or her feelings or motives will be sorry beyond all expression! You cannot afford to do it. You are dealing with Law, the Law of Life, and it is becoming more and more powerful every day now! I prompt you again, do not try to deceive any one for any reason whatsoever, if you want to be free. Be kind, but be as firm as the strength of a giant against the destructive forces of human creation about you. Be relentless upon all destructive forces. Then you will be Master of your world in the conditions about you.

Why will mankind and the great student body not see this? You do believe it, but you are not alert always to the conditions that are acting; but I tell you, dear people, *as long as you allow a particle of human sympathy to act within your feeling world, you are in danger!* That does not

mean that you are to be less kindly, but it does mean that you must arise into the Power of your Higher Mental Body and let It act to render the service and do not physically rush into a condition where angels fear to tread. You cannot afford to do it, dear ones. Stand off and say: " 'Mighty I AM Presence' project Your Mighty Light Rays into that condition and render the Service." Withhold human sympathy and pass all up to the Great Presence of Life. Let Its Wisdom render the Service and you will remain free. Human sympathy is the most dangerous thing!

The Messengers have plead with certain individuals over a period of some five or six years, bringing this point to them again, again and again. Still that human sympathy would act; but at last those individuals have seen the times that human sympathy was acting, when they did not even suspect it. To-day, they are free, absolutely free, because *they have learned to govern human sympathy, which is agreement with imperfection*. Unless you see this, beloved students, you are in constant danger.

Sympathy with a condition of someone in distress, opens you broad-side to the conditions that are acting there and, instead of helping the individual, you are swept into it yourself and you become helpless to render the service you would otherwise render. Will you not see that? When if you would stand back from the condition and call the Presence to project Its Mighty Light Ray into it, It would dissolve and consume the condition and render the Service required. Then the Wisdom and Power of the Presence would be acting and you would hold yourself out of it humanly. You would be blessed beyond your fondest dreams.

Do you understand, beloved ones, that a goodly number have tried to believe these beloved Messengers were changed? What a pity! Changed, yes, into greater Perfection; (applause—audience rising) changing into an understanding, a greater, wider understanding of what a positive force meant to all human conditions. Their great courage and strength has made it possible for many of you to be free to-day. (applause) That is the only change! They are more humble than ever before this Great Presence of Life, the "Mighty I AM," and the Ascended Ones; but they are fiercely positive against all human conditions, greatly to your blessing.

Therefore, beloved ones, remember that as you advance in your comprehension, understanding and application of this Great Law, there is constant change going on within you toward Perfection. That is most desirable. You will observe how We have changed the Instruction from time to time according to your requirements. Some things that were dwelt upon so much three years ago, are scarcely mentioned to-day, because the Wisdom of Life knows your requirement. You cannot always harp upon the same string, it might grow monotonous.

Therefore, beloved ones, know if you have not realized it, to-night, that the Wisdom of those Great Ones is Supreme. These Messengers make no mistakes! Because mankind does not understand it, is no reason for saying they do, because such is not the case. They are giants of strength to-day, in comparison to what they were five years ago. (applause) Remember, beloved ones, you are the beneficiaries of that strength. (applause) It is a magnificent beautiful thing. Won't you be seated?

You know it is a wonderful thing to see the beloved students becoming athletic. Do you know, and I call this to your attention for a very definite reason, that at the past three classes at the Shrine, a powerful deliberate attempt was made to shut off the enthusiasm of the students. Not that you should jump up and down all the time, but this is the point I want you to get, to-night, because it is so magnificent: People do not rise to their feet without an impelling force from within. When that impelling force is there it means that an enthusiasm, a joy, a power, a substance and energy is released. I would not be able to find words which would enable you to comprehend just what those things mean to you. There are now and then those who object and say it is disturbing to them. Well it is too bad. You will have to get used to it!

Dear ones, Oh words do not convey Our Joy, Enthusiasm and Gratitude for this joy and enthusiasm within the student body! It is a magnificent thing and without it, so little would be accomplished. I ask you to notice in your group activities when something happens that starts a joyful activity among you, how quickly you enter into a joy and enthusiasm in your Decrees. Then an activity takes place which would otherwise be impossible. Remember that happiness belongs to you.

Happiness is the Reality of Life! It is a Mighty Action and of course is always harmonious. Did you ever see a happy person that was out of harmony? They just do not go together. Then is it not more to be desired than to be unhappy?

Think of all the vast grief of mankind at so-called death. If you saw its effect as We do, you

would understand. We have not touched upon it much, but I am going to now, because the grief of the world is so soon going to disappear, from the earth. You in America, to-day, can hardly conceive with all the grief you experience or have in the past, what this means. Of course the student body now are rising above that, but most of mankind even in America who do not understand this, still live in the grief of their loved ones' passing, etc.

What do you think of Europe! Nations of living death, and when I say that I mean every word of it! Conditions are bad enough in Germany and Italy; but in Russia, if ever living death existed upon this earth, it is there among all from children to the grown-ups. The sinister activity which has drawn them into that frightful condition is not always ignorant. The cunning is so great with which it has tried to keep those people occupied, making children, girls and boys, warriors of the future; instilling within them no honor for anything; and living only to destroy all that comes before them under the direction of their dictators. Yet within those people, from the children on up there is a rebellion that is something terrific, but they dare not show it. One day, they *will* show it and when they *do* the dictators of that land will quickly disappear. (applause)

Perhaps you would be interested to know why this terrific accumulation is there. The Law does not permit much to be said; but long centuries ago in Siberia, there was a terrific destructive focus which held its destructive activities there for many centuries.

Why do you suppose the Wisdom governing the activity of this planet, caused that land to

change?—for to-day, it is a region of waste and almost eternal cold. Yet it was once a semi-tropical climate. It was changed so as to hold in abeyance that destructive force until it could be governed and controlled. Its force was not entirely spent in the cataclysm, for only a small part of its destruction was released. Even with all you have seen, it is only a part of the cause that accounts for the conditions which are there.

Remember mankind comes again, again and again. Many times destructive individuals come back again and again building such frightful destructive conditions. Stalin is one of those unfortunate creatures. His fear is so great that I wonder the people do not observe it, close in upon him and finish the chapter. He is afraid even to sleep.

So is every person in this world who is doing wrong. Such a thing cannot long exist. They know they are doing wrong, but they are swept into the clutches of that destructive force and they do not know how to extricate themselves. Now mankind's release will come; for with all destructive individuals, their own destruction must close in upon them.

I ask you to observe the conditions of the next few months, possibly a year and a half or more. Observe all that takes place. You will see the Truth of the Words the Great Ones have given you. They have never given you anything but Truth, dear people, and never will; but you need to know that and you need to realize it so you co-operate with Life and enter into this Blessing which is offered as a free Gift of Love.

Since you of the western world knew nothing at all of these Great Magnificent Beings; knew

nothing at all of the Powers They wield; knew nothing at all of what you could do by the Power of your own application and your attention to the Presence of Life; knew nothing about where your individualized Presence was; then to think that more than three million people in America have come to know that they have above them the individualized Presence of God, the "Mighty I AM"—is in itself a Mighty Miracle!

Think what that means in re-establishing and adjusting conditions of the future, when only constructive forces, the most powerful known on earth, are being used by the vast body of mankind to bring about the change harmoniously and constructively in the government and all industries. Strikes will become unknown. Disagreements between capital and labor will soon be unknown because all have learned a mighty lesson in these conditions which have become so tragically destructive. Then with that will go mankind's fear of death.

I ask you, to-night, while I speak these Words to try to feel what it means out of the three million people in America whose attention has been called to this Great Truth, to know that half of them are rapidly gaining their Freedom from the fear of death. (applause) Now do you not see the magnificent Wisdom and Action of Life?

I think I must say it to you, to-night: Do you know that intense grief will open you to destructive forces almost as quickly as fear? That is why mankind has got to know this Law and why they just must understand Life in order to remove the fear of death—for there is no such thing in the Universe, dear people. You change your summer garments to winter, perhaps not so much in this

lovely land as you do in the east; and when you go to the mountains, you put on warmer garments, do you not? You have changed these flesh garments in the same way thousands of times and at each time your friends have gone on grieving when you discard them. How unnecessary!

Please, dear ones, remove that from yourselves forever. Your loved one who has left the body behind, is free from distress and has gone into the Octave of Light, if that one has lived a normal life. Such an one is happy. You might say to Me: "How about us who are left behind in conditions of great distress?" Well, in spite of all that has been said to the contrary, when your friends have left the earth and gone to the Octave of Light, they are dis-connected from the world of distress; and when you go to them during sleep, you too have forgotten your distress here. You should so rejoice in the Freedom of that visit. Because you do not retain the memory of it on awakening in the morning, is no reason why you have not had the joyful experience.

I tell you that sixty percent of the humanity of this earth, if they did not go forth from the body in their Higher Mental or etheric bodies at night while the body sleeps, would not live to be twelve years old because they must have the joy from the Octave of Light which is their Real Home, in order to have the energy, strength and sustaining Power to draw them back into the physical body during the day.

Life is very wise. Life has provided everything to give mankind happiness, but since the people have forgotten the Source of Life, the "Mighty I AM Presence," and still have somewhat of a strug-

gle to come back into Its Great Reality, is no fault of Life. It is the fault of mankind's misunderstanding. So let us remove that, to-night and forever, from the vast student body of America and the world. Call for mankind's misunderstanding of Life and all grief to be forever removed from the earth and mankind.

I cannot tell you, to-night, just when this will occur, but We trust before the close of the Oakland Class that this stratum of grief from centuries of accumulation may be wholly or largely dissolved. When it *is*, mankind will begin to experience such happiness as they have never known possible in the human form. Then you who have become aware of your Great Presence of Life, know that from It comes all Happiness. You will have the fulness of this flow forth into your world in Its magnificent Beauty and Splendor.

Oh, my dear ones, when you really learn to see yourselves as you can be, then you will enter into this Great Happiness which stands just before you. Then, you no longer will know discordant conversation. So many of you beloved students are at the point, to-night, where if you would refuse to enter into one particle of disturbing destructive conversation, the glory of the heavens would open to you. You cannot afford to do it any more.

Now know that all these destructive forces are being governed by those whose Authority and Ability is able to do it at your call. Then, why be disturbed any more? Why think that any person, place, or condition can harm you? They cannot do it! You, the Power of Light, calling Its Mighty

dissolving Presence forth, what could harm or limit you longer, unless you still believe it? How can you still believe it, when you have come to know that Presence of Life and Its Infinite Power to act through you? Do not accept anything else, dear ones, any more. Stand in the Light! Move forward in It and let the Power of this Light be the Dominion surging before you, dissolving everything unlike Itself. Then you are the Victory of the Light! You are the Dominion over substance and energy, commanding Its harmonious action for you by the Power of Light.

That is why, since you are gaining rapid comprehension and power of your application and Freedom, I trust you blessed ones here who have stood against such odds in your little city, will feel your complete release. Know there is no person, place nor condition which can harm or limit you or touch the activity of this Light because everything that tries to fight It is dissolved by It. Isn't that a joyful thing? (applause)

I want to call your attention, beloved students to one powerful vital thing in your future application and especially to the beloved ones here. We have never said this before, but it is time it was said, showing you why you are the Victory of the Light. Let us take a vicious person for instance. When they begin to battle this Light and utter falsehoods against It, do you know what they are doing? They are powerfully connecting themselves with It; and the harder they fight It, the quicker It will take command. Therefore, you should worry who utters falsehoods concerning It. After all mankind is his own destroyer!

Remember that point! Since all of this has been

accomplished in spite of mankind, then as you go forward in the greater Freedom and understanding of Light, remember this point. Do not forget it, dear ones! How could you have missed that point? How could you have done it, when you know the power of your attention? You all forgot it, did you not? About this one point you surely did!

When a vicious individual's attention is upon this Light isn't he or she connecting himself or herself with that Light? Oh boy! I said that because that is just the way you all felt, and rightly you should. Then, do you not see how really you have come to the point now where you actually know, and when you or We say to any destructive force: "You have no power" you see the reason why. Isn't that practical? (applause)

You know that is not all there is to the power of your attention either. This might sound very unkind but do not take it so. You have heard about one-track minds, have you not? Well, do you know the human loves to travel in one track, never getting out? That is what you sometimes call a rut and how true it has been. Mankind got into that rut and they just really do not want to get out.

Notice of all the many things which you have understood in the activity of the power of your attention, this point escaped, did it not? I leave it to you. I feel such a relief Myself, because I am feeling your relief. If you will keep that in the fore-ground here in your application, you will do things that will astonish you, as surely as I am telling you. You will no longer have the slightest feeling of fear that any person can harm or limit you in anything.

I ask you to take for example the individuals in this audience who are sincere and with great determination calling the Power of their "I AM Presence" into action. They, through that call, are more powerful than those who oppose this Light. Your Presence is the Power of Life, and is It not the Light that you are calling forth? Then, anyone's attention directed to you, whether harmonious or otherwise, would be acting against this Light which you are calling forth. Do you get it? Remember, your Higher Mental Body is the Director of those Currents of Energy which flow forth at your call. Would there be anyone in human form who could oppose the Higher Mental Body and Its Powers of Light which you have called into action, which is the Wisdom of the Universe? Get this dear ones, please!

I want to fix this comprehension in you to-night with such anchorage that you will never again fear a human being as long as you live and that is for eternity. You must come into command of your world. We are going to help you do it right now. I tell you, knowing that all forces which seem to oppose you or this Light, will either be drawn into the Light or dissolved by It, then have you anything to worry about? You should worry who spreads falsehoods. Of course you must not accept them into your world. If you do, you will have to act them out. Do not answer openly, but just to yourselves: how many sitting in this room to-night, can honestly say to their Presence of their own Life that they do not fear persons, places or conditions? (applause)

You see, dear ones, in all This Understanding, you must get at it from an angle which takes from you forever any feeling that you are not the mas-

ter of yourselves and your world. We are helping to do it for you, to-night. That is so important, beloved ones. When you understand this, you will see how all destructive forces are dealing with this Power of Life and that is why you should be fearless. Then some of you would say to Me: "Well why in the world did you not bring this forth before?" Why didn't We? Mankind receives that for which they are ready and could any one of you tell Me what I should say which would be to your benefit or not?

Could you have said to Me: "You say certain things and we will get the benefit?" Well some have said that about Saint Germain—if He would do as they wanted Him to do, it would be wonderful; but such is not the case, however.

So, to-night, in My rapid observation of your requirements I think We have met them very nicely. (applause—audience rising) May I say something that is very joyful? In all the experiences of the Messengers thus far, we have never had an audience in which there was such complete adjustment and such complete relaxation from the fear of something limiting or harming them. (applause) I trust you will hold the memory of this firmly before you and that you will never again admit for a single moment in your thought, feeling or speech that there is any person, place or condition which can harm or limit you once again.

Stand in the Glory and Power of your "I AM Presence" and Its Light and draw to yourself Its own, for that is the Perfection of Life, dear ones. I thank you and bless you and rejoice with all My Heart at all that is yours to-night. Oh not because of any effort of Mine, but because there has arisen within you the clearness of comprehension, power, courage and strength which is fearless before man.

Oh, that is how you must feel. You must not feel that any person, place or condition can limit or harm you in the acknowledgment of your Great Presence of Life which is the Supreme Commander of all things in the human octave.

Oh, beloved ones, carry this with you, hold it Supreme within the mighty action of your call to the Mighty Powers of Light. Let It take command to-night! I feel so refreshed. I feel so glorified in you. Will you accept My Glory in you—acting the Supreme Commander, until you can be so aware of the Presence of all Life that It takes My place as the Commander of Life?

As a closing remark I call to your attention again, that the Ascended Masters and Cosmic Beings are One with your Perfection of Life. In this Mighty Changing Activity in the Dominion of Light upon this earth, greater and greater and greater will be the Power and the Authority of Great Beings of Light, the Cosmic Beings, the Ascended Masters and the Legion of Light to render Assistance. Since the Cosmic Light has commanded the earth to awaken and emit more Light, then it is out of the hands of mankind. It is within the Hand and Power of the Great Cosmic Light which no human being may long resist and still remain in the physical body. Therefore, the Powers of Light will remove the destructive forces from this earth.

Go on with your Mighty application, have patience and let the Great Power of Light take Its greater, greater and greater Dominion each day to act for your Freedom, your Happiness, Perfection and the Limitless Supply of all good things that you require in the Service of the Light.

I thank you.

· AMERICA FIRST ·

WE ask all the "I AM" Students in their Group Activities to please realize as never before, the seriousness and imperative need of America at this time. We ask them to conserve their energy all possible, so as to be as joyful and as dynamic in their Group Activities in the decreeing.

Please do not feel that social activity is part of the Service to the Light. It is not! If you have time and energy that is not occupied by your daily service in the outer world, please give it to America now in your Decrees in the Study Groups. That is better than giving it in the trenches of war.

The breakfasts before or during the large classes of the Messengers are always a Service to the Light, but breakfasts and dinners just for social activity do not belong in this Service of the Light. Will you all please be governed accordingly?

With all our Love,

Mr. and Mrs. G. W. Ballard

· GEMS OF LIGHT ·

*"In the acknowledgment of your 'I AM Presence,' through the Higher Mental Body you become Its Discriminating Intelligence. This you CAN call forth with the fulness of Its Power, to prompt and correct you at any given moment."*

—Jesus.

*"Do you understand, that there is but one Law acting in all the Universe and that is the Law of YOUR Life? It is ever-expanding and self-sustaining, for there is no limit to what you can understand, even the Great Cosmic Activities of Life."—Jesus.*

• OUR LOOSE-LEAF DECREE BOOK •

IT IS our great joy to announce the release of a loose-leaf "I AM" DECREE BOOK, in green cloth binding stamped in gold-leaf to match the Saint Germain Series. It will be marked SPECIAL "I AM" DECREES, Volume VII.

It will be the channel for new Decrees as they are given from time to time and the most important of those which the student body are now using and which need to be continued.

The Decrees will be printed on the same kind of paper as the other books of the Series and will be published and copyrighted by the Saint Germain Press.

The holders will sell for \$1.50 each and the Decrees at 1c per page, plus sales tax and shipping charges. They are obtainable in any quantity desired from the Saint Germain Press, Chicago, Ill.

Group Leaders, "I AM" Reading Rooms and Sanctuaries who want these Decrees for their Group Activities should keep their standing order on file at the Saint Germain Press.

This Loose-leaf Decree Book fills a growing need to get the Ascended Masters' Emergency Decrees into the hands of the people within twenty-four or forty-eight hours.

In view of the conditions facing America and the world in its greatest crisis, the Ascended Masters want all under this Radiation, which means all that is Constructive, to call forth the maximum Power of Light to annihilate every vicious condition in America and the world and to prevent the destruction of whole nations by insane fiends who start war for any reason whatsoever.

We shall enforce the full protection of our copyrights, in order to keep this Activity of the Ascended Masters 100% correct. Therefore, DO NOT COPY!

The lyrics to the songs which have come through Mr. Ballard will also be available at the same rate as the Decrees.

This makes the latest lyrics and Decrees always available to all the students within forty-eight hours at the most and will facilitate the release of the Power and Victory of Light into any physical condition with very great speed.

We thank and bless all for their fullest co-operation with us in this respect for the complete Freedom and Perfection of all.

—Mr. and Mrs. G. W. Ballard

## NOTICE

• SAINT GERMAIN'S REQUEST •

*San Francisco Class—August 13, 1939*

No Group Leader that has ever turned aside from this Light can ever come back and be a Group Leader again. Remember that! That is Law!

• GEMS OF LIGHT •

*"Once the students UNDERSTAND and are able to give immediate response to those Wondrous Inner Promptings from their 'Mighty I AM Presence,' then Divine Order will quickly come in the world, and all chaos caused by human concepts will disappear."*—Jesus.

*"The very beginning of your application in calling forth greater Harmony, greater Perfection, greater Wisdom from your Presence to act within you and your world, is the FOCAL POINT of the Great Light which will one day flood your being."*—Jesus.

*"In very great calmness and serenity turn to your 'I AM Presence' and keep calling It into action, until you have the full VOLUME of Its Power released to produce Its Perfection in you and for you."*—Jesus.

*"It does not matter what the opinions of the outer world are, but it does matter greatly what is within your feeling."*—Jesus.

*"I say to all people of America and the earth: 'You who have said you love Me so greatly, must remember that you cannot have Me without Saint Germain and all the other Ascended Masters. They are ONE in Life's Great Eternal Perfection. They have gained Their Victory, as you are now endeavoring to do. Through Self-conscious application in calling Their own God Power, the "Mighty I AM Presence," the Light of the World, into action They have won Their Victory. They have dissolved and consumed all discord which has been created in each one's mind, body and world, or generated through the lack of understanding. They have replaced it by the Power, the Purity, the Perfection of the Presence of Life'."*—Jesus.

· GEMS OF LIGHT ·

*"Purity in thought and feeling IS IMPERATIVE. Harmony MAINTAINED in your feeling is imperative, if you want to be free quickly. Stand with your 'I AM Presence' and call It to take command; take out of your feeling world all human desire and hold Its Dominion forever. This is the definite, positive Activity by which you can quickly be free."*—Jesus.

*"Never imagine for one moment that you can be free without constantly calling to your 'Mighty I AM Presence' for greater and greater release from outer discord and for intensification of Its own Light and Energy which gives Life to your body."*—Jesus.

*"During My Ministry in giving Assistance to mankind, when I said: 'Thy sins be forgiven thee,' I erased the record of that imperfection for the individual. Are you aware that for everyone to whom I spoke those Words, that they became a PERMANENTLY established Law? It is the same to-day. When you call your 'Mighty I AM Presence' into action, It becomes the PERMANENTLY established Law for you and your world."*—Jesus.

*"You are no longer at the mercy of uncertain information, of uncertain instruction which might at some point lead you astray. No one can make a single mistake in the application of This Understanding if he be sincere! If your motive is wrong, then your energy will be requalified by your own feelings and produce that which is wrong in your world. Energy itself does not discriminate!"*

—Jesus.

• GEMS OF LIGHT •

*"Remember you are just beginning; you have entered into the Stream of Life which IS WITHOUT LIMIT. Try to feel this with such great joy, that it expands the Light within you. As It continues to expand, your comprehension will become greater and greater. Then in flashes, one after the other, the 'I AM Presence' will flash forth into your consciousness, into your feeling world, Its Mighty Revealing Activity. Your Presence which beats your heart and gives you Life is All-wise, for It can call to Itself any information from the furthest parts of the Universe at will."*

—Jesus.

*"Do you quite comprehend to-day the marvel of the slightest activity of your attention? Behold your Reality! and then comprehend that the moment your attention is upon your Great Source of Life, the 'Mighty I AM Presence,' that very moment your Ascension has begun. Every moment you give earnest sincere attention to your Presence, you are increasing, intensifying your climb to Its Goal. This IS the Goal of all Life."*—Jesus.

*"Remember! and I say this to the whole world: 'All of you who have loved Me, remember Saint Germain has brought forth the continuation of that which I started two thousand years ago. To-day, there has come in America the example of the Ascension. If you can be sufficiently patient, later there will come the Example to the whole outer world of the Ascension. It is Real! It is practical! It is within the reach of many of mankind to-day, and by that I mean in this embodiment'."*—Jesus.
