

· OUR CHRISTMAS LOVE ·

T this Christmas Season, our gratitude grows greater hourly to our Beloved "Mighty I AM Presence," the Great Host of Ascended Masters, the Mighty Legion of Light, the Great Angelic Host, the Great Cosmic Beings and Great Cosmic Light, for all They mean to us and all mankind.

Boundless and Eternal is our Love and Gratitude to our Beloved Master Jesus and His Blessed Mother Mary. Our Hearts' deepest call this Christmas is to our own "Mighty I AM Presence" and Higher Mental Body to make and keep us forever worthy of the Love and Protection These Great Beings of Light have given us all thru the centuries and for the limitless use of all the Mighty Energy, Powers and Gifts of Light, we have been privileged to enjoy thruout those centuries.

Great has been the abundance of all good things Life and These Glorious Beings of Light have bestowed upon us, and now, we ask Them all to release so much of Their Mighty Cosmic Light Rays thru us, that we too are enabled to go forth and do for our fellowman, what the Ascended Masters have done for us.

During the Seven Sacred Weeks of Christmas, we call to our Beloved Master Jesus and His Blessed Mother Mary to so intensify the Activity of Their Luminous Presence within and around all whom we desire to help, that Their Assistance to the earth is increased every time we visualize Their Luminous Presence enfolding persons, places, conditions and things.

Only in action can we draw forth more of Their Power to assist others; and the more Power of Their Presence and Light Rays we draw, the greater does our own Power become, to help and help and help those who are sincerely trying to do that which is constructive.

It is the Greatest Privilege of all ages to understand this "Mighty I AM" Instruction and help to carry It

to others until they all understand their Source of Life and try to keep the Harmony required until all have been given the opportunity to understand this True Worship of God.

So let us all constantly thank the Presence and the Great Ones, for all Life has given us, thru Them, and may all the Glory, Love and Gratitude of our Life Streams bless them forever and make our recognition of Their Cosmic Light Rays a permanent habit until all are Victorious and Free in the Light forever.

May the Pure Love from our Beloved Jesus and Mary, His Mother, flow forth to enfold all constantly with Their Personal Rays and still discord forever. May Peace on earth good will to man become this Christmas an Eternal Reality upon earth and set mankind eternally Free!

We call to the "Mighty I AM Presence," the Great Host of Ascended Masters and Cosmic Beings, the Angelic Host and Legions of Light to enfold all under This Radiation, and then all in America and the world, in Their Luminous Presence, with such Power and Glory that the Cosmic Light of a Thousand Suns, the "Crystal Cup" of a Thousand Suns and the Liberty Bell of Eternal Freedom flood forth all their Cosmic Activity upon earth and dissolve and consume all human selfishness and discord from the planet forever!

May our Beloved Divine Director issue the Great Command for all the Beloved "I AM" Students thruout the world, and our Beloved Jesus, Saint Germain, our Beloved Messenger, Nada and Mary the Mother of Jesus, come thru in Their Visible, Tangible Bodies as quickly as possible to bless all!

May the Light of God that never fails in the Power of a Thousand Suns, now burst upon the world and compel Peace on earth, Good Will to man forever! forever! and forever!
