· JESUS' DISCOURSE ·

*Seattle Class—August 22, 1937*

BELOVED Children of the Light in Seattle, Our Joy has been very great to find the response there has been in this class. I thank each one of the former students who was impelled to come to this class, for the service which they have rendered in assisting Seattle. Once the students understand and are able to give immediate response to those Wondrous Inner Promptings from their "Mighty I AM Presence," then Divine Order will quickly come in the world, and all chaos caused by human concepts disappear.

Today, you are so privileged in the accomplishment for your city, to have this Mighty Radiance in just a little less intensity than that which is given forth in the Retreats of the world. The outer world of mankind does not understand quite to what that refers. It means that each Retreat is a Mighty Focus of Light, Love and Wisdom which has been maintained for thousands of years; for instance, as the Royal Teton in your own beloved America. In India there are many places, some of which I visited before My Ministry in Judea began. It was not so easy to reach those places then as it is today, through the marvels of the transportation you now have.

The Inner Impelling Power from God, the "Mighty I AM Presence," once It begins to assert Itself—and that means by your call—will begin to release a Power of which the outer has only slight concept. The very beginning of your application in calling forth greater Harmony, greater Perfection, greater Wisdom from your Presence to act within you and your world, is the Focal Point of the Great Light which will one day flood your Being.

As you have come to know in this class, the Light which gives you Life is anchored definitely within your human heart. This Light contains within Itself all Perfection. As you have been instructed, when enough harmony is maintained in your feeling, so discord does not continue to re-qualify this energy, you will then see how very quickly Perfection will come in your mind, body and world. That Light, that Energy, if left to Its own Purity and Perfection is All-powerful to act within you and your world. Therefore the fulness and Glory of *Light* is the *Conquering Presence* of your world!

We ask everyone here, in very great calmness and serenity, to turn to your Presence and keep calling It into action until you have the *full volume* of Its Power released to produce Its Perfection in you and for you. It does not matter what the opinions of the outer world are, but it does matter greatly what is within your feeling!

Through long centuries of accumulation, doubt and fear acting within the consciousness of mankind have become very great. Yet within the accomplishment of the past—not quite three years—the most astounding results ever known in the history of mankind, have been attained. In the first contact with this Eternal, Everlasting, Freeing Understanding which our Beloved Brother, Saint Germain, has brought forth, so many thousands have given It full acceptance at once.

I say to all people of America and the earth: You, who have said you love Me so greatly, must remember that you cannot have Me without Saint Germain and all the other Ascended Masters. They are ONE in Their Great Eternal Perfection. They have gained Their Victory, as you are now endeavoring to do. Through Self-conscious application in calling Their own God Power, the “Mighty I AM Presence,” the Light of the World,

into action—they have won Their Victory. They have dissolved and consumed all discord which has been created in each one's mind, body and world, or generated through the lack of understanding. They have replaced it by the Power, the Purity, the Perfection of the Presence of Life.

Your "Mighty I AM Presence" is the Presence of Life and holds within Itself all Perfection for you. That which is *Light*, cannot be interfered with when you call It forth into action. It goes into action at your call and continues to act. According to the Harmony maintained within your feeling, will It render Its Perfecting Service quickly or require time as you know it, in your human octave. Beloved ones, remember: the responsibility rests with you, as to how you are going to accept and use the ever-intensifying energy from your Presence, as It comes forth. Purity in thought and feeling is *imperative!* Harmony maintained in your feeling is imperative, if you want to be Free quickly! Stand with your Presence and call It to take command, take out of your feeling world all human desire and hold Its Dominion forever! This is the definite, positive activity by which you can quickly be Free!

Never imagine for one moment that you can be Free, without constantly calling to your Presence for greater and greater release from outer discord and for the intensification of Its own Light and Energy which gives Life to your body. Never again—if you have once had the idea—think or feel that you can be dis-connected from your own God Presence and live, or at least maintain your physical body.

As you well know, there is no death in all the Universe! To maintain your body and perfect it, is the reason for this Wondrous Understanding of Life coming forth. Will you feel your full responsibility to Life, to your world? Remember! through lack of This Un-

derstanding, you have charged your world with imperfection. Then being the decreer, the creator of whatever is in your world—in the acknowledgment of your Presence, you have the authority and power to uncreate or dissolve from your world all mistakes.

During My Ministry in giving assistance to mankind, when I said: "Thy sins be forgiven thee," I erased the record of that imperfection for the individual. Are you aware that for everyone to whom I spoke those words, it became a permanently established Law? It is the same today. When you call your "Mighty I AM Presence" into action, It becomes the permanently established Law for you and your world.

That of which I have just spoken is concerning your outer activity, but the Goal of your Victory is the Ascension. Do not let your human self deprive you of your Freedom by doubts. I made the Ascension! Saint Germain made the Ascension as hundreds of others have! Because the Western world has not known it, does not alter the Truth in the slightest. Today, the Truth is before mankind. You have all known the long worn statement: "Know the Truth and the Truth shall make you Free." What is the Truth? It is the True Understanding of Life! Without This Understanding and Acknowledgment of your Presence, there is no means of knowing the Truth. You have fragments of It, but that is not sufficient! It is only the *Whole Truth* which will one day give you the Victory. The *Whole Truth* is within your own Life, your "Mighty I AM Presence."

Beloved ones, will you not take advantage of this which Saint Germain has brought forth? Every detail of It is before you in explanation, in application and the reason for Its being so. You are no longer at the mercy of uncertain information, of uncertain instruction which might at some point lead you astray. No one can make a single mistake in the application of

This Understanding if he be sincere! If your motive is wrong, then your Energy will be requalified by your feeling and produce that which is wrong in your world. Energy itself does not discriminate!

You in the acknowledgment of your Presence, through the Higher Mental Body, become the Discriminating Intelligence. This you *can* call forth with the fulness of Its Power, to prompt and correct you at any given moment. Try to feel the importance of all this. As you become sufficiently anchored within the Power of your own Presence, you shall receive much transcendent explanation of the Greater Activity of the Laws of Life. It would be useless to give this to you before you are sufficiently anchored in the acceptance of your Presence; because your comprehension would not be acting and it would do no good.

This is the Great Wisdom which Saint Germain has used in holding you firm to the Fundamental of Life and Its application until you become so strongly anchored that We can begin to give you the Greater Explanation of the Law of your Life. Do you understand that there is but one Law acting in all the Universe and that is the Law of *your* Life? It is ever-expanding and Self-sustaining, for there is no limit to what you can understand, even in the Great Cosmic Activities of Life?

Remember you are just beginning; you have entered into the Stream of Life which *is without limit*. Try to feel this with such a great joy that it expands the Light within you. As It continues to expand, your comprehension will become greater and greater. Then in flashes, one after the other, the Presence will flash forth into your consciousness, into your feeling world, Its Mighty Revealing Activity. Your Presence which beats your heart and gives you Life is All-wise; for It can call to Itself any information from the furthest parts of the Universe at will.

Do you quite comprehend today, the marvel of the slightest activity of your attention? Behold your Reality! and then comprehend that the moment your attention is upon your Great Source of Life, the "Mighty I AM Presence," that very moment your Ascension has begun. Every moment you give earnest sincere attention to your Presence, you are increasing, intensifying your climb to Its Goal. This *is* the Goal of all Life.

The beloved Messenger has been so very patient, with great firmness and determination giving his experience in observing the Ascension in your America, the same as I left to the Eastern world. Remember! and I say this to the whole world: All of you who have loved Me, remember Saint Germain has brought forth the continuation of that which I started two thousand years ago. Today, there has come again the example in America of the Ascension. If you can be sufficiently patient, later will come the example to the whole outer world of the Ascension. It is Real! It is practical! It is within the reach of many of mankind today, and by that I mean in this embodiment!

As This Understanding of the "Mighty I AM Presence" expands and the greater volume of your call releases the Power, Energy and Activity of the Presence, it will make possible greater and greater things in the experience of mankind! That is why We urge everyone to make a sincere constant call, and give the Mighty Decrees so they may go forth setting the Law of Life in action to produce the results which are in the Decrees.

Do you quite understand yet in your Decree work, that you are not just saying so many words? With the intensity with which those Decrees are released, you are setting the Greatest Law in the Universe into action to produce Freedom, Harmony and Perfection and to

release into action in the human octave, the Intelligence which is the Governing Power of the Universe. This is why your responsibility is so great.

You have become a part of the Activity of the Great Light and your responsibility to your fellow-man is very great. Never forget that! In claiming to be an "I AM" Student, the eyes of the world are upon you. Then, if you express discord, dishonesty or imperfection, you are degrading the Light which you represent. It would be much better for one not to claim to represent the "I AM," the Light, until he is strong enough to maintain Self-control; than to go forth claiming and then not fulfilling the Law, for such would be a misrepresentation. Everyone in his call to his Presence *is* strong enough to maintain Self-control and Harmony in the feeling. Therefore, feel your responsibility to your fellow-man.

A very great accomplishment could fill your city in two years, if Harmony is maintained among the students. Remember, there are no dictators in the "I AM" Work! There is loving co-operation always. Let no student seek to over-ride or over-rule another. Just in loving co-operation let the Great Light of the "Mighty I AM Presence," expand and do Its Perfect Work. Let Its Wisdom govern and not any human desire! Then, you will have fulfilled the Law. Your happiness and all that you require for use will be released into your world. Through it, you may glorify all with whom you come in contact.

This is the only way. After you have received the Understanding of your Presence, it would be a very great mistake indeed to go on in former desires. The Law of Life, of all Life, is Harmony. Once it is maintained, the very Law of that Life, that Light, will sweep into action—first in your individual world and then out into your nation.

In your call to the Great Cosmic Light, remember: It is *All-powerful*, because It is charged with the Great Wisdom of the Group of Ascended Masters who consciously project It forth for the blessing of mankind.

Remember! I issue that Mighty Decree, which is the third time for America. In your great Washington's Vision was the First Decree issued, by that Great Presence Who gave him the vision: "If necessary, that Light as of a Thousand Suns shall descend into the earth and dissolve all human selfishness and discord from the planet"! The second time, the Great Arcturus issued that Decree. The third time, I issue It today: "If necessary, that Light as of a Thousand Suns shall descend into the earth and dissolve and consume all human selfishness and discord from the planet"! As you issue that Mighty Decree as you have been doing, then shall It do Its Perfect Work for the blessing of mankind.

Remember! the only means of anchorage to Love, Light, Wisdom and Power in *Its Intensified Action*, is the acknowledgment of God, your "Mighty I AM Presence." Remember that at all times! and see how quickly you will feel Mastery over your world, over Substance and Energy, and how quickly all doubts and fears will vanish from your world.

Remember, beloved Children of the Light! Our Radiance goes forth to you constantly. May I repeat the Wonderful Words of Bob this morning and remind you, that when you call or send your Love to *any one* of the Ascended Masters, after you have first called to your Presence; that Being projects back to you a Tube of Light; and if necessary, the Replica of Himself or Herself to render you the assistance and hold about you the qualities from that Ascended Master. There is no limit to what any Ascended Master may do in that respect.

We are trying in every way to give you the Courage and Confidence, so that in your earnest call and desire to have Freedom from human limitations, you are sustained, you are supported by Beings Who are wholly Free, Who have gone the exact pathway you must follow to attain that Freedom. We have made, every Ascended Master has made, the identical application which Saint Germain has given to you. By that application and firm determination They have gained Their Freedom from human limitations and made Their Ascension!

The Law is before you! Use It and let no human opinion to the contrary interfere with you! If you do, the fault is yours and by that you would remain in your limitations. This Law is Mighty! It is Supreme and simple in Its Understanding but All-powerful and Majestic in Its Action. Apply! Apply! Be the Law, and be Free! I thank you.

· GEMS OF LIGHT ·

**PRECIOUS BOB**

*Let us try to clear some of the points so few seem to grasp. You have come to know in your outer world of activity what your attention does for you. You cannot have a thing, you cannot know a thing without your attention is upon it. So do not sweep the Universe in one sweep and draw all knowledge into Their use. What would They do with it! What would They do with all the information gathered within Their Arms! Even the Ascended Masters probably would not know what to do with all of It.*

· THE POWER OF THE "CRYSTAL CUP" ·

**I**N the Action of the "Crystal Cup" which is now coming forth to the student body, try to realize that when we make the call—"The POWER! POWER! POWER! of the 'Crystal Cup' of a Thousand Suns! into and thru all under this Radiation descend! descend! descend! etc.,"—then continuing, when you begin to call forth the Cosmic Action of that Light-Substance from the "COSMIC CRYSTAL CUP," you have just as definitely and just as certainly opened a connection with that Great Cosmic Activity of the "Crystal Cup" from the Ascended Masters' Octave, as if you opened the faucet and let the water flow.

You can call for the various activities of the Ascended Masters' Perfection from the "Crystal Cup" of

a Thousand Suns, by sending your sincere Love to them. When you make that call, instantly there will begin to pour back into your brain and body and atmosphere about you, the Flaming Substance of the Cosmic Light, qualified and directed by the Ascended Beings who govern Its Activity. It will be charged with whatever is required concerning the specific quality for which you call.

As you continue to gather a momentum thru your calls, then that Activity begins to release more of Its Powers to you. Please make a distinction in your Decrees between the words "Power" and "Powers." When you call forth the POWER! POWER! POWER! of the "Cosmic Crystal Cup of a Thousand Suns," you mean the increasing Pressure of the Light-Substance flowing forth thru your call. When you say: "The POWERS! POWERS! POWERS! of the 'Cosmic Crystal Cup' of a Thousand Suns," it means the attributes or special Ascended Master qualities which are contained in that Octave, are projected and concentrated by Those Ascended Beings in and thru you, so you will have more of Their Intelligence to direct, thru yourself, the Cosmic Light and the greater Electronic Force you are calling forth from your Presence.

In the various Activities of the "Cosmic Crystal Cup," we want to call forth Its Mightiest release of the Liquid Light into the United States of America, into the "Crystal Cup" of America so Its Electronic Force may penetrate thru the mental and feeling world of the people. That can penetrate the brain structure and emotional body of mankind, exactly as sunshine penetrates a fog and consumes it.

Those Mighty Streams of Electronic Force from the "Cosmic Crystal Cup" of a Thousand Suns can penetrate the brain structure as easily as an X-ray, and more so. This Greater God Power must be drawn into

the mental and emotional world of mankind, if we are going to consume their destructive desires, impulses and destructive use of the free will.

Therefore, to call forth the Power of the "Crystal Cup" into America, gives recognition to a certain Cosmic Action of the Electronic Force, which is governed by the Great Beings and Legions of Light who qualify that Light-Substance in a very definite particular way, with Their Purifying, Harmonizing, Illumining Presence and Energy. When we call that forth consciously of our own free will into America, then it gives them the opening which They require to direct those Light Rays into the destructive activities of our land; also to take up the energy we send forth, requalify it with Their Electronic Force and that for which we call and return it again into America. Thus, It acts in the rest of America to lift from humanity the destructive domination of vicious hypnotic forces.

The "Crystal Cup" of a Thousand Suns—the "Cosmic Crystal Cup" as It is spoken of—is an aggregate of a certain amount of the Light-Substance from the Great Central Sun gathered by the Great Cosmic Beings, qualified by Their Power and adjusted so It acts in the physical octave of earth in the way which will consume all that is discordant. It is because mankind have got to have a leavening power within their own energy, within their own mental and emotional bodies and that leavening Power must be the Pure Electronic Force of Light, qualified with the Ascended Masters' Consciousness that shatters the connecting lines of force in the destructive forces acting in the outer world.

The Light within every human being begins to expand and exert Its Dominion and Mastery over discord, whenever this Light from the "Cosmic Crystal Cup" is drawn into the atmosphere of earth! It has a two-fold action. It purifies the atmosphere around individuals and It also has a direct connection with the

Flame in each one's heart; so It expands the Flame and that gives the individual a feeling of more strength, energy and mastery over destructive forces. In that way, It begins to dissolve the destructive qualities in the atmosphere around humanity and that which they have imposed upon it.

In other words, it begins to dissolve and purify the atmosphere of earth as well as to expand the Light within each one's heart. When that is done to a certain point, destructive forces have got to let go. Then, the full recoil of their own destruction blazes back or is drawn back into the brain and body of the destructive individuals who will not respond to the Light; and in that way it is almost as though a rubber band snapped back upon your hand.

The moment destructive forces loose their connection in the substance of the emotional bodies of the people, then the full recoil of all their own energy which has been destructively qualified, drives back into the mental and emotional body of its creator.

If people understood how to call forth the use of the Cosmic Sword of Blue Flame which the Archangel Michael wields and daily make the call to sever every line of connection with destructively qualified energy and substance in the mental and emotional bodies of mankind, they would find destructive forces returning to their creators with very great speed. The more the Cosmic Light comes in, the faster will all those forces go back to their source.

The very intensity of the Cosmic Light, as It is called forth by the student body and the Ascended Ones' Assistance, will begin to increase the pressure of that Light upon all destructive creation and will cut away from them all that wants the destructive way of Life. It will bind all destruction back into its creators because that is energy destructively qualified which be-

longs to the brain, body and emotional world of the individual who sent it forth. It does not make any difference whether it be one or many.

Individuals who start war send forth that waring impulse thru the Life energy of their own emotional bodies. Therefore, if the people who want protection will make the call to the Archangel Michael, to send His Legions of Light and the Sword of Blue Flame to sever every line of connection with the minds, bodies and worlds of all who are destructive and keep making that call day after day, they will find there will come into action at their command, an Activity of the Sword of Blue Flame which will drive destructive creation back into the brains and bodies of those who seek to destroy their fellow-man.

The Archangel Michael just happens to be a very Great Being and there are thousands of other Ascended Masters who will also answer that call. The "Crystal Cup" of a Thousand Suns pouring Its Liquid Light in and around those under this Radiation and thruout America will release the Electronic Force which not only severs all line of connection with destructive activities but will expand every Point of Light in the cells of the body of those who give attention to the Ascended Masters' Octave, from whence that Light comes.

It is because of the need of mankind for this at the present time, that the Ascended Ones have drawn forth the Activity of the "Crystal Cup." When enough of that Power goes into action, you will find destructive forces will become leashed, then they will call all the pressure of their own destruction back upon themselves.

Please give the "Crystal Cup" recognition three times a day, not only for your own Being and world, but that of America. Call forth that Liquid Light with such Power, that It stems the tide of every destructive force from everyone within our borders, until our America is eternally Free.

### PRECIOUS BOB

*You must have observed by this time how very peculiar the human is, how undependable. It will make you say and do things that ten minutes later you would give anything not to have done, yet unless you stand guard over yourselves you will keep asking: "Why don't the Ascended Masters do thus and so"! They are finished with the human octave. Does any human being think the Ascended Masters are obligated to run around at their heels and watch that they don't fall down? Oh no! Human beings are in the condition they are today, because they placed themselves there.*

### PRECIOUS BOB

*I say to you beloved ones, when you know what a marvelous Being Saint Germain is, there can be only one thought and feeling—to worship the very thought of Him, because you are worshipping a God Being. Some day, when He comes to you in an ordinary suit of clothes and you think: "Well, well, so that is Saint Germain! He does not look so pre-possessing." Little will you know the Power that is within that form. Beloved ones, again I say to you: the opportunity is worth a hundred lives, to be able to serve Him today.*

### PRECIOUS BOB

*Three times a day—and please don't fail, call forth the Perfect Voice of the Presence in speech and song in all Its Activity. Call forth the Perfect Feeling of your Presence to take command of your world of activity. Call forth the Mighty Directing Intelligence of your Presence to see that you do the Perfect Thing always. You will find those three statements of inestimable value to you, but do not say them without putting earnest determined feeling into it. Don't say them once, until you are ready to put feeling into it.*

## · SPECIAL NOTICE ·

### DECREE GROUPS

Decree Groups may be added to your other Group Activities, but these should not replace the Regular Group Activities or Fundamental Groups.

All Decree Groups should open with Invocation—either Victrola Record or Invocation on No. 1 Outline.

Six Cosmic Light Calls.

Close with Regular Benediction.

Periods of quiet for using Violet Flame or playing one of the Music Records are permissible.

These Decree Groups may be carried on for 24-hours if so desired, using Decrees in the Loose-leaf form. A new Group of Decrees will soon be released, containing those used in our recent Shrine Class.

It is permissible to take one subject and stay on it for the entire period, even 24-hours. Those desiring supply will find the use of the Supply Pamphlet for as many hours as is possible most beneficial. The momentum gained thru issuing those Decrees, must release the needed supply when it reaches a certain point. So it is with any other condition needing attention.

### FUNDAMENTAL GROUPS

In the Sixth Lesson (Pages 16-17) of the FUNDAMENTAL OUTLINE No. 11—please omit the following:

#### 10. POWER OF DECREERING

Broadcast—Oct., 1937    14: 1-32 Page 20
