

GEMS OF LIGHT

SAINT GERMAIN

I am sure there is not one of you who when you have accomplished something, have not felt a rejoicing that can come alone from that. After so many centuries of dominion of the human self, your power of dominion now consciously brought into action in the call to your Presence, is the greatest happiness that can come to one in human form.

SAINT GERMAIN

Never weary of your application, because that is the Open Door-way to your Dominion and Freedom forever!

SAINT GERMAIN

There is not one single excuse for any human being feeling doubt toward This Work or the Messengers — not one single excuse. The books are simple, plain and substantial. The teachings are plain, practical and substantial and the Messengers have never said one solitary thing to which any sane individual can take exception.

SAINT GERMAIN

You are master of your bodies. Don't humor your human atoms a particle and don't fear them, but say to them: "Get into action now and stop that nonsense"! Be absolute in handling your physical bodies, don't let them master you.

K-17

A thing can act thru the feeling world and get the feelings stirred into action before the individual is aware of it. That is why you should be so constantly on guard, about any disturbing condition or desire to criticise each other or any condition, which would open you to the forces that are acting in those destructive qualities.

K-17

Dear ones, if you really knew and understood the Authority and Power which each one of you has to say to a condition, whatever it is, that has an appearance of destructive activity; "You have no power," and know it was the Power of Light from your Presence going forth into that, you could perform wonders.
