

LIGHT'S CHRISTMAS PEACE

Light's Christmas Peace from the Central Sun,
Floods o'er the earth - Light's Victory won!
Its Cosmic Power sets mankind Free,
For Peace thru God's Light, all *shall* now be!
Music Celestial from Spheres of Light,

Releasing Perfection's Full Cosmic Might, —
Sounds ever within, above around,

God's Legions of Light at last have found
"I AM" flooding earth with all God's Peace —

"I AM" in their Hearts is Full Release!

"I AM" o'er the world is God's Own Name!

"I AM" in command, is God's Love Flame!

Light's Christmas Peace shall now take command —

Light's Mighty Power expand and expand!

The Angelic Host descend now too,

Great Legions of Light earth's veil step thru

The "I AM Presence" within each Heart,

Shines clearly thru, illumines each part!

In Splendor Sublime, It stands revealed,

Life's Master Presence in Glory sealed,

Whose Majesty none can ever know,

Until we see Its Unfed Flame Glow

With all the Blessings of Light's Great Power,

"I AM" this Presence! Here! NOW! this hour!

Light's Christmas Peace now on earth shall reign,

Light's Mighty Power all good does sustain!

Great Hosts of Light come — giving all,

They bless, protect, and fulfill each call,

Till the Light's Full Power does come thru,

For unto the Light, all must stand true!

Light's Wisdom and Peace are Love's Great Flame,

The Blessing and Power of God's Great Name!

"I AM" in Full Victory rules — fills all!

"I AM" in the Flame, our Hearts enthrall!

"I AM" is Light's Song — all else does cease!

"I AM" is Supreme — Light's Christmas Peace!
