

BELOVED JESUS' AND MARY'S TWO PERSONAL RAYS

S THE ASCENDED MASTERS have always taught us, during the Seven Sacred Weeks from Thanksgiving to January 15th, our Beloved Master Jesus and His Mother, Mary, pour out Their Two Personal Rays, to bless all who will give Them time and attention each day, in accepting that White Fire Substance which They do pour out thru Those Rays.

During this season of the year, when the attention of mankind is upon Them and They are releasing all possible to help and bless the people, we can call forth Their Two Personal Rays to go out and enfold all in the activity of war, so as to give the greatest possible protection, to all who are trying to stand for the Light and hold to the Constructive Way of Life.

Visualize Jesus' and Mary's Luminous Presence and Blazing Light Rays pouring forth such intense White Light, surrounded by the Golden Flame, that everything destructive that even looks in their direction, is instantly consumed by the very intensity of Their Light and the Authority and Power They project constantly.

Each of us can call to the "Mighty I AM Presence" and all Great Beings of Light and Perfection from the Great Central Sun, to expand and intensify Jesus' and Mary's Out-pouring once an hour and sustain that Activity, until every destructive activity on earth is forever annihilated and its cause, effect, record and memory consumed from the Universe today and forever!

Remember, this call which we make is Life, calling forth the Greater Cosmic Activities of Light, to protect Life and fulfill God's Divine plan for all manifestation everywhere!

It is Life Itself, in the Authority of the "Mighty I AM Presence" of every human being in this world, and all

Great Ascended Masters and Cosmic Beings, calling for the Freedom of all Life from all discord forever; and It contains within Itself, the Fulfillment of the call by the very energy which goes forth in that call.

Let us in the Great Mercy of Life, call on the Law of Forgiveness for everyone, and for all in the feelings of mankind to be cleared away, dissolved and consumed, which seems to keep all from seeing and knowing These Beloved Ascended Masters and Cosmic Beings as we do; and enable such Blessings and Help to come to all people of earth—as they have never yet dreamed.

When the people of earth want These Great Ones to help stop the destruction generated by war and other human discord—They will come and do it, but not without mankind's call. The Great Cosmic Law does not permit Their Help to be given, as long as Those whom Life has chosen to give that Help, are denied, ridiculed and criticized by the people who need their Greater Power of Life.

The people of earth cannot solve the conditions of the outer world today, except by the Power of Light; and that Greater Light can only come from the Ascended Masters who are Its Authority and control for the people of this world.

These Great Blessed Ascended Masters and Cosmic Beings of Light, Power and Perfection, can do for mankind what they cannot do for themselves; and the humanity of this earth cannot survive without Them. They are the Greater Part of the Light of this world, and only enough Light can consume the darkness which all destruction is!

Beloved Jesus, Mary, Archangel Michael, Saint Germain, Our Beloved Messenger and the Other Ascended Masters, are each an Individualized Ray of Cosmic Light to this earth! Let us give Them definite time, attention, acceptance, Love and Gratitude each day in the name of the mankind of this earth, until the Increasing Cosmic Light holds Its Dominion forever!
