

GEMS OF LIGHT

SAINT GERMAIN

In the accumulation of the human within the Life Stream, that discord cannot get out of its octave here. Now the Higher Mental Body is Perfect, and all that is above the human octave is Perfect. The Higher Mental Body of that Life Stream is not responsible for the things that the human does; unless the human is calling to It for direction and did not get it. That is how Life has so provided that all mankind's accumulation waits for them here in the human octave, until they return again into embodiment.

SAINT GERMAIN

I say to you, that This Understanding as I have brought It forth concerning the "I AM," will stand just as It is, for thousands of years; because It is the TRUTH OF LIFE, and It is the ONLY Explanation that has ever been given to the outer world. These foolish individuals who claim to know something about It, well they just don't! That is the comical thing about it!

SAINT GERMAIN

You are master of your bodies. Don't humor your human atoms a particle and don't fear them, but say to them: "Get into action now and stop that nonsense"! Be absolute in handling your physical bodies, don't let them master you.

K-17

A thing can act thru the feeling world and get the feelings stirred into action before the individual is aware of it. That is why you should be so constantly on guard, about any disturbing condition or desire to criticise each other or any condition, which would open you to the forces that are acting in those destructive qualities.

K-17

Dear ones, if you really knew and understood the Authority and Power which each one of you has to say to a condition, whatever it is, that has an appearance of destructive activity; "You have no power," and know it was the Power of Light from your Presence going forth into that, you could perform wonders.
