Releasing Its Blessings and raising all too,
Till each heart's own Flame is seen and comes thru!

In Music Transcendent, Thy Purity sings,
Behold It offers on Light's Healing Wings,
All the Victory "I AM," the Presence above—
And earth here below, shall be cleansed and prove
Thy Great Holy Presence, Thy Mighty Command

Freedom and Purity reveal all God's Flame
And blaze evermore "I AM"—God's Great Name.

OUR BELOVED MESSENGER— MR. GUY W. BALLARD

ELOVED ones of the Light! I bring you Our Love and Assistance today and Our Out-pouring of Eternal Invincible Purity!

The God of Purity directs the Action of the Flame! The Goddess of Purity directs the Universal Light-substance! The Angels of Purity form the guard to hold Protection around that Substance, until the creation is complete; and then hold the protection about that which is manifested in the outer world, to maintain Purity.

The Great Elohim of Eternal Invincible Purity handles the Pressure and Force of the Flame and Light-substance from the Physical Sun and the Great Central Sun, in the sustaining action which governs Cosmic Manifestations!

When it comes to the purification of the bodies of mankind, that purifying Power must come thru mankind's call of their own free will. It requires the Action of the Great Cosmic Law and the Cosmic Power from the Great Central Sun, to give the Help needed to purify the blood stream of the whole human race. It has been so contaminated by hate and the discordant thoughts and feelings of the past, that unless millions and millions of mankind understood This Law of the "Mighty I AM Presence," accepted It and made conscious application with great intense use of the Violet Consuming Flame, mankind's bodies could not become purified for many centuries to come; but with your calls to the Mighty Elohim of Eternal Invincible Purity, to the God and Goddess of Purity, and the Angels of Purity, and the Legions

of Purity, it releases certain Actions of the Cosmic Law throughout the physical structure of earth, both thru the atomic structure of the bodies of mankind and the atomic structure of the earth itself; also thru the atmosphere of earth and the Powers of Nature.

This is the Assistance which Saint Germain has been waiting for and which must be given; if enough Power of the Cosmic Light and Concentrated Action of the Great Law, is to be released to save America from the frightful destruction which is planned to be loosed upon her.

One or more unascended beings understanding this Action of the Law, and of their own free will making the call to the "Mighty I AM Presence" and Higher Mental Body of every Life Stream on this earth, and to all who have ever been here or who will ever come; then to the Ascended Host and the Central Sun—can cause this Help to come forth! It is the Purity or the Light from within humanity itself, who of their own free will are asking for more Light, which draws down more Purity from the Central Source of Life to this system of worlds! Thus the Great Cosmic Law compels the answer to come forth!

Since we are each one an atom in the body of mankind, when we make this call, it gives Saint Germain very much greater Assistance thru the Action of the Cosmic Law! It brings about the purification of America and the protection of the Light and gives greater Victory and Freedom more quickly.

This is the thing mankind have not understood, and if you will recall, the Great Divine Director said: "Your calls to Us, individually are the thing We have been waiting for thruout the centuries, before We could give you the assistance which sets you free." The mass of mankind are content to remain within their impurity and

hence the Law of Life does not intrude Its Purity upon them; but since we have entered the Cycle wherein the free will of mankind who choose to use it destructively can be set aside, then these calls are of tremendous importance!

In making this call to the Mighty Elohim of Eternal Invincible Purity, to the God and Goddess of Purity, to the Angels of Purity and the Legions of Purity; you can give assistance to the people of Our Land thru which the Cosmic Law will act, to prevent both frightful epidemics and intense slaughter. Therefore, the more Purity you call forth thru your own flesh bodies and the more you call into the structure of the earth and into the atmosphere of earth, the less sustaining power of destructive qualities the human will have.

The Great Being, the Elohim of Eternal Invincible Purity, has been deep within the Great Great Silence for a very long time, so far as this earth is concerned. Because of the intense calls over the last two weeks, especially this persistent call of Life from the hearts of these students and Myself, their feelings have reached into that Authority which has answered those calls! Since there are enough of mankind who want Purity, to intensely call this Greater Power into the physical action of the outer world, Life will not refuse you; and in this way, Saint Germain will have very much Greater Assistance for the Freedom of America and the Victory of the Light everywhere!

Impurity alone is the cause that shuts out the Limitless Powers and Manifestations of the Light; and when that intense call goes forth for whatever is necessary, to purify the bodies of the people; to purify their mental and feeling world; to purify the food they take into those bodies; to purify the atmosphere in which they move, Life which has been waiting to make this planet Self-

luminous for centuries, will answer beyond your fondest dreams.

Purity must be called forth, sustained and expanded by the free will of some unascended beings of earth, in the Authority and Power of the Great Cosmic Word "I AM," in order to open the doors and swing them wide to the action of the Cosmic Light, which one day reaches into the atmosphere of earth and takes Its Dominion, like an onrushing avalanche from which there is no escape.

The need of Purity in the mental and feeling world of mankind today, is beyond all words to describe! The more we can purify now, the less destruction there will be! So, as these Decrees go forth to charge forth Oceans of Purity; Oceans of the Flame of Purity thruout the bodies of those in America, the sustaining action of much destruction will die in a short time; for when that Light goes forth, It knows no resistance nor interference; but dissolves and consumes everything unlike the Light, for Light IS Purity.

As you call forth that action today and you sing to the Lord the Maha Chohan, always address your calls to the "Mighty I AM Presence" and Higher Mental Body of every Life Stream in America first; then thruout the world, to take up your intense demand for Purity and see what the Great Cosmic Law will do!

War, disease and poverty must die from the earth—before the Onrushing Absolute Power of the Cosmic Light, which is the Purity and Authority from the Great Central Sun.

So go into action and make the calls for that Light to take charge, flow forth everywhere and compel the purification of everything in America; then expand It, until It covers the earth and dissolves all that has opposed the Perfection and Purity of Life!

I thank you.

BELOVED SAINT GERMAIN'S DISCOURSE

CHICAGO CLASS

JANUARY 13, 1944

Afternoon

MRS. BALLARD

I WANT to turn your attention to something Saint Germain touched lightly upon in the "I AM" Discourses. He said, you may call to yourself any Height of attainment from anywhere in the Universe, thru your call to the Presence.

He said to me this morning: "If you will pour your Love, your Gratitude, your Blessings and your Praise to the Great Qualities of Life or the Great Beings in the Universe who govern those Activities to the earth, there is no place in interstellar space, where you cannot go in your attention, when it is sent forth on the Flame of Love from your heart."

He says, there is nothing that you cannot draw back to yourself from Those Great Octaves and Heights of Manifestation, if you will send that Flame of Love from your heart with gratitude to Those Great Beings, for Their Existence in the Universe, and the Blessings of Their Particular Qualities of Service to Life. Then, give

Them all your Praise and the Blessings of your Life Stream.

This is a Tremendous Activity, precious ones, for It is the Wide Open Door to the bringing back on to this earth, of every Supreme Power and Quality in this Universe, and It will raise mankind out of this present crisis. He says, now follow closely:

SAINT GERMAIN

You know, I said: 'there is no barrier anywhere in this Universe to Pure Divine Love!' Then, your Love to an Ascended Master, a Cosmic Being, or any Power or Activity of Light or the Sacred Fire, would be Pure Divine Love. Your gratitude is an action from your feeling world, which compels the Cosmic Light to fulfill your request; and your praise and blessings to the Life which is manifesting either thru a Being, an Action of the Sacred Fire or the Light, is the Expanding Power of Life.

These three out-pourings from you in the unascended body to Those Transcendent, Magnificent Beings and Cosmic Actions of Life, would draw the attention and compel the Response from every Power of Life and Perfection in the Universe! Life cannot refuse you, when you comply with these conditions; but the up-reaching must come from you—first! It must come from within your own feeling world, and you will notice, all of these Activities are feeling! Your Love is feeling! Your Gratitude is feeling! Your Praise is feeling and your Blessing is feeling! All of this must come thru the Flame from your heart, to the Flame in the Hearts of the Ascended Masters, the Cosmic Beings or the Action of Life to which you direct your attention.

Remember, beloved ones, interstellar space is filled with Magnificent, Transcendent Activities of Life, of

which the mankind of this earth know not a fragment. No part of Life will withhold them from you, if there comes forth from the Flame in your heart, these four Qualities, which fulfill the Great Requirements of the Cosmic Law, to bring you the answers to your call.

Will you feel then, the Limitlessness of the Action thru the Flame of Love in your hearts? Could there be any reason in the Universe why the Flame of Life to which you call in the Heart of an Ascended Being, would not want to release Its Greater Energy and Blessing to you? You do not yet know, precious ones, the unlimited Power within the Life in your own hearts! You have not yet comprehended but a very small part of Its Power; and I mean POWER finite, Infinite, Cosmic and Eternal.

Is there anything in the Universe which can prevent you pouring your Love to an Ascended Master, a Cosmic Being or Manifestation of the Sacred Fire or the All-pervading Light? Can anybody prevent you pouring your Gratitude to any one of those Activities of Life? Can anyone prevent you pouring out your feeling of blessing? Can anyone prevent you praising Those Activities of Life's Perfection? Then, when you have within you the capacity, the way and the means of reaching unto Those Great Beings, Their Transcendent Heights of Power and Attainment; and consciously calling Those Mighty Manifestations into your physical world, do you begin to realize just what This Knowledge means to you?

Has anybody else ever given you such a Vast Expanse in which to live and create unlimited Perfection? Has anyone ever shown you such an Infinite Altar of Existence, upon which you may worship the Great Perfection of Life?

If you will but lift your attention, and command it to go into the Heart of your Presence and then to Those Great Beings—Who want so much to give you the Perfection that Life is waiting and just surging to pour into

the world, you will find every desire of your hearts, coming into outer fulfillment.

I want you, because of the magnitude of this concept, to feel within your own flesh bodies, the Response from These Transcendent Beings, the moment your Love goes to Them. I said to these Messengers: "Your Love comes to Me like an arrow and is a Mantle of Fragrance to Me." I love you! I love every Life Stream that ever came on to this earth!

I love the Flame in every heart, why would I refuse to answer those heart calls? I could not, neither can you, only you have not quite realized that yet! If a tiny, tiny child, whether it be your own or someone's else, comes to you and lifts its arms and says: "I love you," can you refuse that Love? When that child puts its arms around your neck and says: "I love you, love me," can you refuse that child? Well, do you not think These Great Cosmic Beings love you, more than you could love any child?

You do not yet know, precious ones, the Power of the Flame in your hearts. That has not a thing to do with personal attachment to any one in this world, for you can reach your arms up to your Presence and love It. You can reach your arms out to the Violet Flame and love It to yourselves, and It will give you what you cannot get in any other way.

Oh, if you only knew how to get thru that shell of human habit, that wants to hold you from doing these unlimited things which your hearts crave to do! In the privacy of your own room, can you not reach your arms up to your Adorable Presence, that Precious Being of Light above you; can you not love Its Youth and Its Beauty? Can you not love Its Transcendent Light? Can you not love the beauty of the colors in the sky? Do they not always make you happy and lift your attention away from your problems?

You know when you place your attention upon manifestations in the sky anywhere in interstellar space, you have to let go of your feelings and thoughts about your problems, at least for a little while; and all of your problems, precious ones, come from looking downward. I said that once before, but people do not yet know what I mean.

The Goddess of Light said after Her experience: "I never again looked down." If you will remember your Precious Messenger, Our Beloved Godfré, He always looked high. He always kept his vision up; and if you will let go of your problems you must turn your attention away from them, and in that case you must carry the head high. Lift not only the vision, but the position of your physical sight.

You have to look up to see the Light of the sun. You have to look up to see your Glorious Presence. If the Hand of your Presence were for a moment to part the human veil of the atmosphere about you, you would have to look up, for only from above comes the Light that lifts you into Itself. **THEN, YOU CANNOT HAVE THAT LIGHT, SO LONG AS YOU ARE WATCHING THE FAULTS OF EACH OTHER.** Won't you, won't you not look down again?

Oh, I want to help you so much! You are so near transcendent things. We want to come thru so soon, but Oh, beloved ones, please, please look away from your problems! Look up to the Power that wants to enfold you and wants to help you; but you know, you must always look up, thru your feelings in your hearts. You would be amazed at the raising power which will surge into your physical body, when you look up and send the Flame from your heart with Love, Gratitude, Praise and Blessing, to the Flame in the Hearts of the Ascended Masters, the Cosmic Beings, the Great Manifestations of the Sacred Fire or the Cosmic Light.

You know, you see thru your feelings as well as thru your eyes; and if you would LET the feeling of your heart look up, you would be surprised what will come back to you on a River of Flame. Such Love from Those Great Beings is like planting a seed in the ground. You plant one grain of corn and nature gives you back many. Offer one Flame of Love from your heart, to that Magnificent Elohim of Eternal Invincible Purity, and see the Oceans of Flame that He will pour back into your world!

The more Purity you want, the more you will have to contemplate Purity. Without your attention upon It and your conscious call for It, only a small portion of It flows into your world. There is a certain natural flow of It from your Presence, but you can intensify that beyond all measure, by commanding your attention to go to the Elohim, that Glorious, Magnificent Presence of Eternal Invincible Purity, a Being Whose Garments are of White Fire; Whose Radiance is like White Lightning, and Whose Love responds perhaps more quickly than any other One of the Great Cosmic Beings. DO YOU FEEL IT? WILL YOU ACCEPT IT?

Just send Him your Love and Gratitude for His Existence in the Universe; the Existence of His Purity—Purity that has attained such a concentration of the Energy and Fire Element of Life, that He is almost indescribable in His Beauty and Magnificent Power. He IS the Power of Purity, and His Love is so great; because there is so little of His Life Stream, which has been allowed to come on to this earth.

He wants to make you like Himself, but He has to have the Love from the Flame in your Hearts, before He can flood to you His Oceans of Purity; for a Pressure comes with His Flame which is not only a Tremendous Insulation against the outer world's impurity, but which is the Master Dissolving Presence of everything unlike Itself.

His Love is very great, precious ones! Won't you give Him enough Love to enable Him to give you His Love to heal you, to illumine you and to compel your problems to LET GO? Won't you LET Oceans of His White Fire surround you with His Purity? Won't you LET in His Love, enough to purify all? You don't need anything but Purity to have the Fulness of your Mastery! While yet unascended, you may draw to yourselves from His Height of Purity, any intensity of the Power of Purity that your hearts desire. He will not deny you one thing! He knows so well that the earth is starving for Purity, and mankind are passing out of their bodies for lack of Purity!

He is the Light of Eternal Invincible Purity! He is the Great Cosmic Power-house or Pressure of Purity which is drawn from the Great Central Sun! You need that Purity around you, precious ones, and the world around you, needs It still more!

So thru your attention held in your hearts, your Flame of Life may reach up and connect with the Flame in His Heart. I want to convey His Love, His Blessing and His Gratitude to you, for opening the door thru which His Purity and the Pressure of that Purity, may flow into this world. It will be Boundless and Eternal! He has offered This from out the Heart of the Great Great Silence! Won't each of you open the door thru your Love, Gratitude, Praise and Blessing to Him, so He may have many doors thru which to purify America quickly? She cannot have her Freedom without Purity! She cannot have the Victory of Light without His Purity; and you need the Pressure of His Cosmic Power, to intensify and expand the White Fire Substance of Purity which is given you by the Goddess of Purity.

So will you call forth uncountable Legions of Angels—Limitless, Invincible Legions of the Angels of Purity;

to hold Eternal Invincible Purity everywhere in, thru and around your America; around our precious Donald and the younger generation; around those precious ones in the National Defense; and around all whose hearts really want the Light—every heart really does. It is just a substance that is not pure, enfolding the physical body or entering into the atomic structure, which prevents the Purity in every heart from holding Its Eternal Command in the outer activities of the world.

Outside of the Knowledge of the "I AM Presence" and the use of the Violet Flame, thru which My Freedom comes, mankind need this Mighty Elohim of Eternal Invincible Purity, to pour forth His Pressure of the Cosmic Power which He Wields, more than anything on this earth today. They need It more than they need food! They need It more than they need air! They need It like they need the Flame in their own hearts!

So precious ones, in the assistance which you are to give tonight to America for the purification of your government; for the purification of the bodies of your people; for the annihilation of epidemics, let us qualify everything tonight with His Glorious, Indescribable, Beautiful, Magnificent Blessings of Eternal Invincible Purity!

You heard your Beloved Lotus say: "There is no substitute for kindness! There is no substitute for the Violet Flame." I say to you: "There is not, never will be and never has been a substitute for Purity." It is the first Fundamental Quality of Life on which all Perfection depends; on which all Freedom and Victory depend!

So let each one of you, make yourself an Open Door to His Great Oceans of the Cosmic Power of Purity, to release Its Pressure thruout America; so it may stop the action of all unlike Himself; and then by the Fire Element, dissolve and consume all substance that is not His Eternal Invincible Purity!

For just a moment, let us accept and feel His Love

pouring thru. For just a moment, give Him the Love, the Gratitude, the Praise and the Blessing from the Flame in your hearts. Send It up to enfold Him, as if you reached out your arms and held Him close to you. Let us draw the Full Power of His Purity into the physical octave of earth, to prevent the epidemics that have sought to ravage mankind.

SILENCE

Do you know, precious ones, what His Purity can do? I said a moment ago, His Purity was His Tremendous Love; and do you know His Purity in a Wave of Light and Flame can consume all hate instantly? His Purity can consume all anger instantly; for his Purity is Light and anger and hate are shadows and they cannot stand before the Pressure of HIS LIGHT.

This condition that has been troubling the throats and lungs is but the war hate and war anger and the war impurity over which He is Master; so won't you give Him the obedience He requires, to release His Pressure thru you and thru all in America; and undo the hatred, the anger and the impurity that unfortunate human creation, has brought into outer manifestation?

I ASK HIM TO CLOTHE YOU IN HIS LUMINOUS PRESENCE, IN HIS RAY OF LIGHT, IN OCEANS OF HIS COSMIC POWER AND PRESSURE OF ETERNAL INVINCIBLE PURITY; AND SEE THAT YOU MOVE WITHIN IT FOREVER; AND NEVER, NEVER, NEVER FORGET HIM FOR A SINGLE MOMENT!

Thou Great Glorious Presence! Thou Mighty Elohim of Eternal Invincible Purity, flood Thy Love over these the Beloved of the Light! Wrap them in Thy Mantle of Cosmic Power of Eternal Invincible Purity; all they hold near and dear; all concerning America, her

people, her resources, her Constitutional Government and those in her National Defense.

Great Elohim of Eternal Invincible Purity, when this song to the Seven Mighty Elohim arises into the heavens; when these the Beloved of the Light sing, take unto Thyself their calls for Purity; and thru that music blaze Your Cosmic Power and Pressure; which compels Purity thruout America; so I may give her Freedom, and Victory may make her His Victory of His Heart forever!

Oh, Great Elohim of Eternal Invincible Purity, purify the structure of these bodies! Purify the mental and feeling world! Purify the atmosphere wherever they move! Make them Thy Living Self in Action and release Thy Cosmic Pressure of Eternal Invincible Purity thruout America! Purify everything within her borders and take Thy Dominion! Thou Great Builder of Creation, Thou art the Corner-stone of the Universe!

Thou Mighty Adorable Elohim of Eternal Invincible Purity, hold these My Beloved Family of the Light, within the Flame of Your Heart and Purify all forever! Let the Sun of Thy Shining Countenance become visible to them all, and let Thy Love take Its Dominion forever! Clothe them in Mantles of Eternal Purity! Hold their feet upon the Pathway of Thy Purity! Blaze thru their hands, Thy Flame of Purity and see that they purify all they contact as naturally as breathing! Let nothing longer dim their Light nor delay their Mastery thru these forms, wherever they move in America and thruout the world. Purify their worlds from all hate, anger, doubt and fear, for these are but shadows upon the Purity of their own Life Streams.

Beloved Elohim, draw their attention up into the Flame in their hearts and to Your Heart and hold it there, until It draws back to them Your Beauty, Your Youth, Your Purity, Your Perfection and Your Cosmic Power forever!

I thank you.

NEW YEAR'S EVE AT THE ROYAL TETON

IN GIVING a short resume of the Activities which took place at the Royal Teton on New Year's Eve, I wish to say that they were somewhat different and of a more intense nature this year.

The Activity of the Ray of Light thru the All-seeing-Eye in the North Wall of the Audience Chamber of the Retreat, which usually passes thru the Eye and moves around the earth in a circular direction, lasted for more than an hour. After that Activity was completed, there went forth from the Eye until dawn, Crystal Rays which formed a canopy extending over and enveloping the three Americas, particularly North America. These were Crystal Rays which were sent forth for the Protection of the Ameicas.

It was as though the Eye stood over America, forming a canopy or peak in the middle where the Eye stood. From this there went forth, Individual Crystal Rays to all under This Radiation and spread to those in the National Defense thruout the world. This means much, if people will give It recognition. The Force has already gone forth to establish this Assistance; but the more we can give It recognition and call for Its intensification, the more of that Power can anchor into the outer activities of mankind.

The Great Globes of Light which have always been sent into the different cities and localities were also sent forth into the war areas of the earth. Heretofore, these Globes were of Blue Flame with a Heart Center of pink; but this year as they went into the war zones and exploded, the central portion was more of a turquoise blue, which signifies to me they are releasing more of an intense pressure of the Blue Ray.

The Activity of the Rainbow Rays was beautiful beyond words! These Rays went forth in iridescent colors, like sunshine on iridescent beads which the ladies sometimes wear. This means a Tremendous Balancing Power.

All the "I AM" Students who have Ascended were with Daddy in one Group. I could feel their Great Joy at being with Him. The Love was very great and the Light was Blazing White. You of San Francisco should see your Blessed Ida. She is quite a bit taller, but dignity itself; and She has not lost her sense of humor. Our Blessed Claire Collins had called for youth and beauty; and She certainly has it now, for She is magnificent.

When we went to the Retreat in Arabia, Beloved Mary, the Mother of Jesus, stood beside Jesus all the time those Light Rays poured forth from that Retreat. She wields Tremendous Power and Love for Healing and Protection. She was in Blazing White and stood on Jesus' right, directing Light Rays into the warring conditions of the world. The added Power which Cyclopea has drawn is the Power of the Three times Three, under which we will act thruout this year!

Let us enter into this year with a fierce determination to hold Peace and Harmony; and provide the condition which will enable the Great Ones to come thru. We are entering a new year, and it gives us an added impetus to hold control in ourselves. Let us hold such dominion that nothing can go out from us but Love and Kindness.

This Assistance given us at the Royal Teton is the most Powerful Release at any time. Let us co-operate with It and pour out more and more of Its Perfection, until all are Free.

Therefore, we bless every instant this year with all the Sacred Fire and Light of God that never fails, required to overwhelm all that is not God's Perfection, for all man-

kind and the Divine Plan fulfilled in all the Freedom, Victory and Protection of the Seven Mighty Elohim of Creation to America, her people and her resources forever.

This year shall be blest with all our Love, Light, Wisdom and Power, all the Eternal Invincible Mastery, Powers and Perfection of our Life Streams, to bring all the Ascended Masters' Love and Victory to all mankind, the earth and its atmosphere and hold the "Rights of Free Men" ruling by the Power of Light thruout the earth forever!

GEMS OF LIGHT

SAINT GERMAIN

Many times, if one yields to the human request, you deprive an individual of the opportunity to stand on their own two feet and win the Victory. Everyone has to do it, and the sooner they know that, the better it is for them.

* * * *

SAINT GERMAIN

Beloved ones, there is no one, today, that realizes how one who reads or listens to a vicious thing, how much that enters their feeling world in spite of themselves! It riles you; and even if you keep yourself calm so far as the disturbing feeling is concerned, if your eyes are registering that thing, you are letting it into your feeling world as sure as you do it! Therefore, do not only keep your attention, but your vision off destructive things!

"I AM" YOUNG AMERICA

(Excerpts from Beloved Fun Way's Discourse given in Chicago, Ills., February 6, 1944, concerning Young America)

YOUNG America, the "I AM" Ascended Master Youth of America! Take your stand **NOW**—not to grow old! I believe someone else said that to you not so long ago. Take your stand **NOW**—to remain always happy and to laugh away every problem, which would seek to cause you distress or concern. I don't mean to become indifferent to your problems or responsibilities, not at all; but if you will take everything of discord and ask the Presence to dissolve it happily by the great humor of Life, you will take out of it, the qualities that make you fear it or struggle under its action.

Do you know why youth is always joyful and why everybody wants to retain their youth and their beauty? Because they have not yet learned to worry. They have not learned to be concerned about those things which never happen. You know that is the trouble with this world. People worry about a condition that has not happened yet, so it will happen in the future. That is the unfortunate thing. If they could only give the same attention to the Presence and the Ascended Host, there would not be any more problems.

May I ask you to call to the Beloved Eriel for whatever Assistance He can give to the Younger Generation in America, as well as wherever He chooses to work? There are so many entering the National Defense who are as yet so unfitted to meet the viciousness of the outer world; and if the "I AM" Ascended Master Youth will make the call for — notice these words — **MORE COSMIC PROTECTION TO BE GIVEN THEM**

AND ASK FOR A DISPENSATION OF THE GREAT COSMIC LAW FROM THE GREAT CENTRAL SUN, TO BE SET INTO ACTION FOR THEIR PROTECTION; then you will be raising the conditions in which they move by the Energy within those conditions; because you are a part of that younger generation.

If the "I AM" Ascended Master Youth will make the call, then the Cosmic Law can act to protect them from that onrushing slaughter; and it would also bring about a response from the "Mighty I AM Presence" and Higher Mental Body thru those Life Streams, which could do a great deal to more quickly set them free one way or the other; because in reaching up to the Ascended Masters for Assistance, the more energy there can be released to those who are concerned with the protection of the Younger generation, the more Pressure the Cosmic Light can release, to shut away that which wants to intrude or destroy them. When the call goes up from their own Life Streams, then you have fulfilled a demand of the Cosmic Law, so a certain amount of energy can come from within those Life Streams to protect them all. Then, the Cosmic Law can give the Dispensation, to shut off that which wants to destroy them. Others can give the same call as well; but if a certain number of the "I AM" Ascended Master Youth will give it, it will enable the Cosmic Law to act more quickly for their protection.

“I AM” OUR CHRISTMAS LOVE, GRATITUDE AND BLESSING

Beloved Precious “I AM” Students everywhere! Thank you! Thank you! Thank you! for all your lovely Christmas Gifts and Blessings and most of all for your Love, Light, Loyalty and Devotion to the Light, your willingness to help us carry It and your constant service to It, for the defense of America and the Victory of Light which is Right thruout the world.

Now, may Our Light and all Light turn and serve you in such Love and Power, that you and all you hold near and dear are flooded with all of Its Presence, Protection and Perfection forever.

May we all show our Love, Gratitude and Praise and Blessing to all life, by setting all Free in the Light forever.

GEMS OF LIGHT

SAINT GERMAIN

Every constructive thing that you do, makes its own permanent record, and to the degree that you understand it, then by a release of dynamic feeling, you see how definite and with what speed anything might be achieved—if you understand the Law which is acting and how to back it up by your feeling.

* * * *

SAINT GERMAIN

In the world of the "I AM" Consciousness, individual work has ceased to be a memory in the individual's world; for everything is just a joyous Service for the Freedom of the Light.

"I AM" STUDY GROUPS

* * * *

Beloved "I AM" Group Leaders and Students, it is the request of our Beloved Saint Germain and the other Great Ones, that a Violet Flame Group and Service be held every Saturday morning from 6 A.M. to 12 o'clock noon, in all Sanctuaries and wherever our "I AM" Study Groups are held.

We ask this thruout the world that we may offer greater help to all who are struggling under the problems of the outer world.

You may change Group Leaders every two hours if you so desire; and use the "I AM" Violet Flame Booklet, Decrees and Music, during these six hours.

Call during that time for the Violet Consuming Flame to flood thru each "I AM" Student, all Saint Germain's "I AM" Activities everywhere; then your Sanctuary, Reading Room, Study Groups; your city, state and nation; all activities of our government and national defense; all military activities, hospitals, homes, schools, etc., and then anything else you desire to include.

This will bring a more intense action of the Purifying, Freeing Power from the Ascended Masters' Octave and will bless you beyond measure.

During this time we shall intensify and pour out our calls and Radiation for your greater blessing also.

With all our Love and Gratitude forever, we thank you!
