

"I AM" IN GOD'S GARDEN

N God's Garden of Love,
All the Cherubim Sing
To the "Song of the Light";
And the Light that They bring,
Ever pours o'er the earth,
Its Great Ocean of Peace,

It sings now rejoicing—
"I AM" ALL Life's Release!

The World is God's Garden,
We are all Guests of Life,
Endowed with Full Power
To consume earthly strife;
To raise all and hold all,
Until God's Cosmic Light
Has lifted them singing,
And revealed Freedom's Height!

The Voice of the Presence,
The Great Presence, "I AM"!
Resounds thru the ethers,
And Its Cosmic Command
Reminds us forever—
In God's Garden we live,
To pour out Its Blessings
And to give and forgive!

Each Heart is God's Garden,
And Life's Pure Unfed Flame,
Abides there in Glory,
Until God's Mighty Name
Is called into action,
To expand ALL God's Light—
"I AM" is Its Presence!
God's Love is Its Might!

"I AM" in God's Garden!
"I AM" ALL of Its Peace!
"I AM" ALL of Its Power!
"I AM" God's Full Release!
"I AM" ALL of Its Song!
"I AM" ALL of Its Light!
"I AM" ALL of Its Joy!
"I AM" God's Cosmic Might!
