

GREAT DIVINE DIRECTOR'S DISCOURSE

DENVER, COLORADO

AUGUST 6, 1944

Evening

MY BELOVED ONES of the Light, I come tonight, to bring you an Enfolding Radiance and clothe you in the Intensification of the Authority which "I AM" to the earth; for the Freedom of your Life Streams from all human qualities.

Your Life Streams, like those of the rest of mankind, form a Great Tapestry, as it were, in this world; and wherever the Light can be expanded thru each one of you, that Light goes forth and radiates Our Power to those who have not found the Light, and yet who are seeking release from their outer distress.

In that Authority which Life has made Me over the Life Streams of this world, I want you to feel the great great opportunity which you have to explain This Law; and to put It into action wherever you happen to be, for the Freedom of Life without any concern about individuals or their human creation. I know it is not easy when turmoil is around you, to quite remember your Authority of Life and your Great Cosmic Mercy to Life; and yet, when the turmoil is great, is when Life needs your assistance the most.

Everyone wants to withdraw from disturbing conditions, it is true; that is the natural seeking of the Harmony of Life; but when you find that the affairs of Life have placed you in certain channels, where Life needs assistance and the Power that you can give; then it becomes your responsibility to expand the Light thru yourselves; and into everything you contact with that Great Blessing and Power which you can increase and

qualify with My Authority over all Life Streams of the mankind of this world.

Why do I say, you may become My Authority over those Life Streams? Because, when you have learned to BLESS ENOUGH AND YOUR MOTIVE IS TO SET LIFE FREE, without opinions about the mistakes that have been made; when that is your determination, and your Outpouring of Cosmic Love and Mercy, is for the Freedom of the whole; then you become ONE, thru that motive, with the "Mighty I AM Presence" and Higher Mental Body of every Life Stream on this earth; and then you become ONE with My Consciousness and Authority to set those Life Streams Free.

Do you wonder therefore, that I said some years ago: "I wrap the Flame of My Heart about you and you cannot even get away"! Just as a magnet draws a needle unto itself, so can the Light and the Great Cosmic Flame of Cosmic Love and Mercy, called forth consciously by you, beloved ones, who understand this Law, become the Magnet that draws the Light forth from within every human being! If there is something in you that other people like, they will love to get near you and will be receptive to that which you offer; but if in moving among mankind, you cause others to dislike you, then you do not draw forth the Light from their Life Streams to the surface; but rather you stir up the human creation, to qualify more energy with that which is destructive.

You have a very great responsibility, when you stir irritation in someone else; and at this time, when the outer world is surging with such unrest, I am depending on each of you to be the "I AM" Harmonizing Presence. In other words, I am depending on each one of you to be a Sun of Light, whose very Radiance pouring forth to those around you and into the atmosphere about you, carries Our Feeling of Peace and Blessing, Rest and Kindness to Life everywhere you move.

Each one of you ought to have a Radiance around you of the Cosmic Flame of Cosmic Love and Mercy, which you give Rest and Peace to everyone who comes near you. If each of you were clothed in the Full Power of the Flame of Love from My Heart; and you felt the Full Cosmic Authority which My Love is offering Life Streams of this world, you could pass others and let My Life Streams or My Light Rays, pour forth at your call and do for many whom you just pass by on the street, a Service for which the Higher Mental Bodies of those persons—or of any individual would bless you forever.

When I made you a Part of the Flame of Love from My Heart, my beloved ones, that was for Eternity. It was done at that time because of the conditions in which you are struggling today; so I might pour forth thru each of you, a similar Activity to other Streams of Life, which are brought to you from time to time in outer world association. We do not confine all Our Activities just to the Retreats. There are many wonderful marvelous people, caught in the outer world's chaos, who are starving for a Ray of Light, for Kindness, for Encouragement and for Illumination; to show them the next step ahead which they are seeking in their search to be Free from human limitations.

You may use My Cosmic Authority, not to dominate other individuals, but you may use My Cosmic Authority and Great Command, to set Life Free. That is what I want you to understand! When I have made you a part of the Flame of My Heart, you have become a Part of My Life, and since My Life is Authority over all Life Streams on this earth until they are Ascended, then that Part of Me which has been drawn forth to enfold you, you may extend as it were, to others. That in which I have wrapped you, you may send forth to wrap Itself about others.

Just as We give you the Gift of the Activities of the

Sacred Fire, so may you draw It forth from your own Presence and draw forth Our Flame of Authority; and wrap Them around those precious ones, who are wandering hopelessly and helplessly in the drifting conditions of the outer world; looking, hoping, waiting, wanting something to which to anchor! which is worth all their time and attention and which will give them the Happiness their hearts crave. You have the Power to give this Help!

My dear ones, if there is unhappiness in your world, I say tonight, forget yourselves in your determination to send forth the Flame of My Heart's Love and the Authority of My Life Stream; to command one person after another set Free from their human creations; and your unhappiness will dissolve as mist before the morning sun. Anything that will take your attention away from your distress, and let you be an Open Door thru which the Light may blaze to raise the rest of mankind, will bring you happiness and dissolve the cause of your distress.

Oh, We want so much, my precious ones, to get mankind to the place where they no longer will give their energy to destructive forces; so that all things can be set into Divine Order and each go forth to build Our Permanent Glory and Perfection into all, which is the Great Happiness, Victory and Freedom that Life intends thru the Fulfillment of Its Divine Plan.

My dear ones, will you all look upon Life as We do, not from the personal standpoint; but from the Great Love to Life which wants every particle of Life raised into the Perfection of the Ascended Masters' Octave, and be concerned only with Ascended Master Obedience to the Law; so you may be the Greater Power of Life to dissolve human creation; then when your Power increases to the point of Instantaneous Fulfillment thru your command, you will know what it means and what a privi-

lege it is, to be the Authority over the Life Streams of this world; then, you may raise each one into that Joy of Complete Release from the strain and struggle of human qualities.

We want, Oh so much, to take the student body and to open ways and means, whereby you can build the magnificent permanent things that are to be brought forth in your America; which form the Fundamental Pattern of the Incoming Civilization and Perfection. This cannot come into the outer, until America has been cleansed of that which seeks only to destroy. We cannot, We will not give them more to fight over; they have too much already.

Therefore, remember some time each day, that since I have made you a Part of Myself, wherever you move, you are the Extension of the Flame of My Life and My Love; and in that Authority, you have a right to command the annihilation of every bit of human creation on this planet from every Life Stream! No matter what it is or where it is; you have the right to command its complete annihilation from Life everywhere; and in My Authority Command it to be replaced by that which is forever the Fulfillment of the Divine Plan.

Sometimes, when I see the longing in the hearts of mankind for Our Rest and Peace, which is the Fulfillment of the Divine Plan, Oh I long to set aside every one's human creation; dissolve and consume it; and awaken those blessed ones to the Reality of their "I AM Presence."

Now, tonight, I want to turn your attention to the Chart, with a Reminder of something you may do in My Authority of Life, which will bring much Awakening and many surprises to individuals who heretofore have not quite wanted to serve the Light. Do you know in My Authority of Life and the Love which I offer to the Life Stream of every one on the earth, I have the

Power and the Authority to make every one see his or her "I AM Presence," face to face and know Its Reality? You might say to Me: "Well why have you not done it before?" That is My business! I will tell you some day, for you must know there is a reason for it. Since My Love is Greater than yours, It stands to reason My Wisdom might be also; but in this which I give you tonight, I am going to watch how many of you choose to issue the Decree; that "In the Name and Authority of the 'Mighty I AM Presence' of any Life Stream for which you wish to do this, and Myself, I command that individual to see his or her 'I AM Presence' face to face! I command the human veil rent in twain long enough, for that individual to see and know that Glorious 'I AM Presence' face to face, and thereafter turn to the Light to be Free." I am issuing that Decree as if I were you giving it.

You can command in the Name and Authority of the "Mighty I AM Presence" of any individual and Myself, that the human veil be rent in twain, and the "I AM Presence" be seen face to face; to be remembered for Eternity and to be accepted with Full Power. I want you to think deeply upon this tonight, because you might say to Me: "Well why has not that been done long ago, so mankind could remember where the 'I AM Presence' is?"

Our Help has been offered many times in the past, but when that Command and Decree is issued by unascended beings, for the Illumination of other unascended beings; then in the Cosmic Action of the Great Cosmic Law, the effect in the mass of mankind is entirely different; because thru your Love, desire and willingness to help other Life Streams become illumined and set Free, your Light blazes in that Command and other Life Streams are set Free from their human creation. This means a Double Expansion of the Light from

within humanity itself, which will draw down to your assistance much Greater Cosmic Power for the Freedom of the whole.

That is not the same, as if I took each Life Stream and commanded the veil to be parted for the time being and the experience given to each individual; because My Authority is from the Octave above yours; but if you will use Your Authority with the Flame and Power of My Love, to command others to see their "I AM Presence," then your Light blazes and their Light blazes, My Authority goes into action, and you have a Three-fold Expansion of the Light which like a Gigantic Magnet draws the Light from within the rest of mankind more rapidly! Then, mankind reaches up to the next octave of their own free will; because there has come the Light from within themselves which makes them know the Reality of that Glorious Presence! Once they have seen that, with your command for their Complete Illumination and Obedience to the "I AM Presence," it gives the opportunity to their Higher Mental Bodies to flood forth into the physical octave; pour the Light and register in their feeling world, the Pattern of Itself! That will make them think deeply upon the Presence many, many, many times, until they give It full reign.

I cannot stress too intensely, the tremendous opportunity you have in this conscious understanding of the Law, to give the Cosmic Commands for the Freedom of the rest of mankind. Mankind en masse forms really one individual, they form an Activity of Life like one individual; and when one part gives assistance to another, the whole body is blessed.

Suppose your head aches or your neck hurts, you don't have to say: "hand come here I need some assistance"; your hand when you desire it, automatically gives you all of itself, does it not? All right, if you as a group of unascended beings, seeing the struggle and the suffer-

ing in the rest of mankind, use your Authority of Life and the Great Creative Word "I AM,"—the Most Powerful Word in the Universe, the Most Honorable Name known to mankind, the Full Activity of God—and My Authority over those Life Streams; to command the human veil to stand aside, until the individual sees the Glory of his or her Source, you will open the way for that Glorious "I AM Presence" to give constantly of Itself into outer manifestation.

When the individual is assisted like that, the experience coming from within themselves as they see the "I AM Presence," will remain with them and make them think deeply upon the Reality of Life; and they will not push that aside nor forget It, when you call It forth in the Authority of the Flame of Love from My Heart; for I shall see they do not forget It! I shall register a Memory of that Presence within them which they can never forget, until the Fulness of Its Light like a magnet draws them up and out of all else.

This is a tremendous service you can render to all. Even sometimes with individuals whose creation is vicious, when a sudden experience of that sort comes, are very uncertain about wanting to go on in their vicious activities of the future. When the creation around the individual has become vicious and you suddenly command the human veil to be parted and that one be compelled to see the "I AM Presence" face to face; it can shock the conceit in the outer self, to the point where that one is definitely uncertain about going on with some of the vicious plans.

We are coming to the Cosmic Moment, my dear ones, when this Activity of Life has got to come into the physical octave; in order to awaken mankind with a sudden enough shock, to make them let go of their doubt, their fear and conceit; long enough, to see and realize, that there is something in the atmosphere above them of which

they did not know, and yet which stands and observes what they do. This will have an amazing effect, far beyond what I can tell you tonight. It can bring much reform in a very short time in some people.

It is because mankind has lost the remembrance of that "I AM Presence" that they continue on in vicious activities; which they would not do, were they able to see that Presence before they attempted the fulfillment of some of their plans. This Messenger for a long time has had a private idea in the back of her head. She would like to see a gigantic eye, made visible to vicious individuals before they start their plans and follow them around until they changed their minds.

If you will issue the Decree and command with all the Authority of Life, all the Light in the Universe and My Authority, that the "I AM Presence" shall be revealed to every human being that you contact, so shall it be! Now this is the Power of the Flame of Love from My Heart, with which I clothe you! It can blaze around your physical bodies, until those who approach know very well that there is something about you, which helps them to be better and to stop that which is their problem or distress.

You could on your own responsibility say to your "Mighty I AM Presence" and the "I AM Presence" of the other individual: "Raise Your Swords of Blue Flame! Part the veil of human creation about that individual and compel him or her to see You face to face!" You could do that, but that would seem to you in the outer activity like tremendous effort, especially if the individual's creation were quite vicious; but when you issue the Command in the Name and Authority of that individual's own "I AM Presence" and in the Cosmic Authority of Myself; then the Flame that parts the veil, you know very well comes from Our Octave of Life; and It is not an effort on your own physical selves in this physical octave. That

is the difference in the Power that acts. It releases you from the feeling that—I hope that gets thru that human creation enough, to make them see the “I AM Presence”—and keeps you from wondering if they did see It!

If you leave it up to Me and you issue the Command directly to the “I AM Presence” of the other individual, then you issue it in My Authority; then you know that there will be no question about the experience, for it is no effort at all for Me to part any human creation; because when I say: “It has no power”! the Light blazes thru and it is helpless. It might not be completely dissolved on the moment, but I can say: “Stand aside,” and it is compelled to obey Me.

Therefore, when with sincere determination and your conscious command, you call for an individual to be compelled to see the Presence face to face in My Authority, then I will move into outer action and many will have experiences that they would not like to discuss with others. They would not like to admit that they saw the “I AM Presence,” but they would not be able to help it. It will give them a great deal to think about for a long time which is not viciousness; and it will cause their time and attention to revert ever so often, to that “I AM Presence,” until they understand what It is and feel Its Power change their minds, when they are doing the wrong thing.

Now this has another action and I think you would all love to use it because of the great need in the outer; and that is, when you command individuals to see their “I AM Presence” face to face — part the human creation around them, and compel them to gaze upon their Presence, command at the same time, that the sight of that Presence shall annihilate on the instant, every human desire which drags them into degradation and distress.

When that “I AM Presence” stands before them and flashes Its Light, It can on the moment, thru your calls,

take out of the etheric body, the record of that which has degraded them; and in that way, you will help to remove their destructive desires and habits more quickly.

If you will remember, the Beloved K-17 said that mankind's desires for liquor, tobacco, meat and the other destructive activities would be removed; and that mankind would lose those desires, because all that substance was to be removed from the earth. Now with your command that every individual, good, bad or indifferent, is compelled to gaze upon that "I AM Presence," you will give the Ascended Masters and the "I AM Presence" of those Life Streams, and you will give Me, the opening for My Flame and Authority to move into this physical octave; and do that which more quickly sets you Free; because you have become the Authority to command Light to blaze within the body of mankind and call for its release.

Just as a plant expands, because the Sun's Light is pouring upon it, and as It enables that plant to expand, bloom and bring forth Its Blessings, so does the Flame and Authority from My Life Stream, in Its Greater Light, enfold you in the Power of that Command to free those for whom you call It forth. So, let My Greater Light and Action of the Fire Element enfold you and them; and cause Greater Expansion of the Light within the mass of mankind to bless all more powerfully; and to raise more quickly, those for whom you give that call.

There is a difference in calling forth My Flame for all mankind. I would do that also, as well as individually. This Decree needs to be given specifically for the individual, when certain activities come to your attention; and you wish to help any one rise out of distressing conditions, limitations, problems or struggle of any kind.

I could put you up to some very useful things! (applause) You could call with very great intensity, and I am going to say with My Power and Authority,

directly to the "Mighty I AM Presence" and Higher Mental Bodies of all individuals, especially those who have vicious creations; to part the veil of that human creation and compel those individuals to see their "I AM Presence" face to face—every time they start to do something wrong or against Life's Perfection. That Presence in a flash of Its Blazing Light to an individual, can shock awake that part of consciousness which has refused thru centuries to do what is right!

I am not holding this over the head of anyone as a threat, but if you will call that Activity forth and have a very confidential talk with the "Mighty I AM Presence" and Higher Mental Bodies of vicious individuals; to compel the human veil to be shattered; and compel them to see that "I AM Presence" every time they want to impose viciousness upon Life, I think We will get some very satisfactory results in certain quarters; that may I say, need something very drastic, to shut off some of their planned destruction; and while this is quite drastic upon the human creation, yet It is very good for the Life Stream, the Nation and the Light!

Your "I AM Presence" and the "I AM Presence" of every one has ALL POWER to stand any one's human creation aside and compel that person to gaze upon the Light face to face! The Presence has that Power to compel the outer self to gaze upon its human creation also; and since "I AM" the Authority over all Life Streams, I too have the Power over that human veil and human creation to say: "Stand aside, the Light reveals the Source of Being," and all has to obey Me.

You might say: "Well why don't you consume it right there and help them all out?" I would very gladly, if the individual's stubbornness and conceit were removed at the same time; but if they will not learn the lesson thru suffering and give obedience to the "I AM Presence," then they must stay within the limitations of their own

creations; until the stubbornness dies and conceit is dissolved from their feeling world forever!

I shall appreciate deeply, my dear ones, your calls in that Decree: "Oh God! have Mercy on all mankind, and STOP (3) all their mistakes today and forever"! I would deeply appreciate your giving that in every Decree Group! Every time you hold any Group in the beginning of the meeting, let this Decree go forth from your hearts with the most intense feeling you can command! Of course in your private work, you can call it forth for yourselves and ask that your own mistakes be stopped also! That is a Decree which is very much needed thruout the world, so I am depending on you to start a Momentum of Its Special Activity. It has already been given in Chicago, in Santa Fe and in several other cities of the world.

I would be very grateful, if you will increase that Momentum and let it build, and build to the point, where the call from within the hearts of the mass of mankind of this earth, to the Heart of Creation, for Mercy and the stopping of all mistakes—will release such an Intense Light into the Next Octave, from this physical world, that the Cosmic Light can answer you beyond your fondest dreams.

I would definitely use that with the thought in mind, of preventing all communistic activities in America from coming into action. You can vary that Decree in several ways. You can say: "Oh God! have Mercy on America, and STOP (3) all communism forever within her borders, in, thru, around or driven against her." It can be applied to any particular thing in hand, or you can say: "Oh God! have Mercy on all mankind and STOP (3) all communism from the earth forever! Stop all poverty! Stop all disease! Stop everything that is not of the Light"!

My dear ones, remember you are Life and when that desire within you for the Mercy of Life to go out to the

rest of Life; to stop the mistakes of the past in order that the Light may REIGN SUPREME, Life will answer you; for within that Call is the energy that is its fulfillment; and your call will draw the Quality of Mercy back to the earth from those Ascended Beings who govern Its Quality here. You could not possibly ask for Mercy and not receive It! You could not possibly ask your "I AM Presence" and the Ascended Host, to help you stop making mistakes, and not have Their Assistance on the instant; and if that cry goes forth from your hearts in that Decree with intensity enough, you will find the Heavens opening and the Light Blazing to the Freedom of your Nation!

You cannot call to the Source of all Love, all Mercy and all Forgiveness with deep sincerity and determination; to STOP your own mistakes and help others to STOP theirs; and not receive your answer! You cannot send that call to Life and not have Life answer! That is why you have been told: "Call unto Me and I will answer"! What do you think that Statement means, if your Decrees are not to be fulfilled on the instant!

That, my dear ones, is the cry which goes up from those in the Compound, before they are released. They are never taken out of there, until that cry does go forth with all the feeling of their Being, from the heart! When it does go forth, then Life sets them Free and goes into action, to help undo the mistakes and replace them by Eternal Perfection. I think It is the Most Worthy Goal for which to live.

My beloved ones, as you move in the outer world of conditions today, and continually call from within your hearts to the Heart of Creation; to the Heart of every human being on earth; to the Hearts of the Ascended Masters and Cosmic Beings; and to the Heart of your Physical Sun: "Oh God! have Mercy on all mankind and STOP (3) their mistakes forever," my dear ones, you will draw a Power of Light second to none! That is

Service to Life! That is the Flame of Cosmic Mercy to the earth; and It is the Open Door thru which We can go into outer action much more quickly!

Give these two calls! Compel the human veil of human creation to stand aside! Compel the individual to see the "I AM Presence" face to face, and thereafter give the Obedience that enables Perfection to come forth and Freedom to be maintained! Call My Cosmic Authority and Cosmic Love into action on that Decree; and you shall see things take place, that I am sure will delight you greatly! It is but a matter of staying with It and sending It forth with such fierce determination, that nothing can resist your calls. The answers will come more and more rapidly, until the manifestation and the spoken word are almost simultaneous.

This is One of the Powers of the Flame of Love in My Heart! We have only shown you one tonight! As I visit you from time to time, I shall let you see Others that are within the Flame in My Heart. Have you ever thought of speaking to the Heart of your "I AM Presence" and asking It to give you certain things? Do you know, as you hear these four lines and as you build a Momentum of it, Oh what quick answers will come from your "I AM Presence"?

In great devotion and Love you can say to your Presence:

"OPEN YOUR HEART and speak to me!
OPEN YOUR HEART and make me see!
OPEN YOUR HEART and set me Free!
OPEN YOUR HEART and make me ALL
Your Victory!"

When you gaze into the Heart of your "I AM Presence," my dear ones, all Knowledge is there, all Power of Love, all Blessings, all Peace and all Protection. You have been gazing upon the outer world and have drawn what is there back into yourselves! I challenge you to

gaze upon the Heart of your Presence and call forth from there that which is the Fulfillment of your Divine Plan; and see the Miracles, the Powers, the Marvels and the Wonders, that will flow to you and make your outer activities, the Heart of your Presence in action.

May I ask you, tonight, to contemplate all that means and to feel the Flame from My Heart enfold you, and give you the Power to issue these Decrees for the Freedom of every Life Stream that comes to your attention? If you will help render this Service to Life, I will show you what Mercy and Love to Life, will draw into your world and the Blessings that will remain for Eternity.

ARISE! FEEL AND BE the Authority of the Flame of Love from My Heart and love Life as I have loved you! Be concerned only with the revealing of the "I AM Presence" and the Powers of Light that set Life free forever, from all that is of human creation! All that is of human qualities must one day give way and it has to give way instantly, when you use the Authority of the Flame of My Heart.

So I leave you, tonight, to call to the Heart of your "I AM Presence" to speak to you and set you Free as Its Mighty Victory. I leave you clothed in the Victory of the Flame of Love from My Heart; and that Victory is the Cosmic Flame of Cosmic Forgiveness; the Cosmic Flame of Cosmic Mercy and Love indescribable; but Visible and Tangible instantly at your call! Let us call for the Redemption of the world by the Cosmic Flame of Cosmic Love and Mercy; and the command that individuals are compelled to gaze upon their "I AM Presence" face to face; and thereafter know they must obey and BE the Fulfillment of the Law.

I thank you, beloved ones of Denver, for the Light you have drawn here! I bless the Ascended Master Youth for their Love and their continual Out-pouring of kindness to your Beloved Minnie. I ask every Blessing

and Power of Protection upon your "I AM" Ascended Master Youth Miracle Conclave; and may It be such an Out-pouring of Love, Blessings and Perfection that when I come again, I may reveal other Things that are in the Flame of Love in My Heart.

If you will co-operate, every one here with each other, in this which I have asked tonight, you will know what Love to the Light and Obedience to Our Requests means; in the Release of Cosmic Power for the protection of your city; your Nation and all that is of the Light; and for those precious ones who are in the National Defense; those you hold near and dear! For their sake alone, my dear ones, let there not be one breath of resistance between you; but with a great firm determination to stand shoulder to shoulder, let the Light from the "Mighty I AM Presence" blaze and protect those blessed ones, until they stand forth Victorious and Free!

In the Cosmic Power and Authority which "I AM" to the earth; in the Mighty Love of My Heart which I offer for your acceptance; in the Mighty Power and Authority of your own "Mighty I AM Presence" and that of all mankind, I ask tonight, the Mightiest Blessings from the Heart of Creation; the Mightiest Powers and Gifts of Infinity; the Mightiest Love and Enfolding Presence of the Sacred Fire that none can put out; and the "Light of God that never fails," to enfold you in My Cosmic Authority and Power and give you this for which I have called tonight! It is your Scepter of Power, to part the human veil and let one Life Stream after another, gaze upon that "I AM Presence" face to face; bring forth Its Memory into the outer Life; and go forward to serve the Constructive Pathway unto the Ascension!

YOU ARE BRAVE DEFENDERS OF THE LIGHT! STAND AS A SOLID BLAZING "CRYSTAL CUP OF LIGHT" TO THIS CITY, AND POWER UNBELIEVABLE SHALL BE YOURS TO

WIELD! IF SOMETIMES, THE STRUGGLE SEEMS HEAVIER THAN YOU CAN BEAR, CALL TO THE MIGHTY HERCULES FOR ALL THE STRENGTH, POWER AND COURAGE REQUIRED, TO DO THIS THING AND DO IT WELL TO THE VICTORY AND FREEDOM OF LIFE—ALL LIFE IN AMERICA! AND THEN THE WORLD!

Saint Germain's Glorious Fulfillment of the Divine Plan shall be made manifest thru you, whom He has loved for centuries and brought to this point; that America might have your assistance and be protected against that which is not of the Light.

In the Authority and Power of the Love of My Heart, I clothe you in the Mantle of My Cosmic Love, Mercy and Forgiveness of all that is human unto the end! May the Cosmic Power to reveal the "Mighty I AM Presence" of each one, come forth and clothe you, that you may assist Life and set Free all everywhere you move; until all is compelled into the Perfection of the Divine Plan Fulfilled and It blazes everywhere in this physical world to compel the Release of all Life from all human qualities forever!

I thank you, I love you, I bless you and still I say: "I hold you sealed within the Flame of Love from My Heart and My Cosmic Authority shall help to guard you, whenever you make the call."

I thank you.
