

# "I AM" COSMIC CHRISTMAS

HE Cosmic Star of Victory, Love and Peace  
Has risen high within the atmosphere of earth,  
Its Glorious Flame shall never never cease  
For this world must be clothed in Light, Its  
Cosmic Birth!

Beloved Jesus' Blessed Dove of Peace

Comes as His Messenger from Cosmic Realms above!  
And Precious Mary makes all distress cease,  
As She sends down to all Her Cosmic Flame of Love!

Enclosing all the earth in Peace forevermore  
Unto this Trinity of Light all bow  
And for Eternity Love, Praise, Bless and adore.
