

BELOVED ELOHIM OF PURITY'S DISCOURSE

CHICAGO, ILLINOIS

JANUARY 7, 1945

BELOVED Bearers of the Light, in coming into the atmosphere of earth tonight, I come on a Pathway of Blue Lightning that cuts thru the substance of the atmosphere in which you move; and "I AM" releasing in and around each of you, an Established Focus of the Blue Lightning which I represent, of that Cosmic Purity which tolerates naught but the Perfection of the Light. That can be established, thru your call, around every individual to whom you wish Me to direct It.

Great Assistance is being given the People of the Light on the earth. Great Assistance must be given the earth, to undo the damage of the beasts of destruction. Therefore, I come in the Authority of the Blue Lightning from the Great Central Sun, whose Purifying Power none can, none ever dare to think of opposing; because in One Flash of the Blue Lightning of Cosmic Purity, that which has been of the human is annihilated for Eternity.

If you wish to call into action around your loved ones and those who move in the outer world's destruction, the Cosmic Blue Lightning of My Cosmic Purity, so shall It act for you. PURITY MUST COME UPON THE EARTH! The Purity of the Blue Lightning which I direct must come within America, and It can come in and around each one of you at your conscious call. FEEL Its Blazing Lightning around you, shattering for Eternity every limitation that has bound you thru the centuries; for the Cosmic Blue Lightning of Cosmic Purity is an Action of that Divine Love from the Great Central Sun to which your Beloved Mighty Saint Germain was referring this afternoon.

To an Onrush of Cosmic Light, and once in a while the Light Rays, there seems to be at certain places, such density of human discord, that it takes some time to penetrate thru that substance and consume it! Not so with My Blue Lightning of Cosmic Purity! There is no obstruction to that! It can flash thru anything in a second and the human discord be no more on the instant.

When you are dealing with vicious conditions, my dear ones, you must have an Action of the Blue Lightning! Mankind has moved so long in the discord of their own condensed energy, because that is all discord is—their own Life's Energy condensed and qualified with discord; until it has become in some condi-

tions harder than steel, but it is no obstruction to My Blue Lightning of Cosmic Purity! I want you to know that for your encouragement tonight; for if you will call It forth, It shall flash here and flash there to the annihilation of every order on the planet to continue destruction!

The Patience of Life has been Infinite in the tolerating of mankind's frightful misuse of Life's Divinest Gift—ENERGY—which no thing human can create. That which persists in using the Energy of the Universe for destructive purposes, must one day meet the Authority of all Creation, which produced that energy and answer to the Cosmic Law for the generation of discord; and the Authority of God's Purity answers by complete annihilation of all unlike Itself.

At your conscious call, my loved ones, for the Blue Lightning of My Cosmic Purity, to drive into any destructive condition and blast it from creation, shall I stand there and direct It; until everything human is annihilated from the memory of Life! Hesitate not to command My Blue Lightning of Cosmic Purity to drive thru the brains and the feelings of individuals; and blast their vicious creations, until they are annihilated from the Universe, and give no quarter to anything human ever again.

When you want Purity enough, "I AM" there and the Blue Lightning is yours to command which releases My Cosmic Purity of all creation. The outer world activities cannot be sustained longer, unless My Blue Lightning of Cosmic Purity flashes thru the destructive creations and annihilates them; so that which is of the Light may continue and the Divine Plan bring in the Permanent Golden Age to the world.

The Blue Lightning of My Cosmic Purity has got to drive thru human creation and annihilate it before anything constructive can be permanently established upon the earth. Therefore, you need to thoroughly understand the Cosmic Action of the Blue Lightning of Cosmic Purity; and hesitate not to call It into action wherever there is defiance from any human creation, against the Authority of Life or the Divine Rights of Free Men, to remain upon the earth as the governing Authority of Life here.

Purify your human creations, by the call for My Cosmic Blue Lightning of Cosmic Purity; and you shall see your limitations drop away from you one after another like old garments; and you will wonder why you have not done it sooner. Once you feel the Freedom and the release from those age old feelings and pressure of human discord, will you know then, the Power of God's Heart. Then will you know and feel and want to be the

Cosmic Action of that Divine Love which transcends every human concept.

Divine Love in Its Cosmic Action can be tremendously dynamic; and Purity, my dear ones, is the Corner Stone of the Universe. Pure as the Heart of the Central Sun must you some day become! Forget not this night! My dear beloved ones, you have within this call, tonight, the Way and Means of calling into action that which will undo the damage of the war beasts in the blood stream of mankind, when they have loaded the bodies of the people with the poison of human creation. You may stand the Master Presence of Light and call My Cosmic Blue Lightning of Cosmic Purity into their blood streams and into every cell of their bodies, to the complete annihilation of all that the war beasts have attempted. (applause—audience rising)

Thank you, precious ones, for that call from your Hearts—for the Purity of Life, and I shall not forget that outburst of Love and Gratitude from you. It shall come back to you with My Garment of Cosmic Purity! I shall remember you and stand beside you, until you are Its Cosmic Glory. Thank you, won't you be seated?

Do you remember your Beloved Saint Germain saying to you, that: "Energy becomes Power thru use"? The Substance of the Cosmic Light is one Intensity of Purity! The Cosmic Flame of Cosmic Purity comes from the Heart of the Great Central Sun, and the Blue Lightning of Cosmic Purity is the concentrated terrific Power of that Flame with such Pressure behind It, that no human thing can stand against it and time is not, to the Flash of Blue Lightning of Cosmic Purity!

In the use of the Blue Lightning of various Qualities, time is not; because the flash can go thruout creation on the instant! The scientists might not agree with Me, but that is immaterial. They do not know what they are talking about, any more than an infant child, when they cognize these Infinite Powers of Creation! They do not believe that which they cannot see, and naturally therefore, It does not give to them Its knowledge. Yet they are seeing the Divinest thing in the Universe, Life's Manifestation, and yet they do not know anything about It. True, they do not know much about Cosmic Manifestations, but one day My Cosmic Blue Lightning of Purity, Cosmic Purity, shall blaze thru their brains and they shall learn first hand from Me.

There is not a thing in the Universe which can be hurt by the Cosmic Blue Lightning of Cosmic Purity, except human impurity, so you are perfectly safe! I have existed a long time and "I

AM" Its concentrated Force within My Cosmic Body. So fear not to use It!

It makes the Hearts of the Ascended Masters, the Cosmic Beings and the Angelic Host rejoice, when They see this many people who want to hear the Explanation of the Law, that they may better their conditions and help the rest of their fellow-men. You are the advance Guard, my loved ones, of the Light Bearers of the Planet. Purity in Its Cosmic Blue Lightning can be your Scepter of Dominion, over every force that ever came on to this earth of human qualities.

Of course destructive forces fear Me and why should they not? They have no right to exist in the Universe, hence they fear their end, which they know some day must come! Since "I AM" the Focus of that Blue Lightning of Cosmic Purity from the Great Central Sun to the earth, destructive forces must meet me sometime and be no more after that!

If you care to try out My Blue Lightning of Cosmic Purity on your own limitations, I think you will be delighted. I will help you! (applause—audience rising) Thank you! I bless you forever and that shall be qualified with My Cosmic Blue Lightning of Cosmic Purity and such Love, as you do not yet know! It shall come back to you wave after wave of It, to lift you unto the Heights, and I shall not leave you, until you are in My Octave of Light. (applause) Thank you beloved ones.

With My Love I enfold you! With My Cosmic Blue Lightning of Cosmic Purity I armor you! I give you the Scepter of your own Dominion in My Luminous Presence, to stand beside you, when you want the Blue Lightning of Cosmic Purity to annihilate anything human, until you are Ascended and Free. We do not forget your faithful service over these months past, for that which is of the Light to take Its Dominion in the world. We stand by you, My loved ones, until you are the Purity and Perfection of Eternal Freedom! I thank you and My Love shall seek you out and give you Its ALL unto your Ascension! Thank you, won't you be seated?

If you send a call to Me and say: "Beloved Mighty Elohim of Cosmic Purity! COME! COME! COME! Reign Supreme with Full Power and descend now into this condition, abide and hold Dominion forever," and go on with the rest of that Decree as you have been doing, I shall come and you shall see what My Presence and My Blue Lightning of Cosmic Purity can do for you; and for the conditions into which you invite Me to Reign Supreme!

In the Gigantic Task which your Mighty Saint Germain, under the Action of the Cosmic Law, has before Him, I stand beside Him, in His cleansing the earth, as does also the Goddess of Purity and all the Others who represent Purity to the earth; and with your calls to Me, My beloved ones, you can move forward the Legions of the Cosmic Blue Lightning of Cosmic Purity, with Cosmic Friends to assist you; in that call which will forever reveal to mankind the Authority that is yours in your Service to the Light.

Since the Goddess of Purity was recalled to the earth by the Free Will of unascended beings, under the Action of the Cosmic Law, I come at your call to command and to compel Purity in the Blue Lightning which I direct to manifest everywhere at your command; and since Purity is that which is most needed to re-establish Balance upon the earth, then let Us move forward Cosmic Legions of the Invincible Purity of the Blue Lightning which I direct; and I shall see that evil dies at your approach; and that Legions of Light shall come to your assistance, when you little expect it!

Pure as the Heart of the Great Central Sun must the substance of earth and the bodies of mankind become! Pure as the Blazing Presence of your Physical Sun must the atmosphere become, and it is My Cosmic Task to help your Mighty Saint Germain bring that condition upon the earth, which returns it to its Heavenly Estate that was its Original condition!

Saint Germain and I, the Goddess of Purity and the Legions of Purity must do Our Work before Peace can come permanently! You can have no Peace with impurity, My dear ones! Do you have Peace in your bodies when there is impurity? Certainly not! Therefore, **REPLACE YOUR HUMAN PROBLEMS AND HUMAN QUALITIES BY A CALL FOR MY VISIBLE, TANGIBLE LUMINOUS PRESENCE AND MY BLUE LIGHTNING OF COSMIC PURITY**; and you shall see conditions change as if by magic. You shall begin to realize what Cosmic Power means when called forth consciously, by those who understand the Great Command in the use of the Words "I AM."

Cosmic Purity must come into the individual, and be anchored permanently in and around each Life Stream, before the Victory of the Divine Plan fulfilled can be attained; and remember all Purity comes from above! My Cosmic Blue Lightning of Cosmic Purity can drive every destructive force into the Consuming Flame and annihilate it before it can longer act!

I want you to feel that the Great Cosmic Beings, thru your

calls, can release Gigantic Cosmic Manifestations, of which mankind has never heard, and the Blue Lightning of My Cosmic Purity is One of them! You will find very much quicker fulfillment of your calls, as you use these Decrees for the release of My Cosmic Blue Lightning of Cosmic Purity, to go into a condition and annihilate it completely, before you even attempt to enter physically. Send the Blue Lightning of My Cosmic Purity ahead of you, and you shall breathe the atmosphere of Peace and Perfection wherever you will!

If you wish Assistance, My dear ones, in the conditions of your bodies that you have all been struggling under recently, call My Blue Lightning of Cosmic Purity into every cell of your bodies and compel the annihilation of all substance that distresses you. "I AM" willing to give It! Insist on Its Manifestation thru you, and you shall have release and relief from the pressure of mankind's discord about you!

I say to the beloved ones in the business world; call My Blue Lightning of Cosmic Purity into conditions of selfishness and immorality; and We shall move forward hand in hand and cleanse the earth of that which is almost sinking it in the darkness of destruction. Call My Cosmic Blue Lightning of Purity into action around the Younger Generation, to blast from the Universe everything that wants to hold their attention upon impurity; or impose upon them anything else than the Perfection of their Higher Mental Bodies. They shall have help! (applause—audience rising)

Thank you beloved ones. I armor you thru that Love with My Cosmic Blue Lightning of Cosmic Purity, and from this night shall you feel It, until you are the Fulness of Its Glory forever. Won't you be seated?

With your calls to Me and to the Great Central Sun for the release of this Blue Lightning of Cosmic Purity which I direct, I shall walk the earth! The destructive forces shall see Me and know their end has come. (applause—audience rising)

Thank you My beloved ones! I anchor that, tonight, within your Beloved America for her Purification and her Freedom, from that which is not the Purity of Life; and as we move forward together, the destructive forces when they see Me and feel that Blue Lightning, know their end has come! This night, I give you the Key to the Freedom of your Nation, as you call to Me for that Cosmic Blue Lightning of Cosmic Purity, to strike into every beast of selfishness within your borders and end forever its existence. (applause)

I thank you precious ones. That Love you have released and your Gratitude is your Open Door to Freedom, and I shall stand by, until you are Free from all but the Perfection of Life. Thank you, won't you be seated please?

Keep up your calls in the acknowledgment of the release of all the Dispensations from the Great Central Sun required, to set yourselves, your Nation and the world Free from that which is of human discord; and you shall be answered! Life is not to be mocked by the destructive forces. They are not Eternal, thank Heaven, but "I AM"; and all that is Eternal Purity, is Authority everywhere forever!

My Heart's Gratitude to you, tonight, is very great and My Love shall be your Mantle of Protection and shall lift you above the distress of mankind's unfortunate creation. Your Love and your determination to face the Light and continue to call It forth, shall now bring to you the Assistance of My Cosmic Purity; and in that Blue Lightning of Cosmic Purity, is the Release from every limitation that has ever beset you! You might just as well be Free from this hour henceforth, as you remember Me and accept Me and accept the use of this Blue Lightning of My Cosmic Purity.

The Mighty Cyclopea in the Glorious Service He has rendered to the earth thru so many centuries, appreciates your Love and attention to Him thru the song you have sung the last few days; and you will find a certain Action of the Blue Lightning went forth on that, which you all felt the other day. I accept that with Him and may It continue to amplify; until It has spread over your America a network of Blue Lightning that keeps annihilated any further expansion of the destructive activities, until they are seized and removed from the earth forever; and taken to the Compound for purification.

Call My Blue Lightning of Cosmic Purity into every labor dispute, into every channel of your government; into every activity of your transportation, communication and supply of the necessities of Life to your people! Call My Cosmic Blue Lightning of Purity into the brains and bodies of all with whom you are dealing; into every regulation that is imposed upon you in the outer world, and evil shall die before it lives. It sounds peculiar, doesn't it, but evil planned can be prevented from focusing into action.

My dear ones, you have Cosmic Friends who love you very dearly, because We have waited so long for a group of mankind to prove their strength to stand with and for the Light, until Its

Intensity could come forth to a certain point through them ; and since some of you are nearing that point of manifestation, I come to assist you in every way possible, to more quickly enter the use of those Master Powers of Life, which shall compel the world's respect and Obedience to the Law in the future.

You, as the Vanguard of Light, must be the Purity of Light! Then, you have a right to face all that is Greater than yourselves and ask for what you will and It shall be granted ; and your Beloved Saint Germain deserves every possible assistance that you can give Him. (applause—audience rising) Thank you, beloved ones. There never has been such a day as this. Never have you lived in any embodiment thru such a day as this! It shall be remembered for Eternity in the Cosmic Akashic Records, when one day, you will be shown the Light that has gone forth from this group this day, because of your attention upon Us while these Words have been spoken.

Thank you, beloved ones, and may I ask that you retire as early as comfortably possible tonight, and remember tomorrow night is the eighth day at the Royal Teton, where your Mighty Cyclopea has been directing those Cosmic Light Rays into the destructive conditions of the world, to remove them more quickly ; and for the next twenty-four hours, will you give Us as much acceptance and call as possible ; and in that I shall feel and make you feel, the Great Relaxation which Purity always brings. May you rest within the Flame of My Heart and feel the Peace which "I AM" to Life!

Thank you, beloved ones, won't you be seated? You are greatly privileged, My dear ones, to be a part of the Victory of Light to this earth in this transition period ; this cleansing hour when in the direction of the Blue Lightning from the Great Central Sun, in the various Activities for which you call, there comes the Release of all Assistance to the earth which brings her Eternal Freedom.

Now, "I AM" just giving you another Reminder, that "I AM" sure the Mighty Victory will deeply appreciate. If you will call forth the Blue Lightning of His Cosmic Victory, you will see the Fulfillment of your Decrees take on a speed of action, that will be of great assistance to Us and to all ; because you can have the Blue Lightning Activities in any Cosmic Quality, then time is not! —when it comes to the manifestation for which you call.

Continue your calls, until your momentum reaches a certain point and nothing in all creation can prevent the manifestation coming forth to fulfill your calls! So with the Cosmic Gratitude

of My Heart, with a Love that never leaves you, and with the Cosmic Blue Lightning of My Cosmic Purity, I enfold you in the Mighty Blessing of the Seven-fold Flame of Cosmic Purity! The Six Other Elohim join Me in pouring to you everything at Their Command, for Their Assistance to your Freedom and the cleansing of your Nation from all that has almost engulfed her.

Maintain your very definite positive stand against all that is of human qualities, and the Blue Lightning of Cosmic Purity shall flash before you and shatter at your approach, that which is of human obstruction; and from now on, live in the acceptance of that Cosmic Action and Feeling of Our Love enfolding you to your Mighty Victory!

I thank you for all Eternity for this day, and all your Life Streams have meant to the earth in the cleansing and purifying of your Nation, to bring Saint Germain's Freedom to a world in the shadows, when it should be in the Blazing Sunshine of His Cosmic Freedom and Our Love forever!

I thank you and hold you in My Heart, until your Victory is COMPLETE.

GEMS OF LIGHT

SAINT GERMAIN

Many times, if we yields to the human request, you deprive an individual of the opportunity to stand on their own two feet and win the Victory. Everyone has to do it, and the sooner they know that, the better it is for them.

SAINT GERMAIN

In the world of the "I AM" Consciousness, individual work has ceased to be a memory in their world, but everything is just a joyous service for the Freedom of the Light.
