

"I AM"! GOD'S COSMIC FREEDOM

GUARDIAN of old! Great Washington come!
Bless all Our Land! Light's Glory has won!
Freedom shall live and tyranny shall die!
Victory shall REIGN and poverty pass by!

Harmony shall sing and all else now cease!
Obedience shall rule and give Full Release!
Music shall sound and honor awake!
Mercy shall flood—dissolve each mistake!
Power shall surge and all Love reveal!
All strength shall flow in Courage—like steel!
Wisdom shall blaze and all now control!
God's Unfed Flame shall Cosmic Peace hold!
"I AM"! in all. The Flame does command!
"I AM"! Light's Power thruout this Our Land!
"I AM"! THE WORD—the Voice of God's Heart!
"I AM"! God's Plan—Make all else depart!
Come forth Thyself—Forgiveness compel!
Blaze Cosmic Light! Ring Liberty's Bell!
Manifest NOW! Thy Miracles pour thru!
Thy Presence here is Protection too!
