

## "I AM" GOD'S HEART OF EASTER LOVE!

BEST JESUS' Heart of Cosmic Love,  
Is standing ever near—  
"I AM" Its Living Pulsing Flame,  
That floods all dwelling here:  
It stands above, around, beneath,  
And guards all in this world,  
I hear Him speak His Cosmic Help  
To Freedom's Flag unfurled!

"This Easter Day, as All above  
Stand watching those on earth,  
I pour My Light and Love again,  
To stop mankind's rebirth;  
And in its place release God's Way,  
For those who come and go,  
That they may enter in and live  
As Masters here below!

'I AM' the Resurrection's Power  
O'er all that is not Light;  
The Christ in man must now ascend  
By God's Victorious Might!  
But only thru the Heart of Love,  
Can mankind come on high  
And thus I stand—Christ—blessing all,  
As thousands hurry by!

Watch! when they see My Heart of Flame,  
They pause and wonder why,  
They had not felt It there before  
To silence every sigh:  
They feel Me now, because I stand  
And hold the 'Open Door,'  
For each blest one to enter in  
To peace forevermore!

'I AM' the Way, the Life, the Truth  
That all are seeking now!  
'I AM' expanding Light and Love  
Fulfilling each one's vow—  
To master all upon this earth  
And in God's Light ascend,  
To dwell in Greater Spheres of Life—  
Perfection without end!

'I AM' the Great Creative Word,  
I came to give God's Love,  
My Light expands beyond all worlds,  
My Presence stands above!  
So look within the Light 'I AM,'  
And you can truly see  
My Presence Bright illumining all—  
Where 'I AM,' ye may be!

'I AM' the Prince of Peace come now,  
To reign forevermore,  
To heal each one, to bless and raise,  
To free, praise and adore,  
That Presence Bright—the Great 'I AM,'  
God's Cosmic Life in all  
'I AM' God's Cosmic Heart of Love—  
Come! answer now My Call!

'I AM'! 'I AM'! 'I AM'! All Light  
Abiding everywhere!  
'I AM'! 'I AM'! 'I AM'! the Christ  
God's Love beyond compare!  
'I AM'! 'I AM'! 'I AM'! God's Hand  
Now healing all I see!  
'I AM'! 'I AM'! 'I AM'! come thru!  
Right NOW! Behold ye Me”!
