

"I AM" GOD'S GUEST

"I AM" God's Guest where'er I go,
On land or sea, or in the sky,
For all that we can ever know,
Comes forth thru Love from God On High.

AM" God's Guest at every meal,
Where'er I live or just abide,
God's Presence here I always feel,
I see my Presence by my side!

In storm or calm, I must behold,
The Source "I AM" and know Its Love,
For then I too, God's Plan unfold,
And hear God's Words come from above!

In all I see now everywhere,
I know God's Life flows thru us all,
For God's Love lightens every care,
As I feel God in each heart's Call!

"I AM" God's Guest in God's Great Home,
The Realm of Light and God-Supply;
And now within Its Flame I come,
Then all not Love must stop and die!

"I AM" God's Guest until I come
Within My "I AM Presence" Heart,
And then "I AM" God's own True Son,
A Sun of Love no more apart!

"I AM" at last God's Great True Self!
"I AM" God's Life—God's Perfect Peace!
"I AM" for all, God's Instant Help!
"I AM" God's All—God's Full Release!

"I AM" God's Hand and Mighty Power!
"I AM" God's Gifts now flowing thru!
"I AM" God's Health and Healing Flame!
"I AM" God giving all to you!

"I AM" God's Wonders all must see!
"I AM" Precipitation here!
"I AM" God's Wealth which flows thru me!
"I AM" within all I hold dear!

"I AM" God's Mighty Vict'ry come!
"I AM" Ascending in God's Flame!
"I AM" God's Freedom Truly won!
"I AM" Protection in God's Name!

"I AM" in all God's Mighty Life!
"I AM" the Self in all Supreme!
"I AM" above all human strife!
"I AM" all Light's Expanding Stream!

As Guests of God we tread this world,
As Sons and Daughters really should,
Revealing always God—"I AM",
And doing only as God would!

The Universe belongs to God,
The Universe is yours and mine,
So we must love, and never plod,
But now reveal—the Self Divine!

God's Love and Light must thru us blaze!
As we once more know 'our Great Source,
Then everywhere we go we raise,
For "I AM" All God's Cosmic Force!
