

" I AM" JESUS' CHRISTMAS LIGHT

Jesus, Beloved, come now abide here,
Accept too our Love as Thou dost appear!
Releasing Thy Flame thru each human heart,
Illumine us all—God's Presence Thou art!

Ever at Christmas, Thy Light blazes thru,
Blessing our planet and all mankind too,
With Thy Mighty Pow'r, Thy Wisdom and Love
Enfolding us all in Thy Light from above!

Great Cosmic Presence, Blest Jesus—"I AM"—
Flame of God's Heart in Eternal Command,
Take Thy Dominion thru all upon earth
Make each one realize, Light's Cosmic worth!

Jesus, Beloved, God's Great Healing Flame,
Heal all the nations in God's Holy Name!
Purify all here, make selfishness cease!
Flood over the earth Truth's Cosmic Release!

Ever This Presence in Mercy forgives,
Within everyone Thy Freedom too lives;
That all may behold, look up and obey,
Arise and now see Thy Great Cosmic Ray!

Great Cosmic Master, compel all to know,
Thy Mighty Victory o'er all here below,
Behold and become the Mighty " AM"!
And speak God's Great Name in Cosmic Command!

Jesus, Beloved, raise us to Thy Height,
Clothe us and seal us in Thy Armor Bright,
Ever and ever in Thy Heart we dwell,
Knowing Thy Secrets that no man can tell!

Mastery and Thy Heart are evermore One,
Raise us Ascended when our journey's done!
Love without measure, we give unto Thee,
Jesus, Beloved, all Life shall bless Thee!
