

THE "ALL-LUMINOUS I AM PRESENCE"

"God's Luminous I AM Presence,"
The Light of Eternity's Flame,
"I AM Thy Path of Perfection,
Thy Voice is the Pow'r of God's Name!
Thy Heart is Love's Joy Commanding,
Fulfilling God's Great Cosmic Plan,
Thy Wisdom in Cosmic Action
Directs All Protection at hand!

"My Luminous I AM Presence"
Speaks thru me God's Great Words of Light,
Raising all into Its Glory—
Its Vict'ry, in Full Cosmic Might!
Its Powers flow thru releasing
Its Gifts and Its Blessings of Love,
God's Word brings Miracles of Healing
As I feel My Presence above!

"All Luminous I AM Presence,"
From the Great Central Sun—God's Heart,
Each one's Perfection of Being,
God's Flame that can never depart.
Come thru and take Thy Dominion,
Clothe me in Thy Great Blazing Self,
And thru each breath and each Heart-beat,
Flood Earth with Thy Great Cosmic Help!

"Great Luminous I AM Presence"
Of Music from Harmony's Realm,
Heal all thru me by Thy Music—
Let Thy Hand all else overwhelm!
Thou art God's Life—All Victorious,
All Freedom must come now from Thee,
Purity's Flame all-absorbing
Compels all mankind here to see!

“Love’s Luminous I AM Presence,”
Must ever enfold all on Earth,
To raise and bless in God’s Glory—
Eternal as Light’s Cosmic Worth!
Thy Sacred Fire of Ages,
Now holds Full Command in this World,
Justice and Balance compelling
As Freedom’s Own Flag is unfurled!

“Joy’s Luminous I AM Presence,”
Gives Wealth from God’s Own Blessed Hands,
Perfection’s Flame all-possessing,
The Unfed Flame, ’round each one stands,
Like a Thousand Suns It blazes
Its Love, Its Wisdom, Its Power—
It is each one’s “I AM Presence,”
Behold It—Thyself—every hour!
