**“All-Powerful I AM Presence,”**

Of Victory's Light Supreme!  
Come forth and clothe us with Thy Flame,  
At One with Thy Life Stream—  
Love now All-Commanding,  
And Freedom without end,  
Bring God's Great Victory All-Divine,  
Come now! Our all defend!

**“All-Powerful I AM Presence,”**

Thy Secrets to us give,  
And flood Thy Light to all we love,  
Protection to them give!  
Come! raise Thy Hand! give Full Release!  
Compel mankind to see!  
The Glory of Thy Shining Self!  
Which each one now can be!

**“All-Powerful I AM Presence,”**

We call the Elohim,  
To clothe us in Their Flames of Peace,  
Consume all mankind's din:  
For now we rise to Mastery,  
By Thy Great Great God Flame,  
As Victors now we speak the Word,  
Revealing Thy Great Name!

**“All-Powerful I AM Presence,”**

For aeons Thou hast called,  
All mankind home into Thy Realm,  
They are with Light enthralled!  
Thy ever loving Heart of Gold,  
Thy Great Victorious Hand,  
Does now reveal Thy Cosmic Wealth  
Thy Substance we command!

**“All-Powerful I AM Presence,”**

Come blaze Thyself clear thru,  
Let each one just Thyself now be,  
No longer are there two;  
For now the outer self must cease,  
And there be only Thee,  
So as we enter Thy Great Flame,  
We are Victorious! Free!

"All-Powerful I AM Presence,"  
Speak thru us Thy Great Word,  
Still every human sound on Earth,  
So just Thy Voice is heard!  
Come! Raise us now into Thy Heart,  
Reveal all Secrets there;  
Come! make Thy Light and Power now,  
Control all everywhere!

"All-Powerful I AM Presence,"  
Mankind must see Thee now!  
All must obey Thy Cosmic Law,  
All shall before Thee bow!  
All must awake to Thy New Day,  
All must now enter in,  
To Thy Great Cosmic Plan for all,  
And know the Elohim!

"All-Powerful I AM Presence,"  
We seek Thy Flame and call!  
Command Thy Great All-Seeing-Eye  
To be revealed to all;  
For Thou dost watch us day and night,  
Thy Hand supplies us too,  
Now unto Thee we give our all,  
So Thy Great Self comes thru!

"All-Powerful I AM Presence,"  
Of God's All-Knowing Mind,  
Still every human thought on Earth!  
Reveal Thy Power Divine!  
Thy Scepter of Authority,  
In Full Command we raise,  
All shall thru Love this World redeem,  
Thyself all shall now praise!
