The Magic Presence

“ALL-POWERFUL I AM PRESENCE”

“All-Powerful I AM Presence,”

Of Victory's Light Supreme!
Come forth and clothe us with Thy Flame,
At One with Thy Life Stream—
Love now All-Commanding,
And Freedom without end,
Bring God's Great Victory All-Divine,
Come now! Our all defend!

“All-Powerful I AM Presence,”

Thy Secrets to us give,
And flood Thy Light to all we love,
Protection to them give!
Come! raise Thy Hand! give Full Release!
Compel mankind to see!
The Glory of Thy Shining Self!
Which each one now can be!

“All-Powerful I AM Presence,”

We call the Elohim,
To clothe us in Their Flames of Peace,
Consume all mankind's din:
For now we rise to Mastery,
By Thy Great Great God Flame,
As Victors now we speak the Word,
Revealing Thy Great Name!

“All-Powerful I AM Presence,”

For aeons Thou hast called,
All mankind home into Thy Realm,
They are with Light enthralled!
Thy ever loving Heart of Gold,
Thy Great Victorious Hand,
Does now reveal Thy Cosmic Wealth
Thy Substance we command!

“All-Powerful I AM Presence,”

Come blaze Thyself clear thru,
Let each one just Thyself now be,
No longer are there two;
For now the outer self must cease,
And there be only Thee,
So as we enter Thy Great Flame,
We are Victorious! Free!

"All-Powerful I AM Presence,"
Speak thru us Thy Great Word,
Still every human sound on Earth,
So just Thy Voice is heard!
Come! Raise us now into Thy Heart,
Reveal all Secrets there;
Come! make Thy Light and Power now,
Control all everywhere!

"All-Powerful I AM Presence,"
Mankind must see Thee now!
All must obey Thy Cosmic Law,
All shall before Thee bow!
All must awake to Thy New Day,
All must now enter in,
To Thy Great Cosmic Plan for all,
And know the Elohim!

"All-Powerful I AM Presence,"
We seek Thy Flame and call!
Command Thy Great All-Seeing-Eye
To be revealed to all;
For Thou dost watch us day and night,
Thy Hand supplies us too,
Now unto Thee we give our all,
So Thy Great Self comes thru!

"All-Powerful I AM Presence,"
Of God's All-Knowing Mind,
Still every human thought on Earth!
Reveal Thy Power Divine!
Thy Scepter of Authority,
In Full Command we raise,
All shall thru Love this World redeem,
Thyself all shall now praise!

BELOVED RAY-O-LIGHT'S DISCOURSE

CHICAGO, ILLINOIS

DECEMBER 13, 1945

AFTERNOON

BELOVED ONES OF COSMIC LOVE, whose call to the Light has gone forth so ceaselessly from this room over the past two years! I come in greeting from those Spheres of Activity which have watched your expanding Light, and who send to you this day, an Encouragement and the Great Cosmic Enfolding Love which shall make you feel Their Presence more and more tangibly henceforth.

I bring you the Love and Greetings of all the Ascended Host Who appreciate deeply your constant calls to Them; and for My Own Self, I offer you that which I can give, in the Power of Love which forever dissolves all fear. I wish to bring to your attention this afternoon that the Mightiest Power in this Universe, the Mightiest Concentration of the Electronic Force which can be consciously directed by Great Beings, is the Greater and Greater Concentration of the Power of Cosmic Love.

My Flame of Absolute Fearlessness is the Mastery of Love, because when you love enough there can not be fear! I remind you, that the desire to possess somebody or something, is not Love! That is selfishness! When I speak of Love, I mean the Great Cosmic surge of the Sacred Fire Element from your own "Mighty I AM Presence" and the Great Cosmic Beings of the Universe Who give you Their Life! Because the Flame of Love from Each One of Those Life Streams is part of Their Life.

I wish you to think deeply upon this today, and become a part of that Flame also, as you pour Our Cosmic Love and the Cosmic Love from your own "Mighty I AM Presence" into conditions that need readjusting, and for the Protection of those whom you Love—the Protection of the Ideals of God's Way of Life, which MUST REMAIN THE AUTHORITY OF THE OUTER WORLD, IF THE FREEDOM OF LIFE IS TO TAKE ITS DOMINION IN AMERICA AND RULE AS GOD INTENDS.

I wish you to feel today the Mastery, the Power, the Authority of Love that fears nothing, because that Love knows It is a Flame from the Great Central Sun surging thru all and consuming everything unlike Itself, with a Pressure and Power that is Infinite and Eternal.

Mastery is the unlimited concentration of the Great Sacred

Fire and Cosmic Flame of the Cosmic Love of Creation, the Authority and Intelligence from the Great Central Sun, drawn forth thru the Electronic Body of each one's own "I AM" Presence. Then it is drawn thru the Higher Mental Body, and out thru the Heart of every individual and thru the Seven-fold Flame of the Seven Mighty Elohim within the forehead.

Thru every particle of the Fire Element within your physical forms, flows the Gift of God's Life, and God's Life is the Sacred Fire of Cosmic Love which has given of Itself into the substance of this world; that the Pattern of Beauty and Perfection may forever expand in the Eternal Harmony and Happiness which is Life's Eternal Divine Plan.

Now whenever there is any Manifestation, either in your bodies or around you, in your affairs or the world at large, any Manifestation that is not the Perfection of Eternal Life, it is some substance qualified with that which is not Our Love. Therefore, if you wish your bodies to be brought into the Eternal Youth and Beauty, the entire Perfection of your Higher Mental Bodies; then there must be the continual uninterrupted ever-expanding Surge of the Cosmic Flame of Our Love, come thru every particle of the energy in your physical forms, in your mental and feeling world, and surging into the atmosphere about you, if you are to produce Perfection and maintain it!

There isn't one sitting in this room this moment who cannot draw this forth in an unlimited degree. I say to you, beloved ones, I trust My Love and My Flame of Absolute Fearlessness within that Love, shall so fire you to shatter your limitations, that never again will you accept any substance into your beings or worlds, into your minds, or your bodies, that is not the Great Sacred Fire of My Love and Absolute Fearlessness within that Love.

If, in the Name and Authority of your own "Beloved Mighty I AM Presence," and My Cosmic Power, you demand the dissolving and consuming of the substance in your bodies that does not produce Perfection for you, so shall it be established unto you! (applause—audience rising) Thank you, beloved ones. I accept that for your Freedom, and I shall come back to you on an Action of the Fire Element of My Love that you shall never forget! Thank you, won't you be seated please?

I wish you to feel today the Confidence, the Mastery, the Authority and the Power of the Cosmic Flame of Absolute Fearlessness and Love which "I AM." **CLOTHE YOURSELVES IN MY FLAME! FLOOD IT INTO YOUR HOMES AND YOUR BUSINESS! SEND IT FORTH TO ENVELOPE**

YOUR LOVED ONES! COMMAND IT TO SURGE AND FILL THE ATMOSPHERE AROUND YOU, AND YOU SHALL KNOW WHAT IS IN MY HEART! I do not fear the sinister force! They fear Me!

Therefore, use the Mantle of My Flame! Command It to fill everything in your Beings and worlds with the Flame of My Fearlessness of Cosmic Love Supreme, and you will find It can burn away everything that is not My Perfection and yours.

"I AM" surging into the room today and into your mental and feeling worlds, a Power of the Sacred Fire that shall forever stimulate and arouse you to take your stand to be thru with everything that has dared to manifest imperfection in or around you. **DO NOT BE CONTENT TO SIT IN YOUR CHAINS AND ACCEPT THIS WHICH IS NOTHING BUT THE SUBSTANCE OF THE FILTH OF MANKIND'S MENTAL AND FEELING WORLD IN THE OUTER LIFE! YOU ARE NOT UNDER OBLIGATION TO HAVE THAT! YOU ARE NOT UNDER OBLIGATION TO ACCEPT THAT INTO YOUR WORLD! REFUSE IT AND TAKE YOUR STAND WITH ME THIS AFTERNOON, AND WE SHALL SHOW YOU WHO IS THE MASTER.** (Applause—audience rising) Thank you, beloved ones, I shall qualify that and surge in, thru and around you, the Flame of My Love to show you what My Feeling of Absolute Fearlessness is. Thank you, won't you be seated please?

Call My Flame of Absolute Fearlessness and Love to surge into everything you contact. See It! Feel It! Command It! to expand in and around you! Watch It! It is a Three-fold Flame—the Heart Center pink; the Enfolding Flame Gold; again enfolded in the Blue. Let My Three-fold Flame of Cosmic Love and Fearlessness charge into everything in your Beings and worlds. I fear nothing! If you will call My Flame into action, it will be My Flame that handles the human, not your feelings.

That is the distinction I wish you to make very clear. Call from your own "Mighty I AM Presence" first, Its Great Cosmic Flame of Love and Absolute Fearlessness into everything you contact, and then call My Flame of that Love and Fearlessness. Sustain and expand It in the Authority which "I AM"! Command It to fill all things that you contact! Command It to go forth a Living Being of Flame to do only that which only the Sacred Fire can do. **FEEL** My Enfolding Love so intense, that nothing disturbing can act again within you nor around you.

We are waiting! Waiting! Waiting! for you to call forth an intense enough Focus of the Sacred Fire of Our various Qualities—each one intensified by the Great Acknowledgment of Cosmic Love of the Cosmic Christ, to show you that which mankind before have never beheld; but which they must face and see now come into Manifestation in the physical octave, and render Its Eternal Service to Life here in Full Command.

Demand your Freedom in the Name and Authority of My Love and My Flame of Absolute Fearlessness! Demand your Freedom in My Name, and give Me the Open Door, and I shall show you what it means to be Free from fear and doubt and human discordant pressure. I shall show you what My Love of Absolute Fearlessness draws forth from the Heart of God. Those of ancient times who loved God with such intensity that they became absolutely fearless of any outer world conditions, drew forth Manifestations that the rest of mankind have not drawn forth.

Therefore, I say to you, when you begin to draw your momentum of My Cosmic Flame of Absolute Fearlessness and Love; when you build that momentum to a certain point, Manifestations and the release of Powers that mankind do not dream exist, can flow in and around you to give assistance and produce what the world calls Miracles, as easily as raising your hand.

Oh beloved ones, you have qualified the energy of the air you breathe; the energy of your bodies; the energy in the plant life, with every conceivable thing in your acknowledgment of qualities that are charged with fear. Won't you acknowledge Me with the same intensity, with the same daily habit of speech, with the same daily acceptance of thought and feeling? Won't you acknowledge My Love and My Fearlessness in the Action of the Fire Element that will a thousand times more quickly set you Free than it took you to build your limitations? (Applause—audience rising) Thank you, precious ones. Now while you are standing a moment, will you accept My Enfolding Flame? I say to you, demand in the Name of your "Beloved Mighty I AM Presence" and Myself, My Enfolding Flame of Cosmic Love and Absolute Fearlessness to be the Governing Presence in everything in your Being and world, and as you know that as a Mantle of Enfolding Flame, as you feel It a Blazing Sun of Its Living Fire around you, will you realize that the sinister force will have nothing more to do with you! They will let you alone! Thank, won't you be seated? (Long applause) Thank you so much, precious ones, won't you be seated?

The Beloved Master Jesus told you, that you had to pass thru the two doors of doubt and fear before you could have Freedom. I say to you, all doubt is a form of fear! All uncertainty is a form of fear, and all fear is a lack of Love. So, if you call forth My Flame of Absolute Fearlessness, My Cosmic Love, then you will find that when you might seem to be uncertain, the moment you acknowledge My Flame of Love and Fearlessness, do you know what will happen? There will come an ease instantly within your feeling world, and you will just rest everything in that Flame of Love, and in an instant you will be absolutely certain of the right decision that you should make; because when you rest within the Great Cosmic Flame of Love that knows no fear, it knows naught but Itself and in that there is no uncertainty, because It is the Master Presence of Life everywhere. Its Intensity of the Fire Element is so great that it automatically burns away everything unlike Itself. That is why It is the Highest Purifying Power that Life provides anywhere thruout Infinity, and when you know you are that Flame of Cosmic Love from Our Octave, then the moment you feel that Flame, there would come clearly within It the unmistakably plain Direction as to what you should do; but you can't receive clear direction to know what is right to do under various circumstances, until the Pressure of My Flame of Cosmic Love has shut out the pressure of everything else, and dissolved and consumed the substance by which it could hold a connection in you or your world.

Do you not realize how many times a little child who knows sometimes no fear, often goes up to an animal—many times wild animals—and touches that which grown people are afraid to touch, and the animal does not hurt the child? Well that shows you, precious ones, when there is no feeling of fear within you, and Our Flame of Love takes Its place, then you are fearless before the forces of the outer world.

I know, beloved ones, how intense the pull of the outer world is upon you, and I know how many of you feel that you must satisfy every outer pull, before you can come into these Classes, or make your application; but Oh, beloved ones, the outer world has pulled upon you—Oh so long! It has demanded everything you have had, and it has never given you anything in return but distress and limitation. Think you not it is time to return to the Father's House? (Applause—audience rising) Thank you, beloved ones, I accept that and ask you to remember it, and live within it from now on. Thank you, won't you be seated please?

I wish to show you where the most vulnerable point in your world is, so that you may guard it by My Flame. The first place that fear strikes is in the emotional body. Therefore, that is the first place to charge with My Cosmic Flame of Absolute Fearlessness, and charge It in the Authority of your own "Beloved Mighty I AM Presence." Then feel a Blazing Sun of My Cosmic Flame of Love and Fearlessness enfolding your physical body for a radius of at least fifty feet in every direction. Move in the Glory that I have the Power to give! **FEEL and VISUALIZE—COMMAND and KNOW**, with every atom of your Being, that a Sun of My Presence in Living Flame stands in and around you, and that Flame is Master of every particle of substance in and around you until your Ascension is complete; and in this way you will abide within My Feeling of Love and Fearlessness, in conscious acceptance of that Flame; until the Fulness of Its Pressure and Power have penetrated everything in you and your world, and you have raised all into the Perfection which "I AM."

Within that Flame of My Love and Fearlessness abides everything you could ever desire in all Eternity. **TAKE YOUR STAND and FORBID** any fear to enter you or your world ever again, and you shall know what it means to be a group of people set apart, from the experiences of the rest of mankind.

There are many reasons why I have come today, because until there is a group clothed with My Flame of Absolute Fearlessness, maintaining their Victorious Authority, certain Cosmic Manifestations cannot come into the outer! However, when We have that group and My Flame surges around you to a certain intensity, all the Miracles you have called for, will come forth almost tumbling over themselves to find you; but mark My Word, seal yourselves in a Sun of My Flame and refuse to allow any feeling in or around you to exist for any reason except the Invincible Perfection of Cosmic Love; and then you will know what it means to draw forth the Mastery of Life in the use of the Fire Element, to produce Manifestations that assist your fellow-man, and yet be untouched and unaffected by anything of the human which might still be there to be dissolved.

The human creation around individuals does not want to be dissolved, because it seeks to live on discordantly qualified energy. Therefore, the human creations around other individuals will not love you, but that which loves Life everywhere within every individual, will co-operate with you every time

you stand sealed in the Great Cosmic Flame of Invincible Love and Fearlessness from My Octave.

My Temple of Flame in the Electronic Belt around the Physical Sun, manifests a Beauty that words can never convey. My Temple of Flame can flash from that Height of Manifestation to anywhere in the Universe that I direct It; or to those who call unto It. The Fire Element is the Master Element of Life, and therefore, when you call forth the Master Power of Cosmic Love and Fearlessness, surge It forth; and DEMAND that It fill everything in your Being and world, call It forth to fill your homes; to fill your business; to fill your city; to fill your Nation; to fill the minds and bodies of mankind, and to flood the world with that which forever expands the Perfection of God.

There is nothing My Flame of Absolute Fearlessness and Love cannot do! Give Me the opportunity! Hold My Hand! Call into action the Mastery of the Sacred Love of which "I AM" the Director, and your own experiences will be proof of My Reality and My Love. Beloved Ones! Oh, BE an Open Door of My Healing Power, because Love is all that is needed to heal anything, and the Flame of Absolute Fearlessness is the Consuming Power of that Love.

Hasn't your Mighty Master Saint Germain told you, that the Violet Consuming Flame is the Purifying Power of Love? It is the Sacred Fire of Love's Purifying Activity; and My Sacred Fire of Love is the Flame of Absolute Fearlessness which gives Courage, Strength, Power and Protection, to any part of Life that calls to be free from that which is of human qualities. Surge My Flame of Absolute Fearlessness and Love in and around individuals and watch the human recede! IT MUST BE SO! If you are to be Free from doubt and fear, you must have the Invincible Love and the Sacred Fire of Absolute Fearlessness from Me. Draw It forth from your own "Beloved Mighty I AM Presence" first, always; but let Me have the opportunity to expand Its Cosmic Action in and around all in your world, and all the Cosmic Law brings to you for assistance.

Beloved ones, call for the Release of the whole world from all that is not the Love and Absolute Fearlessness from Our Great Octave of Life. Blessed God-Beings all over this world are held in the fear of the sinister force, because it has struck within the emotional bodies of individuals, when above stands the Magnificent "I AM Presence," the Master Authority of the Sacred Fire and Cosmic Love of Creation, awaiting the opportunity to raise all into the Perfection of Freedom.

Beloved ones, in every bit of Authority of your Life Streams, and in the Name, Love, Wisdom, Power and Authority of every Cosmic Being and Ascended Master in Creation, DEMAND the release of the world from all that is of fear! (Applause--audience rising) Thank you, precious ones. I accept that and shall expand it with My Flame of Love and Fearlessness to the Fulfillment of My call. Thank you; and won't you be seated please?

The world must be released from fear, beloved ones, and the very substance which has been qualified with that fear, must one day be purified and again recharged with the Cosmic Love of Creation. We from the Ascended Masters' Octave can purify that substance far more rapidly than unascended beings! So, do you not see how greatly is needed your calls to come to Us, in the demand that all Life on this Planet for Eternity, shall be Free from all that is of fear?

The Great Ones await your calls! The Great Ones enfold you constantly in that which will give you the Greatest Illumination, and the Greatest Impulse to reach up and use the Cosmic Powers of Creation, which Life provides to take all on this Earth out of the shadows of human distress. DEMAND the Happiness which Absolute Fearlessness will bring! You have no idea how happy you are, or will be, when you demand Our Happiness in the Name of Cosmic Love and Fearlessness. Then you will be happy as God intends, and that Happiness will be for Eternity! None will ever be able to take It away from you! None will ever be able to impose their unhappiness upon you, as you clothe yourselves in the Great Cosmic Flame of My Love, My Absolute Fearlessness.

To those of you who might have had the experience of seeing in an electric furnace, material consumed on the instant, I say to you, the most powerful action of the most powerful electric furnace on the planet ever built by man, is nothing compared to the Great Focus which we can draw of the Sacred Fire of Absolute Fearlessness and Cosmic Love; and the moment It approaches anything human, the discord is gone before you can scarcely realize it! The action is so quick the outer human self can scarcely behold it!

So when Cosmic Beings offer you Their Love, They are offering you an Action of the Sacred Fire, and nothing in the unascended state can resist It. So from this hour, feel yourselves closer to Me than ever before; and if you really feel yourselves close enough to Me, I shall never leave you! NEVER! (Ap-

plause—audience rising) Thank you, precious ones, won't you be seated please?

If you should choose to give that acknowledgment which you gave sometime ago, "I AM" quite sure you can very rapidly feel My Flame and My Presence. You take your stand—" 'I AM' COME WITHIN THE HEART OF BELOVED RAY-O-LIGHT'S COSMIC FLAME OF ABSOLUTE FEARLESSNESS AND LOVE, AND I ENTER INTO THE HEART OF THAT FLAME," and then the rest of that Decree—you will come to Me thru that call each time you give it, with greater and greater receptivity; greater and greater acceptance of that which I can give; and as you feel that surging in and around you, it will be as if a force raised you out of connection with that which is disturbing, and even though you move in the midst of it, you will know that it has to stay outside of My Flame.

I would like to have you feel this as a Garment, or a Blazing Sun around you, and that you live, and move, and walk constantly within the Heart of My Cosmic Flame of Love and Absolute Fearlessness. If something comes to your attention which would seem to make you fear, call your "I AM Presence" to send forth that Flame on the instant and consume whatever would attempt to intrude. From within that Flame, there can go forth the Flash of Lightning which on the instant, annihilates anything human before it can approach.

You see, there is a vast difference, beloved ones, between drawing forth from within your own Life Stream, these various Powers of the Sacred Fire, because as yet in the outer you have not quite felt the Fulness of the Feeling of your own Higher Mental Body's Power; and when you abide within Our Flame and you call that Flame to go forth, then We are the Directors of that; We are the Cosmic Pressure that drives It to Its Destination, and holds It there until the Command is fulfilled!

So, in all your calls We have a certain amount of Activity to send forth, and that We are glad to give, so long as We lift you out of connection with all that has ever made you fear. DEMAND your Freedom from fear and doubt, and you will find you are thru the veil. Then the Great Ones you have longed to see, will be standing beside you and will make you know, that in the future there are no veils! They have waited so long! We have all of Us waited, and waited and waited for mankind to annihilate the fear in themselves, and the doubt; and because you have so faithfully carried the Light thus far,

"I AM" determined to give you the Assistance which will more quickly enable each of you, to free yourselves from that under which you have struggled so long.

Arise, and throw off the last fragment of it and face the Flame! As you enter into It, you will feel such Joy and Perfection! You will hear and see that which you have never beheld before, and you will know that the shadows of human experiences have gone into the Flame and are consumed from the Universe forever; and in the Service you wish to give to those you love, and to people of the outer world, you can do the same thing! Oh, beloved ones, you can bring such Blessing to mankind as you cannot realize, except as you see it from Our Octave!

So let Us from this day go forth like children, dancing in the Sunshine, happy and eternally grateful for the privilege of using the Sacred Fire to command mankind's release from that which has bound them so long. Open the Door to the Freedom of God's Heart, by releasing Life from the doubt and fear of the sinister force; and every Ascended Master and Cosmic Being in Creation will come instantly at your call, to assist you and to assist others to be Free.

So from this day henceforth, feel that you are so close in Our Hearts and that Our Life, the Flame of Our Life Streams, enters now the Flame of yours, and there are no veils between; but just the Great Sacred Fire of Cosmic Love surges in and around you all, and carries you forward to render the Service which you can so powerfully give!

From this hour henceforth, feel My Love and My Absolute Fearlessness flood your emotional bodies with the Cosmic Power which "I AM," and BE that Flame of Cosmic Love to all Life! Just move forward clothed in Our Life, Our Love, Our Flame of Fearlessness! Dwell in the Heights of Happiness; and from those Heights pour down the Flames that set your fellow-man Free; consciously commanded by unascended beings! When Our Flame goes forth, beloved ones, all that lives rejoices because the rest of Life is shortly to be set Free!

I thank you for this opportunity, and may My Heart speak Its Wishes and Its Love to you, thru My Flame of Absolute Fearlessness from this moment henceforth, until I greet you face to face and shake your hands in Eternal Love.

Thank you so much.

ANNOUNCEMENT

It is our great joy and privilege to announce the release of our most recent musical publication of the "I AM" Ascended Master Miracle Music of the Spheres.

It is, "GREAT HERCULES—THOU ELOHIM" being an Adoration and call to the Great Being Hercules, Who is One of the Seven Great Elohim—One of the Seven Great Builders of this System of Worlds.

The cover design on this piece of music was painted by our Beloved May DaCamara and is the likeness of His appearance, when wielding the Activities of the Sacred Fire, which He directs.

The lyrics and melody of this song are the same as those contained in the Song Folder No. 2; and feeling, hearing and accepting the music and lyrics of this song, contemplating this Picture, opens the way for Beloved Mighty Hercules to help all who call to Him and co-operate with the help He pours forth.

With every atom of our Beings we love, bless and offer Eternal Devotion and Gratitude to that Mighty Glorious Cosmic Being, the Mighty Elohim, Hercules.

Price of this song . . . \$2.50—shipping and packing charges extra

ANNOUNCEMENT

It is our great joy and privilege to announce the release of our most recent musical publication of the "I AM" Ascended Master Miracle Music of the Spheres.

It is, "'I AM' ANGEL BELLS" which is a call to the Angelic Host and Great Beings of Light and Love thruout Infinity for Their Love and Blessings to encircle the earth on the Music played and sent forth on Saint Germain's "I AM" Miracle Bells of Invincible World-wide Victory, Light and Freedom.

The cover design is a combination of the Music Angels and Cosmic Bells in beautiful colors; and the words are the call for the release of the Earth and all mankind from the discord and distress of ages.

As this Music is played and sung, it will go forth and encircle the Earth and be the beginning of the complete annihilation of all discord from the Earth.

This is the Music which has gone forth on the recent World-wide Dictations and we are happy to now release it into the hands and use of the "I AM" Students everywhere.
