

BELOVED SAINT GERMAIN'S DISCOURSE

CLEVELAND, OHIO

OCTOBER 24, 1949

y Beloved Family of Cleveland and those visiting from elsewhere, I welcome you tonight into Our Family Conference; and I trust My Love shall grow greater and greater and greater, as you come closer and closer and closer into the Full Realization of all that It can do for you.

May I ask you to remember, that your one paramount duty on the Pathway of Light, is to keep Love as your Day-Star, drawing you on into Its Heart; clothing you with the Mantle of Its Power, and giving you the Scepter of your Dominion of Mastery- your complete Victory in that Mastery, which is really just Love alone? Long have We poured It to mankind! Long have they turned their backs upon It, and yet they cannot live without It. So you see We are a necessity, even though We are denied and have been thru the centuries. Yet the Light of Our Love continues to awaken one Life Stream after another, until the desire surges forward thru each individual's Heart Flame, to reach up to the Realm of Perfection; and understanding that "Mighty I AM Presence," begin to draw into outer use, Its Mighty Powers and Attributes of Life, to create Purity, Beauty and Perfection; to protect and expand them, and to surge forth the Great Happiness which is the Command of Love.

Do you realize how great has been the Love of the Mighty Sanat Kumara who is called, "The Lord of Love to the World," to leave the High Estate to which He had attained in His Great Service on Venus, and of His Own Free Will chose to abide in the atmosphere of an Earth, whose humanity drove from the Earth the Goddess of Purity? You do not know either the depth nor the Height of Love, My dear ones, that Love to Life which forgives all, serves all, purifies all, protects all and returns all, Free! to the Great Fulfillment of the Divine Plan under the direction of Those Great Beings from the Great Central Sun, who have created, sustained and governed the System!

You do not know the Wonderful Things which are within Our Love; and if you once realized what a Power-house It is, and

how freely you may have everything good contained within It, not all mankind could persuade you to ever again look to the outer world of constantly changing shadows, not even for an instant!

May I say to you, Our Love is the Only Freedom from the human creations and limitations of the outer world? The World cannot have its Release without Our Love, and you above all others on Earth, should realize that often and use Its Power constantly. We have only asked you to do one thing! In all the Instruction which has come forth, the one Paramount Command and Purpose in all that has been given, is to try to get you to turn away from the destruction and limitation of human discord; and simply become the Master Presence of Love Supreme! It keeps you happy, is your health, is the Magnet and Boundless Supply you desire! It is Invincible Protection! It is the Annihilation of fear! It is the Wisdom of all Eternity! It is the Treasure house of God's Boundless Gifts! It contains all the God Attributes within Life, and yet mankind will not use It.

Please take yourselves in hand and the moment there is the slightest feeling within you of jealousy, resentment or rebellion against the Requirements of this Great Law of Love's Perfection, take your outer self in hand; and DEMAND the Annihilation of all from your Being and world, which is not the Love that sets all Life Free.

I shall point your attention tonight, to a few of the Great Ones Whose Love has served mankind for many centuries; and show you the High Estate to which They have now reached and the Glorious Power They wield, in the Mightiest Joy and the Mightiest Music which has ever sounded thruout this System. How great do you think is the Love of the Blessed Quan Yin when She took Her stand with Life, the "Mighty I AM Presence," because one She loved so greatly had been caught in the shadows? She said: "I Will not enter Heaven until there are no more in the shadows"! I wonder if you understand what Love is! How great is the Love of a Being Who will not go into the Great Higher Activities of Joy, until That which is a part of Its Own Life Stream's Love, is rescued from the distress of human creation?

I plead with you tonight, please do not add one feather's weight of discord to the frightful pressure of the chaos of man-

kind's creation in the outer world. The Beings of Nature are struggling under the continued increasing pressure of mankind's hate, impurity and degradation. Please do not add a feather's weight to that discord which is increasing in the outer world. The Powers of Nature will not too long stand further torture of mankind's iniquity.

We come from the Heights of Love to bring Its Illuminating Presence and Its ever-expanding Flame of Perfection, into a darkened world which is passing thru the crucifixion of its own self-created defiance to Our Requests. Long thru the centuries, have I requested mankind again and again and again, not to rebel against the Requirements of the Cosmic Law; for It is the Law of Love's Perfection and requires only one thing of Life. That is the attention of the outer self, so it may receive the expanding Out-pouring of Love's Blessings, Its Joy, Its Beauty and Perfection. So the outer self can be an Instrument in the outer manifestation, by which it may carry Our Happiness to all the Life in the Universe, and the outer self will not even co-operate.

Great is the Patience of Love, My dear ones, and if I were you, I would try to understand more of all that is within the Great Cosmic Love of the "Mighty I AM Presence" and Its Glorious Realm of Beauty and Perfection. I would try to know more of the Purity of that Infinite Christ Love, the Cosmic "I AM Presence" to this System! Then become an Open Door by which It can concentrate Its Flame in and around each of you, so as you pass thru the outer world's atmosphere, your Flame consumes all that is not Love.

The Master Jesus' One Final Command when He left those with whom He had lived so long, was: "Love ye one another even as I have Loved you." May I say to you, His Command is still paramount and His Command is still the Law of Life? His Command is still the Golden Rule! His Command is still the Great Law of Balance, the Cosmic Command to the Earth! The Paramount Command to all Life from the Heights of Perfection in the Great Central Sun, is Love!

May I say to you, you to whom We come and pour Our Love from Our Heights of Freedom, you are the Hope of the World! You are the only doors open, thru whom We can pour Our Illuminating Love, to bring conscious understanding to mankind of the Reality, the Authority, the Intensity and the Power of that

"Mighty I AM Presence," which is the Magnet of Love to lift all mankind out of the quick-sand of their own creations. Our Great Love is the Healing of the Nations, and We have loved the World a long time, but they have not wanted Our Love.

We cannot love the world for you. YOU must love the world, or Life in the world, yourselves. No matter whom you dislike, still you can love the Life within each Life Stream; and if your Love does not redeem those individuals by your conscious call, they enter into those conditions, wherein the Blue Flame must Compel the return of their own creation upon them.

If I were you, I would love and love and love, - first of all your "Mighty I AM Presence," and then the "Mighty I AM Presence" of all Life Streams in this System of Worlds. Then would I spend some definite time each day, pouring out the Command of Love to all Life on this Earth. If you will try to do this with sincere determination, sixty percent of the Blessings you pour forth to Life, will bless your own Life with ever-expanding Perfection of that Love. You cannot lose by commanding your Love to Life, and It is the Purifying Presence which the Earth must have; or hate will take its toll in another holocaust of destruction, which again must be purified and redeemed by Love alone.

You might have all the Wisdom; you might have all the Power; you might have all the things of the Earth; you might gratify every desire you have ever had; but unless you know Our Love, you have failed! and you would continue to fail until Our Love is understood, and honored, and used and absorbs all into Itself.

All that is of Beauty and Perfection; all that brings Freedom to the Earth; all that ever produces Perfect Manifestation in a System of Worlds came from the Flame of Life's Love in the Great Central Sun. You are a Spark of that Flame, and thru Its own Innate Qualities of the Sacred Fire, you may draw forth all of Its Attributes and Activities into outer dynamic action by conscious command; once you know of that "Mighty I AM Presence" and how to speak the Great Creative Word of Love.

IF YOU WILL COME WITH ME TONIGHT, AND DEMAND THAT YOUR OUTER SELF UNDERSTAND THE HEIGHTS OF LOVE, THE DEPTHS OF LOVE AND THE LIGHT OF LOVE, WHICH OWNS THIS SYSTEM OF WORLDS, YOU MAY BECOME THE ILLUMINING PRESENCE OF ITS VICTORY; AND YOU MAY BECOME THE AUTHORITY OF ITS FREEDOM TO COMPEL MANIFESTATION AND MIRACLES WHICH ARE PRODUCED BY LOVE ALONE. YOU MAY ENTER INTO ANY ONE OF OUR TEMPLES IN THE ELECTRONIC BELT AROUND THE PHYSICAL SUN WHILE YOUR BODY SLEEPS, AND THERE YOU MAY BEHOLD THE BEAUTY AND THE POWERS OF OUR LOVE TO LIFE. THERE YOU MAY RECEIVE EVERYTHING YOU WILL EVER REQUIRE IN THIS WORLD TO FULFILL THE GREAT DIVINE PLAN OF PERFECTION, OUR WAY. THAT MEANS THE WAY OF LOVE - WITHOUT STRUGGLE, WITHOUT LIMITATION, WITHOUT DELAY, WITHOUT ANY OPPOSITION!

I said to you: "to Pure Divine Love there is no obstruction anywhere in the Universe," and It is the Golden Key to the Mightiest Heights of Attainment! It is the Open Door to Eternal Freedom! It is the Power of the Mightiest Accomplishment in all the Universe! Why do not mankind listen to Me and see It, when hate would tempt them to battle down others who want to assist in carrying this Light? One day, those under This Radiation must become My Pure Heart of Love or Freedom will not be theirs!

Tonight I remind you, that if you desire your Ascension in this embodiment, you must remember that all the energy in and around the outer self; all the energy of your Life Stream, must become the Eternal, Invincible Purity of Love, if it is to enter into Our Octave; and if you have some Inner feeling of battle and dislike against others who are seeking this Light, I might just as well tell you tonight, you cannot have your Ascension with that feeling in any of your energy! You cannot come into Our Octave and bring your Life's energy there, unless it be all the Purity of Love.

For a long while, I have plead with mankind to purify themselves from the hate of the world, and Love is the only thing which can do it. The opposite of hate is Love! The opposite

of impurity is Purity, and Purity from Our Octave is Love alone! The Fulness of all Wisdom in the Great Central Sun is Our Love! The Mightiest Concentrated Electronic Force in the Universe is Our Flame of Love; and the Greatest Protection against the destructive activities of the sinister force, is Our Armor harder than steel in Its Electronic Force, but focused and held by Our Love.

Do you not think We are needed in a world of hate? Since "I AM" Freedom to the Earth, Freedom means you must become Lord of Love if you are to be Master of Life! That is the Law Supreme! It is the Mightiest Power in all Creation! It is the Highest Wisdom of Eternity! It is the Mighty Secret of the Universe! He who is wise, will enter into the Secret Place of the Most High - the Flame of Love in the Heart of the "Mighty I AM Presence," in the Heart of every Ascended Master and Cosmic Being and of the Angelic Host.

You do not realize how important this Love is! You do not realize what It does for the Earth! You do not know tonight, what It has done for you thru the centuries. It is by Love alone that "I AM" here tonight! What would you do if every Ascended Master and Cosmic Being, were to withdraw Their Love from the Earth tonight? What do you think would be the condition of mankind? What do you think would be the condition of the Nations of the World? Knowing as they do the atomic bomb and its means of destruction, what impulse do you think would be theirs? What means would you have of checking those impulses of criminal insane murder and destruction? Do you not think We are necessary to the Earth; and if We are necessary to stem the tide of that intended destruction against the Nation, do you not think We are necessary in your individual Lives; to help you stand against the pressure of mankind's mass hate and discord of daily problems, limitation and destruction?

If a problem seems to be distressing, I might say to you, go by yourselves, work on yourselves, and DEMAND your outer self be made the Victory of Our Cosmic Christ Love. Then stay there, until you feel It. Then will you find your problem disappear, because the problems of each Life Stream, are simply the lack of the supply of Love - enough Love, and Love is Eternal Truth!

Long, long, long have I concentrated the Power of Love in order to become the God of Freedom! Long have I called the Love from the Great Central Sun in the outer use of the Violet

Consuming Flame, in order to become Angel Deva of the Violet Flame! The Cosmic Law to this Earth, made Me the Authority of the Violet Flame in this capacity, because of My continued concentration upon the DEMAND for Love from the Great Central Sun.

Everything which is not Love is hate - some form of it, some intensity of it; and all lack is some form of hate! It is but energy returning, which has formerly been qualified with something that battled the Law of Love. If you want Power enough to do the things you desire to do which are constructive; if you want Power enough to hold the God-Protection which helps you stand against the hatred of the outer world, you must become the Lord of Love! There is no use denying this! There is no use kidding yourselves! There is no use arguing or fooling or side-stepping anything concerning this DEMAND of the Cosmic "Mighty I AM Presence," for It is the Cosmic Law that controls the System. The System is held together by the Love of the Great Beings Who gave the Substance of Their Love, to form the Planets of the System! That Substance was radiated by the Beings from the Great Central Sun, and Love alone can give that. Love alone can mold It into a Planet or a Sun! Love alone can hold the System in Its Great Orbit around the Great Central Sun.

Love alone can send forth the Life Streams upon any Planet in the System! Love alone pours Its daily Energy thru the Physical Sun, which is the Life that sustains all outer activities! Love alone is the Motive Power of Creation! Love alone is the cohesive Activity within all Substance! Love alone is the Directing Intelligence which holds Divine Order and produces Beauty, Happiness and Ever-expanding Action.

By Love alone did you come into Being! By Love alone is your Life sustained in the physical form! By Love alone can you have your Ascension! Only by Love alone can your problems be dissolved; your supply maintained; and your health, youth and beauty ever give forth their Blessings to Life and the Powers of Nature! I might say to you, except for a very small portion of mankind, and except for the Cosmic Beings who control Them, the Powers of Nature receive very little Love from mankind; and they are not too long tolerant, of the ever increasing torture which mankind's discord imposes upon those Blessed Beings of Life.

All Life in the Universe is entitled to your Love - the Cosmic Love of your "Mighty I AM Presence." If you give It not, then you withhold from your own outer self, the Greater Blessings which would automatically flood into you and your world! You have heard the Statement - "As above so below, as below so above." If you refuse Love to the Life around you, you have shut off any way and means by which Love can come to you. Unless you let the Love of your Life Stream, flood forth Its Blessings of Perfection and Happiness to all Life, you lock the door by which the next Greater Wave can come into you to serve you, to bless you; to expand your Perfection and enable you not to lack; and I might say to you, the lack of Love is death!

He who understands My Words tonight, will enter in with Me to the Heart of Love, wherein that Great Violet Consuming Flame may reveal to you Its Wondrous, Wondrous, Wondrous Powers, Perfection and Happiness! Within the Heart of the Violet Flame is the Love which remolds the purified, redeemed substance, into that which fulfills the Divine Plan.

On the outer Radiance of the Violet Flame, which is the edge of Blue, is the knife-like Activity. It is like a Sword which cuts Its way thru the density of mankind's substance of hate, and burns it out wherever the Violet Flame passes by. Where Love is, there "I AM"! Where Love is not, there I need to be called into action! Where Love is required Love may be had.

Shadows may come and shadows may go; hate may come and hate may go, but Our Love goes on forever! Think you not It is the part of Wisdom to enter into Our Love, and become Part of Its Great Cosmic Stream to the Earth, which flows forth to purify the mis-creations produced by mankind's rebellion? Rebellion to what? Rebellion against the Authority of that Love! "I AM" the Authority of that Love which is Freedom! Without the Authority of that Love you do not have any Freedom! If you want It you must use It! If you expect to manifest It, you must become It; and when you are It, you become the Law of the Cosmic Christ to the Earth, and to "That Presence" there is no obstruction!

"I AM" pleading with you tonight, to enter with Me into this Greater Intensity and Release of the Power of this Cosmic

Love of which "I AM" speaking; so you may not only have Protection, Supply and Health; but that you may by your own Authority of the "Mighty I AM Presence," DEMAND the release of whatever Love is necessary to prevent the beasts of war again sending your precious younger generation, into the holocaust of the most frightful suffering! If you want supply to appear, you must become the Magnet of That Love! If you want the Truth of Life, you must become the Reality of That Love; and if you want the Protection of Our Octave to stand against the destructive forces of this World, you must become the Authority and Perfection of Our Love. Only as you know what is within It, will you realize where Freedom abides!

It does not pay to try to accomplish anything in the outer, without the Authority of Our Cosmic Love! What do mankind do with Life's Energy? They create civilization after civilization by the desire for Perfection, but they will not bow to the Commands of Love! They have rebelled against That Love so long, My precious ones, the amazing Miracle of the Universe is Its Infinite Patience!

I warn the "I AM" Student Body tonight, be no part of anything which does not pour that Cosmic Christ Love to each other, if you would have Our Protection, Our Supply and Our Assistance in the future! Be kind! Give every one an opportunity! Be generous! Be forgiving and remember, the Supreme Scepter of Authority which produces the Miracles you desire, is Our Love of the Cosmic Christ, which is the Cosmic "I AM Presence" to this whole System of Worlds! That means the "Mighty I AM Presence" and Higher Mental Body of every Being upon all the Planets of this System; and that includes all the Cosmic Beings, the Ascended Masters and the Angelic Host.

If you would use the Blessings of Nature, which can so easily be brought to you, it would be the part of Wisdom to pour your Love to the Beings who can release them. The Beings of the Elements, the Beings of Nature, the Great Beings who direct both, know the Power of Love, and all that comes under Their Direction, is obedient to Love! If you make yourselves a Magnificent Sun of Its Presence, if you DEMAND Its Cosmic Power in Action thru yourselves, and your outer affairs - you yourself will be proof of the Wisdom of Its Use!

Love alone is the Master Authority of Life! It is the Sacred Fire which is the Central Sun! Unless you have a Power Greater than that which is manifesting the discord of the outer world, how are you going to stand against it? Mankind's discord has come about, simply because the outer self was determined to be a Law apart from Love, and that can never be! Mankind's defiance, which is rebellion against this Law of Love and the demands of Its Cosmic Action, is the most frightful thing to behold! Mankind have no qualms of conscience about killing the Higher Impulses in individuals, when some magnificent constructive impulse surges forward to do something wonderful! Those who are jealous have no qualms of conscience about killing the Higher Impulses in others! Then tell Me if they are civilized!

Mankind are barbarians in their feelings compared to Our Law of Love! There is no use prattling statements about Divine Love, and in the feelings killing the Divine Impulses which would lift another Life Stream into the Power to help many. The "I AM" Students are responsible, if they do not draw enough Love at this time! If I were you, I would become Its Shining Presence! I would not concern myself with people's imperfections! Every moment, that is not spent in adoration upon that "Mighty I AM Presence" and Its Magnificent Manifestations of Love is wasted!

Thru the centuries, My loved ones, you have never received anything from your Presence but Love. Can you not give It back, in order that you may receive more? From tonight, if you will stand with Me, I will teach you what I did to draw the Intensity of Love from the Great Central Sun, which was required to make Me the Angel Deva of the Violet Flame! I will teach you! I will Love you! I will give you what the Great Central Sun has given to Me - the Authority to Compel Freedom by that Love alone; but you must shut out of your world, everything which is not Our Love!

If you choose, there are three channels thru which I operate, intensifying certain Qualities, all of which are rooted in Love - that Love is from the Great Central Sun! If you choose or you require these in the outer activities, DEMAND the Freedom of your Nation from all that is of destruction - by the Supreme Presence and Victory of Our Cosmic Love! Then I shall be there to assist you!

You do not know how many Cosmic Flames of the Cosmic Violet Consuming Flame, I can send forth thruout the Nation! You do not know, but I do. I could wrap every individual within your borders in the Violet Consuming Flame and the body would never move again, unless it moved in Love, but unless mankind will stop their rebellion against the Law of Love, they must experience the reactions of their own hate, until they know what they have done to Life!

So from tonight, precious ones, if you choose to become My Family of Love Supreme, Freedom is yours FROM TONIGHT! Then problems will vanish as mist before the morning sun, and your Power to go forth and expand this Light, will increase without reservation! You may enter into the Absolute Limitlessness of every good thing thru that Love! If in everything you require to fulfill Our Great Divine Plan of Purifying and Freeing the Earth from discord, you DEMAND it by the Cosmic Christ Love of that "Mighty I AM Presence," then It shall be so! It shall be so established unto you! I trust you will enter in, or that you desire to enter in, and no longer rebel against some other Life Stream which is seeking on the way of Love, Its Pathway back to Freedom.

Those under This Radiation should be Shining Examples before the World of the Power, the Majesty, the Authority and the Manifestations of that Miracle Love which Compels Victory; compels Respect; compels Honor to that "Mighty I AM Presence." I have revealed that in this Instruction to mankind, and your personal conduct either honors It or dishonors It! All that is not Love is dishonor to that Presence! It is dishonor to Us! It is dishonor to your own "Mighty I AM Presence." It is dishonor to your Nation! It is dishonor to the Universe! All that is not Love is dishonor to Life!

You as My Family of Freedom, I trust will understand tonight your responsibility in compelling the outer self, to draw forth that Cosmic Christ Love to do everything you desire to do in the outer Life; and to keep repelled from you all that is not Its own Purity and Perfection, which gives you Victory. I say to you, the Protection you are going to require in the months ahead, will either come by Love or you won't have it! There is no Protection by destructive forces! There is no Protection by beating down some other part of Life who desires to arise in the Light! There is no Happiness aside from Love!

Everything in the outer world is a constant changing shadow, because it is continued rebellion against Our Purity and against Our Love! You whom We have loved so long, you whose human creation We have taken away - some of which you could not even have gazed upon, without dropping into a dead faint, must become the Law of Love to the Earth! Strong stalwart men have dropped in a dead faint when they saw their own creation; and yet that Mighty Divine Director by Love alone, took away the human creation, or most of it, of the whole "I AM" Student Body! Do you think you know what Love is? Not until you see some of the Great Beings in action when those things occur, in the removal of mankind's creation, will you ever understand what Love is! Yet It is the Most Wonderful, Powerful Force and Authority in all Creation!

You can go, thru that Command of Love to the Central Sun Itself, to any Planet, Sun or Star in space. You may learn what is there, and thru Love which takes you there, will that Love bring back to you the Blessing which is there; and if you give Love, only Love will return to you.

So from tonight, if you will let Me I will take away all rebellion against that Cosmic Law, if you will let Me have it tonight. It can be withdrawn, like you throw off an old garment! We can consume it, so it touches no other part of Life! We can have that Dispensation from the Great Central Sun, to withdraw from every one of you, all that is not Love - if after that is done, you are determined to give the obedience which makes you the Victory, the Authority and the Freedom of that Great Cosmic Love, to your fellow-man and to Life wherever you move! We will give you a Gift beyond price, beyond description, in that Love whose Authority We can and have the right to convey and I say to you, which is the Immortality of the Universe!

ONLY LOVE IS IMMORTAL! ONLY LOVE IS EVER-LASTING! ONLY LOVE IS THAT GREAT GREAT COSMIC ACTION OF THE SACRED FIRE. If I may have tonight your human rebellion and leave My Love in its place, I shall prove what Freedom is to you! If that is agreeable to you may I have your expression? (Applause - audience rising) Thank you precious ones, and while you are standing I say to you, AS YOU DEMAND THE OUTER SELF BECOME THE COSMIC LAW - BECOME THE LAW OF THE COSMIC CHRIST LOVE OF YOUR "MIGHTY

I AM PRESENCE," YOUR POWER IN THAT RECOGNITION--WILL INCREASE TO HEAL SOMETIMES JUST AS YOU TOUCH AN INDIVIDUAL. THAT POWER CAN BE CONFERRED UPON YOU, AND IF YOU MAKE ENOUGH CONSCIOUS APPLICATION WITH THAT GREAT DESIRE, TO BE JUST THE VICTORY OF THAT GREAT FLAME OF OUR LOVE, YOU MAY BE THE AUTHORITY TO COMMAND MY FREEDOM EVERYWHERE, FOR LIFE STREAMS WHO WILL GIVE YOU THEIR ATTENTION. Then you, the Authority of that Cosmic Love, become the Healing of the Nations. You may become the Healing Presence of that Flame of Love which brings Freedom to all wherever you move. May I clothe you in the Mantle of Its Presence, and the Armor of Its Flame ever hold Its Protection about you? May Its Great Illumining Power and Its Mighty Secrets enfold yourselves, to clothe you in Our Joy. May you give, give, give to Life, that Power of Love to set all Free, and don't stop giving until the Sun stops giving Light to the Earth!

Keep giving and giving and giving that Cosmic Christ Love so long as your "Mighty I AM Presence" gives you Its Life, which is Its Love! Go on and bring that Freedom to Life, and DEMAND that mankind's rebellion against the Law of Love, is forever removed from the Universe!

My Legions shall attend you! My Flame go before you! My Authority enfold you, and you will become the Illumining Legions of Freedom by the Cosmic Love of that "Mighty I AM Presence," the Mastery of Life Supreme! In Its Great Mantle of Happiness, may you blaze Its Sunshine Presence until the shadows flee at your approach; and Victory, Purity, Freedom and Power without limit to produce Perfection and Ever-lasting Joy, attend you and blaze their Flames thru you; until everything human has been consumed from mankind and of their own Free Will thru Love, they love again the Source, the "Mighty I AM Presence," which has given them existence!

With My Flame of Love, Purity and Cosmic Power, I clothe you tonight, and it is yours to use forever! You will find I will never be found wanting when you want Me; and when you DEMAND the Authority of My Purity, My Love and My Freedom, you will find the Miracles and the Manifestations at hand thru Love - the Cosmic Love of that "Mighty I AM Presence."

I commend you to Its Great Enfolding Flame of Love! May It penetrate all things and be the Blazing, Blazing, Blazing Light within America's Cup! May her people drink of that Essence which refreshes them and is the Resurrection and the Life of the Heart of Freedom to the Earth! May you guard It, and Be the Love which sets all Free!

Thank you and won't you be seated? Good night!

NOTES - BELOVED MARY'S DISCOURSE

Santa Fe

April 9, 1948

If someone is doing something wrong, instead of repeating it: Call the Ascended Masters' Strength and the Power of Their Perfection and the Victory of Their Love, to give that Life Stream the Light and the Strength of the Light to win the Victory- then I will have the "Cup of Light" which will assist Saint Germain.

All pain in the body is the return of the hurt which someone's discord sent forth, and I offer you tonight the Blessings of Purity, Freedom and Love thru the "I AM" Music of the Spheres and these Magnificent Bells, by which this cleansing can take place before the final hour strikes, when the Powers of Nature will reveal Their Command of man;

Your penal institutions, your insane asylums, your hospitals and your discordant activities of the outer world, which are taking care of masses of mankind who are unable and unfit to take care of themselves, are increasing hourly with such speed- because of these wars - that there must come some mass assistance in a way which mankind cannot prevent, if many of those wonderful Life Streams are to be redeemed and go forth to fulfill the Divine Plan;
