

**“I AM”! WHERE LOVE PASSES BY!**

A Flame of God's Life, the “Mighty I AM”!  
Suddenly stands by my side!  
It is enfolding me in all God's Peace,  
It comes with me to abide!

Its Mantle of Love, I feel and behold,  
Clothing me in all Its Light;  
A “Presence,” all Blazing, I now discern;  
Love, that is truly God's Might!

I pause and await Its Mighty Command,  
Then, “I AM” lifted on High;  
And there I behold all Perfection's Realm,  
Revealed as Love passes by!

The “Presence” has left a Fragrance and Light,  
A Blessing never to leave;  
And as I welcome It here evermore,  
More of Its Love, I receive!

That “Presence” I know! I ask It to stay,  
And as I hear Its Blest Voice,  
In accents of Love, I hear It speak,  
“I AM” Come! Lord of Love! All now rejoice!

*“My Peace unto all, I bring here on Earth,  
I flood It now from on High;  
I command the shadows to be no more;  
They cease, when Love passes by”!*

Behold! That "Presence" grows Brighter to me,  
Right here to me, It steps thru,  
It is shining with Light as from the Sun,  
The Prince of Peace I see too!
