

BELOVED ASTREA'S CIRCLE OF BLUE FLAME

Belov'd Astrea's Circle of Blue Flame,
Descend 'round all not God's Light!
Stop all destruction by Thy Cosmic Power,
Charge forth all Thy Cosmic Might!

Strike Thy Cosmic Sword of Cosmic Blue Flame,
Consume all discord on Earth!
Remove all shadows of anger and hate,
Make all feel Light's Cosmic Worth!

We call unto Thee as never before,
We ask all Earth's cleansing now!
Make all hear Thee speak God's Mighty Command,
All to Perfection must bow!

Send Thy Cosmic Legions! Sweep this our World,
Make all know God - the "I AM"!
Make all see Thy Light and Thy Mighty Flame,
Make God's Law rule in Our Land!

Make all behold Thee and see Thy Bright Face,
Make Thy Mighty Voice be heard!
All here shall face Thee and know Thy God Might,
All shall hear God's Mighty Word!

Thy Full Authority shall all here rule,
Thy Mighty Star does blaze Bright!
Purity's Legions sweep Earth and control,
All mankind bow to God's Might!

Make all here feel now Thy Conquering Tread,
Make all behold Thy Great Self!
Blaze all God's Power from Thy Cosmic Realm,
All Earth must have Thy Great Help!

Thy God Light Must come and darkness be gone,
God's Justice must be man's Law!
Let Thy Mighty Fire release this World,
And all to Thy Heart's Flame draw!

Belov'd Astrea, "Almighty I AM",
Command Thy Flame to appear!
Evil shall vanish, as Thy Flame Commands,
"I AM"! God's Freedom is here!

Chanera
