

BELOVED MIGHTY HELIOS' DISCOURSE

CHICAGO, ILLINOIS

APRIL 30, 1950

AFTERNOON

MIGHTY HERCULES ON GUARD

BELOVED ONES of Saint Germain's Family, as My Heart's Flame speaks Its Love to you today, I wish you to know that the Flame which I send forth, standing above the building while this Dictation goes on, is an Ambassador from My Life Stream. It is of the intensity which I require to draw forth into outer action, that which We wish to give thru the Messenger to you, and thru you all to America.

I wish you to understand something of the Way the Great Cosmic Law of Life sends forth Its Assistance to This Earth, thru the Consciousness and Directing Intelligence of Those Who come closer and closer to you, as you raise closer to Them thru Greater Purity and Maintained Harmony.

Just as the children of a family are individual Beings within that family, so are the Flames which I send forth from the Great Central Sun, Beings and Ambassadors of My Love to you; and They are just as Intelligent Beings as the Other Great Cosmic Manifestations thruout this System of Worlds.

Out of the Flame which Love alone sends forth and directs thru the Mighty Intelligence focused to sustain a Planet or a System; or thru the Mighty Intelligence of each one's own "Mighty I AM Presence," as It sustains the outer self – so do We from time to time send forth and anchor into the atmosphere of Earth, certain Powers of the Sacred Fire which are Individualized Flames from the Physical Sun. I may send the Love of My Life Stream in whatever intensity you, as individuals, can receive It – without shattering the atomic structure or causing too much Power to come into outer action. The Great Law of Life is Balance and Purity and Love and Perfection! It would be impossible for the

Individualized Flames which represent Me, to bring any condition into contact with Life anywhere, which did not produce Love, Harmony and Perfection; within all of which is the Conscious Directing Intelligence from the Physical Sun.

You have been told there is no obstruction anywhere in the Universe to Pure Divine Love! Therefore, those who want to know something of the Great Love which sustains the Physical Sun, can do so thru Its Mighty Action, in Its Cosmic Power which sustains the System. So may there come to you an Individualized Action for your Life Streams, which is an Exact Replica of the way My Heart's Life, Love and Flame go forth to sustain the Planets of the System. So can My Heart's Flame thru the Flames which come forth into the atmosphere of Earth, sustain in and around you, those same Great Qualities which sustain this System of Worlds, and that is by a Direct Projection of Myself.

My dear ones, when you speak on the phone, the words and the sound of your voice, are projected thru the currents of electricity in the wire to the one to whom you are speaking! You don't think that anything unusual! Therefore, when We send forth those Individualized Flames located either around individuals or in the atmosphere of Earth, to answer the call of those whose Love comes to Us, It is just as natural and normal a process as you experience when you phone each other. Life communicates with the other portion of Itself everywhere thruout Creation by Love, and that Love carries within It, whatever Qualities are necessary to produce and expand Manifestation wherever that Love wants to manifest!

May I say with all the curiosity there has been upon the Earth concerning the Electronic Force of the Universe, with all science has done and all which has been said thru the centuries, yet My dear ones, very, very, very few of mankind ever desired to know anything about the Love which sustains this System of Worlds. Very few have ever wanted to know anything about the Love which I send forth, by Conscious Command to maintain This System of Worlds; and to produce Manifestations which ever expand the Beauty and Perfection of the Immortal Divine Plan of all Creation.

"I AM" speaking to you thru a Projected Flame of

Myself, which is an Ambassador of Myself and contains that Intelligence, Love and Power of Myself which can be of service to you! Just as you might have an Inter-communicating System within a building, wherein the one speaking could send the voice anywhere into each department at the same time – so can I thru these Projected Flames which are Ambassadors of Myself, come to you in whatever intensity of the Sacred Fire, you can stand; and in whatever Intelligence and Power of Love you can comprehend at the present time. That is variable, depending on the individual's requirement.

So can I send forth those Flames to each individual on Earth! Those Flames contain whatever each Life Stream requires in the outer to draw forth My Assistance! While the "Mighty I AM Presence" is expanding Its Own Divine Plan's Fulfillment thru the outer self, My Flame renders Its Service in that Assistance, which I give to produce Manifestations around the individual's expanding Flame.

Now you may know just as much about Me as you want to know, or you may know as little as you care to know. You may have just as intense a Flame of My Love as you can stand, or desire. I will not withhold one thing which you desire to know about Myself, about My Manifestations, about My Life to this System of Worlds; and the only one condition the Law of Life places upon you, is that your Love is the motive which makes you want to know that which I have accomplished.

Oh dear ones, could you understand what is within these Flames which I project from Myself, to those who turn their attention to Me, you could not have in the outer self one imperfection. You can, if you ask for It, have one of these Individual Flames abiding within and around you, charged with whatever you require to sustain the outer self in the Perfection of Our Love; provided your motive is that which desires only to Fulfill the Great Divine Plan of Creation; and to expand Happiness, Beauty and Perfection thru your outer self and your world in all the activities of your daily Life.

I want you to feel that the Angels of the Golden Robe or the Brothers of the Golden Robe, the Angels of the Golden

Flame, are My Messengers and will draw to you at any time, by Intelligent Direction, the Fullness of everything My Life's Love can manifest in the Universe, and that is more than you can understand today. You may have the Angels of the Golden Flame ever coming to you as Ambassadors of My Great Boundless Realm of Magnificent Activity, in which there is Music never yet sounded on the Planet Earth, Music which ever comes forth from the Heart of Creation in greater and greater Magnificence, Mighty, Boundless Harmonies and Melodies – exquisite beyond anything the ears of those of this World have ever heard. You may listen within this Flame, which I have called forth for each of you, if you desire; and if you can still the outer enough and purify it enough with your attention directed to Me, you can hear the Song of the Sun! You may hear at least part of Its Melody, which is ever singing thruout Creation, and any portion of which as It comes to your Earth is a Magnificent Composition in Itself. You may have that in sections as it were, or you may hear It altogether, or you may thru enough Love begin to feel It, until you do hear It.

I want you to feel that these Individualized Flames, which "I AM" all Authority to send forth to any individual on This Earth or within the System, are the Projections of Myself and, may I say to you, are My Family. They are Beings containing My Intelligence, the same as the children of a family contain the qualities of the parents.

If you really desire to know what is within the Golden Flame to This Earth, then ask thru Love! Maintain Humility, Immortal Purity and Uninterrupted Harmony, and the very desire of your Hearts to know, will draw back to you the Answer which will ever unfold to you the Beauties and the Powers of Creation.

When you realize how interpenetrating is the Life of the Physical Sun to all upon the Earth; when you realize the Magnetic Power of that Love is what holds the Whole System in Its Divine Order and Its Divine Motion; when you realize My Love – the Power of Life which you call the Physical Sun, is completely Intelligent; and when It connects with any other Intelligence which is receptive to the Sun, It automati-

cally supplies whatever is required to unfold Greater Beauty and Greater Perfection! Then It expands the Golden Flame of Love into Greater Activity and Greater Power.

The Golden Flame is an Ambassador of Myself and contains that which no other Flame contains! Therefore, the Brothers of the Golden Robe are the Custodians on This Earth of the Secret Powers – which are required from time to time to hold Dominion in the physical octave.

Now “I AM” going to remind you, or rather explain to you, that which I consider one of your Requirements! You have chosen your journey thru physical embodiment to attain the Ascension, and your Ascension is the Complete Power of Mastery; but how many of you even with all you have been told, have ever yet sent forth your call – that thru the Immortal Love of your own “Mighty I AM Presence” – you DEMAND the Full Cosmic Christ Mastery of Life into and thru yourselves in the physical octave? Unless you ask, how can you receive? Unless you demand, how can you be answered? You have considered the Ascension the Goal of your physical efforts here, and true It is; but you could have many of the Great Master Powers of Life acting in your outer daily use if you asked; but ask in Love and Adoration! Do not demand thru pride or arrogance or mental will power! Our Gifts are the Gifts of Love, and They are only given when They are sought thru Love and Humility! Humility may I say, is not servility!

Do you know My dear ones, that the Great Ones whom you know as Ascended Masters or Cosmic Beings, come to you from time to time, and give you what you can understand? They give you Their Enfolding Flame of Love for your Protection and your greater advancement to your Ascension! Do you know My dear ones, that Those Great Beings as They pass each Other, as They bow in Love and Gratitude to each Other, remain as humble as a child before the Greater Cosmic Beings Who direct Greater Powers of Creation?

Great as seems to be the Manifestation of the Physical Sun to this System of Worlds, yet there abides that Sun which is Greater! There abides the Great Central Sun, and My dear ones, before that Presence of Life’s Magnificent Creative

Powers, do I bow in Humble Love and Gratitude for the Privilege of My Existence. We never lose Our Humility, Love and Gratitude to That which is Greater than Ourselves.

If mankind once understood what Mastery could be theirs by the Humility, Love, Gratitude and Purity which is a Feeling within the Immortal Flame of each Life Stream; could they understand what they could have, by letting that Feeling go forth to all Life, there is nothing you could ask which would not be handed you, so to speak, on a Golden Platter, almost as your call goes forth! Almost as soon as the Desire is known, would Love find the channel and open it, to bring to you that which would produce Eternal Happiness, when that Humble Attitude to the Greater Life becomes just a Natural Radiation about you.

The Ascended Masters surely are not servile, and surely They are not undignified! There is a Great Majesty and Power about Them always, but there is the Humility of a child before the Magnitude of Creation; and before Those Great Magnificent Powers of Life which They may wield at Their Discretion, in whatever intensity the Activity in hand requires! We never cease to marvel and LOVE the Greater Manifestations everywhere in the Universe which as yet, We have not contacted.

When you understand, My dear ones, and think even for a few moments upon the fact – that a Galaxy of Systems of Worlds, is held together and directed by a Great Central Sun, thru Individualized Beings Who are Intelligent; and Who wield Power beyond your comprehension – then surely, there must be the Great Divine Orderly Sequence of all Life manifesting from within Itself! So It is with Me! So It is with you! So It is with every Flame which comes forth from either the Physical Sun or the Great Central Sun; and do you know My loved ones, that My Life and My Love are the Fire Element to your Earth and all upon It? Therefore, “I AM” the Sustaining Action of Life to all manifestation upon This Earth from the outer; and your own “Beloved I AM Presence” is the Sustaining Action of the Fire Element within you!

Now when you allow the Love of your own “Mighty I AM Presence” within you, to have unobstructed control thru the

outer self, and you care to recognize what the Sustaining Power of My Love is to the World — YOU MAY ENTER INTO THAT SUSTAINING POWER OF LOVE! Then that which sustains the World, WILL sustain your outer form in its Immortal Youth and Beauty and Perfection! However, you cannot, My loved ones, go forth into the outer world and for minutes or hours contemplate pictures of the depravity of mankind, and then the next moment expect to enter into the Powerhouse of Our Love, where only Purity can come!

As you allow the outer sight to behold for a few moments or a few hours, passing pictures of the depravity of mankind's feeling world, you are photographing that on every cell of your bodies thru the optic nerve! Then you wonder why you have obstruction; why this doesn't go right; why that doesn't go right; and why you feel harmonious one day and then irritation, restlessness and disturbance another day! If you want Our Perfection, then you must abide in Our Flame, where only the Pictures of Greater Beauty and Perfection can be photographed upon the flesh structure of your bodies! That takes place thru the optic nerves of the eyes!

You are dealing with Life My dear ones! You are dealing with the Law of energy and vibration! You are dealing with the world of form, and not you or all mankind together, can set aside the Law under which It acts. Do you know there isn't a body on This Earth which could not be healed, purified and perfected by an Individualized Flame of My Love; if called forth to penetrate and enfold that body and the body kept quiet long enough with the attention upon that Flame, to let It penetrate all things; and raise everything within the flesh structure, into the Immortal Purity and Perfection of that Flame?

If you want a Flame of My Love to take up Its Residence in the actual flesh body of your physical form, it can be done; but you can't gaze upon the insane suggestions of depravity, and body consciousness of the various channels of the outer world, for two or three hours one day — and then expect My Flame of Love to make you a Being of Youth and Beauty, Immortal Perfection and Complete Mastery the next day. That's like the frog in the well. He climbs up and he slips

down, and he climbs up again and slips down, and sometimes he falls back farther than he climbs up.

"I AM" the Flame speaking to you now – the Flame from the Heart of the Physical Sun! I see and know all things! Wherever My Attention goes, My Flame can remold all thru Its Love and thru Its Purity, into Immortal Perfection! There is nothing in the physical world or all put together which can do THAT for you. Why not turn away from the things you consider your physical pleasures? Why not experiment with OUR MOVING PICTURES for awhile? We have but one Moving Picture Theatre; It is all Creation! Have you ever been fascinated by that, long enough to see what is really there? Have you ever commanded the outer self to keep its attention there thru Love, until you knew what was there; until Someone answers you with the Self-evident Truth of the Law?

Know this My dear ones, when your attention goes to any Great Manifestation of Light or the Sacred Fire in this Universe, it is impossible for untruth to come back to you! You cannot get mixed up in the psychic realm or the astral creation of mankind, when the Love in your Heart connects, thru your attention, with the Manifestations which produce Light, or the Powers of the Sacred Fire thruout the Whole Universe! If your attention goes There thru Love, Love will bring back to you what is There! More than that, while your attention is contemplating That in Love, Love is photographing the Gifts and the Perfection which are There, into you and your world. Then the outer self becomes raised, purified, perfected and strengthened in a Way which your physical world cannot do for you.

My dear ones, it takes a concerted effort on your part, to concentrate your attention, until you discipline the outer self to look to the Heights of Perfection! Then It will come back to you and bring Its Blessings into your Life and your world, to be a part of you permanently.

If you expect to draw forth the Master Powers of Creation, which make you Master over all destructive forces in this World, then Those Powers come thru Obedience to the Cosmic Law of Love! If you want Those Master Powers, you

must ask for Them! Then keep your attention undivided upon Them, long enough to at least let Them connect with you, so they may yield to you Their Blessings; for They are so ready to flood you and your world with Their Boundless Freedom, Their Boundless Supply, Their Boundless Blessings, Gifts, Joy and Happiness indescribable to you! You can only know Them as you enter into Our Love and feel this Greater Action of Life which is so ready to give Itself to you!

Oh don't waste your time on the ephemeral things of the outer world – ceaseless and ever changing! The pendulum of human desires swings, and swings, and swings and will give you no rest, if you allow it to disturb your energy intermittently! He who is wise will anchor the Love of his Heart to his Presence, to Us, or to some Gigantic Manifestation which is worthy of his Love and Adoration forever! There beholding the Handiwork of the Source of Creation; there reaching into the Treasure-house of many of Its Marvelous Powers of Love – and with Adoration to that Handiwork which is Proof of God's Greater Intelligence, the individual may draw back into his own individual world, the same Greater Powers and Manifestations to bless him and all around him. That Love takes him forward with Mastery which is Divine and All-powerful in Its Great Majestic Authority of Eternity! Arise into the Dominion of God, the "Mighty I AM Presence"! Give obedience to Its Cosmic Law by Love, to the Source of all that is Greater than yourself, and draw back to yourselves the Mastery of all Perfection!

May I say to you – when you touch into Immortal Truth which is the Cosmic Law thruout Creation forever; when you ask for that Immortal Truth to shed Its Light into yourselves, and make you know the Cosmic Power of Its Law – the Information which comes back to you will be as Self-evident as the Universe Itself! You could not have any mis-information! You could not have any uncertainty! You could not have any limitation! You could not have anything but the Power which produces that same Greater Perfection; and you may have all that is above you, come into yourselves, until

It makes you Itself just as easily as you can breathe air.

Don't play with the things of the senses which are but records of suffering and imperfection! Don't play with that which drags you into connection with the destructive forces in the World at this time! Could you see sometimes what rides into your energy in five or ten minutes contemplation of pictures which are destructive; could you see in the atmosphere about you, what fastens itself to your own energy while you are contemplating those things, you would no more contemplate them, than you would cut off your right arm! Don't fool with destructive forces at this time, My dear ones! Hourly the outer world's destructive activities are growing more and more fearful, and they are more and more desperate as the hour of their removal approaches, for they know well enough, that the hour comes when they must meet their end!

The Cosmic Law's Authority must move into outer action by the Sacred Fire, under the Direction of the Lords of Blue Flame and Those Who govern the Destiny of this Planet! When They move over the face of This Earth, that which is not pure must cease to be! Therefore, the Life in destructive activities knows well enough, that the day will come, when it must face its own dissolution!

Therefore, those of you who, may I say, have been loved out of your limitation — self chosen; you who have been loved by various Ones of the Ascended Host, raising you out of your mistakes of the past, out of the problems of the present; you who have been loved into the Illumination which has revealed to you the Way and Means to the Ascension; you who have been loved until your attention could be drawn to this "Mighty I AM Presence," so you might have Its Mastery in this World; you are expected, may I say, to draw these Greater Powers into the outer World, so you will be no part of that which is sinking those who will not look to the Light!

Do not even in amusement connect yourselves with those forces today! I tell you they are desperate and they must face the Fire! When the Fire stands before them, their defiance of the past, their stubbornness and rebellion against the Requirement of the Cosmic Law; and their deliberate self-chosen filth and viciousness, as it faces that Flame, is

frightful to behold. Those creations send forth a howl of mingled defiance and fear! Even in the last hour when they are to be consumed, still is there a sense of defiance to that which commands their annihilation. Strange as it seems, yet unfortunately that is True of the mankind of This Earth! Be no part of that I plead with you today!

If you care to give the Brothers of the Golden Robe some recognition each day, and ask Them to teach you that which They know concerning the Physical Sun, Its Many Secrets, Powers, Blessings and Gifts of Perfection, They can instruct you in many ways, and bring you Knowledge the rest of mankind have never yet received. They are the Custodians of the Knowledge from the Physical Sun, and of many Manifestations there. The Knowledge They will bestow, the Law They will teach, the Information They will give, of course has to come thru your own "Mighty I AM Presence," and will be Self-evident and Immortally True!

You cannot make mistakes when you Demand in the Name of the "Mighty I AM Presence," the Immortal Truth and Ascended Master Illumination of anything you desire to know in this Universe! You cannot make mistakes or have misinformation, if your motive is sincere and honest, and you remain humble and obedient to your Presence. You will find the Flood-gates opening and the Illumination which will come to you, will bring Joy which far transcends all mankind's physical senses in this World, ever since they experimented with turning away from the Light!

The Joy of the Illumination of Immortal Truth; the Joy of understanding the Powers which manifest the Universe; the Privilege you have in using those Powers thru the Love of your own Life Stream, and that of Those Who are enfolding you in Their Heart's Love to assist you – the Joy That brings, is greater than all mankind, all their physical experiences put together, and no unascended Being can give That to you. Therefore, to your "Beloved I AM Presence" first of all, belongs your first attention – your first Love, your first time and your unconditional devotion and adoration.

If you want to know what the many Blessings of the Physical Sun are to the Earth, the Brothers of the Golden

Robe can easily instruct you! You will have to reach Them thru your calls to your own "I AM Presence." Then as you ask your "Mighty I AM Presence" to tell you the Immortal Truth of all concerning the Physical Sun, the Truth which the Ascended Masters know, then will one or more of the Brothers of the Golden Robe be sent to assist you, and enfold you in His or Her Heart's Flame; because there are Those Who minister from the Feminine Activity, Who are Members of the Brotherhood of the Golden Robe. As They reveal to you what is within Their Heart's Flame, one thing after another will become clear to you. It will just naturally unfold like a flower to the Sun. In that Greater Knowledge will come Happiness and a sense of Mastery, which only abides There, because It is Master of the Whole System!

Now this I want you to feel deeply! Whatever feeling you draw from the Physical Sun into the outer self, try to realize It carries and conveys into your Life Stream, into your feeling world, Its Own Feeling of Mastery; because within the Life of any Magnificent Manifestation thruout Creation, is the Feeling of that Manifestation! In your Life is your feeling, isn't it? Well then, in the Life of that Greater Manifestation, is the Feeling of Its Mastery! So when you put your attention there thru Love, and ask the Immortal Truth and Illumination of the Feeling of the Love which is in the Physical Sun, to come into you as Part of your Life Stream, then your "Mighty I AM Presence" opens the way, and the Flame descends in and around the physical form! Those Who are the Brothers of the Golden Robe, come and pour Their Feeling of what is in the Physical Sun into you; and within yourselves, will there come the awareness of the Joy and the Powers of Mastery which are within That Life; for That Life has come into you and will make you feel Itself.

If you want to become Our Love to the outer world, well then ask for It! Mankind have not too much wanted to be the Mastery of God's Immortal Love, but they can! If you ask, We could not refuse under the Law of Life; and when you contemplate the Enormity of the Love which flows out from the Physical Sun to all the Planets of this System – contemplate the FEELING OF THAT ENORMOUS LOVE – then if

you want to feel that Great Mastery of Life and that Great Control over the things in your Universe, your world, well It can come into you! It is a certain rate of vibration! It is the Energy of Life! You can just as well thru your Love, reach up and fill yourselves with Our Love as you can hold a glass under a faucet and fill it with water. Life will not say "no" to Love, when It is the True Divine Love to which I refer!

If you want to know the FEELING IN THE LOVE IN THE PHYSICAL SUN, then ASK your "Mighty I AM Presence" to make you FEEL IT! Send your Love to the Brothers of the Golden Robe, and ASK Them to enfold you in the Flame of that Love from the Physical Sun, which MAKES you FEEL that Love and makes you FEEL Its Mastery over everything in this World! Then if you are interested in using It, you may Command It to enter into everything in your world, until ALL in your world FEELS the Love which is there! May I say to you, Love to your "I AM Presence" and to all that is Greater than this outer self, is the only Channel of Eternal Supply! If you want supply, you might just as well make up your minds today, to become the Magnet of Immortal Love which is all Supply, all Substance, all Beauty, all Perfection and all the Glorious Powers of Creation which are Mastery over everything in this World!

Remember My Words today! The Love of your "Mighty I AM Presence" and the Love of every Great Being in the Universe which is Greater than your outer self, is the only Immortal Supply anywhere in all Creation! If you make yourselves and care to become a Magnet of Its Presence, by asking It to enter in and become One with your Life Flame – and then you ask your "I AM Presence" thru Its Boundless Love, to expand Its Limitless Blessings to all Life – then you automatically become the Magnet which attracts to you from all the Greater Realms of Creation, which you do not even know exist – all Their Boundless Blessings! Even in this World, the Love and Blessings you pour out, will make you a Magnet to draw back other Blessings which are in this World already manifested! Then strain, struggle, problems and mistakes are unable to enter into your world; for where

Love of all that is Greater than yourselves comes in to abide with you, and makes Itself a part of your outer self, then Our Love becomes the Authority over all in this World, and you find yourselves clothed with the Mastery of Its Cosmic Action.

That is how the individual can be clothed in Cosmic Power, and while yet unascended do many things the mass of mankind cannot do! Therefore, you can become as great a Blessing to those around you and to the physical world as you desire! There is nothing in the Universe to say you nay! There is All-Power from the Heights of Creation, to pour Its Boundless Love into you and make you such a Sun of Its Presence, that Its Mastery automatically expresses in the physical world, for wherever that Love is, Life flows. The Feeling within that Life is Its Masterful Control over everything to hold Perfect Balance, Immortal Purity, Indestructible Beauty and Inexhaustible Supply of every good thing.

Demand the Immortal Love from the Great Manifestations of this System of Worlds, to come into you and be a part of your Life Streams; to make you the Magnet of that Cosmic Love which draws all good things into your outer use; until you have Unconditional Freedom to do anything your Hearts desire to do, in the Fulfillment of the Great Divine Plan! Then will you know what the Master Power of Life can mean and do in this World.

(HERE THE BEING – THE AMBASSADOR WITHIN THE FLAME
SPEAKS)

If you should decide today, to accept the Flame of the Love from the Mighty Helios, should you decide to experiment with this, I as an Ambassador of that Love, shall be privileged to reveal to you Its Wondrous Feeling of Great Happiness; and to draw the curtain aside so you may behold the Boundless Powers within the Love of the Mighty Helios' Heart! Great have been the Manifestations you have seen thus far, yet they are only the beginning of that which will yet appear. If you, as Mighty Saint Germain's Family – He Who is the God of Freedom to the Earth – choose to draw the Master Powers of Beloved Helios' Love, of which "I AM" a Flame; if you want That to come into outer action, decide

within yourselves, and We shall enter into the Release of the Flame which shall prove to you, the Reality, the Truth and the Power of the Words you have heard today! You must decide whether or not you wish to be the Being of Love which becomes Its Master Presence — an Ambassador of the Mighty Flame from the Physical Sun into the world of outer action! Then your Beloved Saint Germain will know, that the Assistance you can give Him, will be boundless! If you want That Love you must decide! You must ask! You must reach up and accept the Fulfillment of that which you desire! Your Hearts alone must decide, whether you care to take such a Responsibility, and if you want to feel That which can only come from the Physical Sun thru the Power of the Sacred Fire! Is there no response? (Applause — audience rising) Thank you precious ones, there is no refusing the call of Love!

So will you feel for just a moment while you are standing, His Flame descend as a Golden Sun within the room and seal you into the Love from the Physical Sun! Like a Magnet It draws the Radiance of the Higher Mental Body closer into and thru the outer self. For just a moment FEEL this filling the room and penetrating everything within you, knowing It is the Immortal Love and Cosmic Christ Luminosity from the Physical Sun. Then It holds you sealed in the Mastery of Its Own Cosmic Action and Power, as It draws into your outer use, the Greater Powers of your Higher Mental Bodies and Those Activities of Our Love, which come only at the Command of your own "Blessed I AM Presence."

Feel yourselves filled with this Golden Sun and have no other pictures within your minds except, that the body and all within it, is a Blaze of Golden Light whose Love is the Immortal Perfection of the "Mighty I AM Presence" and the Physical Sun! See every cell of your bodies as a tiny Golden Sun, and may all within you become the "Master I AM Presence" of that Sacred Fire whose Out-pouring at your command, moves before you and into all things! The Perfection you desire, is compelled into Manifestation by your Love and Our Love — to do the Will of the Love in the Great Central Sun; until Its Beauty, Perfection and Joy are manifested everywhere in the physical World. Thank you so

much, won't you be seated?

Now as We remind you again of the Brothers of the Golden Robe and the Service They are waiting to render, may you feel your Love go forth to Them, in a call which ALWAYS draws from the Physical Sun that which you require, or that which you want to become in outer manifestation! They are the Ambassadors and Dispensers of the Power of the Golden Flame! As you Demand the outer self become a Sun of Its Loving Presence, you will find yourselves a Magnet – moving in the outer world and forever drawing forth everything at your command, by that Love from the Physical Sun which sustains This Whole System.

Think of it, the Sustaining Love of the Physical Sun becomes now for you, an Individualized Flame to enfold you and to bless you; to illumine and protect you, and to take you forward to the Fulfillment of your Heart's Desire by That Love which sustains the Whole System. (Applause – audience rising) Thank you precious ones, may your Love ascend to the Beloved Beings in the Physical Sun, as well as the Great Central Sun, and carry the Love of your Life Streams to draw back now the Fulfillment of the Great Divine Plan! Then every one of your Life Streams, will just naturally flood forth the Fulfillment of Its Own Divine Plan and reveal to you Glories, Beauties and Happiness which you have never known would be yours! Every desire of your Hearts will move into outer manifestation and you will have forgotten there ever were shadows!

May this Love become All-powerful within and around you! May It lift you free from obstacles, and may It expand with such speed that the Higher Mental Body takes Its Dominion thru the flesh form! Then there is drawn into outer manifestation that which all mankind are COMPELLED to admit, accept and obey; because It brings Happiness and Perfection thru Love to all. Thank you, won't you be seated please?

In Our Immortal Peace which is ALWAYS within the Golden Flame, may you abide and may It remove everything from the outer self which has ever caused you distress or limitation. I so command It! If you will feel It and see It

and send It forth by conscious command, you yourselves will be the Fulfillment of My Heart's Desire for you! The call of your own Heart's Flame will go forth to the Heights of Creation, and draw forth the Answer which shall forever Compel Mastery everywhere.

May the Song of that Flame and the Song of Cosmic Love from the Heart of Creation still every other sound around you! May It sing to you, the Song of Love's Perfection from the Altar of the Physical Fire; from the Altar of the Sacred Fire; from the Altar of the Cosmic Fire, until that Mighty Reality comes into outer action, and YOU KNOW YOU HAVE ENTERED INTO THE GREAT COSMIC LOVE AND BLESSING AND PERFECTION OF ALL ETERNITY.

I accept and shall bear to Those Who are to assist you in the future, your Love which has gone forth in the Name of the People of Earth – to thank the Mighty Helios and all the Beings of the Physical Sun, for That which has been poured forth thru the centuries. May Their Love and Gratitude come back to you and draw back to you, many many surprises and Inner Secrets to make you understand with Self-evident Truth, all you desire to know wherever Life abides. There may you know the Truth of Creation! There may the Immortal Light tell you of Itself, show you the Ascended Masters' Divine Plan and Perfection of all which is to come into outer action, by your conscious call! May Our Love ever bring to you the Fulfillment of your every Heart's Desire, until you stand the Master Presence of that Flame, as Its Immortal Ever-expanding Perfection moves forward; and you, a Dazzling Sun, in the Heart of your Universe, go forth to Fulfill your appointed Destiny unto the Ascension.

Thank you so much.
