

GOOD NIGHT BELOVED HELIOS
(Alternate Line)

Good Night, Beloved Helios,
Till the breaking of the dawn!
Till Thou dost bless the morn!
We thank Thee for this day!
Seal us in Thy Heart's Ray!

Good Night, Beloved Helios,
Bless all this day hath given!
By Love we all have striven!
Thy Love has all here blest!
In Silence we shall rest!

Good Night, Beloved Helios,
Our Love floods unto Thee!
Thy Love shall set all Free!
We thank Thee now for all!
Till Thy new Day does call!

Good Night, Beloved Helios,
Thy Life here too "I AM"!
We bow at Thy Command!
Our Love to Thee Ascends!
Thy Light Our World defends!

Good Night, Beloved Helios,
Thy Love shall bless this night!
Until we greet Thy Light!
Thy Light is Thy Love's Power!
We thank Thee every hour!

Good Night, Beloved Helios,
Thy Light has blest us all!
Around us hold Love's Wall!
We bless the day that's done!
We thank Thee for the Sun!
