BELOVED SAINT GERMAIN

BELOVED "I AM" STUDENTS of America and the World, especially to Our Beloved Ones at Headquarters in Chicago, We bring you Greetings for the New Year. As the Great Cosmic Angel on Whose Crown Blazes the Word "Union" speaks His Heart to Us all, We call Our Own "Beloved Mighty I AM Presence" into action; to blaze forth such Love and Gratitude to That Great Being—for His Love to America, that our Love draws back all America requires; to move into outer Command and COMPEL the forces of darkness to take their claws off America and the World!

THE GREAT COSMIC ANGEL

Beloved Ones of the Light, Great has been the Assistance of the Great God Presence of Life, the "Beloved Mighty I AM," to the people of America and the World! In the Use of the Great Cosmic Light, the "Beloved Mighty I AM Presence" has chosen to draw It forth into the physical atmosphere of Earth; for the Greater Freedom of Life here! It is My Privilege, as it is for Others who assist Me, to speak the Great Cosmic Fiat into the lower atmosphere of Earth—the "Cosmic Fiat of Life" and Its Immortal Freedom to Life everywhere!

Lift your Hearts to the "Beloved Mighty I AM Presence," the Source of ALL Life! Know with every fiber of your Beings, your Life is One with That Life and the "Be-

loved Mighty I AM Presence" of America, which means the COMBINED LIFE of all within her borders! All which is constructive within each Life Stream, now issues Its Call to the Heart of Creation; for the Release of Those Powers of the Sacred Fire, to move into outer command, the Authority and the Power of the Cosmic Light, to enter into the structure of the Earth; to enter into the brains and bodies of the people; and to strengthen every Constructive Impulse within them; until they arise and recognize their Authority to compel all destructive forces to be annihilated, before they can act further!

Great has been the Cosmic Assistance to mankind through the centuries from the Great God Powers and God Beings of the Universe! Greater than all that has gone before, shall there yet come Great God-Assistance to this Nation, so the Light may expand here! So It may take possession of Its Own; shatter all which seeks to enslave the people of the Nation; and forever bring to their knees, the destructive forces of the World! Only as mankind understands this, may the people look Godward through their attention; and connect with the Great God-Powers which control the Whole of Creation! Then, they realize they may draw forth into the lower atmosphere of Earth, whatever sets the Nation Free.

Be of good cheer and know with every fiber of your Beings; that the Destiny of the United States of America is the Freedom of God! Therefore, when the God-Power of all Life is called forth within the Nation, you will find It ever taking possession of the conditions of the outer world; and drawing forth whatever compels destructive forces to remove themselves from within your borders! Drive and bind the fear which has been imposed upon the Nation back into the hordes of evil!—all that has imposed this war upon the Nation;—all who want to sustain it! Compel all its fear, compel its plans, compel its evil to drive back into its own

cause; and compel it to annihilate itself!

Mankind can no longer be enslaved by the foolish ignorance of those, who imagine they are greater than the Great Presence of Life, which creates all in Existence. The mankind of this Nation shall awaken! The Light within the Hearts of the people who want Freedom, and the Light which is the Guard of Freedom, shall expand, until Light's Freedom reigns within your borders! Your Freedom must of necessity, be guarded by the Purifying Power of the Great God Presence of Life, the "Beloved Mighty I AM"!

The people were never created slaves to the destructive forces! Therefore, for him who has Courage in his Heart, and to the individual who looks Godward and DEMANDS the God-Power of Eternal Light, that "Light of God cannot fail"! None can take It out of the Universe! Light forever called forth into the physical atmosphere of Earth; called forth into the brain structure of mankind; called forth into all daily activities, becomes the Constructive Impulse within individuals! It is the God-Strength, Courage, and Power enough, to move into outer action, whatever compels destructive activities within your borders to let go!

Vicious as have been the war activities of the world throughout the centuries, what is planned against your Nation now, is the most vicious of all! Therefore, it is the Duty of every one within your borders, who believes there is a God—and no intelligent sane person can deny it; everyone who believes in the Great God Life in the Universe, should call to That God Presence now; to move over the face of your Nation; and intensify Its Authority and Power to shock the people awake, and give them the Strength of "The Light of God that Never Fails," to cause them to arise; and seize and bind every destructive force back into its own cause, and compel every plan to maintain war on this Earth to be shattered and consumed within itself!

The Great God Life of the Universe, the "Beloved

Mighty I AM Presence'' is not the slave of destructive forces, regardless of mankind's mistakes, past or present! The Great Cosmic Beings Who have guarded the Destiny of the Nation, Whose Love, Light and Directing Intelligence; Whose Almighty Hand and Directing Wisdom, have made this Nation great, still stand Her Guard! They will yet reveal to the people of the World, Her Destiny which is Immortal God-Freedom to the Earth! America is the Land of Light! America is the Land of God's Freedom to mankind! America shall not be blotted out by the destructive forces, regardless of all the war beasts of the World! America shall arise by the Hand of the Ascended Host, Who brought forth this Nation—for mankind to LOVE God as the people please. (Applause—audience rising) Thank you, Precious Ones, won't you be seated please?

I say to the American people today, all the war beasts of the World; all the munition makers of the World; all the war plans on the Earth, cannot interfere with America's Destiny in the Victory of the Light and the Immortal Freedom of God's Heart! God's Heart is the Power of Life which is Greater than all Life on This Earth! That Life shall come forth and BE the Authority within your borders, to enable the people to go forward; and render their Constructive Service to Life which COMPELS Perfection to come forth!

Know with every atom of your Beings, the Light of God and the Great God Beings Who have governed the Earth throughout the centuries, are Greater than all mankind's human destruction; or the desires and plans to further destroy whatever God has placed here! The war beasts of the World never created This Planet, and have not brought the Blessings of Nature here! Therefore, all which is Greater than the destruction of mankind, shall take a hand in the destiny of the World! That Hand shall make Itself felt within every human being on the Earth; and the destructive indi-

viduals who imagine they can wreck a nation, which has been dedicated to the Worship of God, are yet to learn the Lesson, which brings them to their knees, until their evil annihilates itself!

I want you to feel today with every atom of your Beings, the Cosmic Beings Who guard America's Destiny, stand as your Ascended Master Friends; ready to bring to your assistance, Great Cosmic Powers through the Activities of Nature and the Forces of the Elements! There are Cosmic Beings whom mankind do not even believe exist! They have Power to wipe out the whole Planet if need be! Those Beings, Great in Their Immortal Constructive Power of Life, are greater than all mankind put together! They are your Ascended Master Friends who can wipe out of This Earth, all which mankind has qualified with destruction.

When you realize the dishonor to Life, which the warring forces of the World have imposed upon This Earth and upon This Nation, surely everyone who wants Protection must call to God for Help. If he or she will awaken to the Knowledge of the "Beloved Mighty I AM Presence" and use the Great Creative Word of God, the Great Supreme Authority of God, to bring forth in This Nation, the Power which shatters all destructive forces, you will find the Reality of Existence coming to your Assistance! You will find Cosmic Beings releasing Powers mankind cannot oppose! You will find the Destiny of This Nation is the Freedom of God's Heart; and "The Light of God that Never Fails" is your Friend of Eternity!

"I AM" here today to fire the people of This Nation awake, to their Divine Powers; their Divine Responsibility; their Divine Freedom and their Divine Use of all the Electronic Force of the Universe! Be of good cheer! Draw the Light of God which destructive forces dare not use! Let there be an Awakening within the Nation! Let the people arise and refuse to obey the commands of the destructive

individuals and forces, who want to wipe them out.

America is the Home of the Light! America is the Heart of Light to the Earth! No beings on This Planet are going to wipe out the Handiwork of the Cosmic Beings who created the Planet! Because individuals are insane with their fiendish destruction, does not mean the people have to be slaves to their plans! Drive and bind every plan of destruction back into the brains and bodies of those who plan it! Let the Divine Judgment of the Powers of Nature, take their toll in the brains and bodies of those who do not know the Wisdom of serving the Divine Way of Life!

At a certain point, I shall issue the Cosmic Command, to strike throughout the atmosphere of Earth, Those Powers of the Cosmic Light which mankind will remember forever! Every beast of destruction on This Earth shall be seized and shall be bound by the Powers of Light! LISTEN TO MY WORDS TODAY! REMEMBER MY WORDS! FOR AMERICA'S DESTINY IS IMMORTAL FREEDOM IN THE HEART OF GOD'S LIGHT! IT CAN NEVER BE PUT OUT OF THIS UNIVERSE! (Applause — audience rising) Thank you, please be seated.

I want you to feel your Authority this hour, by "The Light of God that Never Fails," to command the annihilation, and forever prevent every destructive force either within your borders or driven against you, from having any authority within your land! Every traitor within your borders shall meet the fate of all traitors! Every destructive force shall annihilate itself! Every bit of human authority shall be stripped from the people of your Land!—and the God Authority of Life—the Constructive Power of Life's Eternal Perfection, shall speak Its Fiat of Eternal Dominion; and Peace shall possess the Earth and all upon it forever!

Be of good cheer! The evil forces are fast meeting the recoil of their own intended destruction against the People of the Light! They are no more an exception in the Land of

America than they are anywhere else on the Earth. Evil destroys itself! Command It in the Name of the "Beloved Mighty I AM Presence" and the Immortal "Light of God that Never Fails! Command It in the Immortal Victory of the All-Christ Fire of Creation! DEMAND the annihilation of all which wants to destroy your people and you will find the Heart of God hears your Call! You will find Divine Beings fulfilling your Calls! You will find the Reality of Life and the Eternal Powers of the Light of God, come to your assistance in Miraculous Ways; and through the Powers of Nature, which the war beasts of the World cannot control!

I shall fire the people awake with the Light of God which will never take any Authority from anywhere but Perfection's Flame! Drive and bind the filth of the war beasts of the World, back into their own brains and bodies; back into their own plans and see whether evil destroys itself or not! They are fast approaching their end! America is not to be slaughtered! America is not to have the frightful forces of debauch come within the Nation! I have determined That, as well as Others who are Greater Authority than I. (Applause—audience rising) Thank you, Precious Ones, won't you be seated please?

I say to you, the war beasts of the world are having a time selling war to America, and they are going to have a harder one from now on! (Applause) Call to the Powers of God's Immortal Light, to COMPEL all evil to annihilate itself; and you shall see whether the Cosmic Law is real or not! The destructive forces which have intruded within your borders are to meet their end! Be assured of that! This idea of one war after another has no intelligence in any of it! Now comes the end of the Cycle, wherein it will not be permitted any longer!

Be no part of that which wants to impose the fear of destruction, the debauch of immorality and filth which has crept into the channels of your government! Be no part of

that thing! Turn all such filth back into the brains and bodies of the people who want to impose it upon the Nation, and see whether Divine Judgment is a Law or not! I challenge you—I challenge every Being on the Earth, to see whether or not there is a Law of Divine Judgment; a Law of cause and effect which is as Absolute as that the Universe exists. I challenge the people to prove it!

There are Divine Beings Who govern the Handiwork of Nature; who are all Authority over everything on This Earth! They are the Ones who turn back upon depraved individuals, the accumulated force of their own intended destruction; turn back upon them everything they seek to impose upon the Constructive People of the Nation!

I say, the people are awakening and they shall awaken more, but if it takes the Powers of Nature to shock them into some kind of Intelligence, then the Powers of Nature shall arise! (Applause) The Great God-Intelligence and Power of Life, continually try to dissolve and consume mankind's frightful discord and impurity! Century after century has Nature tried to purify and blot out mankind's insane destruction! Now, the Powers of Nature shall be set Free from mankind's discord! We shall see who is the Master of the Electronic Force of the Universe!

Your atomic bomb is a plaything compared to the forces within Nature! Therefore, the Great Presence of God's Life, creates in this Universe, Manifestations Greater than mankind and Greater than human beings' devilish destruction! You will find Greater Manifestations coming to your assistance, as you feel your ONENESS with That Great Presence! CALL to the Great Cosmic Beings for the Protection of all which is Constructive! CALL to Them to come into the physical atmosphere of Earth; and turn back upon depraved individuals, the full destructive intent, they wish to impose upon the people of the Land! If there ever were a devilish thing on the face of creation, it is the insane destruction

of the Younger Generation.

I fire the parents awake this hour throughout the Nation, with the Blue Lightning of Cosmic Christ Illumination, that shall fire them with determination to take out of office and out of This Land, every human being who wants to send their children to destruction; or use the resources of the Land to deprave other Nations! I say to the parents of the Land: "Awaken! USE your God-Powers for the Protection of your Loved Ones! Drive and bind the fiends of destruction into the Compound where they belong; until their evil is burned out of them! Drive and bind out of your government, every human being who has imposed filth and destruction upon This God-Loving Nation of the World! (applause)

Now, I tell you something which shall bring cheer to your Hearts. Every time evil forces come to the place where they think nothing can touch them, or they own the Planet, they are near their end. When they think they are going to run everything into destruction, always remember, they are very near their end, when they take that stand! When any human being within your government or anywhere else says everyone within your Land is going to be compelled to DESTROY, DESTROY, DESTROY, be assured he, who is insane enough to give such a suggestion, is on the verge of being removed from the physical body and taken off the Earth! (Applause—audience rising) Thank you, Precious Ones, won't you be seated please?

I have come to speak These Words of God; to blaze the Light of God which cannot fail; and no one can take It out of the Universe! I have come to blaze This throughout the Nation! I shall blaze It every day for the next seven days! (Applause—audience rising) Thank you so much, Precious Ones, won't you be seated please? Let every human being within the Nation hear My Words today! Carry This Message as far as you please, and what can the destructive forces do about it? They cannot take Me out of the Universe! They

cannot wield as much Power as I! The Cosmic Light doesn't go out of the Universe at their command! No one can remove It! No one can take the Great Cosmic Law of Cause and Effect out of the Universe! Individuals who send forth destructively qualified energy, have to face its recoil! All energy travels in a circle! Therefore, every destructive plan has to come back, with its full force intended against mankind – into the brains and bodies of the individuals who send it forth! No living body can stand against the combined discord of the evil forces of the world! We have all Authority and Power to bind back into its cause all which wants to destroy! We can return all destruction; all evil and all yet intended back into its cause! The atomic bomb is a play-thing, compared to Our Cosmic Authority and Our Direction of the Blue Lightning of Cosmic Christ Judgment; which can be bound back into its cause, until the evil is no more! The insane beasts of filth and destruction are not the Masters of God! They are not the Masters of the God-Loving people of the World! They are not the Masters of a God Nation, and America was dedicated to the Worship of God! Your Beloved Master Saint Germain gave His Courage, gave His Strength; gave His Energy, His Love, and His Power from Cosmic Heights of Creation; to establish This Nation in the beginning; and to lay down the Constructive Principles of Government. So long as those Principles were obeyed, the Nation rose to Her height! He is Her Guardian Presence now and forever! (Applause – audience rising)

Thank you, Precious Ones; if you will remain standing a moment, I have this to say: “‘I AM’ at His Command! I shall forever DEMAND Honor to America; Protection to all which is Constructive within her borders; and the God Presence of Life shall come forth and manifest here Its Eternal Authority, Its Eternal Power, Its Eternal Blessing of Light which none can take out of the Universe! Therefore, ‘I AM’ at His Command! He is the Authority of God Almighty, the

'Mighty I AM Presence' of every human being within your borders! The 'Mighty I AM Presence' and Higher Mental Body of every Life Stream on This Earth, is One with His Determination to strip This Nation of all filth and destruction! Therefore, 'I AM' at His Command; and I shall use every Power of God's Light in the Universe; every Power of the Sacred Fire; all the Law of Action and reaction to come into physical conditions, until every evil force within your borders is blasted out of your land and annihilated forever!" (Applause) Thank you, Precious Ones, won't you be seated please?

Now, I want you to understand today the Destiny of This Nation is a God-Government! The Destiny of her people is God-Purity! The Destiny of your Activities is God-Freedom! The Destiny of your Land is God-Protection to that which blesses Life! The evil forces shall not use the resources of your Land nor the Lives of your people to destroy, and destroy, and destroy; to suit the insane greed, insane filth and depravity of creatures, who are not fit to tread the Planet. We will see whether My Light is a Command or not!

I stand One with you! I stand One with everybody and everything which is Constructive within your borders! I stand the Power of Light Supreme! Therefore, the Directing Intelligence of the Light of God which cannot fail, which can never be removed from the Universe, is now to become the Authority of your Nation! Regardless of all the war beasts and the insane depraved creatures on the Earth, I say to you, "The Light shall yet rule within your Nation! Within the next fifty years, shall This Nation arise with Perfection which will amaze you! The finest things you have in the World today, are coarse and crude, compared to that which will be yours for use fifty years from now."

Therefore, We are determined to give Protection to whatever is Constructive within your borders! So fear no evil! Drive evil back into itself and COMPEL the beasts of

destruction, to remove themselves from the Earth! Let there be the Strength, the Power, and the Love of God in the Hearts of the people, which is "The Light of God that cannot fail" to arise, expand and shatter every bit of slavery within your borders; and shatter all filth and depravity; shatter all selfishness in America and the World! There shall arise the Nation of Immortal Light, whose Power of God none can stay! To Our Immortal Light, the Powers of Nature bow and give Assistance; and hold the Protection here, which forever brings forth Perfection to Life! (Applause)

With your Beloved Saint Germain, I say to all throughout the World: Freedom shall live and tyranny shall die! God's Hand rules all by Power from on High! Stand your ground! Call That Power into outer action! Be unafraid. Go forward with your hand in God's. With God's Help will you find Freedom ruling your Nation; and the hordes of destruction shall be taken where they belong, until they are purified. "I AM" issuing This Command by the Authority of Those Who govern the Whole System! When the Cosmic Light begins Its Work of Purification in the atmosphere of Earth, not all mankind put together can prevent It nor delay It.

Therefore, That Light is your Friend! You are a Friend of the Light! The Light is a Friend to you; and who can take Light out of the Universe! Just as surely as human beings lay plans to force a whole Nation to do nothing but destroy, shall the destroyers themselves be destroyed; by their own plans and their intent against the Nation. (Applause) From this hour, Precious Ones, shall you find the turning point in the outer affairs of This Nation! "I AM" here to turn the current of destruction; back into the brains and bodies of all who have imposed this war upon the Nation, and all who want to sustain it. (Applause — audience rising) Thank you so much, Precious Ones, won't you be seated?

You have come to enter into a Cycle, wherein war is to be removed from the Earth forever; by the Ascended Masters,

the Great Cosmic Beings and by the Powers of Nature! The Fiat has to go forth by the Will of Life; and you are the people within the Nation who are the Will of Life! Therefore, when you take your stand that the Will of God shall be the Government of the People – the Will of God's Love SHALL be the Power of your Protection and your Freedom! Only by the Will of Life, the Immortal Victory of all which is Constructive, must now possess your Nation; and remove all from within your borders which has dishonored God! Then, by the Will of the people, shall they be saved by the Will of God; and We shall see whether human beings or the Owner of the Universe is Master!

I shall DEMAND Divine Judgment into the brain and body of every human being, who wants to keep this war alive for any reason; or who continues to destroy the Blessings of Life within This Land! Take your stand fearlessly! Be unafraid before the people of the World! Demand the beasts of destruction seized and bound until they are purified! Every tyrant dies in disgrace! Every dictator dies in disgrace! Every war maker dies in disgrace! Everybody and everything within your borders, which has imposed filth upon the Nation shall die in disgrace! The very fear and impurity which those have imposed upon the people, shall be their own end!

As you face the months ahead, We shall see whether My Fiats of Life are manifesting their Fulfillment or not! The Great Cosmic Being, the Beloved Mighty Archangel Michael and the Great Cosmic Being Who directs the Blue Flame to the Earth, are all Authority over all mankind for all time to come, and They are very Real. I challenge anybody who wants Protection to call unto Them with sincere devotion and look Godward, call to Their Great God Presence for Protection and see whether They are Real or not! If the Gift given isn't the Proof of His Reality, what could be? You cannot have a Gift without a Giver, and That Beloved

Being stands the Champion of your Beloved Saint Germain, in the Government of the United States of America! When the people want the Government of the Beloved Archangel Michael and His Legions of Blue Flame, you will have It! (Applause—audience rising) Thank you, Precious Ones. When that which is insane wants to continually destroy, turn its own intended destruction back into itself! Then, the insanity consumes itself before it can act! Remember My Words this hour! Won't you be seated please?

I have fired you with the Power of the Cosmic Light from Our Octave! It shall surge throughout the Nation! It shall bring Courage, Strength, Fearlessness, and Determination into all which is Constructive, and cause It to arise; take the Master Hand of Eternal Authority within the Nation; and forbid any further existence of whatever is the depravity of destructive forces!

The idea of sending your entire Younger Generation to fight in foreign lands, without even a fighting chance, is insane viciousness! This Younger Generation is not to blame for this war! I say to you, the munitions manufacturers of the World are soon to meet their end, just the same as every other evil force on the Earth! When their arrogance and conceit reach a certain point, all the fear they have imposed upon the rest of mankind, reverses and comes back into them! Then, their conceit becomes a thing of the past!

Therefore, lift your Hearts to the "Beloved Mighty I AM Presence"! Send your calls to the Ascended Masters and Cosmic Beings! Demand Their Authority on the Earth, to cleanse the Earth and COMPEL mankind to look Godward; live Godward; walk Godward; turn to That Great Authority of Perfection; and draw Its Everlasting Freedom into your Nation! Then, will the Victory of Light hold Its Reign within the Land; and forbid the existence within your borders of all that has dishonored God.

From this hour henceforth, will you find "The Light of

God that Never Fails" and the Cosmic Fire I have sent forth into the ethers over your Nation today, ever expanding the Activity of that which comes from the Heart of Creation; until mankind is fired with enough Courage, Strength, and Purity, to hold the Great God Presence of Power and Perfection here! America shall go forward and fulfill Her Destiny as the "Cup of God's Light" to the Earth; until the Light Itself becomes so blazing, the shadows can no longer appear! (Applause)

Know you are a Part of the Victory of Immortal Light and That Light is the Cosmic Christ—the Light of all Creation! You can no more take It out of This Planet than you can take the Universe out of existence. Therefore, you are a Part, My Dear Ones, of Our Eternal Light! It is Light's Authority which you need to DEMAND into the affairs of mankind! As you DEMAND It control your Nation; as you DEMAND It protect your loved ones; and blast the war beasts from the Earth, will you find That Light becoming your Friend! Then, the conditions in the physical octave which produce imperfection here, change at your COMMAND!

Life all down the ages has been told: "Call unto Me and I will answer thee! Ask and ye shall receive! Seek and ye shall find! Knock and it shall be opened unto thee! Thou shalt decree a thing and it shall be established unto thee!" Therefore, take the Hand of God, the "Beloved Mighty I AM Presence"! Take the Hands of the Ascended Masters and Cosmic Beings! Walk with the Angelic Host! DEMAND Their Fire come everywhere here! The human, in its frightful discord and dishonor to God by its terrible impurity, must be compelled into annihilation and all evil consume itself! Life shall set you Free!

Thou Beloved Land of America! Thy World is the Heart of Light to the Earth! Thy "Cup of Light," shall be filled to overflowing with the Light which no man can change! God's Light shall COMPEL Immortal Purity within you

borders; hold Freedom the Daystar of your people; and COMPEL God's Victory to take mankind within your borders forward to the Fulfillment of its Destiny; and the Great Will of God bring the Divine Plan's Fulfillment here for the Freedom of all!

Therefore, I commend you to the Heart of Light which cannot fail, the Light of God which lights all Creation! I commend you to Its Everlasting Protecting Presence! I commend you to the Sacred Fire of Its Victory! I commend you to Its Eternal Peace and Its Immortal Freedom; until the human discord and destruction which has brought blight upon the Earth century after century, is gone from the Planet and never again to return! With the Victorious Miracle Presence of the "Beloved Mighty I AM," the Ascended Masters and Cosmic Beings, the Great Angelic Host, and the Eternal Light of God's Mighty Heart, do I clothe you this hour! May It blaze without reservation throughout the Nation; until everything which is of evil, dies before it can act; be it within the people or in the atmosphere about you!

In every plan to continue this war, send forth its intended destruction back into the brains and bodies of its creators! Then, COMPEL the Earth purified and set Free, from all not of God's Heart! Into God's Heart shall we take the Earth; and set it Free from all which is not the Light of God's Heart! Let the end be now of the domination by the war beasts of the World! Call forth Cosmic Christ Judgment to strike into every evil thing on the Earth! COMPEL it to consume itself, before it can any longer pollute the world by its existence!

To the Victory of the Light and the annihilation of evil everywhere by itself, do I commend you! You shall go forward with Us, Hand in Hand, the Victorious Authority of the Power of "The Light of God that Never Fails." The "Beloved Mighty I AM Presence," whose Great Cosmic Word of Creation is all Authority everywhere forever, does come forth

in Quick Descent of the Cosmic Light which forever takes possession of Its Own! Into Its Blazing Armor do I call you! Into Its Immortal Victory do you come! Into the Everlasting Heart of God's Eternal Love, shall the Nation arise and purify Itself; until It gives Its Blessings to the rest of the World; and evil be a thing of the past, forever forgotten!

Mankind begins to arise! The people must arise into the Victory of Eternal Light. I so command It! The Strength of My Light and all the Light in the Universe, shall come forth and fire the people awake, to all which frees them for Eternity! Into the Heart of "The Light of God that Never Fails" shall America arise from this hour; and shake herself Free from all the debauch of the centuries! (Applause—audience rising) Then, shall the Flame of Peace, which the Hearts of the people desire, possess the Earth for Eternity; and become the Law of all Cycles for all time to come!

To the Boundless Love of Our Flame of Everlasting Peace, I commend you! Unto the Blazing Legions of Light do I call you! May you wear the Armor of That Light which is so BLAZING the human can never live again! In the Fullness of the Cosmic Authority of the "Beloved Mighty I AM Presence" and the Ascended Host, are you clothed tonight in the Armor of Light! As the Armor of Light blazes Its Light through the atmosphere of Earth, the shadows must take the consequences of their own evil!

Therefore, you the People of the Light, blaze the Light now without reservation! Fear no human thing! Stand unafraid, clothed in a Sun! Let "The Light of God that Never Fails," blaze and render the Service to your Nation which is Immortal Freedom from the Heart of God, to whom the Nation is dedicated!

Therefore, you the People of Light, you the People of God; you the People of Everlasting Freedom and Eternal Peace, are now the Victory of God's Mighty Command; for the Nation to be stripped of all which is not what the Nation

needs, to be the Fulfillment of the Divine Plan—the Destiny of all unto the Ascension! I bid you adieu and I shall meet you again; until the Victory is Outpictured everywhere with Full Power for Eternity!

I thank you.
