

GREAT COSMIC ANGEL ON WHOSE CROWN
BLAZES THE WORD "UNION"

SANTA FE, NEW MEXICO

JANUARY 2, 1951

No. 2

Series of Nine

ELOVED OF THE LIGHT, as We enter into the Great Outpouring tonight, for the Accomplishment of the Victory for which you call, and which has been commanded as the Destiny of America, by Those who are God's Cosmic Law to the Earth—the Cosmic Law to This System of Worlds, be assured, as you stand with Us and render this Service, the Results are ABSOLUTELY CERTAIN to come!

We want to thank you forever for your Staunch, Fearless Decrees! You little dream yet what their Service is within the Nation; but hourly shall they expand! They shall be charged with the Cosmic Power of the All-Christ Flame, which must surge throughout the Nation; must surge through the people and COMPEL the Purity which sets them Free. When people want Release from that which is destructive and limiting, Release can only come by the Purifying Flame from Our Octave; or from the Higher Mental Body of the individual.

In the Service which is to be rendered tonight, may you feel with Us, the Great Fire of the Cosmic Christ; the All-Christ Fire from the Life Streams of all who belong to This System of Worlds! The Earth is being watched by the Great Cosmic Beings of the System; and every possible Activity of the Sacred Fire, is being drawn into the lower physical octave, in order to COMPEL the Purity which is your Guard. Heretofore, I think you have separated the Ideas of Protection and Purity, and yet you cannot! It is the Flame of Purity which is your Protection. So, unless Purity is there the Protection is not!

So, throughout the Nation tonight, there shall go the Flame of the All-Christ, the Immortal Purifying Power from Our Octave! It shall surge into those in all positions of Trust and Responsibility to the people; and into those who have been honored by the people with the Trust of Office! It shall surge into those who are custodians of the wealth within your borders, which the God-Presence of Life has placed here for the Freedom of the people! I shall send forth the All-Christ of Immortal Purity, and Purity shall rule! The contaminating of the Gifts of God upon the Earth and the energy from the Life Streams of mankind century after century, is to come to an end!

Therefore, let every one under This Radiation, feel himself or herself tonight, clothed with the All-Christ Fire of Immortal Purity! Feel It go forth throughout the Nation into the mental and feeling world of the people; to be the Strength of the Light which protects the God-Given Freedom your early patriots gave to the Nation!

When you want Protection for yourselves or that which God has given you as supply, always keep the outer intellect reminded, the Protection you desire is the All-Christ Flame of Purity! When your "Beloved Mighty I AM Presence" has stood throughout the centuries, awaiting every opportunity to blaze through Its All-Christ Flame; in order to purify the conditions of the outer world, so mankind's suffering might cease, you should know the "Presence" has been forgotten! When mankind's discord and impurity reached such a terrific state the "Beloved Mighty I AM Presence" was completely forgotten, surely you are aware of what there is in the outer world, which must be purified.

The Great Cosmic Violet Consuming Flame to which your Mighty Master Saint Germain has called your attention, is the Purifying Action of the All-Christ Flame. It is the Purifying Flame of Life which gives Its Purity and Itself into whatever needs Purification. So, as you become more

aware of Its Authority throughout your Nation, you will find all that is Constructive, arising and being given Strength to stand against the discord and the impurity which must be removed! The impurity which has crept into the Nation, focuses a concentrated action into your government against the people! Yet, the people themselves, because they have been hypnotized and controlled to some degree by that impurity, have become slaves to the individuals in your government, who are determined to wreck the Nation! The people must be purified, if there is to be the Strength of the Light in the Nation, to go forward and hold Freedom for the country; until all destructive forces can be removed.

So, tonight let us concentrate your attention upon your own "Beloved I AM Presence" and the Ascended Host; and DEMAND and DEMAND and DEMAND the Cosmic Power of All-Christ Purity—the Sacred Fire of the All-Christ, which COMPELS the Instantaneous Fulfillment of your calls! If you keep demanding all the Cosmic Power of the All-Christ Fire of Immortal Purity, necessary to go forth and strengthen the Purity in the people, they become the pressure upon those in office, who must be forced to remove the destruction which has sought to enslave you all!

Whenever you call forth Protection, try to remind yourselves, the Action of That Protection is the All-Christ Flame of Immortal Purity! You DEMAND this and see for yourselves how your problems fade out! See how limitations become a thing of the past; and how Courage is strengthened within you, to go forward to Victorious accomplishment; to Mastery over the limitations! Your limitations are nothing but impurity, whether it be in the individual or the Nation or the World, matters not! The concentration of the Power of the All-Christ Flame—the All-Christ Fire—has to be directed, sustained, and concentrated into the limitations which are nothing in the world but impurity.

So, try to feel with Us tonight, that We have taken you

into the Great Christ Flame from Our Octave; and like a Mantle of Its Presence, have We drawn you into the All-Christ Purity of Our Octave! You do not yet realize tonight what That means! You have made certain conscious effort in the Use of the Violet Consuming Flame to purify yourselves, Dear Hearts! You have risen above that which is in the outer world; but when you understand for the purification of your Nation, We take you within the All-Christ Flame of Our Octave of Immortal Purity, It means far more to you, than does your own individual effort with your Presence! It means a Flame of Purity from Our Octave has all Cosmic Power to produce Instantaneous Manifestation of your Freedom! (Applause—audience rising) Thank you so much, Precious Ones, won't you be seated please?

I want to explain something individually to you, which I could not give over the air yesterday in regard to the Cosmic Light! When the Cosmic Light-Substance comes into the atmosphere of Earth, passes through the brains and bodies, the mental and feeling world of the people; then into the structure of the Earth, It consumes all human selfishness and discord from the Planet! Therefore, the Cosmic Light is the Immortal Purity which changes everything in the physical world into Its Purity! In other words, as It passes through all substance and all energy in the mental and feeling world of the people; and into the very structure of Earth itself, It is a Concentration of the Magnetic Power from the Great Central Sun! It is a certain Definite Action of the All-Christ Flame, which everywhere it passes, returns everything to the Immortal Purity of Our Octave and none can escape!

Mankind does not know anything yet, concerning the Magnetic Power of the Great Central Sun Magnet! If it seems the part of Wisdom, We may explain some things to you, but what the rest of mankind knows concerning the Great Central Sun Magnet is almost nothing, compared to That which

is coming. A few have touched upon a fragment of some of Its Power; but when mankind in its misuse of the Energy of Life, has created these frightful conditions of destruction, murderous insanity and frightful filth, then, Precious Ones, there must come a Cosmic Power into the atmosphere of Earth and into the Light of all on the Planet – a Cosmic Power mankind does not know, and therefore cannot resist!

That is why in Our Call for “The Cosmic Light of a Thousand Suns, to descend into the Earth and dissolve and consume all human selfishness and discord from the Planet,” It means the Magnetic Power of Immortal Purity from the Great Central Sun, draws Its Great Terrific Force into the structure of Earth; and unites with the Purity in the Heart of the Earth! This is why there is no escape for anything destructive. This is the Law of the Cycle; that the Immortal Purity from the Ascended Masters’ Octave now passes through mankind, the Powers of Nature, the structure of Earth itself, and all upon it! As It passes through and unites with the Immortal Purity of the Sun of Even Pressure in the Center of the Earth, everything through which this Magnetic Purity passes, automatically becomes Pure; regardless of all the governments of the World or individuals! Nothing can escape That Power!

There will be certain Individualized Life Streams released from the Earth, before Our Purity comes in Its Fullness; but It comes because It is the Purity which has to come; in order to sustain the Earth and the Fulfillment of the Divine Plan here, through the Powers of Nature. Our Immortal Purity is bound to come; and the individuals who are not ready yet to purify themselves had better get ready! That’s all I have to say! (Applause) This compels the Energy of mankind’s Individual Life Streams as well as the Powers of Nature and Forces of the Elements, to be released from the frightful discord which impurity has imposed upon Life!

The Life of your Nation must have This Same Flame pass through it, if the government is to be purified or your people released from the frightful things of war! Call for all the Cosmic Power of the All-Christ Flame of Immortal Purity—everything required to bring you Instantaneous Fulfillment of your Calls! It will draw a very much more rapid and Intense Concentration of the Cosmic Light-Substance into your Nation; into your atmosphere; and into yourselves, than if you just call for the Purity you desire.

Call for ALL the Power of the All-Christ Flame necessary to compel Instantaneous Fulfillment of your call! Then, you give Us a certain amount of your energy qualified with greater determination for this Purity to come into Your Land; and hold possession of your government and your resources for the Protection of your own people.

I want you to feel tonight, Our Love for your willingness to give these Decrees and your determination for this All-Christ Flame of Immortal Purity, to charge through the brains and bodies of those in Public Office! It shall give the people God-Freedom! It shall be the Immortal Purity of the Cosmic Light! When you issue those Decrees, Precious Hearts, We can clothe you in the Flame of Our Immortal Magnetic Power, Whose Purity compels Instantaneous Fulfillment of your calls! (Applause—audience rising) Thank you so much, Precious Ones, won't you be seated please?

Therefore, as your DETERMINATION increases to be Free from this war, and to give the Sustaining Strength, which is the Sustaining Purity of the Cosmic Light and the All-Christ Flame, to those in your government and in your Land who are trying to hold Freedom for the people and protect that which belongs to you, as with DETERMINATION you call forth this All-Christ Flame of Immortal Purity, with the Cosmic Power to instantly charge those individuals with the Cosmic Strength and Power to protect the Nation and hold you Free from destruction, with your Determination sending that forth, there

automatically becomes anchored in yourselves and your world Our Flame of the Fulfillment of your call! That which you are determined to send forth to strengthen those whose duty it is to protect the Nation because of their Oath of Office, well then, when you are determined that the Strength and the All-Christ Flame of Immortal Purity shall possess them, and blaze through them the Power that saves the Nation, automatically are you clothed in Our Individual Flames of That Power that become a Permanent Part of you, as Our Flame becomes a Permanent Part of the Earth. I hope you understand this tonight!

From the Inner Action of the Law, whatever you call forth with Fierce Determination to save the Nation, automatically becomes a saving of yourselves! Even though you have forgotten yourselves in your determination to protect your God-Given Gifts here; yet you can save the Nation from the unspeakable things planned against you! Therefore, it depends on your own Individual Purity, how much of This Flame you can absorb; have focused around you; and use as the Strength of the Light to give Our Courage to others!

I wish I might have said this over the radio to all the people of America last night! It went into the mental and feeling world of the people, regardless of whether they heard the Words or not! This Immortal Purity must come, Precious Ones! Do you know why? You, to some degree, know something about This; but the mass of the people under hypnotic force, are afraid of it! They know it is occurring, but they see no way out of the thing which has enmeshed them! Between the frightful conditions of war and the hypnotic deliberate intent, to destroy by the sinister force, through food, drugs, and the wrong in the medical profession, the people's bodies are rotting to pieces! That is the only word which describes what they have done to the atomic bodies of your people! Therefore, We need quick action in your DEMANDS for ALL the Cosmic Power of the All-Christ

Flame of Victorious, Immortal Purity, to blaze through all; to blaze through your people in the government; to blaze through the people in the Nation; until It shatters the hold of the sinister force in the mental and feeling world of the people! Then, they can awaken, arise, throw off, and repel from the Nation, whatever has sought to contaminate them, or put them to sleep as to what is actually going on! "I AM" here to render That Service! (Applause – audience rising)

Thank you so much, Precious Ones, and I ask you to keep DEMANDING the Cosmic Fire of All-Christ Purity! Just take Those Exact Words and charge Them into the brains and bodies of the people! Charge Them into the air they breathe! Charge Them into the food they eat! Charge! charge! charge Them with the Cosmic Fire of All-Christ Purity and your Protection will come! Won't you be seated please?

DEMAND the Government of the Cosmic Fire of All-Christ Purity shatter every destructive plan! Let there blaze the Cosmic Light of a Thousand Suns! Our Light can be so concentrated in and around individuals or conditions, that from the Inner Standpoint could you see It as We do, It would seem a Living Flame, and so It shall become! Unless you draw This Sacred Fire of All-Christ Purity – the Cosmic Fire of Cosmic Purity – into yourselves and into your affairs; into the brains and bodies of the people, into the air you breathe; into the food you eat, Purity does not come! If you do not draw It, there is nothing to consume the filth which is here!

The Cosmic Fire contains the Violet Consuming Flame, the Blue Lightning of Immortal Purity, anything and everything of Perfection; because It is drawn from and is the Magnetic Power of the Great Central Sun Magnet, which alone is the Immortal Purity of Cosmic Love! It is a Flame which is Indescribable in words. Therefore, DEMAND It into the brains and bodies of the people! DEMAND It into your food, into the substance, into the air! Demand It

come forth and consume everything unlike Itself! The Great Cosmic Beings Who direct These Mighty Magnetic Currents to the Earth, can clothe you in the Flame of Their Love and Their Purity shall rule! Then, you are AUTOMATICALLY PROTECTED!

The idea of destructive individuals thinking for a moment that they can have protection, is insanity! People will either purify themselves and be Constructive or their very impurity will destroy them! Draw This Cosmic Fire of All-Christ Purity into everything the people do! It will be just as if they awakened from a nightmare! Truly they have been in a nightmare of destruction! When you call This Power from the Great Central Sun Magnet, It is the Drawing Power from the Great Central Sun; whose Energy is so much more highly concentrated than what mankind knows as Electronic Force, there is just no comparison! It is the Supreme Fire which builds all Creation. Therefore, when you call It into the physical octave to manifest Its Immortal Purity, Its All-Christ Purity, Dear Hearts, you will see a change! You will see a change! You will see a change in those who thought they were masters of destruction! (Applause – audience rising) Thank you so much, Precious Ones, won't you be seated?

Dear Hearts, I want you to know tonight, when you call This Sacred Fire, visualize It! Picture It, as if the Entire Octave from the Great Central Sun moved Its Great White Fire in, through and around everybody and everything, clear into the center of the Earth! As It passes through the atmosphere of the Earth, It takes possession of the Electronic Force of This World! In other words, all the Energy of Life, all of the Life on This Earth, whether it be of mankind, the Powers of Nature, the Forces of the Elements or animal life, matters not! When That Great Cosmic Fire takes possession of all the Energy of the Life of This Planet, It enters into the Heart of the Earth! Then, you will see destructive forces meet their end!

You might think This is a Cosmic Action, directed entirely by the Great Cosmic Beings, from the Great Central Sun! So it is! Yet the Cosmic Law DEMANDS that you make the call for Its Descent, because you know of It. We are bringing It to your attention! Therefore, if your Higher Mental Body permits the Explanation of It to come to the outer self, It is because the Cosmic Law expects the outer self to co-operate with It! It expects the outer self to make the call and draw It here; in order to stop the conditions of distress to the outer self.

It is one thing to do this individually for yourselves, but when you call forth the Cosmic Sacred Fire for the Nation, you are the Will of the people! It is by your WILL, your choice, your command and your DEMAND to the Great Cosmic Beings, that the All-Christ Purity may now come into outer action, and BE the Only Authority by the DEMAND of the people! Therefore, you who know this Law of the Sacred Fire, can be the DEMAND of the people for the Immortal Purity which is their Protection! When you demand the Cosmic Fire of All-Christ Purity from your "Beloved Mighty I AM Presence," the Presence of all mankind; to the Great Central Sun; and the Ascended Host, for Its Instantaneous Descent, We have much Greater Freedom to concentrate It! Then, It can move into outer action more quickly, to bring you Instantaneous Fulfillment of your calls! It will act individually through you first! Then, as It is directed to those in your Nation, who are carrying the responsibilities of governing the Nation from the outer standpoint, Greater Purity flows into and around them! Thus, It permits that which is Constructive within them, to be strengthened, take Its Dominion and serve the people better!

So, out of the Great Mercy to Life, everywhere you draw This forth, It frees Life! If your atmosphere should become Violet, do not be concerned about It, except to be grateful! After all, It is the Purity of Love which would make

It Violet! If the Violet Consuming Flame becomes visible to the rest of mankind, they can be forced to see It! They can be forced to feel It! They can be forced to obey It! Then, they may believe some of the things you have been telling them for a long while! (Applause)

So, Beloved Ones, wherever you can call forth This Protecting Power of Immortal Purity, try to know everything Constructive needs Protection! It needs the Cosmic Fire of All-Christ Purity! You issue the Command! We are the Sacred Fire! We will see It goes forth where It is needed! I want you to maintain a Positive Dynamic Absolute Certainty—a Certain Positive Force within yourselves! As you call These Powers of the Fire Element into outer action, They are going to manifest; and from now on much more instantly!

You are being drawn closer and closer into the Heart-Flame of Our Octave! To those who are assisting you, the Ascended Masters and Cosmic Beings—you are being drawn closer every hour! You are being drawn into Our Own Heart's Flame, the Very Life of Our Beings and Worlds! It is Our Life uniting with yours, which DEMANDS the Purity that protects you. You do not have any protection from destructive forces! Since all destructive forces are impure how can they protect you? That is very self-evident!

When you DEMAND the All-Christ Purity, you are DEMANDING the Cosmic Fire from your Higher Mental Body; the Higher Mental Body of every person on the Earth and from Our Octave! It comes from All Powers of Creation, which are manifesting the Greater Perfection of the Greater Life than is in This World! So, when you think of Protection, DEMAND the Cosmic Fire of All-Christ Purity! Then, you have a Right to Protection by every Great Being in the Universe! Under the Cosmic Law, They are obligated to protect Purity! Do you see? When you call It forth consciously, by your own Free Will, It must protect you!

Now, let Us concentrate This All-Christ Purity, as you come to the Royal Teton tonight. Let us concentrate It like a Light Beam with such Terrific Pressure into Congress; into everybody and everything in your government; into every plan to continue this war! Then, as the Cosmic Christ Fire touches every destructive plan, or individuals, It consumes out of the Universe instantly, everything which can sustain destructive action!

You see destructive action, Precious Ones, is only the outside, the outer edge as it were, of the destructive forces. The action is the result, the end of it; but when you go deep within the cause of the plan; and there project the Cosmic Fire of All-Christ Purity, you go into the very cause of the thing and COMPEL the plan annihilated!

Now, for your own individual Freedom, try to use This for your Health and your Strength! Demand the All-Christ Health, Protection and Strength, of such Immortal Purity, that the Cosmic Fire of Immortal Strength comes in and around you; and FIRES you with Its Invincible Victorious Power! Then, you are always Victorious, Precious Ones! Know This! Just DEMAND Our Cosmic Fire of All-Christ Purity into the outer self; into your Worlds; and know you live in the Sun of Its Flame and you DEMAND Its Flame go everywhere! Wherever you move DEMAND the Flame of All-Christ Purity protect your Loved Ones! The Purity and Magnetic Currents of Cosmic Fire are the Magnetic Power from the Great Central Sun Magnet! It is Absolutely Irresistible anywhere you pour It forth! There is no such thing as opposition, because It is Immortal Purity! Since It is the Fire, the Cosmic Fire of Our Purity, It so far transcends all you know as fire in This World, there is no comparison! You are drawing the Greater Cosmic Fire or the Great Power of the Sacred Fire from Our Octave into yourselves! Then, everything in This World is ABSOLUTELY COMPELLED to obey Our

Activity of the Fire Element as It passes through! It is simply the Instantaneous Annihilation of all which has opposed the Purity and Perfection of Life! May you value It tonight, as you have never valued anything! Know It is the Concentrated Cosmic Magnetic Power of the Violet Consuming Flame which your Beloved Saint Germain has brought to your attention! As yet, you do not realize how All-Powerful It is!

It is the Immortal Purity from the Great Central Sun! Its Magnetic Power is drawn into the Earth to become One with the Center of the Earth! Its Power, as It comes into the Earth, is Absolutely Indescribable! Some of you have seen in the mechanical world, a great crane which carries a powerful magnet. As it passes over whatever it is going to lift—sometimes an automobile, a steamship, or an entire locomotive, it raises the object just by the Magnetic Power of that great electromagnet! The Power of the Violet Consuming Flame—the Cosmic Fire of Its All-Christ Purity, as It enters into the Center of the Earth and passes through mankind,—is so Irresistible, not a thing can stand against It! It is the Immortal Purity of the Great Central Sun! As It is drawn into the Center of the Earth, It purifies all, for the Violet Flame is Cosmic Magnetic Power.

Tonight, I want you to feel the Violet Consuming Flame with every atom of your Being! Demand Its Cosmic Fire of All-Christ Purity go into and instantly, absolutely wipe out everything which wants to destroy your Nation; or anything which wants to impose impurity or discord upon your people. DEMAND THE ANNIHILATION of everything which is not the Cosmic Fire of All-Christ Purity in your people, your Nation, your air, your food — everything in your land; until all Its Magnetic Power is anchored into the Center of the Earth, and nothing else is left but Its Perfection!

It is the Destiny of your Nation for It to arise with

enough Strength of the Light to hold the Freedom of Eternity for the people of Earth! America's Freedom is this very All-Christ Purity of which I speak! It is Cosmic Christ Fire, which is the only Freedom that can come! The only thing which can bring Freedom is the Immortal Purity of Cosmic Christ Fire, whose Power mankind does not even dream exists!

So, feel yourselves at home in Its Presence! Know you have come to live in the Octave of Its Authority and Power! We shall direct It to you, as you DEMAND your Instantaneous Manifestations in the Fulfillment of your calls, by the Cosmic Fire of All-Christ Purity! Then, you shall know what Love means! (Applause — audience rising) Precious Ones, I thank you and I shall turn your energy into Our Sacred Fire of All-Christ Purity! When you feel It with every atom of your Being, there will not be one instant delay in the answering of your call! Thank you so much! Remember, Invincible Purity must be drawn here by your Love for your Nation's Freedom! Then, Love can reveal to you the Fullness of Its Heart!

Tonight, may the Cosmic Fire of All-Christ Purity draw in and around you and draw to the Heart of the Earth, everything required to keep you Invincibly Protected! This Power can and must be driven into those conditions of the outer world; which shall and must be shattered by Cosmic Sacred Fire alone! May all Cosmic Beings who direct It to the Earth, come to your assistance; come to the assistance of your Nation! DEMAND the Immortal Purity here of such Power of Our Fire Element, as shall compel mankind to awaken and shut off all which has no God-Right to live! DISCORD HAS NO GOD-RIGHT TO LIVE!

Therefore, DEMAND the Cosmic Fire of All-Christ Purity by the Command of the "Beloved Mighty I AM Presence" in the Great Central Sun, now be the ONLY Authority for the Earth! Demand It blast everything unlike Itself; and annih-

late from the Nation, all which has tortured the people and destroyed your resources! Our Sacred Fire goes forth and is the Authority over the people in your Nation; It will blaze also to the rest of the World!

I commend you to Its Victory! Blaze It forth! Command Its Authority and Protection to automatically enfold you; until the Earth is cleansed and mankind sees the Ascended Host face to face! May you know the Fullness of Our Cosmic Sacred Fire! The Love of Its Power will satisfy you for Eternity, by Our Invincible Purity which alone, has the Eternal Right to be Master everywhere! May you feel Our Full Mastery of Its Glorious Love tonight! Live in It! Use It! Remind the outer self, that Our Flame is here all the time, and is in Eternal possession of all. It compels obedience everywhere! Thank you with all My Heart. Won't you be seated please?

As We welcome you at the Royal Teton tonight, may you be charged with more of Our Sacred Fire into your Inner Bodies! From your Inner Bodies you can send forth to the Nation, Wave after Wave of Its Increasing Fire; until the outer activities of the people are compelled to reveal the Truth and Reality of which I have spoken! You are the Inheritors of the Highest Gift of Creation! (Applause) Thank you, Precious Ones. Now, may your Authority of Our Cosmic Fire, become Paramount throughout the Nation! May It become the Strength in the mental and feeling world of the people, to DEMAND the Purity, which protects them; until they arise and enter into the Conscious Co-operation with the Ascended Host! Then, all can know and see the "Beloved IAM Presence" face to face and understand Its Authority throughout Creation!

To the Glorious Victory of Its Heart do I commend you! May the Power of the Great Central Sun Magnet's Cosmic Fire of All-Christ Purity, become such a Flame in your Be-

ings and World, that you automatically manifest Its Mastery and Its Victory everywhere you go! Then, you can lift the people and fill them with the Courage and Determination to DEMAND their Freedom and God's Purity here; until all turn Godward and the shadows are removed forever!

Thank you and may Our Sacred Fire's Force charge into you the Power of Victory everywhere you go from tonight! Thank you.
