ELOVED ONES OF OUR HEARTS; OUR HEARTS' FLAMES! Thank you for your Service to the Light! Thank you for your Presence here! Thank you for the Strength of your own Life's Flame; to stand, enter into the Light; and COMPEL Its Victory everywhere!

As We take you tonight into the Heart of God, to DEMAND Our Immortal Victory of Cosmic Sacred Fire to the Earth, try to feel We are taking you into the Power House of Creation; to receive there, Our Ideas of Perfection which are the Divine Plan's Fulfillment in outer action! Regardless of what you wish to do in the physical octave, you must go into the Heart of God—to find the Ideas, the Divine Plan, the Way and Means to release the Power by which you do in the outer, whatever FULFILLS THE DIVINE PLAN!

So, let us enter tonight, into the very Heart of God—the Heart of Cosmic Sacred Fire to the Earth! This means entering into the Cosmic Flames from the Heart of your "Mighty I AM Presence," the Higher Mental Body; Our Octave; the Physical Sun, and the Great Central Sun! While It is all One Great Activity of the Sacred Fire, yet within It there are Special Activities of Greater Light! Greater Concentration of the Sacred Fire within Its Cosmic Activities, you may have in outer use! Special Qualities can be called forth to handle any Specific Condition!

Try to know always within the Great Light or the Great Activities of the Fire Element, there always is a Concentration at certain points, of Special Activities of Greater Power, Greater Concentration! So, when you enter into the

Heart of God, the "Beloved Mighty I AM Presence," you can receive Ideas, which have never yet come forth into outer action! As you enter into the use of the Cosmic Sacred Fire from the Heart of God, It will contain Many Ways and Means of accomplishing the Fulfillment of the Divine Plan and of doing things in the physical octave, which as yet you have not understood; and others have not yet drawn into outer action!

Try to know always, that most of the thoughts and feelings which mankind is drawing into outer action, are only the thoughts and feelings of those who have gone before into Greater Realms of Activity! Most of mankind is but repeating that which has come forth previously on the Earth many times! Now, your Great Privilege with This Conscious Knowledge of the "Beloved Mighty I AM Presence," is to enter into the Sacred Fire of God's Heart; and from there draw forth Ideas and Manifestations which have never yet come forth on This Earth! The Sacred Fire of God's Heart is the Power House of Boundless Supply—Supply of Ideas, of Power, of Accomplishment, of Substance; and the things which you require in the physical octave!

Since the physical world has become so polluted with mankind's frightful discord, the things you require in outer use TO FILL THE DIVINE PLAN, must come from the Sacred Fire! It must come into outer action, to be the Power from the Heart of God, which absolutely rules all destructive forces!

Call forth the Immortal Cosmic Sacred Fire from the Heart of God, the "Beloved Mighty I AM Presence," to do in the physical world anything necessary, to COMPEL PERFECTION MANIFEST, for the cleansing of the Earth! You must retire occasionally—and I would say once or twice a day—into the Heart of Cosmic Sacred Fire! You must enter into God's Heart of Cosmic Sacred Fire! Then, you can draw forth into your outer use, whatever Sacred Fire from

God's Heart, controls all physical action in This World and COMPELS PERFECTION HERE!

Mankind is soon to understand the Hand of Cosmic Sacred Fire from the Heart of Creation, is directing the control of physical conditions which mankind has deliberately determined to destroy! Therefore, you are fast approaching the hour, when the Cosmic Fire from the Heart of God, is taking Its Dominion in the physical world; to annihilate mankind's frightful human creation! The Cosmic Sacred Fire of which We speak, is from Our Octave, from the Physical Sun and the Great Central Sun! IT IS CONSCIOUSLY CONCENTRATED AND DIRECTED BY US; by your own Higher Mental Bodies or the Cosmic Beings Who control the Fire Element, as does the Mighty Helios!

This must come into outer physical action with more Concentration of Power! Keep DEMANDING that OCCASIONALLY the outer self must stop its physical action; and come into the Heart of God, to draw the Victorious Power of Cosmic Sacred Fire! IT MUST BE DRAWN into outer physical action, to COMPEL IMMORTAL VICTORY HERE; TO COMPEL IMMORTAL PURITY HERE; TO COMPEL IMMORTAL GOD-CONTROL, PHYSICAL GOD-CONTROL OF PHYSICAL CONDITIONS HERE! It must cut through like lightning! The substance in the mental and feeling world of mankind has concentrated its destruction to the point, where it must be shattered before the consuming begins! We have released some of Our Cosmic Sacred Fire tonight, into the atmosphere of this city, as well as elsewhere in the Nation!

When destructive forces have concentrated their energy over a period of time, into destructive action, there is much more concentrated force many times than you dream! When We move into outer command, the Power and Authority from Our Octave to annihilate such a focus, We first of all shatter it or crack it apart, by the Activity of the Blue Lightning! Then, We move into it, these other Activities of the Cosmic

Sacred Fire, to consume it much more quickly! It is This Shattering Power which is required, when destructive forces become so evil and so conceited in their arrogance, that they refuse to give in to decency!

“I AM” turning your attention to this tonight, so you may clothe yourselves several times a day, with Our Feeling of the Cosmic Sacred Fire from the Heart of God, the “Beloved Mighty I AM Presence,” which COMPELS IMMORTAL VICTORY IN PHYSICAL ACTION, in and around your physical bodies! It will intensely concentrate the Power of Protection about you and charge It into outer physical conditions; to enable all that is Constructive to receive Protection and survive! If you keep charging the Force of Our Cosmic Sacred Fire into your business affairs; in and around your physical form; you will feel tremendously added Strength and Power in your flesh bodies! “I AM” sure, Precious Ones, you are all conscious of the Extra Strength and Power that you have all been receiving, every evening during These Dictations! (Applause—audience rising) Thank you, Precious Ones, very greatly for your Love and that response. Won’t you be seated please?

Beloved Ones, while the Dictation is on, or you are in the room, your attention is upon Us and These Activities which are described! While your attention is upon Us, Our Strength and Power are surging into your feeling! The Strength and Power, while you hear Our Words, make you feel that you can go right out and do what We do! That is Our Mastery you are feeling, because It is in the Energy—the Love and the Strength which We give you through Radiation, during the Dictation, as well as in the Words!

If you will stop once or twice a day for just a few moments and be still, turn your attention to Us; and ask to be charged with Our Feeling again or Our Radiation, YOU WILL RECEIVE IT! I do not want you to let down, but I want you to receive Our Feeling of Masterful Accomplishment!

Then, you feel Our Sacred Fire; the Fire from Our Hearts; which is the Heart of God, the "Beloved Mighty I AM Presence" in your outer physical action; to make you feel your Victorious Accomplishment!

You see it is your attention upon Us, Precious Ones, which keeps the Door open for Our Flame, to flow right at that time, into whatever and wherever you want to use It or direct It! So, when We ask for a few moments' stillness, it is that you may come to Us; to feel more of Our Masterful Victorious Use of This Cosmic Sacred Fire from the Heart of God.

Your Beloved Saint Germain gave you the Statement: "I AM" THE HEART OF GOD! He said It would bring you New Ideas for your outer use! When you enter in and say: "I AM" THE HEART OF GOD'S COSMIC SACRED FIRE IN OUTER PHYSICAL ACTION," you will find many New Ideas and Many New Actions of the Fire Element, you have never before quite understood! You will be charged with Our Feeling of the Masterful Use of Our Powers in your outer affairs; and Heaven knows, that is where you need them; where you need the use of Our Flame! In It is the Master Power of all Creation! When you turn your attention to Us and We release Our Sacred Fire in and around you, to give you Our Feeling of Mastery, It becomes a Permanent Feeling in you; which you can draw forth CONSCIOUSLY AND AT WILL, whenever you desire! It is a Storehouse of Our Power, which is ever at your command; but We are the Custodians of It; and therefore, protect It from any use which is not Constructive!

As you enter in, Precious Ones, to this Recognition: "I AM" THE HEART OF GOD'S COSMIC SACRED FIRE IN PHYSICAL ACTION, COMPELLING IMMORTAL VICTORY HERE; or COMPELLING ITS IMMORTAL MASTERY TO POSSESS AND RULE ALL IN OUTER ACTION; then, the Cosmic Sacred Fire reveals more of Itself to you! As you

feel THIS every time you give Us your attention, you can begin to charge OUR FEELING CONSCIOUSLY INTO ALL YOUR OUTER PHYSICAL ACTION! As you FEEL OUR MASTERY of the Sacred Fire from the Heart of Creation, will the energy in your own affairs, be charged with Our Feeling also! It will come back to you, according to Our Perfection. This is the Way you draw Perfection from Our World into yours; but you draw It into yourselves first, then into your affairs!

You do this by quieting the outer and giving Us your attention; until you can FEEL the Presence of the Heart of God's Sacred Fire! Beloved Saint Germain told you, that you enter into your contemplation to FEEL the Presence of God! You give your Presence your attention, in order to open the Door so the FEELING of your Presence floods into your affairs! It does for you, what only the Presence can do to produce Perfection! The same thing is True, when you turn your attention to Us! When you enter into the Heart of God's Cosmic Sacred Fire, then you enter into the Power House of Our Great Mastery of That Element! As you feel It and DEMAND It come into physical action in and around you, It must control conditions of the outer and give you Greater Perfection!

When you give This Acknowledgment, try to feel you come within the Heart of God's Cosmic Sacred Fire, to FEEL THE ASCENDED MASTERS' MASTERY OVER EVERYTHING IN THE PHYSICAL WORLD! Do you see? You could just as well say: "I AM" THE HEART OF GOD'S COSMIC MASTERY OF THE COSMIC SACRED FIRE; AND IN PHYSICAL ACTION, IT COMPELS PERFECTION TO COME FORTH INSTANTLY EVERYWHERE! I want you to have this so firm in your mind, and use it as much as you can in your waking consciousness! Call It into anything you desire to do in the outer, including interviews with the press! They need the Fiery Element all right; there isn't

the slightest doubt about it; but let us render Our Service, too, if you will! You DEMAND and We will DO! I think that ought to be a pretty good partnership. (Applause – audience rising) Thank you, Precious Ones, won't you be seated please?

Now, let us bring into outer action, all which COMPELS mankind's respect and honor to God! Many people do not know how to use It themselves! As you DEMAND all outer activities be COMPELLED to honor God, by the Cosmic Sacred Fire's Manifestation, you can DEMAND the Immortal Manifestations of the Cosmic Sacred Fire's Physical Action to come into all your outer activities! You can demand the Sacred Fire's Immortal Victory, make mankind understand and HONOR GOD! You will find It will be the Greatest Assistance you have ever given to mankind; outside of turning the attention directly to the Chart, understanding the Word "I AM" and the USE of the Violet Flame!

When you DEMAND the Cosmic Sacred Fire's Immortal Victory in physical action, WHICH COMPELS MANKIND TO HONOR GOD, you are DEMANDING the outer give up its authority of defiance and degradation! These Victories of the Sacred Fire must come forth by Conscious Command! The human has been arrogant so long, and it has been allowed to go on so long, without being compelled to face the full recoil of its own creation, that it imagines God is its footstool! Such a thing can't be! So, We would appreciate greatly your CALL AND YOUR DEMAND for the Cosmic Sacred Fire from the Heart of God, to blaze into all physical action! DEMAND It compel such Immortal Victory into all outer command, that It compels everything to honor God, the "Beloved Mighty I AM Presence"! Then, We will break down mankind's constant arrogance and defiance! We will compel the correction of more and more conditions in the outer!

I assure you, Precious Ones, the human has to die in

everybody, if Peace is to come to the Earth! Therefore, DEMAND THE BLASTING AND ANNIHILATION OF ALL THAT DISHONORS GOD! Demand all be compelled to Honor God! Then, every God-Being will take up your Command and move into action the Cosmic Sacred Fire which makes them all understand! The Sacred Fire will make every one understand, I assure you! Whether that be the Fire of your determination; the Fire of your ideas; the Fire of your Love; the Fire of your Purity; the Fire of Cosmic Power; the Fire of Directing Intelligence; or the Fire of Conscious Command, matters not! It does not make any difference what quality of Fire you direct, so long as It be the Sacred Fire of Our Life! Our Sacred Fire contains within It the Cosmic Fire of all of everything required, to COMPEL every situation to yield you Perfection! WHEN YOU DEMAND EVERYTHING IN THIS PHYSICAL WORLD, HONOR GOD, you will see certain Cosmic Forces come to your assistance; and Victory is yours!

Now, this may seem to you a peculiar statement, but don't forget It! Just try It out and convince yourselves! "I AM" THE COSMIC LAW'S DEMAND FOR THE FRIENDS OF GOD, TO LOOSE THE COSMIC FIRE IN COSMIC PHYSICAL ACTION, THROUGH THE POWERS OF NATURE; WHICH COMPEL IMMORTAL VICTORY FOR ALL THAT IS CONSTRUCTIVE! You call the Cosmic Fire into the Powers of Nature to COMPEL IMMORTAL VICTORY AND PROTECTION FOR ALL THAT IS CONSTRUCTIVE! Call for the Cosmic Friends of God's Heart, to move into outer action Our Cosmic Sacred Fire; and you will find many Forces becoming your Friends, which as yet you do not quite understand!

Do you know the WIND could be your friend in a moment? Do you know the WATER could be your friend in a moment; to correct conditions where mankind has generated such frightful discord? The same is true of the FIRE and the

EARTH structure itself! Try to feel, as you draw forth the Cosmic Sacred Fire of Immortal Victory to This Earth, to COMPEL HONOR TO GOD, you really make all Beings of the Elements and Powers of Nature, your Friends through Our Activity of the Fire Element! They all not only obey the Fire Element, but They love to obey It, because It is the Love in which they are happiest! Therefore, they become your Friends of the Light, quite quickly, when you draw This into outer action!

Don't hesitate, Precious Ones, TO DEMAND YOUR COSMIC FRIENDS OF THE VICTORIOUS SACRED FIRE FROM THE HEART OF CREATION, the "Beloved Mighty I AM Presence," to come to your assistance; and charge the outer self with whatever you desire to produce Perfection! Charge the outer self with Invincible Illumination, Strength, Courage, and Protection of any special thing, you might require in any situation! Keep calling forth the Invincible Friends of God, the Victory of Cosmic Sacred Fire, and the Ascended Master Ideas from the Heart of God! When you acknowledge: "I AM" THE HEART OF GOD, you start into physical vibratory action, into the very energy of the flesh body; and into the atmosphere about you; the Ideas from the Higher Mental Body and Our Octave! You also start into outer release, the Flames from Our Octave which COMPEL ALL THE ENERGY IN AND AROUND YOU, TO BECOME OUR VICTORY AND PERFECTION! Give That Acknowledgment often: "I AM" THE HEART OF GOD'S COSMIC SACRED FIRE, COMPELLING IMMORTAL VICTORY HERE! Charge It into your Nation, into your government, into your business.

Suppose business seems to have been limited by the outer world's viciousness! Take the Command: "I AM" THE HEART OF GOD'S COSMIC SACRED FIRE, IN PHYSICAL ACTION IN EVERYTHING IN MY BUSINESS; COMPELLING IMMORTAL SUCCESS, BOUNDLESS SUPPLY, AND

THE FULFILLMENT OF THE DIVINE PLAN IN ALL PHYSICAL ACTION IN MY BUSINESS! Then, you have the Fire Element there, supplying you with whatever you require in your business; to bring about the Success and the Fulfillment of the Divine Plan! In your intellect, you might not know what is the Right Thing to do in any business condition; but as you send forth this call and flood Our Cosmic Sacred Fire in physical action into your business, the Ideas from the Heart of God, the "Beloved Mighty I AM Presence," come into your outer intellect! Automatically things come into Divine Order, and almost perfect themselves. They become so Perfect and Self-evident, it is an easy matter to go forward and build the Perfection, which is your OUTER SUCCESS!

Now, Dear Hearts, know always, We give you These Activities in order to help you have success in the outer! It is not to allow you to keep your attention on the outer; but the energy of the outer self must be used and kept in action; producing Perfection in the physical world! Mankind would go insane, if people did not have some work they call competition in the outer; to keep the energy used up, which is constantly flowing through! When you make your call and take your stand: "I AM" THE HEART OF GOD, BLAZING THE IMMORTAL VICTORY OF COSMIC SACRED FIRE INTO ALL PHYSICAL ACTION; TO FULFILL THE DIVINE PLAN AND COMPEL PERFECTION HERE - COMPEL EVERYTHING TO HONOR GOD, it must bring Success; because of the Perfection you have charged into it! Call Ascended Master Friends of the Cosmic Sacred Fire to come to your assistance; to help you enable all to honor God.

We are stressing This tonight, Precious Ones, in the use of the Cosmic Sacred Fire and Honor to God, in order to blaze throughout the mental and feeling world of the people, Our Feeling to awaken them! We must fire them awake with the desire to turn to God; acknowledge God; and feel their

Help comes from God! The diabolical sinister force's suggestions to mankind, have been to constantly break down the feeling of individuals, which would automatically honor God, the "Beloved Mighty I AM Presence," if they were not interfered with! We must bring into outer concentration at this time, that which calls forth Honor to God; in order to draw forth the God Powers to give them Protection! Don't you see those who dishonor God or deny God, cannot have Protection! It is to fire the people awake, to the need of pouring forth Honor to the Great God Source of Life, the "Beloved Mighty I AM Presence," or God, as the people know It in the outer world, which enables the Ascended Masters and Cosmic Beings, to draw more of the Sacred Fire from Our Octave, into the physical world for Protection around whatever is Constructive!

Oh, I want you to feel the Power of Mastery which is in This Call! "I AM" THE HEART OF GOD! "I AM" THE HEART OF GOD'S COSMIC SACRED FIRE! "I AM" THE HEART OF GOD'S IMMORTAL VICTORY! "I AM" THE HEART OF GOD'S ETERNAL AUTHORITY IN PHYSICAL ACTION! Then, you keep the Door open and enable the Higher Mental Body to act in your physical affairs! The outer self must expect Its Full Perfection! It is the outer self's Call to the "Beloved Mighty I AM Presence" which keeps the Door open! Then, the Higher Mental Body can flood to you Its Perfection! It can clothe you and your world with whatever fulfills the Divine Plan!

Oh, Precious Ones, whenever you want to do anything in the physical octave, before you start, acknowledge your Presence first, and say: "Now, 'Beloved Mighty I AM Presence,' with You, I can accomplish this thing!" See? If you dash into a thing and then you get into deep water, when you turn back to your Presence It will answer you; but do you know what happens? You have to fight through the deep water, so to speak, first, in order to FEEL the

"I AM Presence," in order to let It act! When you say to your Presence first: "'Beloved Mighty I AM Presence,' with You, I can do this thing! Come through here!" Then, you don't have to fight through a feeling of resistance, nor opposition, nor struggle in the condition you are trying to handle! If people would only put Their God Presence first, and say: "I will try!" Watch that you do not say: "I will try with the Help of God!" Reverse it and giving God recognition first, say: "With the Help of God, I will try out here." Then, Precious Ones, there isn't a thing in the World which won't yield to you. It would have to, because you place the "'Beloved Mighty I AM Presence'" first! Through long centuries of habit, mankind in the outer world, has dashed into things, and individuals get tangled in the outer action! It holds their attention! The struggle is on! They have forgotten to call to the God-Power first, to move in and prepare the way for them! They could just as well accomplish things, without that struggle; if they would make the Call to the Presence first! I hope from this hour, you will never forget it. Say: "'With my 'Beloved Mighty I AM Presence' ' Help, I will try to do this thing and my Presence will help me" or "my Presence will do it through me"!"

In the use of Our Cosmic Sacred Fire, when you want to bring the Authority and Mastery of Our Sacred Fire Element into your physical action and your affairs, say to your Presence: "I AM" COME WITHIN YOUR HEART! WITH YOUR IMMORTAL SACRED FIRE OF COSMIC ACTION IN PHYSICAL COMMAND HERE, I WILL DO THIS THING AND FULFILL YOUR DIVINE PLAN! Then, you can have everything in the Universe come to your assistance! I HOPE YOU FEEL THIS TONIGHT, with all the ease and Absolute Assurance which the Cosmic Sacred Fire from the Heart of your "'Beloved Mighty I AM Presence'" would flash into the condition, and prepare the way for you! Then, when you start into physical action, your Presence has come into the

condition ahead of you! There would not be a struggle nor would you have opposition!

We have given you a very Great Secret tonight! May you use It for the Nation and for yourselves; may you feel in physical action, that it is your "Beloved I AM Presence" Cosmic Sacred Fire which goes into the physical action of all energy in your world! Charge It forth, and then start to do the things which reason tells you should be done; in order to bring forth the Perfection you desire, in the use of the Divine Plan!

As you enter into this, IT WILL CHARGE YOU WITH A MUCH GREATER FEELING OF MASTERY, because We shall stand your Guard; and try to make you FEEL Us in This Cosmic Fire, as powerfully as possible! You will begin to feel Us! You will think you are almost saturated with It for awhile; but still you will only be feeling a small part of Our Power; until you use It more and more! Then, will It surge forth with all the Power you require faster and faster; until you come into Instantaneous Fulfillment in your physical action, by the Power of the Cosmic Fire! It will fulfill every Desire from the Heart of your "Beloved I AM Presence." Oh, This is so wonderful and so powerful!

When you desire to do something in the outer, for just a moment retire into the Heart of your "Beloved Mighty I AM Presence" and say: "I AM" COME WITHIN THE SACRED FIRE OF YOUR HEART TO DO YOUR WILL AND FULFILL YOUR DESIRE! WITH YOU, I CAN DO THIS THING, TO FULFILL THE GREAT DIVINE PLAN! Then, move into outer action and DEMAND the Cosmic Fire in all physical action, which brings Immortal Victory of your own "Beloved I AM Presence" Desire fulfilled through you, or fulfilled in outer action to you! Then, your Presence would at all times be doing for you, whatever you desire to make you happy; and would always do through you, what It needs to FULFILL the Divine Plan!

You have heard the Statement: "Your Presence can only do for you what It does through you"; and the Way It does that through you, is for you to enter into the Heart of your Presence! Then, when you say: "I AM" THE HEART OF GOD! "I AM" THE HEART OF MY "BELOVED MIGHTY I AM PRESENCE"! "I AM" COME INTO THE SACRED FIRE OF YOUR HEART TO BE CHARGED WITH YOUR WILL AND YOUR DESIRE; WHICH CHARGES YOUR COSMIC CHRIST FIRE INTO ALL PHYSICAL ACTION HERE; TO BRING YOUR IMMORTAL VICTORY EVERYWHERE IN EVERYTHING I DO; FOR I DEMAND EVERYTHING I DO FULFILL YOUR DIVINE PLAN. Oh, this is so wonderful, Precious Ones, you will wonder where your struggle has gone, but please don't look for it!

Keep turning to your Presence first! Then, the Presence comes closer and closer! You feel more and more of Its Mastery! The atmosphere becomes clearer and We come closer until that hour, when in your use of the Cosmic Sacred Fire from your "Beloved Mighty I AM Presence" and Our Enfolding Action, It makes Us One in all physical action, because there are no veils between! Then, in the Visible, Tangible Body, can We come to you sometime each day, and charge you with Our Sacred Fire! Thus, you go forth to what the world calls Miracle Accomplishment; and yet, It is just the great natural orderly way the Presence intends you to live!

May the Cosmic Sacred Fire of Our Love in all your physical action, prepare the way for you, to fulfill the Great Divine Desires of your "Beloved Mighty I AM Presence"! Then, Its Cosmic Divine Plan for the Nation can surge forth Its Cosmic Sacred Fire in and around you; until all Constructive Activities everywhere, are protected and the people again honor God, the "Beloved Mighty I AM Presence," and the Cosmic Sacred Fire from Our Octave floods into all physical action. It brings you Success, Perfection and Vic-

tory without limit; and clothes you in the Power of Our Octave; to bring into this world, all that is to be sustained here permanently!

So, to the Heart of Cosmic Sacred Fire do I commend you tonight! Unto the Heart of your own "Beloved Mighty I AM Presence" do I lift you; and clothing you in Our Cosmic Sacred Fire in all physical action, may you FEEL IT! Let It become your World of Success, Power, and Protection which makes all you contact honor God, the "Beloved Mighty I AM Presence"! Place It first! Set your world into Divine Order; and you go forth the Master Authority which COMPELS PERFECTION, Victory, and Freedom without limit into everything you do; until your Victory in the Ascension is complete!

In the Fullness of Our Love which is the Cosmic Sacred Fire of all Creation, do I send into your worlds tonight, everything My Heart can give; to produce Eternal Victory for you there; until your own "Beloved Mighty I AM Presence" shows you all It wants you to have! Then, you enter into the Glory of Its Use, to protect all It wants you to have! Then, you enter into the Glory of Its Use, to protect all that is Constructive here! You can set your Nation Free in the Fulfillment of the Great Divine Plan! To the Glory of Its Happiness do I point you tonight; and to the Peace of Its Eternal Love in the Heart of God's Own Sacred Fire, do I call you! I commend you forever, unto Its Glorious Miracle Presence, Happiness, and Freedom without limit! There is your Boundless Supply! There is your Eternal Peace! There is the Divine Order of your world! From this hour, may Its Glorious Blessings without limit, flood your world and give you everything; for the Victory of your Nation and the Mastery over everything in This World!

Thank you with all My Heart for your Service to the Light, and now may the Cosmic Sacred Fire of Our Love, serve you unto your Eternal Freedom!

Thank you and good night.
