PRECIOUS ONES of Our Heart's Love, We thank you for Eternity for Your Blessed Presence with Us; and for your Outpouring of that which enables Us to move into outer action, Cosmic Powers which are greatly needed in the physical octave for mankind.

Tonight, I trust I will have another opportunity to bring you Great Joy, as We turn your attention in the use of these Greater Powers of the Cosmic Christ Fire, to draw forth from the Great Boundless Mind of God, the Full Understanding of all the Cosmic Fire can do for you all! As you enter into the DEEPER KNOWLEDGE OF OUR GREAT POWER OF LIFE'S PERFECTION, may Its Illumination bring you Great Joy! We wish to give you the Explanation of many of the things We do in Our Octave! You will understand more clearly in the outer, what these Great Powers of Life are and what they can do for you! You can have Them in your outer use by your continued attention upon Them! Call to your "Presence," of course, first and then with your firm determination draw These Powers into the physical octave; and you will find greater and greater Joy coming into your daily activities. The very Acknowledgment of the Use of These Powers will be so great, that It automatically keeps your world harmonized.

I want you to begin to feel your own Great Power to drive directly, into the Great Cosmic Mind of the Victorious All-Christ! It is the same as your own Higher Mental Body, the Ascended Masters and Cosmic Beings, but there is a Special Action in the use of This Call. When you speak of the Cosmic Mind of the Victorious All-Christ, you come into direct connection with the Great Cosmic Beings, Who have

designed This System of Worlds!

You can connect through your attention with the Great Divine Beings Who have sustained It through the centuries, and Who control Its Action constantly in Its Great Cosmic Activity throughout Creation! You may enter in and know through Love, what Those Great Beings plan; both for the future of this Earth and you! You can learn to draw forth other Powers into your outer use, which as yet you have not drawn into the physical octave.

Many of These Powers you use at night, while you are functioning either in the Etheric Body or your Higher Mental Body. Those Powers are acting in other Activities of Creation, with which your Higher Mental Body is concerned! There are many of these Wonderful Powers of the Mind which can come forth into your outer intellectual use. They will bring you such Joy and Illumination as you feel the Great Freedom which is yours, when They serve you more powerfully in the outer. Then, more and more will your sense of limitation just fade out.

For many people it is sometimes difficult to concentrate upon a thing without getting into a mental tension. Yet when you DEMAND THE FIERY MIND OF THE VICTORIOUS ALL-CHRIST draw Its Powers into your outer use, in the Great Harmony and Love of the Ascended Masters' Octave, there cannot be any tension, strain, nor discord of any kind! Yet, the Power of Concentration can be so intense and take you so deep into the Heart of the Great Great Silence, that in the Light of Eternity you can be shown whatever is the Right Thing to do in the outer. You can be shown what you wish to draw forth and bring into outer manifestation perhaps years hence. THIS DEPENDS ENTIRELY UPON YOUR DESIRE AND YOUR DETERMINATION TO GO TO THE SOURCE FROM WHENCE YOU RECEIVE WHAT YOU DESIRE!

We have spoken of the All-Knowing, Dazzling, Fathomless, Diamond-Shining Mind of God. To many of you those are just Words! Yet were you to experiment with This Expression

and begin to acknowledge – that you are the Fiery Mind of the Victorious All-Christ, there would come a flood of Ideas into the outer intellectual consciousness. The Illumination and an Explanation from within themselves would be the Self-evident Proof of the Truth We have told you concerning this! When you enter into the Fiery Mind of God, do you know what happens? You cannot come into the Sacred Fire of the Victorious All-Christ and retain any human ideas! This is the place of consuming human ideas, so We have a Two-Fold Purpose. The moment you enter into the Dazzling Light or Its Activity, nothing human can remain in Our Light! There you receive Marvelous Ideas, Inspiration, Explanation, Revelation, and Illumination about things, with which you have never had any contact or only partial information.

If I were you, when you have some experience, or a part of an experience, and you don't quite seem to understand what it means, stop the outer; and DEMAND THAT YOU ENTER INTO THE ALL-KNOWING, DAZZLING, FATHOMLESS, DIAMOND-SHINING MIND OF GOD OF YOUR OWN "MIGHTY I AM PRESENCE"! There in the Fiery Mind of the Victorious All-Christ, sit at the Feet of your "Beloved Mighty I AM Presence" and ask It to teach you what is within the Light of Itself! Ask It to teach you what It knows you require next, or what you are going to use in your outer activities! Then, there comes within yourselves, the Self-evident Knowledge and the Truth which is ABSOLUTELY INFALLIBLE!

If people would only do this, they could never again make a mistake! People accept this, that, and the other thought and they have no idea where those thoughts come from! When a thing is wholly reasonable and constructive, you think it would be a good idea to do it. When this occurs, hold it in abeyance, until you consult with your "Presence" first! Come within the Dazzling, All-Knowing, Diamond-Shining Mind of your "Beloved Mighty I AM Presence," and ask It to show you UNMISTAKABLY IN THE OUTER SELF, what is Its Desire

for you, concerning the thing you want to do.

Then, you can say to the "Presence": If this is Your Desire and It fulfills the Divine Plan, fill me with everything required to bring It into outer manifestation, so It becomes Permanent Perfection to the Earth! If it be not the Divine Plan, close it out, so it is impossible for me to do it. Dear Ones, if you just take time enough to do this, hold it in abeyance, and keep DEMANDING the Fiery Love of the Victorious All-Christ control it in all outer physical action – Wonderful Things would unfold themselves to you, and your "Presence" would automatically keep pushed away, the human suggestions which are everywhere in the outer world. They might be perfectly constructive, but not belong in your world! Because a thing is constructive, does not mean it belongs in your world at that time!

So, it is imperative to enter into the Directing Intelligence of your own "Beloved I AM Presence," because It is the ONLY PRESENCE which always knows what is the exact Right Thing for you to do at any time! Then, when you are certain and the "Presence" reveals to you Its Own Desire for you, you will find without exception, what is really the Divine Plan for you at that time. Sincerely and with GREAT DETERMINATION DEMAND THAT YOUR "PRESENCE" POSSESS YOU in the outer and close out everything which does not produce Permanent Happiness and Perfection for you! Then, you give It the Open Door by which It will bring to you from the outer, if need be, whatever you require to fulfill the Divine Plan at that time, and you will find the thing almost doing itself. Then, your struggle is gone. Don't you see?

When you use the phrase: "I AM" THE FIERY MIND OF THE VICTORIOUS ALL-CHRIST, Precious Ones, you have no concept of what that will do for you. There would come to you from the Heart of Creation, the Most Marvelous Inspiration, Illumination and Happiness! With those Right Ideas

from your "Presence," the Ascended Masters' Octave, or from the Other Activities of Creation – the Physical Sun, the Great Central Sun – there will come such Happiness with the Right Ideas, there could be no mistake; whether it were the Fulfillment of the Divine Plan at this time or not. We want you to come to this point of Absolute Assurance. We want you to come to the point where you are so certain within Our Fiery Love and Fiery Mind of the Victorious All-Christ, that never again can doubt nor fear touch you nor your feeling world; and never again can human mistakes enter into your affairs!

You will come to a Peace you have never before known. It is very wonderful to come to a place of Security, Beloved Ones, when the outer world offers you not one thing of which you can be sure tomorrow! There isn't one thing in outer activities of mankind which is Absolute Security. Everything is only approximately secure, but when you come into the Use of the Fiery Mind of the Victorious All-Christ, you enter into the Realm of Ideas of your Higher Mental Body and Our Octave. In Our Ideas there would come such Joy in the doing what We know you want to do in the outer, you could scarcely believe you are living in This World! This is how you can be in the World but not of it! Dear Ones, there is an expression – you might call it a slang expression, but it really is not – your young people use it when you say: "It is out of this world." Do you know that is one of the most wonderful expressions you can use; because if it is out of This World, then it is from another world which doesn't contain the discord of your world! I say to you, as the Mighty Saint Germain has said, there is nowhere in Creation, any greater density, discord, nor destruction than is on This Earth! Therefore, when you say: "It is out of this world," it is tantamount to saying, it is better than This World!

Oh, what Joy you will have! I just almost hold My Breath with Happiness, awaiting the moment when you all begin to use with Great Great Happiness and Firm Determination, That

Expression: "I AM" THE FIERY MIND OF THE VICTORIOUS ALL-CHRIST! When you say: "I AM" THE FIERY LOVE OF VICTORIOUS ALL-CHRIST, It is a Surge of Our Flame into your feeling world; but when you say: "I AM" THE FIERY MIND OF THE VICTORIOUS ALL-CHRIST, the outer intellectual consciousness receives from the Higher Mental Body Flashes of Flame, which sometimes contain the Explanation of events almost a century ahead! You can know the future just as easily as you know what you have done from day to day. Then, Dear Ones, there is no limitation, don't you see?

If you see clearly ahead that which will bring the Perfection of the Divine Plan Fulfilled into your outer experiences, it relieves you of any sense of uncertainty, doubt, or any struggle. When you know what is to be done, there would also come the Full Illumination of how to do it the Perfect Way, and that does not contain struggle! It does not contain limitation!

Oh, Dear Hearts, everything begins in the Light, if it be of Perfection! Everything Constructive is in the Light from your "Beloved Mighty I AM Presence" and from Our Octave! Therefore, unless you go into Our Light, how can you be sure anything is Right? It might appear to be so to you from outer appearances; but you don't know what is behind any appearance! When you enter into the Fiery Mind of the Victorious All-Christ, you enter into the Realm of Cause. Then, using the Cause Consciously, you can produce the Effect you desire by a Conscious Predetermined Plan.

This will remove fear, doubt, all the things which have been your limitations, and all the struggle of the past! We so want you to be FREE from them, Precious Ones. When you say: "The Fiery Mind of the Victorious All-Christ," I assure you from within Our Light, will come forth Inspiration to do just that which is Perfect! It will close out all that could ever be distorted or misused in the outer; because the outer self didn't know the other things which belonged with it.

This is the only way you can have Illumination and know everything which belongs in a condition before you start. Oh my, "I AM" almost breathless tonight with Expectation! (Applause — audience rising) Thank you so much, Precious Ones, won't you be seated please?

As you do this, were all of you for just one week, to hold close to Our Expression and use It during the day as many times as you can in the midst of your other activities, you would release a flood of New Ideas just with a happy entering into Our Great Light. Then, from your "Presence" and from Our Octave, there would come a Great Flood of Explanations and Ideas, for you to use in your outer activities and they would be very practical. There wouldn't be one thing come from the Fiery Mind of the Victorious All-Christ which would not produce Victory for you in the physical octave! DON'T YOU SEE, THIS IS THE WAY YOU BECOME SO MUCH AT PEACE THAT YOU DON'T MAKE MISTAKES ANY MORE? As you hold to THIS, you will find the Victory of the All-Christ becoming your World of Action, and in It there is no struggle! Then, you would begin to feel the Sense of Power of your own Mastery over conditions in the physical world; because you would know ahead of time the Right Thing to do; and the Right Way by which to do It, in order to produce Perfection!

You will have, "I AM" sure, VERY GREAT JOY in the use of This Command!

There are two activities that I want to make very clear to the outer intellect. When you say: "I AM" THE FIERY MIND OF THE VICTORIOUS ALL-CHRIST, then that is just as if you threw the doors wide open; and the Higher Mental Body surges through into outer action; to help bring you the Illumination, the Ideas, and the Assistance to Fulfill the Divine Plan of any particular activity; but when you say: "I AM" THE COSMIC LAW'S DEMAND FOR THE FIERY MIND OF THE VICTORIOUS ALL-CHRIST, TO MOVE INTO PHYSICAL ACTION THE FULFILLMENT OF ITS DIVINE PLAN, This

is what takes place. When you acknowledge: "I AM" THE COSMIC LAW'S DEMAND, you are reaching into Our Authority of the Ascended Masters' Octave; and from Our Standpoint, you call forth Our Authority into the physical octave! It would control many conditions in the outer world about which you don't know anything at all! This is why, many times you have heard the Beloved Saint Germain say: "We always respond, when your Higher Mental Body calls to Us for Assistance." That is how it comes about. It is through the acknowledgment of the Existence of Those Great Powers and Realms of Our Activity, that you fling the door wide open, for the Gifts and Perfection which are there, to come into your outer use! If you don't make a Call and keep the door open, how can Our Perfection come into your outer activities?

I want to take up something very important. Many times people unknowingly shut the door to things they could have in their outer use, because they do not quite realize what is acting. I WANT YOU TO GET THIS CLEAR TONIGHT, AND IT IS CONCERNING THE WORLD OF THINGS.

I know it takes a great deal of energy and perhaps struggle sometimes, in caring for the things of the physical world; but, Dear Ones, watch yourselves very carefully, there does not come unknowingly within you, a feeling of — oh things! I do not want things in my world; they are too much trouble! I don't want to be weighted down with things! As surely as you take that attitude, Precious Ones, you will have a struggle.

I want to show you what things are! Your body is a thing, isn't it? Isn't the Liquid Light which comes into your nerves a thing? You many times require money or supply; and suppose it is money you want and you need, it is a thing, isn't it? Well then, when you begin to condemn things, become weary about them, or push them aside and say: "Oh, I don't want them in my world," you have simply locked the door to supply! Things are in this world, created by whom? The Great Cosmic Beings — aren't they? Doesn't the Lord the

Maha Chohan and Nature create the flowers, and aren't they things? Aren't they the Gift of the Divine? Aren't they placed on the Earth to produce Beauty in your world; Happiness, Perfection, and Release? Why do you think they are placed here? To be blessed by your Love and used to fulfill the Divine Plan, bring Happiness to Life and beautify the Universe!

So, watch that expression. I have seen many people struggle under financial limitation for years because unknowingly within the feeling world, there was a certain condemnation of things! Don't do that! Because it is impossible for your "Presence" to bring into your outer use what you require, if you are going to condemn it! When you say: "Oh, I don't want things; it takes too much effort to care for them." When you say that, you are saying you don't want your body, it takes too much effort to care for it. You don't want your home, it takes too much effort to care for it. You don't want your food, it is too much effort to prepare it! What in the Name of God, could We do for you, if that feeling is unknowingly in your world?

There are many many people who have lived under strain and struggle for years, because of that one expression and they didn't know what was acting in the feeling world! Much of it is done unknowingly, Precious Ones, but "I AM" making This Explanation tonight, because you are the Director of things! Aren't you the user of things! Aren't the Ascended Masters the Great Directors of the Planets of the System? Aren't the Planets things in the Universe? If the Ascended Masters use things, why shouldn't you use them properly and produce Happiness and Perfection?

We have Magnificent Homes! We have Great Temples which are Our Homes in the Electronic Belt around the Physical Sun. Our Homes are in the Electronic Belt around the Physical Sun. Our Homes are filled with Magnificent Jewels, with Flowers, with decorations over the windows and doors—Flowers made of Flame whose beauty is indescribable in your

words, and those are things! We use Them! They pour forth Certain Radiation to the Earth! They pour forth a Certain Radiation to Other Planets in the System, and That Radiation is the Love, Blessing and Beauty of Our Life, of Our Love! So, We use things, but We use them in the Right Way to produce Happiness and beautify the Universe to give Greater Perfection to Life!

What happens when you use things? You are raising the substance and energy within those things; you are raising the consciousness of the Beings who produce them, and it is the Great Work of Creation! So, don't condemn things, My Dear Ones! Don't let that expression act in your world, ever again! From tonight, I shall with your permission, withdraw all the feeling which has been qualified by that phrase, and that mistake! (Applause—audience rising) Thank you, Precious Ones, so much, won't you be seated please?

If there are things in your world or things you want to draw into your world, always just happily qualify whatever things come into your custody, use, or direction, with Great Love, Purity, Protection, Perfection, and Beauty! Then, just command that all things be used to fulfill the Great Divine Plan which always brings Joy to Life around you! Bless everything in your world with so much Love and Gratitude from your feeling world, that it brings Infinite Joy to all Life which touches your world. That is the Right Use of things, and if sometimes the care of things seems to weary the outer self, just say: "Well, 'Beloved Mighty I AM Presence,' if the care of this seems to produce discord, you charge me with enough Love or whatever is necessary—Ascended Master Friends to take care of it, so it fulfills Its Divine Plan and produces Happiness instead of strain!" You see there is the Right Use for everything, and if Life didn't have a Right Use, those things wouldn't be in existence! You would have inertia and everything just kept quiescent, in the unformed state, if there were not things.

Things are the Manifested Universe; and, Precious Ones, everything which is BEAUTIFUL has come forth from God or by God's Command, because the destructive forces do not produce Beauty! They don't produce Beautiful things for use! THEREFORE, ALL THAT IS BEAUTIFUL AND CONSTRUCTIVE IN THIS WORLD HAS COME FORTH BY SOME COMMAND OF LIFE FOR USE, TO BRING HAPPINESS AND BEAUTIFY THE UNIVERSE! So, be very careful! Just learn to love and bless everything in the physical octave which comes to your attention! JUST BLESS IT WITH THE LOVE OF YOUR "PRESENCE" AND COMMAND IT TO FULFILL THE GREAT DIVINE PLAN WHICH PRODUCES JOY FOR EVERYBODY.

So few people charge forth Joy to Life. They want It themselves, but they don't give It! All you have to do, if you want to be happy for one day, just try It out! Say to your "Beloved I AM Presence": "I AM" THE FIERY JOY OF THE ALL-CHRIST IN EVERYTHING I DO TODAY! "I AM" THE FIERY JOY OF THE FIERY ALL-CHRIST THAT GIVES JOY TO EVERYBODY THIS DAY! Precious Ones, you could not help but be happy, if you charge It to all Life around you! You can charge It to the plant Life. You can charge It into inanimate objects! You can charge It into people! You can charge It into the air! The Heavens would open and flood to you every good thing with Our Love! The Powers of Nature would love you, if you were to charge forth That Love. The Powers of Nature would bow to you! The trees would bow to you as you pass by, because of Our Radiation and Love. Try Me out!

Why do you think "I AM" the One Who spoke the Cosmic Fiat long ago, that "So long as the Stars remain and the Heavens send down dew, so long shall the 'Union' last." Why do you think I sent forth that Fiat into the future of America? Because I loved America! (Applause – audience rising) Thank you, Precious Ones, and some day all in America will

know Who "I AM" and love Me! (Applause) Thank you, Precious Ones.

With your Love joined to Mine and your constant call, "THAT THE LIGHT OF A THOUSAND SUNS, SHALL DESCEND INTO AMERICA AND NOT THE WHOLE WORLD UNITED CAN STAND AGAINST HER!" (Applause) Thank you, Precious Ones! Then, may America become as Pure as the driven snow and the people within Her Borders arise; fulfill the Great Divine Plan of Her Destiny; expand That Purity by Our Light from the Heart of Creation, the "Beloved Mighty I AM Presence" of everyone within Her Borders; and from the Central Sun Itself; until Our Expanding Light comes forth throughout the Earth; and mankind finds there are no more shadows ever again to disturb! Won't you be seated please?

Be as positive as steel against the destructive forces of the outer world at this time; but enter into Our Fiery Activities of the Victorious All-Christ! Demand They possess and control all physical action in your Nation and throughout the World; and you shall have Assistance from Cosmic Beings and Legions of Cosmic Fire, Who alone can handle the mass accumulation of mankind's frightful, frightful creation!

The hour strikes when the PURIFICATION MUST APPROACH! With your Love and Ours, through your Calls and the Use of your own Authority of Life, DEMAND the Victory of the All-Christ now possess and control all within your borders to the Immortal Freedom of the Earth! There shall come hourly, Greater and Greater Activities of the Cosmic Fire; until They have penetrated all on the Earth, even into the structure of Earth Itself; and mankind turns Godward with a Love, which draws all into Eternal Freedom!

I commend you tonight, to the Fiery Heart of the Victorious All Christ, That Flame, That Presence, That All-Knowing, Dazzling, Fathomless, Diamond-Shining Mind of God, the "Beloved Mighty I AM Presence" from the Heart

of Creation; from the Physical Sun and the Great Central Sun; from all mankind – not only on the Earth, but those who belong to the Earth and are out of embodiment at this time! May everything in This System of Worlds, converge now to bring This Forth –the Victorious All-Christ into outer action; to move over the face of the Earth, Our Sacred Fire which takes command and COMPELS PURIFICATION AND PERFECTION BY GOD’S COMMAND!

Make your Hearts, the Heart of the Victorious All-Christ! Make your feeling world the Fiery Feeling of the Victorious All-Christ! Charge your mind with the Fiery Mind of the Victorious All-Christ! Let Our Happiness from Our Octave—the Fiery Happiness of the Victorious All-Christ, come into your daily activities; and charge all physical energy with Our Immortal Purity, which moves into the outer by Our Command, the Perfection that must become permanent to this World! The Great Purity from the Heart of Creation, must come into mankind and shut off all that has dishonored God!

Go forward with Joy in your Hearts! Demand Obedience to the Ascended Masters; charge Their Fiery Victory into the outer self, until it can never again make a mistake! Let Our Victory possess you into the Fulfillment of your Divine Plan, unto the Ascension!

May the Beloved Land of America be so filled with the Victory of the All-Christ and all the Fiery Qualities of Our Great Great Activity from the Heart of the Central Sun, that Its Flame moves throughout the Nation now, IN EVER INCREASING INTENSITY; until every destructive force is removed, purified, and compelled to fulfill the Great Divine Plan as Life intends!

Keep charging the Victory of the All-Christ into everything you do! Dear Hearts, It comes from your Higher Mental Body; the Higher Mental Bodies of all mankind, from Our Octave, from the Physical Sun and the Great Central Sun! All converges to bring Fiery Christ Manifestations into outer

physical action; until the human way of qualifying God's Mighty Energy has been consumed; and of each one's own Free Will, mankind turns back to the Source of Eternal Happiness; and the "Beloved Mighty I AM Presence" clothes the physical form with Its Great Radiance! Then, mankind lives as God intends, in the Great Enjoyment and use of all the God Powers of the Universe; to produce Perfection and Magnificent Manifestation in this world; and forever closes the door to that which should never have been, never have been in existence at all!

You are privileged to know This Activity of the Cosmic Fire and be a Part of the Purification, redeeming and raising of the Earth out of that which should never have manifested!

Therefore, call forth the Fiery Legions of the Victorious All-Christ, to be your Friends and Assistance in your outer activities; and They will guard while you do your best, to bring THE LIGHT WHICH IS THE ONLY POWER THAT CONSUMES THE DARKNESS! May Its Fiery Victory of the All-Christ blaze Its Loving Presence, Its Boundless Gifts, Its Immortal Protection and Cosmic Powers without limit, into your outer use; and lift you beyond the outer self; until your "Beloved Mighty I AM Presence" – the Daystar in your Existence, stands ever Radiant and Shining before you; whose Light is seen by all, and from whose Heart flows forth the Blessing and Perfection of Eternal Love! May Our Power be yours and clothe you with Its Victory forever.

Thank you with All My Heart!
