

BELOVED MIGHTY BEING VENUS' DISCOURSE

CHICAGO, ILLINOIS

FEBRUARY 25, 1951

No. 2

Series of 9

BELOVED ONES of My Heart, thank you again for your Presence here. I want you to feel this afternoon, as We enter into the Greater Understanding of the Cosmic Fire, that you are dealing with the Supreme Power of ALL the Universe; for when you understand what the Sacred Fire is and can do, you will have entered into the Use of Those Great God-Powers of Manifestation; which can make Life everywhere, Perfection Eternal, which fulfills the Great Divine Plan.

I want you to become thoroughly aware of what the Sacred Fire means to Life everywhere; because It is That Action of Life from the Great Central Sun – the Impulse, which makes Life all you desire to bring into outer manifestation. When you put fire under a vessel in which there is water, as the heat intensifies, it brings the water into action, as it reaches the boiling point. Just so, does the Sacred Fire from the Great Central Sun, under the Conscious Direction of Individualized Beings – projected into the Universal Light-Substance – cause That Substance to become active in the beginning of a form. Then, does the Sacred Fire produce the manifestation you or any other Being command. The use of the Great Creative Fire is the use of the Life from the Great Central Sun, which the Sacred Fire is! It gives of Its Love to make Perfection move through substance in outer form; and sets It into action to produce Beauty, Happiness and Perfection which can be sustained forever.

This is the Great Cosmic Power, the Sacred Fire which creates Systems of Worlds! Therefore, since That Cosmic Fire of Love from the Heart of Creation, gives Life and

Action to every electron in existence, so does It give Life and Action to any form which is composed of That Universal Light-Substance. Do not think of the Great Fiery Love of which We speak as something imaginary or ephemeral, or that it is not concrete to your physical senses; because I tell you IT IS VERY VISIBLE AND VERY TANGIBLE TO THE PHYSICAL SENSES OF THE OUTER SELF! This is the Secret of why mankind may reach to Mastery, through the Expansion of the Flame of Life in the Heart through the physical form; carrying the Feeling of That Love from the "Mighty I AM Presence," which just loves to pour forth Its Blessing and Perfection, to make happy everything else in Creation.

The Great Fiery Love of which We have spoken and which makes Our Sphere a Sun of Beauty and Perfect Action within the Heavens, That Love, My Dear Ones, is the Fire of Life! It makes Whole Systems of Worlds act and expand the Beauty of Perfection, from the Source which draws Them into outer existence. Since This Love is the Great Creative Fire by which the Whole Universe is made manifest and sustained, you will not fail to use It. When you understand what the Sacred Fire, the Great Creative Sacred Fire of the Whole Universe means, you will not cease in your use of It! You will draw It into every physical condition to make Perfection move and act in the physical world; by That Fire of Love Which is the Life of the "Beloved Mighty I AM Presence."

Then, as you command It into outer physical action, to expand the Perfection which is within It, will you find yourselves Master over everything in This World! You will reach to your "Beloved I AM Presence" with a devotion you have never had; and when your Love goes to your Presence asking for Its Great Creative Fire of Perfection, to come into anything and everything you have in the physical world,

no longer will you make mistakes! I tell you it is a WONDERFUL FEELING to come to This Point of Security through Absolute Knowledge! The Real, Eternal, Self-Evident knowing is within yourselves, and the Fire of Life which you use to do things in the physical world, is always ready to make active, whatever you desire to create in the outer physical Life.

When mankind receives the Illumination which stirs the feeling world with Love to the Life of the "Mighty I AM Presence"; and with the Feeling of Love in the use of God's Great Creative Fire, no longer will things in this World enslave you! When the outer self feels the Desire to love Life; and loves to use Its Cosmic Fire in outer action to produce Perfection, no longer will the things of this World enslave you! No longer will they hold you under their limitation; for by the Command and Expansion of the Great Creative Fire of Love Supreme, will you find your "Beloved I AM Presence" releasing Its Heart Flame into limitations to consume them. Then, the Great Cosmic Fire will make active the Perfection you crave,

Why, within Life Itself, is there the Desire for things of Beauty? Why is there the Desire within for Happiness? Because It is the Law of the Great Cosmic Fire of Creation! It is the Law of Love that produces only Perfection which sets It into action, to serve the Universe; and to ever expand Its Beauty and bring only Happiness everywhere forever!

Never can there be a reaction of any kind from the Use of the Great Creative Fiery Love from the Planet Venus, or from the Central Sun, Which would ever produce anything but Perfection and Happiness to Life. So, you enter into a World of Security, when you begin to understand We have been speaking of the Great Creative Fire of the Universe! Its Mighty Love in Action produces the things of the physical world, which are Beautiful and Constructive and brings only Happiness in their use. Then, will you know, you have

entered into the Powerhouse of all Creation. Then, will Our Reminders to you, to use This Great Creative Flame of Eternal Love become a very practical, tangible every day action, in all you do in the outer world!

We have, through the centuries, explained repeatedly the Action of This Law, but mankind has not wanted to understand Love! The people have not desired to understand the Great Cosmic Fire of the Eternal Love of the "Mighty I AM Presence." It has created and sustained the Whole Universe! It holds Systems of Worlds in their orbits! It always moves everything forward in Its appointed path Harmoniously! It forever expands the Happiness and Joy Life is intended to expand forever.

Whenever you demand the Great Cosmic Creative Fire of the Love from the Great Central Sun, come into the physical world, It automatically consumes all unlike Itself; because It is the Master Presence, Authority and Power of all action everywhere in the Universe! We are not talking about some flowery ephemeral thing which seems to be only a principle! WE ARE TALKING ABOUT A VERY VISIBLE TANGIBLE FLAME, WHICH CAN APPEAR IN YOUR HAND, CAN HEAL, CAN RESTORE THE BODY, AND CAN CONSUME FROM THE EARTH, THE FILTH OF MANKIND'S OWN DEGRADATION. We are talking of a very tangible, practical, mechanical action of Life – the Fire Element, which is as Self-Evident as Existence Itself. We are talking about a very Understandable Thing – the Great Presence of Action, which governs physical action in the physical world! It is so much Greater than what you know as Electronic Force in This World, there is no comparison! In fact, Electronic Force, as the outer world understands it, is but the Radiation of the energy from the Flame of Cosmic Fire, which is the Love from the Life in the Great Central Sun. Within This Flame, is the Expanding Power within Itself,

to produce Greater and Greater Happiness; Greater and Greater Perfection, Freedom and Joy everywhere; and ever Self-Sustains Its Own Supply. Can you tell Me of anything in the physical world which can do as much?

Is mankind's supply Self-Sustained as people understand it today, in the outer world? Is the supply of Physical Freedom Self-Sustained? Is the supply of energy, to those who misuse it, Self-Sustained? No! A certain amount of it can be used destructively for a time! Then, the reaction of its own energy consumes it; and shuts off its very supply! Not so with the Cosmic Fire of Our Immortal Love! Not so with the Action of the Cosmic Fire of Life from the Great Central Sun! Therefore, That Flame within the individual is always ready to give more of Itself into outer action, ever with the Quality of the Great Central Sun Magnet; always raising everything into Greater and Greater Perfection; Greater and Greater Beauty; and Greater and Greater Happiness. Therefore, the Wisdom of Life is Our Use of This Sacred Fire!

Don't let your intellect ever tell you that you do not understand It. It is the Flame in your Heart which understands! You live by Its Very Existence! Your existence in the outer world, is due to the Radiation of the Flame of Eternal Love, which is in the Permanent Atom of your own Heart. Then, you surely understand, that you exist! You surely know you are in physical bodies! You surely know you are in the physical world! Then, the part in you that knows, is This Flame! Therefore, you can understand It, but you have never used but a fragment of the Powers which are within It! We are drawing your attention to Its Cosmic Manifestation upon Venus! We are asking you to try to use It in your physical world; to make all that is Constructive alive and active, with ever intensifying expanding Action! YOU WILL FIND IT VERY PRACTICAL, VERY SELF-EVIDENT, VERY REAL, AND ALWAYS MASTER WHERE-

EVER YOU COMMAND IT TO BE SUSTAINED PERMANENTLY; AND IT IS BY THIS USE OF THE COSMIC FIRE ALONE, THAT THE WAR CONDITIONS OF THIS WORLD WILL BE CONSUMED. (Applause – audience rising) Thank you, Beloved Ones, please be seated.

Mankind's misuse of energy has created the destructive conditions of the war, or through war in the world! This Cosmic Fire of Our Great Love from Venus, can blaze Its Flame through those conditions and shut off their action; replacing destruction by the Action of that which produces Perfection! This Cosmic Life from the Great Central Sun moves over the Face of the Earth through the Powers of Nature; through the mental and feeling world of mankind; through the physical flesh bodies of the people and the creatures upon the Earth! It can consume all imperfection and impurity in This World. How great do you think is the Action of This Fire Element of Our Great Cosmic Love, when in one flash of Lightning from the Heavens, where We direct This to come forth, We could melt in an instant, the entire locality in which your atomic bombs are created! How great think you is the Electronic Force of the Fire Element which We direct from Our Octave, Which can dissolve in an instant an entire city? Where think you is the power of man?

We could melt in one flash the entire machinery of war throughout the Earth! That's the Power "I AM" speaking of, when I say to you, the Cosmic Fire of Our Love can Compel the destructive action of mankind's creation, to cease existence in an instant! (Applause – audience rising) Thank you, Precious Ones, please be seated.

The discord mankind has created in its incessant misuse of Life's Energy, is the accumulation of the world's chaos, its disorder and impurity of today. The people have built that discord by the misuse of the Electronic Force in

the atmosphere; but what do you think I mean, when I say We can project the Cosmic Fire and undo that in a moment? "I AM" speaking of the Magnetic Power of the Great Central Sun Magnet's Electronic Energy in the atmosphere of your World. That is what I mean by the Cosmic Fire of Creation; because the Magnetic Power of the Great Central Sun Magnet's Love, is That which holds together the Electronic Substance of Light as It forms the atmosphere about the Planet! THAT GREAT FIRE OF OUR COSMIC LOVE, is what holds the very structure of Earth Itself into the form of a Sphere. It is what holds the atomic structure of your bodies together and keeps the atoms from flying apart — That is the Love of which I speak! It is the Cohesive Power of all that is in existence; and It comes forth from the Great Central Sun. Therefore, when We desire to disintegrate that which is acting destructively, We have but to pass the Flame of Our Love through the substance which is qualified with discord; and every bit of its Electronic Force is returned to the Universal on the instant, into the upper atmosphere of Earth! Can you do as much? People had better learn what Our Love means; and not in the arrogance of the intellect, think they are superior to the Life, which creates Suns within the Heavens.

The intellectual arrogance of mankind is soon to be shocked; and the hour strikes when the people must learn how much they do not know; and that they have no right to use the Energy of Life to create discord which dishonors Love. That which will not produce Happiness, Perfection and Balance is a dishonor to ALL LIFE IN ALL CREATION! Therefore, the Love of which We are Master, the Love which has guarded the Planet Earth and kept it within its orbit; balancing the forces and pressure in the atmosphere, with those in the Heart of the Earth, That Love, My Dear Ones, is the Master of the Whole System! It comes forth to your

Earth from the Mighty Being Helios. His Love is Master of the Planet Venus! His Love gives Luminosity to the atmosphere! His Love makes Luminous All the Substance in manifestation.

Therefore, when We have offered you this Explanation of the Great Cosmic Creative Fire of the Universe, it has nothing to do with mankind's concept of Love. The people know not the Meaning of the Word "Love"! They have loved on the periphery so long, of the manifestations of their own ideas, they know not what is at the Heart of the Universe! We are drawing aside the veil! We are revealing to you the Law! We are offering you the Flame from Our Planet, from the Sun in the Heavens. We are offering you a Projection of the Flame into your Physical World, to correct the conditions which otherwise will destroy you. It is not well to be arrogant! It is not well to be intellectually proud; because mankind does not know how much people do not know! If they would sit at the feet of the Ascended Host, in the Humility and the Love which wants to know the Truth, so they may outpicture Greater Perfection to bless Life with Greater Happiness, Great Beings would come and teach them! If the motive be right, and humility and Purity maintained, Great Beings would be sent to instruct the outer self; so long as it is willing to go forward and fulfill the Great Divine Plan! (Applause – audience rising) Thank you, Beloved Ones, will you please be seated?

What think you is the Power of the Great Creative Cosmic Fire of Our Love, which can hold Absolute Control of, and hold in Perfect Balance, all the water in the oceans of the World? What think you is the Power of That Cosmic Sacred Fire which holds together the Substance of the Earth Itself? What think you is the Power of Those Great Beings Who direct the Forces of the Elements; Who govern the Whole Atmosphere and the air in which you live? What

think you is the Love in the Heart of the Cosmic Being Helios, Whose Life, Whose Love is the Sustaining Life of every human being in This World; of all the Planets in This System and of all the Beings upon Them? What think you is the Love of a Being like That? Mankind CAN learn! Mankind CAN know what the Love of a Great Cosmic Being like That is, when Love asks in the Humility and the Purity which entitles it to be answered.

During the nine days of these Dictations, I shall stress again, and again, and again, the Power of the Fiery Love, Whose Cosmic Authority in This System of Worlds, is Immortal and forever in command! This Cosmic Flame as It passes through the atmosphere of This World, has to pass through the brain structure of mankind's bodies, the physical forms! It has to pass through the energy of the individual's world! It has to pass through the Beings of the Elements and the Powers of Nature, to remove the vibratory action of all which seeks to destroy, Therefore, during This Class, every day will another Flame come forth in Its Intensifying, Purifying Action, to consume the hate, which will not give obedience to the Great Divine Plan of the Universe! You cannot have Peace on This Earth unless you have the Fire of Our Love! Without Our Love, It could never come!

People can prattle about this and that and the other condition in the physical world! They talk about Peace, but they continually plan and breed hate and war. How can Peace come, if Love reigns not? How can Peace come unless the Fire of Our Love burns away the hate by which mankind has so dishonored Life? UNLESS THE COSMIC LAW OF THE FIRE ELEMENT, WHICH OUR GREAT CREATIVE FIERY LOVE IS IN THE UNIVERSE, BURNS AWAY THE SUBSTANCE OF HATE IN THE MENTAL AND FEELING WORLD OF MANKIND, PEACE CANNOT AND WILL NOT COME! Peace can only come through Our Power of Cosmic

Christ Fire, and Our Love which is all Authority throughout the Universe. They can hold all the conferences in the World and they will never have Peace, until Our Flame comes first!

You, the Beloved of the Light, you who understand something of the Power of Your Blessed Saint Germain and the "Blessed I AM Presence," are the Authority; to draw as much of Our Cosmic Christ Fire, Our Cosmic Creative Love, as you desire! The Victorious Christ is Master of the Universe! Our Love is Master of This System! You are privileged to call any amount of This Cosmic Christ Fire into your Physical World. You can draw forth This Love in order to let the Great Divine Plan be revealed, by which mankind can be set Free! What is the use of mankind's embodying in one physical form after another and going through one Life time after another, with limitation after limitation! People experience sensation here for a moment, are given a fragment of Peace and then torture! Where is their Intelligence? Mankind is sinking in the quicksand of its own discordant human desires!

Unless This Cosmic Christ Fire from the Planet Venus, comes to the Earth to consume that which is smothering mankind with its discord; unless the Flame of Our Love comes, mankind would cease existence and pass through the second death. The people would be obliterated by their own creation; and the outer intellectual identity would cease to be! That is what faces them, if they do not want Our Love!

It is not well to be arrogant, when the Cosmic Law offers through Peace and Harmony, and Our Use of the Great Sacred Fire, the Way and Means of lifting mankind out of its self-chosen misery! The people's own deliberate defiance of the Authority of Love produces limitation! You, who have faced your "Beloved I AM Presence," accepted Its Reality; and know the Reality of the Ascended Host and the Cosmic Beings, have been loved into your Freedom thus far into the Light, by Our Love! We have loved you out of

the shadows and into the Light of Intelligent Direction, by Our Use of the Energy of the Universe.

Mankind has felt no compunction about the misuse of the Energy of Life! Yet the Cosmic Law of Action and reaction, has held the people responsible again, and again, and again! It has turned back upon them, their own discord! They have punished themselves by their own creation! The Cosmic Law of Energy which they refused to obey, has been thus returning their creation back to its creators, until they are willing to understand the Law of Love!

When mankind first turned from the Light, the people turned to their own human desires, with deliberate defiance to the Law of God's Cosmic Fiery Love! Now, that the Dawn of the Incoming Cycle, is approaching and the New Day of Purity to Life arises upon the horizon of the World, the people by Conscious Attention and of their own Free Will, must turn again to the Cosmic Fire of Immortal Love by which they exist! They must of their own Free Will desire to be obedient to Its Mandates of Perfection! They must become purified and worthy to use Its Fiery Activity in the physical world; undo the damage they have done and consume that which has no Divine Right to live! All discordant use of energy has no Divine Right to act anywhere in the Universe! Our Great Forgiving Love of Cosmic Christ Fire, when commanded into physical conditions, can set Perfection into dynamic action; to shatter, consume and throw off all that is of discord.

So, you, the Beloved of the Light, who have been loved back into the Light, by Those Who are the Masters of This Great Cosmic Love of the Universe, are the CHOSEN PEOPLE of the World! (Applause) There might be those who will question My Statement, but It will tell the Truth of My Words in outer action! (Applause) Thank you, Precious Ones. Reviewing what I said last night: The desire in

you, the Love in your feeling of Life, to love the Energy of the Universe, with the COMMAND that It be cut Free from all that is discordant, begins in you! When your Love to Life is used only to produce Happiness everywhere for all Life, your Love begins within your own Life Stream; and is offered to the Greater Life around you.

Tonight, as you understand the Authority of This Cosmic Christ Fiery Love of which I have spoken; and through your own Understanding of your "Beloved I AM Presence," you can become the Law of Its Dynamic Physical Action! You can Command That Fire of Our Cosmic Love, to pass through the energy of a condition or an individual; and demand the Release of all Life from all that is not Immortal Love! You have the Authority! You have the Ability! THIS BECOMES THE HEALING OF THE NATIONS AND IS THE CONSUMING OF THE SINISTER FORCE. THE SINISTER FORCE MUST BE BOUND AND PURIFIED BY THIS COSMIC CHRIST FIRE, WHICH WE DIRECT! Therefore, you, who make the call for the removal of all the sinister force from the Earth and compel its purification, are the Open Door, through which Our Fiery Love can act in the physical octave; and prevent the destruction which the sinister force intends! Every destructive plan, every destructive idea, every destructive focus of energy, which has been set into action, can be stilled, purified; CAN BE COMPELLED to produce Manifestation which brings Happiness, Harmony, Purity, Love, and Balance to all in Creation! The Law is Absolute and anyone may understand and apply It, to attain the Greatest Accomplishment in the Universe! From the smallest to the Greatest, will Our Obedience to the Law bring Happiness, Perfection and Mastery.

This Great Cosmic Fiery Love from the Planet Venus, is Master of everybody and everything in your World This Hour, including those who have created the war. Therefore, when We offer you the Explanation of the Law; when We

have loved you thus far into the Light, in order that you may of your own Free Will reach up and draw forth This Great Power for the Freedom of your fellow man, then, Beloved Ones, you should know that We love you indeed! We love you as you cannot understand, until you have entered into Our Octave Permanently. We have loved you a long while! (Applause)

NOW, BELOVED ONES, THE COMMAND OF THE CYCLE IS THAT LOVE MUST CLAIM ITS OWN! Since the Unfed Flame of Life in every one of your physical bodies, is the Extension and the Gift of the Life of your "Beloved I AM Presence," We are claiming the Flames of your lives into the Authority and Realm of Eternal Love! Thus, you become the Authority of Its Power in the Physical World! You must use Our Cosmic Christ Fire in the physical octave while yet unascended, to compel Life in This World to know the Mastery of Our Cosmic Fire! The Sacred Fire of Our Cosmic Love, is no figment of any one's imagination! Its Authority is Absolute, and the Law acts always under your own Conscious Command.

We charge you tonight, with the Most Powerful Feeling you have ever had, of the Importance of This Great Fiery Love from Venus and Its Ultimate Authority in the Earth; to compel the sinister force and all that has imposed war upon mankind, to bow its head; and go into the Fire of the COMPOUND which annihilates it! Then, will that Energy of Life purified, be Free to produce in the Great Universal Scheme of Creation, the Perfection which fulfills the Divine Plan.

If in your affairs, if in the healing of mankind, you DEMAND all human creation be consumed, by the Fiery Love from the Planet Venus; mankind be healed and compelled to go forward in the Great Freedom Life intends, you will find Wave after Wave of the Cosmic Fire from Our Planet, consciously directed by Us, entering into the con-

ditions which have so long tortured you with limitation. Then, will Our Fiery Love bring into the Nation Its Freedom! Then, will the Cosmic Fire consume the hate which has dishonored the Whole System; for hate always dishonors Life! Then, can We withdraw the destructive use of the Free Will and ability of mankind to produce destruction.

You are Our partners, Beloved Ones! Why would We not give you everything, by which you may free yourselves and help to free the Nation and the World! We are Legions of Cosmic Fire Indescribable and Unlimited in Number, Power and Capacity. The Legions of Our Cosmic Fire of Creation and the Love from Venus, which makes Us a Sun in Its Ever-Expanding Perfection, stand at your service, ready to clothe you in Its Master Power of Life! It makes you Its Victory everywhere in your physical world; as you give Us your attention and DEMAND This Sacred Fire take the place of war. If you will DEMAND, We will do! (Applause) Thank you, Precious Ones. If you will DEMAND the Immortal Fiery Love from Venus, It will blaze through mankind and keep consuming the human discord; until of their own Free Will, people turn to their "Beloved I AM Presence" and never again create the shadows!

You can DEMAND whatever Cosmic Fire from the Planet Venus is necessary, to compel mankind to awaken and cease all destruction on This Earth. You have the Authority! You have the Power and We will provide the Fire – the Cosmic Fire, to compel mankind to awaken; and cause the people to turn away from all which would destroy them! Our Love and Gratitude comes to you, to All Life! It is to All Energy! It is to All the Universe! The Greater Blessings of Perfection We are Privileged to give! We are Happy! We are Boundless in Our Determination to hold you close in the Love of Our Hearts; until Our Cosmic Fire illumines you; shows you all We can do for you; and clothes you with the Power to render that Same Service for others.

YOU HAVE ALL THE AUTHORITY, My Dear Ones, to call forth the Most Intense Action of the Cosmic Fiery Love from Our Planet, to COMPEL disease to pass from the Earth! You have the Right to DEMAND mankind's Illumination! You have the Right to DEMAND the annihilation of all impurity! You have the Right to DEMAND anything and everything annihilated, which interferes with the God-Government of your Nation and the God-Government of the World! You have the Authority! You have All Power! The Law must be applied and you have the Knowledge by which Its Cosmic Victory may now sweep over the Nation whatever compels the people to awaken to the Law! It gives them the Strength, the Courage and the Power to make the effort necessary; to rise out of the clutches of that which has been the beast of centuries! Therefore, if the beast is to take its claws off the Life of the World, it must be compelled by the Cosmic Fire of Our Love, Our Purity, Our Authority and Cosmic Power, which it dares to defy!

So, if you will accept Our Assistance, if you will know that Our Hearts pour the Flame of Our Love to you constantly, you can help Us to Free the World! Pour your Cosmic Love to the Rest of the World! DEMAND ALL Activities of the Cosmic Christ Fire of Creation compel every destructive thing to be consumed in That Fire. Mankind can be given a chance to try again; to understand the Law and make the Application by which Freedom may come; and Peace claim the Earth into the Flame of Eternal Love, to give the Ascension to all. Our Love alone, Precious Ones, Our Cosmic Flame of This Fiery Love from Our Planet, is the Power which gives the individual the Ascension! It gives the Nation the Ascension! It gives the World the Ascension! It can only come as Our Fiery Love is drawn, and called forth consciously into your World, with the COMMAND THAT HATE SHALL CEASE ON THIS EARTH FOREVER!

The Love of Venus – "I AM" speaking of the Planet,

the Mighty Sanat Kumara and Those Who have directed the Sacred Fire from there for centuries – has been the most Magnificent Outpouring to the Earth! It goes on and on regardless of mankind's shadows! May Its Light now become so intensified, that all are COMPELLED to see their own "I AM Presence" and the Ascended Host in the atmosphere of Earth; and know from whence comes the Help, which sets the Earth Free! Then, turning to That Light, enter into Its Everlasting Happiness; until the Ascension is accomplished by all!

Great is the Power and the Victory and the Wonders of the Great Fiery Love of all Creation! May you enter in and understand the Beauties, the Powers and the Victory of Life which await you there. As you use It in the Physical World, will you find yourselves becoming Its Freedom to Life; and your own limitations of the past will have been forgotten! Then, the Freedom of the "Beloved I AM Presence" in the Victory of the Approaching Light, draws you into the Heart of Love which is your Eternal Home. Enter into Its Boundless Power and there, turn again and pour forth to the Universe, THAT which is Eternal Happiness!

Thank you, and with My Love intensifying each day, shall I prove to you My Reality, My Power, My Authority and the Gift, I want to bestow upon your Nation! May Its Blessings ever enfold the Earth unto Its Ascension!

Thank you and goodnight.
