

I GO TO THE HEART OF THE GREAT GREAT SILENCE!

Prelude

I go to the Heart of the Great Great Silence,
Our God-Source, the Great Central Sun;
I go to the Heart of the Great Great Silence,
“I AM” – God’s Full Victory won!
I go to the Heart of the Great Great Silence,
Its Heart-Flame fills my Body here;
I go to the Heart of the Great Great Silence,
To send Miracles to My Loved Ones Dear!

I go to the Heart of the Great Great Silence,
Its Great Cosmic Light controls all;
I go to the Heart of the Great Great Silence,
Its Great Cosmic Voice is God’s Call!
I go to the Heart of the Great Great Silence,
Its Great Sacred Fire frees Earth;
I go to the Heart of the Great Great Silence,
Its Powers are God’s Greatest Worth!

I go to the Heart of the Great Great Silence,
Its Purity forever holds sway;
I go to the Heart of the Great Great Silence,
I send back to all God’s Heart-Ray;
I go to the Heart of the Great Great Silence,
Its Wonders and Peace I reveal;
I go to the Heart of the Great Great Silence,
The “Great I AM Presence” – the Real!

“I AM” in the Heart of the Great Great Silence,
And all that is human does cease!

“I AM” in the Heart of the Great Great Silence,
The Elohim Flame does control;
“I AM” in the Heart of the Great Great Silence,
And ALL of Their Victory I hold!
