CHANERA

BELOVED MARY

to the

“I AM” ASCENDED MASTER YOUTH

SANTA FE, NEW MEXICO

MAY 9, 1948

BELOVED “I AM” ASCENDED MASTER YOUTH, Precious Life Streams, because of your Strength and Light, We have come tonight, to help you move into outer action Greater and Greater and Greater Light! I want you to feel tonight, the Source of All the Light in the Universe, the “Mighty I AM Presence,” the Ascended Masters and the Great Angelic Host, Who abide above you! They are pouring the Light of Their Love to make your Pathway Victorious, Beloved Ones; in a way mankind is compelled to observe; and observing, will desire to do likewise!

We want to bring Sacred Fire Harmony around each of you, if you will but give us your attention and hold Our Harmony! We wish to draw Certain Activities of the Sacred Fire, for the Purification of the entire Younger Generation! We can only do that as you, yourselves, give Obedience to the Law and hold the Harmony by which We can give you Greater and Greater Light!

Precious Ones, tonight, could you see the shadows in which mankind has bound the people, through the gratification of their own desires – there isn’t one of you in this room, who wouldn’t arise in the Full Strength of your Own Higher Mental Bodies and take your stand to cast no shadow upon any part of Life!

When you understand from Our Standpoint, and are able to observe the atmosphere enfolding the mass of mankind, how great have been the shadows created by Individuals’ discordant thoughts and feelings; due entirely to their desire to have their own way – you would never again desire anything in This World, which did not bring the Light of Our Love to Life everywhere. Whether That Life be in the minerals, or the plants, or mankind, matters not.

Could you see as We do, tonight, the distress mankind has created and in which the people are drawing deeper and deeper; except for This Light, you would not cast one shadow upon any Life Stream ever again!

Every thought, every feeling, every spoken word which is not the Harmony and Kindness of Our Love, casts a shadow upon the Substance, the Life Streams and the Energy of this world! There is only one reason in all Creation for discord; and that is the desire in the outer self to have its own way; and be an authority unto itself alone – unanswerable to God for the consequences! That, of course, is the ignorance and the mistake of the outer self!

When the outer self exists entirely by the Gift of Life, Energy and Love from the Higher Mental Body, then even the intellect should remind the outer self; that every desire which does not expand the Light of Love, Happiness and the Harmony of the Universe, must, one day, cease to be! Every human desire, every human thought, every word which contains imperfection, must go into the Sacred Fire! Every human feeling that does not radiate the Light of Our Love which is Eternal Energy and Substance, one day, must pass through the Fire and become the Light of Perfection!

Beloved “I AM” Ascended Master Youth of Santa Fe, and elsewhere; I plead with you, Precious Ones, please do not defy the Requirements We have set in your outer activities; to maintain the Light around you which will bring you Eternal Happiness!

Believe Me or not, Precious Ones, you can never have Happiness just demanding your own way! Every bit of defiance, every bit of rebellion, every desire that cannot be held before the sight of mankind, dishonors the Light of God; and do you think in God’s Universe, you can deny and dishonor the Flame of God’s Life without penalty? Certainly not! Penalty alone exists because of the defiance of the outer self, to Our Command of Love, Harmony, Purity, and Illumination!

Whatever part of Life does not give Light, Love, Har-

mony and Obedience which maintains balance to the rest of the Universe must, one day, stand in the Fire of the suffering of the outer self; until it has burned out defiance to God!

All rebellion against Law, Order, Purity, and Harmony is defiance of God's Perfection and of God's Love; and there isn't a human Being on Earth, who isn't strong enough to rise out of any human desire, if the outer self so choose!

It has plenty of determination to have its own way, to defy the Requests and Requirements of Law, Order, Purity, and Peace! It has plenty of strength to do as it pleases! I say to you today, there exists throughout the World, the accumulation of mankind's defiance, hatred, resentment and rebellion of centuries past; which has reached the point where the identity even of certain Nations of the World must be dissolved! So, it will be with the Individual who continually defies the Requests for Purity, Harmony, Peace, and Obedience to the Fulfillment of the Divine Plan! That defiance will one day draw the darkness and misery of human desire around the outer self, to the point where it dissolves the Identity!

Therefore, I PLEAD WITH YOU, because I must put This before you tonight, with Power enough to be a Continual Reminder in the outer self! Those who do not choose to come the Way of Purity, Happiness, and Perfection of the Future, will stay in the agony of darkness; until it burns out the human stubborn desire to have its own way!

There is no recourse, My Dear Ones, for the outer self, if it continually defies Our Request for Purity and Perfection! You cannot have your Ascension; you cannot have the Wealth; you cannot have the Supply of the Good Things in this World, and you cannot be happy, if you cause unhappiness for others! Anybody on the Planet can be the Master of any desire, if he or she wants to!

We have stood ready and have offered repeatedly Our Strength, Our Love, Our Life from Our Octave, which is Greater than all mankind's desires! We have offered Our All to every "I AM" Student throughout the World! If the

outer self feels it is not strong enough, to ward off the discord of its own creation, just by your own Call to your "Presence" – Precious Ones, We have offered you Our Ascended Master Consciousness! We have offered you the Strength of Our Light! We have offered you the Power of Our Love! We have offered you the Power of Our Perfection to bring you the Victory of Our Love! We have offered you EVERYTHING FROM THE ASCENDED MASTERS' OCTAVE; to use as freely as the air you breathe, to give you the Strength inside to overcome anything here!

The human creations and desires of unascended mankind are not stronger than the Powers of Our Octave! All mankind's destruction put together is not greater than the Hand of God called into physical action! My Dear Ones, you will have to Call It into the physical octave; because IF THINGS ARE TO BE CORRECTED HERE, THEY MUST BE CORRECTED BY THOSE OF MANKIND, WHO HAVE GENERATED THE WRONG!

We are ready to help, but you should know there is some Mighty Demand and Action of the Cosmic Law, which has made it impossible for Us to interfere with mankind's ever increasing discord; unless mankind will give Obedience to the Law of the Universe that is Greater than This World!

This Planet is surrounded by Systems of Worlds, and the Great Universal Energy, Light, and the Great Cosmic Scheme of Creation, which is far greater than all mankind's discord in the physical octave – far greater than any human desire! The Cosmic Law of the Universe is Purity, Peace, Harmony, and Love.

Are your desires and the determination of the outer self to have its own way, greater than all energy? Certainly not! The outer self which will not come into obedience to the Great Cosmic Scheme of Perfection, is either very ignorant or very defiant to that which is greater than itself!

There isn't a human Being on Earth who needs to go down under the desires of human creation, unless that one wants to; and if the outer self is so stubborn it defies the

Request for decency, Harmony, Purity, and Love, then the defiance can but impose suffering on the outer self! There cannot be Peace; there cannot be Happiness; and I guarantee everybody in the future, there cannot be supply allowed to come to those of mankind, who are continually defiant of the Ascended Masters' Way of Perfection!

THE FIRE OF SUFFERING WILL RETURN THE INDIVIDUAL'S CREATION AGAIN AND AGAIN AND AGAIN UPON THE OUTER SELF; UNTIL ALL STUBBORN DEFIANCE AND HUMAN DESIRE OF SELF GRATIFICATION IS BROKEN!

We know the Law of Love, and Love is Light! Why do you suppose the Planet Earth is not Self-Luminous in This System? It was once! God, the "Mighty I AM Presence" and the Ascended Host originally created This Planet a Sun in space! Mankind has created the darkness here! I say to you, not all mankind put together is Greater than God! When the Cosmic Law and the Cycle which governs the Expansion of the Light to This System of Worlds, is ready to release Its Greater Wave of Light – those upon This Earth, who will not conquer their human desires, discord and defiance of God's Perfection, will be removed by their own darkness!

You cannot mock that which is greater than yourselves without penalty! Because the outer self is not ready to give up its desires, has nothing to do with the Cosmic Universe around you! When the Light gets ready, the Cosmic Light "I AM" speaking of – the Expansion of the Light which is to pass through This System of Worlds at a certain moment, to pass through the Planet Earth – mankind will either clean up or be removed! Individuals will be compelled to go to a Sphere, where they will be forced to observe the Perfection to which This World will attain, and those who are to return here!

Because of disobedience, those defiant Life Streams can neither return here nor enjoy the Perfection and Beauty which is here! They cannot come to Our Octave! They must

stand out in abeyance, filled with the remorse of their disobedience; until another System of Worlds is prepared! That means aeons of time in which they stand in the remorse of their disobedience; and must await the action of the Cosmic Law for their return, until they are given another chance to attain the Ascension!

THE FOOLISHNESS OF HUMAN DESIRES IS INDESCRIBABLE IN WORDS! THE CONTINUAL SELFISHNESS OF THE OUTER PERSONAL SELF, TO BE DETERMINED TO CREATE DISCORD AND CAST SHADOWS UPON GOD'S UNIVERSE OF LIGHT, IS PITIFUL TO BEHOLD!

Now, Beloved Younger Generation, much hangs in the balance during the rest of this year! The Mighty Saint Germain said to the Beloved Godfre before His Ascension, "If war was not kept out of America, there would only be enough people left on the Earth to make one small city"! He also said, those of the "I AM" Students who were sincere and determined to give Obedience to the Light of their own "Mighty I AM Presence," would be given the Ascension! The entire "I AM" Student Body, those who are sincere, if war came into America, would be taken and given the Ascension! We do not wish to see those who have really made Sincere Application with the "Mighty I AM Presence" remain here and have to experience what is to follow; but We cannot take into Our Octave, those whose selfishness is still so great, they are determined to have their own way regardless of injury to others!

You cannot hurt some other part of Life and not be hurt yourself! "I AM" going to explain to you what the Mighty Saint Germain has referred to several times: "The outer self, in what you call electrical parlance, is a resistor, so to speak; and whatever energy passes through the outer self, 40% goes into the Universe around you, and 60% is held within you!" If it be Kindness, Love, Light, and Blessing, and you choose to pour the Light of Love to the rest of the Universe – then your own body becomes filled with more Light and the Happiness of Perfection!

If the outer self choose to have hard feeling against some other part of God's Life, then 60% of it stays within the atomic structure to again create discord; and you cannot have Happiness causing unhappiness to some other part of Life!

Mankind has gone on repeatedly through the centuries, thinking through one war after another, people could change conditions. Yes, they have changed them; but they have not removed the darkness of their own discord upon Life.

There is no excuse for those under This Radiation sending one thought, feeling or spoken word against anyone else under This Radiation, if it be discordant. You cannot do it! There is no use in your decreeing for your Ascension with one breath; and the next moment, if the outer self be displeased, when it can't have its own way, send forth something to hurt some other part of Life, which is struggling for the Ascension, too.

Do you know why? In the first place, any thought, feeling or spoken word that goes forth from the outer self is your Life energy! It is your quota of the energy of the Universe, in the use of which you accepted the responsibility and authority of its use or misuse; and that is you!

Therefore, you cannot send forth some of your own Life Energy, qualified with darkness, and expect to be raised into Our Octave of Life! You cannot bring a shadow into Our Octave; and every bit of dislike of someone else is a shadow! **YOU CANNOT BRING THAT ENERGY INTO OUR OCTAVE UNLESS IT BE PURIFIED AND SELF-LUMINOUS!**

We are trying to help every Life Stream to be Free; but every thought, feeling, and spoken word which is not the Self-Luminous Love and Perfection of Life, cannot come into Our Octave; and unless all energy is purified and raised by your own Conscious Command in the physical octave, before you pass out of the body, you cannot attain your Ascension!

People cannot go on down here feeling as they please to some other part of Life; and then, in the hour of crisis –

when the atomic structure will no longer stand further strain—expect with the next breath to have the Assistance of the Ascended Host and be given the Ascension! It just isn't done that way!

Our Octave is the Law of Love and Light! No shadows can come into Our Octave of the Vibratory Action of Life! There is not one person in this whole room, if you could see the Magnificence, Beauty, Perfection, and the Great Cosmic Activities to which We give Our Attention, who would want to send any discord to Life! Could you see one glimpse of Our Perfection for thirty seconds, there isn't one thing on This Earth which could persuade you to send one discordant vibratory action to the rest of Life.

Could you see ahead, the conditions of those who did not attain the Ascension now when they had the opportunity—could you see the aeons of agony they experience, through the remorse of their wasted opportunities, there isn't one who wouldn't give Obedience to the Law! You can't hurt Some Part of Life and not be hurt yourself!

All Energy swings in a circle and comes right back into the physical body and "I AM" pleading tonight; because there are conditions which are trying to betray your country tonight into more slaughter! Since the Younger Generation will have to face the responsibilities of the future, "I AM" trying to make these things clear to you, so you will feel the necessity of calling Our Presence and Our Power into action; to govern conditions in the physical octave so more distress may not come forth to the people.

If actual bloodshed takes place in the United States of America, it may become necessary to remove the Sincere "I AM" Students and take them into the Ascension! The devastation created by the atomic bombs throughout the whole atmosphere of Earth, would be so frightful that not even the Powers of Nature would release Their Blessings again for one hundred years! The Earth itself would remain barren for almost a century, with the exception of a handful, who understanding the Law would choose to remain of their

own Free Will; to give Us Co-operation in reconditioning the Earth, after mankind's frightful destruction has spent its force!

People don't know what occurs in the Powers of Nature when through those atomic bombs, they release vibratory action which injures and insults the Beings of the Elements throughout the Planet for centuries! Mankind has done these things before, My Loved Ones!

What do you suppose the bad lands of North Dakota reveal? What do you suppose they reveal of mankind's former activities? What do you suppose the deserts of the world and the barren lands throughout the Planet, are a record of from the past? Those are mankind's reminders of the use of that atomic bomb previously; where its destruction was so great no human life could survive and no Powers of Nature would grow!

It is a serious thing, Precious Ones, but if We could have a Group of people who would not be unkind to each other, understanding This Law; and making their Calls and standing together like the facets of a diamond, even though it were only a small group, We could still draw the Power which would prevent slaughter in your Nation! When, through the craving for power and wealth, treachery is allowed to rule a Nation – then, if the people are sold to slaughter, it is because they will not listen to Us! Every human craving and every human desire which is a defiance of the Purity and Harmony which are God's Way of Life, is but another danger that threatens the Nation.

I have, through the centuries, had occasion to give Boundless Help to mankind when the people have called to Me! There has never been a Call that I haven't answered! I have poured Love that has dissolved hate on every hand! Yet, the bodies of mankind tonight, the atomic structure, mark you, of the flesh bodies of mankind has become so contaminated, that 85% of their atomic structure is disintegration! That is why with the Mighty Saint Germain, I have taken the Responsibility with certain Others; to remove

the frightful impurity mankind has created within the people's own flesh bodies.

"I AM" determined, if I can have a few of the "I AM" Students who will be a "Cup of Light" in which the Flame is brought forth for Healing and Purification, through Saint Germain's Bells of Freedom, "I AM" determined to purify the substance in the minds of mankind once again! Without Our Understanding, My Dear Ones, the work is only temporary.

What do you think, with all the Healings that have taken place with the Assistance of the Ascended Host all through the centuries, when mankind's Calls have been answered again and again and again; with all We have done, still 85% of the atomic structure of the bodies of the people and their minds is destructive? Do you not think mankind needs assistance? Do you not think they need your maximum effort to hold to Our Purity and Harmony and Obedience?

The outer world is filled with the qualities of the human and, Precious Ones, when the temptation comes to want to do as the outer world does, observe what the outer world has become! With war which has engulfed the Earth twice within less than half a century; and a third war being planned, could you see the conditions of the minds and the bodies of the people, and the activities of Nature in the war-ridden countries of the world, you could not be tempted by the outer world! Could you see the thousands and thousands who have not food to eat; clothing to cover their bodies; nor physical comforts, all afraid that another war will place them in prisons and in torture! Those nations are facing the complete dissolving of their identity, My Dear Ones! I hope you remember My Words tonight!

Only as you would be compelled to observe that, would you have any concept of what mankind has created and drawn the people into; by their willful defiance and disobedience to Our Requests for Law, Order, Purity, Harmony, and Love! You may think your lives are your own to do with as you please, but they are not. Your Life belongs

to God! You took the Responsibility of the Constructive Management of a certain amount of the energy of the Universe, when you became an Individual; and of your own Free Will you chose that! Therefore, of your own Free Will, you will be compelled and you will compel yourselves, to fulfill your own Divine Plan!

Nobody forced you into Individualization, when you left the Great Central Sun! You asked for your Individualized Identity to go forth and help in the Great Cosmic Scheme of Creation! So, tonight, if I can remove from you all sense of rebellion; all sense of defiance of the decencies of Life; you will one day be grateful! You, too, like the Ascended Host, will desire to lift every Life Stream out of the shadows of its own defiance and into the Light; where the Harmony of Love gives everything in the Universe into your hands for Conscious Use and to expand Happiness.

Don't you see, Precious Ones, there is no Intelligence in deliberately choosing to live an unhappy existence, when the Hands of the Ascended Host are offering you the Way of Happiness for Eternity? We offer the Boundless Activity of helping with Cosmic Creation to fulfill the Divine Plan of Life everywhere! "I AM" very firm tonight in bringing This to your attention for several reasons! There are coming readjustments in the physical world! I say to you, as the Mighty Saint Germain has said: "The Cosmic Law will not allow the Blessings of the Supply of money, wealth, and all Good Things, to come into the hands and use of those who continually defy the Demand of the Cosmic Law!"

People of the past have through fierce determination and concentration of effort, drawn to themselves certain wealth, to lord it over their fellow man or to gratify their own desires! I say to you, the "Cosmic Law" will not permit the Supply of Food or Clothing to come into the hands and use of those who continually defy the action and Requirements of the Cosmic Law! Therefore, if the "I AM" Student Body is to be supplied in the future, with the Blessings which enable them to bless the rest of mankind; and

accomplish the building of the Perfection of the Future – OBEDIENCE must come first! Because you have something today, doesn't mean you will have it in the future, unless Obedience is given!

The Great Cosmic Law of the Universe is the Law of Obedience! I ask you – those of you who have perhaps been defiant and are just determined to do as you please; if all Our Help were taken out of this World or the Universe, what would you have? IF SOMEBODY DIDN'T OBEY THE COSMIC LAW TO KEEP FOOD AND SUPPLY COMING TO YOU, WHERE WOULD YOU BE? If nobody gave obedience, you became ill and nobody would obey your request for help, where would you be? If nobody in a city gave obedience to its rules and regulations – which keep order and Safety for the people in the city, what would you have?

If you remove obedience, what would you have? If the electricity in your Power and Light Plants did not obey the LAW which governs its direction into those electric bulbs, could you have Light in the room? If you remove everybody's obedience what would you have? What condition would you be in personally, if all obedience were removed? If nothing obeyed your desires where would you be? Well, if you expect others to give obedience which enables the Blessings of Life to come to you, then you must give obedience; if the Blessings of the Universe are to bless the Planet or the Nations to provide that for you which brings Happiness, Harmony, and Comfort!

Suppose no one obeyed your request for assistance! If there were no obedience by anyone, what condition would you, each one of you individually, be in? Then, don't you see how absurd defiance is? Don't you see how absurd the selfishness of the human desires make an Individual? Especially if you want something of physical comfort; for instance, food or clothing or warmth in your homes when it is cold. Suppose the way and means now used to provide Life's Blessings, were not allowed to act; because those who direct the activities of heat, food and

clothing just refused to obey, where would YOU be? Then, where do you think your Nation will be, if YOU do not give Obedience? Where do you think the Blessings of God will be? How can they come to YOU without Obedience?

Now, I want to help the entire "I AM" Student Body tonight; because the desire to be disobedient is so rampant in the outer world, that it is the cause of all your world wars! If the treachery of those who have been entrusted with Power in the Nation, betray the Nation again, as it has been betrayed before into more slaughter – where will you be?

Where is your Free Will and your defiance, if you are drafted into war – FORCED INTO FOREIGN NATIONS THAT HATE YOU, AND COMPEL YOU TO LIVE UNDER THE TORTURE OF THEIR OWN DEPRAVITY? If you will not come the Way of God, you will go the way of torture! If I can remove tonight, from everyone of your Life Streams, any desire to ever again create discord; or defy the Requirements that maintain Harmony for the whole, I will have closed the Door for your Life Streams, against the danger of failure; or the forfeiting of your Ascension at the close of this embodiment!

While there is only a handful of you here tonight, Precious Ones, it is worth everything, if I can save this many Life Streams from any danger, of missing the Ascension at the close of this embodiment! I would come This Way a thousand times to prevent your failures, and to hold you secure to the Fulfillment of your Destiny! I want you to become Magnificent Great God Beings, wielding Power that tonight, you cannot even comprehend! I want you to enter into Our Octave of Light, where only Perfection and the Happiness God originally intends for everyone to enjoy, goes forward and takes you to your appointed Destiny; makes you a Cosmic Being; a Creator of Systems of Worlds! Then, on the Pathway of Ever-expanding Perfection, you move forward co-operating with the Whole Cosmic Universe.

Why choose the pathway of degradation, torture, suffer-

ing, and depravity, because you defy Our Requests for Obedience? We had to give It; and he who gives It is rewarded beyond all words to describe! What do you think will be your Cosmic Power, your Reward and Blessing from the Universe, if you stand as strong as steel and defend the God Ideals of the Nation and the World at this time? What would be your Cosmic Power, if you draw Our Strength and Power and give the Obedience which enables Us to release the Power that purifies the minds and bodies of mankind; to the point where the Cosmic Light rushing through you goes forth at your conscious command! IT CAN REMOVE FROM THE PLANET YOUR PENAL INSTITUTIONS, YOUR HOSPITALS, YOUR INSANE ASYLUMS, AND YOUR ACTIVITIES OF WAR!

What do you think God will give to you? What do you think your "Beloved I AM Presence" and the "I AM Presence" of every Life Stream in This System of Worlds will do for you – will be your reward; if you stand True to the Light and help Us remove mankind's filth, disease, and unhappiness from all here at the present hour?

YOU CAN RENDER THIS ASSISTANCE NOW! After the Cosmic Law starts into action, the Release of the Light Wave through the System, then it is too late! If you do not make the grade now, then you must abide by the Action of the Cosmic Law; until It chooses to give you an opportunity aeons of time hence! Could you see tonight, and know as We do, the Great Blessings which will come to every Life Stream, who will master the outer desires, you will stand true to the Light! You will give the Assistance which will enable us to remove disease from the Earth, for HATRED IS DISEASE!

There is no disease on Earth but that which is created by hatred and defiance, deliberate rebellion and disobedience! All insanity is produced by disobedience! All war, all selfishness, all poverty, every bit of distress mankind has ever experienced, is due to deliberate defiance of the Law of Obedience! If you will listen to Me, and give Obe-

dience, from tonight on, you will be no part of anybody's shadow! If someone is doing something wrong, instead of repeating the wrong to someone else, if you are with Me tonight, you will CALL OUR STRENGTH, OUR POWER OF PERFECTION AND THE VICTORY OF OUR LOVE, TO GIVE EACH LIFE STREAM, THE LIGHT AND THE STRENGTH OF THE LIGHT TO WIN THE VICTORY! Then I will have the "Cup of Light" which will assist Beloved Saint Germain.

Your Beloved Saint Germain, in the task He has accepted, is surely Worthy of everything you can give Him the rest of Eternity! If you all gave everything you are and have till your Ascension, would that ever be a balance back to Life, for your Eternal Freedom from this in which you have struggled? Could anything ever be a Complete Balance to the Beloved Saint Germain, Beloved Godfre, and My Blessed Jesus, for all They have given to mankind, in opening the Door into the Ascension?

COULD THERE EVER BE A BALANCE FOR THE OPPORTUNITY TO GAIN THE ASCENSION? Is anything too much to give to attain THAT, so you may never again contact the danger which would close the Door to your Ascension? Don't you see at this time, it means far more than at any other time in the history of the Planet? When the Cycle is closing and the Cosmic Law takes command for the future, the puny human outer self must either clean up or cease to be!

Do you realize, Precious Ones, those, who face the second death and whose outer identity is dissolved, are dissolved by the intensity of the pain; which is so great, the Life Stream cannot hold its connection longer through into the outer self? Don't you realize when those frightful conditions come on, it is pain of such intensity—that the worst pain you know in the physical octave, is almost nothing, compared to the pain of their own hate and their own defiance of God?

You cannot avoid pain in the body if disobedience

continues. All pain is the return into the body of the hurt of somebody's discord sent forth. I offer you tonight, the Blessings of Purity, Freedom, and Love, through the "I AM" Miracle Music of the Spheres and those Magnificent Bells; by which this cleansing can take place before the final hour strikes, when the Powers of Nature will reveal Their command of man!

Who of you, with all your defiance, can stand against the onrush of a tornado or an earthquake? Where is your defiance and your disobedience, when those Forces of Nature take a hand? Yet, not a hair of your head would be harmed under those activities; if you maintain the Purity, Harmony, and Strength of Our Love, through the outer self to fulfill the Divine Plan.

I would not, if I were you, ever again create discord nor defy anyone's request to do that which is constructive and for the good of the whole! Precious Ones, you could know tonight, if you choose to stand with Me for the Purity and Harmony of the Younger Generation, what the "Cup of Light" means to Life! Be no part of the depravity in which the outer world is sinking! If you choose to stand with Me, as a "Cup of Light" to help the Blessed Younger Generation – I will draw to you those Magnificent Life Streams, to touch This Light! If they see you as the Example and Fulfillment of the Law, you can bear "Witness to This Truth" in outer physical action everywhere in the physical octave! I will draw to you those Life Streams whom you can assist and who will gain the Ascension in this Lifetime too! Their Love and Gratitude to you for That Service will be boundless forever; in the same way as your Love and Gratitude to Beloved Jesus, the Mighty Saint Germain, and the Beloved Godfre is, or should be, Eternal!

This must come, My Dear Ones, because your penal institutions, your insane asylums, your hospitals, your activities of the outer world which are taking care of masses of mankind, who are unable and unfit to take care of themselves, is increasing with great speed hourly! Be-

cause of these wars, there must come some mass assistance, in a way mankind cannot prevent; if many of those Wonderful Life Streams are to be redeemed and go forth to fulfill the Divine Plan!

Could you see as We do and know as We do, what is planned against the Christian Nations of the World, by the traitors who impose war on mankind—because they are traitors to God, when they defy God, not one of you would fail! Could you see what they are planning against the God Loving people, not one of you would fail, not one! You would be a Part of Me so close; you would be a Power of My Love so Great; that you could not fail; and I have come to offer My Assistance, if you will be no part of anything that casts a shadow upon Life!

When the temptation comes to be unkind or defiant or rebellious or to think upon the things that are not constructive, take yourselves in hand that very instant and say: “NO, THROUGH MY ‘BELOVED MIGHTY I AM PRESENCE’ I AM NO PART OF THAT HUMAN—THROUGH MY ATTENTION, I AM NO PART OF ANYTHING HUMAN—AND I WILL CAST NO SHADOW UPON THE LIGHT OF ANYONE’S LIFE! ‘I AM’ THE VICTORY OF GOD AND I STAND WITH THE STRENGTH OF ETERNITY!”

Then, if you choose to call to Me for the Power of My Perfection—as the Mighty Sanat Kumara told you to use here, for the Victory of My Love and Healing, it won’t be difficult to obey! It will be no difficulty at all overcoming anything, which seems to be a struggle, a problem or a destructive desire tonight!

Could you experience for one week the CONTINUAL COMMAND for the Power of Beloved Victory’s Perfection and the Freedom of His Love, My Dear Ones, there isn’t a person in this room, who couldn’t almost with the wave of your hand, produce what the world calls, “Miracles”!

If you choose to accept My offer tonight, “I AM” going to remind you of what the Mighty Saint Germain said in the “I AM” Discourses! He said if you could keep everything

qualified with Perfection for six weeks, Miracles and Marvels unbelievable would take place!

Then, if you choose to experiment, I shall watch your efforts with great interest and wherever possible, amplify and strengthen them to give you your Success and Victory!

You might try It when you awaken in the morning and be determined that every thought, feeling, and spoken word which goes forth from you, is commanded and qualified to produce Perfection, because your "I AM Presence" is Perfection! Then, if you fall off the perch, so to speak, begin all over again! Try It for six minutes to begin with! Then, see if you can maintain It for six hours; and then six days, and six weeks! Try It!

Every effort you make will make you stronger until you finally accomplish the Victory! "I AM" very much interested, Beloved Ones – Blessed Ascended Master Youth and "I AM" hoping with everything My Love can bestow, to protect you all against age! I would so love to bring forth through you all the Beauty of your Higher Mental Body, and your Eternal Youth!

I would like to have the "I AM" ASCENDED MASTER YOUTH twenty years hence, stand forth before the world looking even younger and more beautiful than you do tonight! Then, could I say to mankind, "These bear Witness to the Truth of the Law, and ye may become as they are in the Same Way!"

Oh, Dear Ones, when you see the Wealth, the Substance, and energy used throughout the Planet; to take care of old people, diseased people, in the penal institutions, hospitals, and so on, it is frightful to behold! When you realize what mankind uses to take care of the mistakes of mankind, it is frightful before Life, and it must cease at a certain point; because it cannot be allowed to become the complete condition that blots out the Planet!

That is why America, as the Heart of the World, must have Our Help! Beloved "I AM" Ascended Master Youth, if you will accept My Help tonight; if you will use These

Commands which the Great Ones have offered, to open the door wide on a moment, It will let Their Flame of Love come through and stop any further expansion of evil! If you will help Us, We will help you until that moment when you stand in Our Octave! Dear Ones, Our Gratitude to you, and yours to Us, will sing the Song of Praise to the "Beloved Mighty I AM Presence" which brings Cosmic Manifestations to all!

The Glories that lie above and beyond are so Magnificent, you are speechless when you behold Them! Could you hear the "I AM" Music in the Music Temples in the Electronic Belt around the Physical Sun; could you hear for one-half hour, the Power and the Beauty which are released through It, you would know what it means to create Systems of Worlds by Music; and you would have some insight as to how It is done!

You know it is possible! Therefore, let the Light of Our Knowledge, the Light of your Love, your Harmony and Purity maintained, go forth and reveal This Same Knowledge to your fellow man; who does not even know It exists!

You have certain confidence and courage, because your "I AM Presence" has answered you so often! You know, if you stand with your "Presence," your Victory is Complete every step of the way; but the outer world does not have the Same Courage, Confidence, and Strength! The people do not have the Sense of Security you have! They know not from moment to moment what is to strike them! Therefore, if you bear Witness to This Light, you should bear the Herculean Courage, the Strength and the Assurance of the Victory of "THE LIGHT OF GOD THAT NEVER FAILS"! You should take It to your fellow man; be the Fulfillment of Its Law and Its Victory; and let your Healing Love illumine the World!

You can if you want to! If the Gift has been offered, and you don't want to, God help you! If, after all We have said and done, and the Love We have poured, still the outer self remains defiant and rebellious in the Hour of the World's tragedy—God help you if you don't respond!

“I AM” PLEADING tonight, because of the crisis near at hand, and there is no time after the crisis strikes! It is too late! You must either accept now and obey now; or the moment passes and you must stand and take what the rest of the world takes!

Precious Ones, unless you give Obedience; unless you are the Fulfillment of the Law of This “Mighty I AM Presence” and Our Perfection, you are no better than the outer world! If you don’t do better, and if you don’t stand obedient and become the Manifestation of Perfection, then you are no more than the outer world, not a bit!

There isn’t one under This Radiation who CONSCIOUSLY knows how to call to the “Beloved Mighty I AM Presence,” who cannot have all the Strength in Our Octave to win the Victory, if that one wants to! There isn’t one who has to face the recoil of his or her mistakes from this hour, if—with Great Sincerity and Determination—that one turns away from the mistakes and determines not to remember them! Then, you must call to the “Beloved Mighty I AM Presence” to reach Its Hands out and correct all mistakes, so they do NOT hurt any other part of Life! Give the Obedience! Stand with the “Presence”! Thus, not one would feel the recoil of the results of those mistakes! The Hand of God could wipe them out! It would, if the outer is determined to stand with the “Beloved Mighty I AM Presence,” go forward, and let Its Perfection bless the Universe through the outer self!

You are not subject to the punishment and the reaction of your own mistakes, if you are willing to turn away from them; and stand INFLEXIBLY with the “Presence” and ask the Hand of the “Presence” to adjust the wrong; and open the door SO YOU MAY RELEASE ONLY LIGHT AND ITS VICTORY IN THE FUTURE!

The Great Law of Life is very merciful; and the Love of God is the Greatest, Most Magnificent Blessing in all Infinity! Remember My Offer and My Reminder tonight! No matter what you require down here, if you will call Our

Strength of Our Love and Our Light, in whatever Intensity is necessary, to bring Our Victory into the physical world – you can take Our Victory everywhere! It shall come unto you!

You shall be Our Victory through these outer selves, which brings Our Light to mankind in order to prevent the slaughter intended! If you saw as I see, you would know nothing is too great an effort to make, to avoid what the sinister force wants to impose upon you and upon Life! The sinister force is nothing but wholesale destruction without rhyme or reason! So, from tonight, if you care to be a Part of the **CLEANSING OF THE EARTH WHICH THE BELOVED SAINT GERMAIN AND THE ASCENDED HOST ARE TRYING TO ACCOMPLISH**; if you care to stand with Us and let Us accomplish this quickly, America will not need to pay the price of another war!

Beloved Ones, We have not said this publicly to the “I AM” Student Body, but This Messenger, together with the Beloved Godfre, had occasion to listen to a gentleman in New York in 1939 say, that those who make the war from time to time had planned to continue the last war through 1949! This Messenger said, “So help me God, with Our Calls, it shall not last that long!” He said, “I think you are hanging your hopes on a false premise”! She said, “God is Greater than the plans of any Nation!” That war stopped four years sooner than was otherwise intended! If it hadn’t been stopped **BY THE CONTINUED PERSISTENT CALLS OF THE “I AM” STUDENT BODY**, where would some of you have been tonight? Four more years of what you were in, would have wrecked most of you; and most of you would have been out of the body by now!

Now, please forget your defiance and disobedience! Forget your human desires! Forget everything that creates discord! Stand with Us and prevent any more discord imposed on the Younger Generation! We offer you the Strength of Our Love and the Victory of Our Light, Our “**LIGHT OF GOD THAT CANNOT FAIL**,” to use without limit in any

condition to prevent further discord and if you will call, We will do!

“I AM” hoping and I have Great Faith that the Light in you, is the Victory of the Love We require; because We require a certain amount of Love in the physical octave! “I AM” speaking of Our Pure Divine Love WHICH TRANSCENDS EVERY HUMAN CONCEPT—Our Continual Forgiving Kindness in the physical octave! We must have a Certain Proportion of Our Love called into action down here, before the Cosmic Law will permit us to use Force, which mows down destruction as if it had never been!

We can do it! If you choose tonight, to use the Strength of My Love; the Power of My Light; and the Healing Flame which It is My Privilege to command – you may have any amount of Strength or Power in the physical octave, to prevent and correct conditions that are endangering the Nation!

Could you see the Love and Gratitude which will flow to you, from the Higher Mental Bodies of the Life Streams We can assist; by the Purification of the bodies and minds of mankind, through the Music and Beloved Saint Germain’s Bells of Freedom and Victory, you could not fail to call Our Love here! Could you feel One Wave of the Love which would flow to you from the Higher Mental Bodies of those Life Streams, My Dear Ones, it would be enough to lift the Planet and illumine it again to Its Great Divine Perfection!

Could you see what Love would come to you, from those Life Streams whom you can assist, your Joy for Eternity would know no bounds! It is worth all there is on the Planet to accomplish that; and remove the way and means by which the sinister force can any longer make mankind suffer!

If you will call, I will answer! If you obey, I will bless! If you will offer THIS ASSISTANCE, I will give what cannot come in any other way! I have Gifts, and so have others of the Ascended Host and Cosmic Beings, none of mankind unascended could give you! We will give you Our Gifts, which have never yet come to Earth! They

can come through the "I AM" Music and Bells of Saint Germain's Freedom and Victory to Life!

Live for the Happiness and Freedom of the whole, and you shall know a Power of God's Love nothing else can bestow! With Love, in all My Heart can give to assist you, I stand ready to help guard you, until We see how much Light can be released quickly! We must accomplish This before anything more can be imposed on your Nation, as further discord!

The Healing of the Nations must come by the Purification of the Individuals within those Nations! The Purification can only come through Our Love; and the Cosmic Light is a Part of the Love of the Cosmic Christ!

May you call That Phrase into action constantly, "THE LIGHT OF GOD NEVER FAILS"! The Invincible Victory of God's Love shall possess where mankind has sought to destroy! Love alone is the Fulfillment of the Divine Plan; and the Cosmic Christ is the Power of Love which once again illumines the Earth to the Fulfillment of Its Destiny!

My Love and the Call of My Heart ever surrounds you and stands to enfold you, and all you hold near and dear! Let us remove hate from the Universe as soon as possible! This night is a memorable one, and I thank everyone of you, Precious Youth, in this room! You shall never have cause to regret it; and remember, I stand with you for all Eternity, for the Victory of God's Love and the Healing of the Nation, must come by Our Commands!

Thank you with All My Heart!

BLAST THOSE CHAIN LETTERS!

Let no "I AM" Student send out chain letters, if he or she expects Help from the Ascended Masters!

Chain letters are psychic suggestions of fear and are but hypnotic psychic ways and means of keeping the attention away from the "Beloved Mighty I AM Presence" and the Ascended Masters! They but give power to outside forces which are undependable and constantly changing.

Our Beloved Master Saint Germain said long ago: "There is nothing of the Christ in the psychic realm; and the individual who wants to open himself or herself to what is in the psychic realm, had better never been born in this embodiment"!

The sinister force in the psychic realm attacks the emotional body of the human being who opens himself or herself to any psychic conditions!

Therefore, be no part of the suggestions of psychic forces, through the temptation of obtaining money in those channels, by any means whatsoever, especially chain letters!

THE ASCENDED MASTERS' LAW CONCERNING
FASHIONS IN CLOTHING AND HAIR STYLING
FOR MEN, WOMEN, AND CHILDREN; AND
THE RIGHT USE OF COLORS!

It is the Request of the “Beloved Mighty I AM Presence” and the Ascended Masters, that those who come into This Ascended Master “I AM” Activity, understand thoroughly they cannot wear the criminally insane fashions which exist and are worn in the outer world of today!

The short skirts and indecent styles in the fashion world imposed upon the women, are created by men who hate women; and do everything possible to make them look absurd and insane.

The short skirts and other indecent styles are created by the depraved creatures, who design them for prostitutes and depraved races!

The hair styling is designed for the same reason; to make men, women and children look like insane animals instead of decent Self-respecting Beings, which Individuals ought to be!

This Ascended Master “I AM” Activity is a Gift from the Beloved Ascended Master Saint Germain, Beloved Jesus and Others of the Ascended Masters, the Cosmic Beings and Great Angelic Host!

It is the Eternal Perfection of Their Ascended Master Realm, Octave, and Activity of Life, for All Eternity and throughout Infinity! IT IS THE LAW OF PERFECTION'S FLAME!

They have given us the Mightiest and Most Divine Gift of all Eternity—on a Golden Platter containing the Pearls of Existence.

If we expect Them to continue, then all under This Radiation must be raised to and live according to the Ascended Masters' Standard of Purity, Perfection, Decency, Honesty, Honor, Courtesy, and Constructive Action!

If the Individual does not rise and live to Higher and

Higher Standards of Perfection, then he sinks to the lower because there is no such thing as standing still! Life is perpetual action – perpetual motion!

Therefore, all who are permitted to come into This Ascended Master “I AM” Activity, or are privileged to stay – even temporarily on the Property of the SAINT GERMAIN PRESS, INC., THE SAINT GERMAIN FOUNDATION, or any “I AM” Temple, Reading Room or Study Group, must comply with the Regulations established by the Beloved Great Divine Director as well as Beloved Saint Germain, Jesus, and Daddy.

This is Their Gift of Their Life, Light, and Love, and It is only given on Their Conditions; because They still possess and control It and always will for ALL ETERNITY!

Thus, all must conduct themselves according to the Ascended Masters’ Way of Life’s Perfection.

We do not and cannot allow the use of destructive color in clothing or decoration.

Black, red or any dirty destructive colors are used in the outer world today for the desecration and destruction of human beings, so they cannot hold to the decent Constructive Way of Life!

Black is hate! Red is anger!

When Individuals wear clothing of destructive colors or their surroundings are filled with destructive colors, only destruction can be experienced!

The Law of Energy and Vibration does not discriminate. Therefore, the Individual must take the responsibility and live within the qualities of whatever colors he or she selects; and by which the outer self is surrounded, regardless of belief or otherwise!

For This Reason the “I AM” Students who call to the Ascended Masters or want Their Help, must understand and obey the Law of Energy and Vibration, if their Calls are to be answered and Ascended Master Help given.

Therefore, let us all obey the Ascended Masters’

Request and Instruction They give and have the Greater Good of Their Way of Life, and "BE FREE"!

LOVINGLY IN THE SERVICE OF THE "BELOVED MIGHTY I AM PRESENCE," THE ASCENDED MASTERS, THE GREAT COSMIC BEINGS, AND THE GREAT ANGELIC HOST!

NOTICE CONCERNING FOOD

CONCERNING EATING OF MEAT, FISH, CHICKEN, GARLIC, ONIONS, etc., This Ascended Master Instruction of the "Beloved Mighty I AM Presence" as They have given It in the Saint Germain Series, the "Voice of the 'I AM,'" and the Ascended Master "I AM" Dictation Records is the Eternal Indestructible Fiery Christ Truth of Life!

Animal products and this includes chicken and fish and other destructive substance, must be kept out of the body, if it is to be purified, healed, and raised into Ascended Master Perfection.

To ask the "Beloved Mighty I AM Presence" and the Ascended Masters to purify and heal the mind and body, is useless, unless obedience to This "I AM" Law is given; and the flesh body, the mind, and the feeling of the Individual, is purified and kept purified, so Ascended Master Healing and Perfection can fill and control the outer self.

The outer self must give this co-operation and obedience, if the Calls for Help are to be answered.

LOVINGLY IN THE SERVICE OF THE "BELOVED MIGHTY I AM PRESENCE," THE ASCENDED MASTERS, THE GREAT COSMIC BEINGS, AND THE GREAT ANGELIC HOST!

"I AM" MUSIC OF THE SPHERES NOTICE

To all the "I AM" Students who are learning to play the "I AM" MUSIC OF THE SPHERES.

It is very important to keep in mind that each Song is an Adoration and Loving Tribute to the Ascended Master or Great Cosmic Being to whom it is dedicated. It should be treated and respected as such and not to be considered as just an ordinary piece of music.

Therefore, it is necessary to first learn to play each Song as it is written before attempting to compose your arrangement or harmony just to make the piece sound different or to attract attention. The habit of trying to add extra notes and frills is distracting and has never been permitted. These rules have been called to your attention many times.

If you are to expect the benefit of the Radiation and the Assistance from the Ascended Masters, while learning to play or sing Their Songs, it is your duty to obey your teacher who is trying to be helpful; and not defy the requests and instructions given.

The Ascended Masters have set a Divine Pattern for each piece of music and all should learn to hold to that pattern; so the music is not distorted from what They intend to accomplish through it. When this is considered, we have no right to change the pattern that They have set for the Healing They wish to give. When the Ascended Masters are pouring Their Healing Flame through this music, they are constantly directing what They want to give to Heal and Bless the people.

If variations of the music contain discord, close harmony or changes, the Ascended Masters cannot use. They do not pour Their Healing Flame through; and that interferes with Their Blessing and defeats the purpose for which They give the music.

If the music students want to develop variations or make different arrangements to increase their ability, please use outer world music and not what the Ascended Masters have given.

It is the Ascended Masters' Request that if we want Their Gift, we can only receive It on Their Conditions. All should understand and obey Their Law.

Enfolding you in Their Illumining Consciousness,

“I AM”

NOTICE

OUR NEW PICTURES

It is our Great Privilege and Joy to announce the release of the New Pictures of the Beloved Ascended Master, Jesus, and the Beloved Ascended Master, Saint Germain.

The One of Beloved Master Jesus is the Nearest True Likeness of His Ascended Master Body; and we are releasing It into the physical world at the present time.

His Love, Peace and Power which It expresses, as one looks at It in Loving Contemplation, does release His Blessing, Purity and Feeling to those who will accept!

The Picture of Beloved Saint Germain is taken from the Picture He gave our Beloved Godfre for Contemplation, while He was having the Experience with Beloved Saint Germain, as described in "Unveiled Mysteries" and "The Magic Presence."

It is to bring the Greatest Love from Their Great Octave of Life's Perfection, into the physical world to help all, that we are releasing these Beautiful Pictures into mankind's use.

We send them forth with all the Love, Blessing and Perfection we know how to give; to help bring Peace, Purity and Freedom for the Victory of the Ascension to all.

We thank and bless our Beloved May DaCamara, without limit forever, for the Beautiful work she has done in creating the one of Beloved Master Jesus; and preparing the one of Beloved Saint Germain for reproduction.

We are reproducing both in sizes comparable to those we have reproduced in the past, so frames can be made to fit with or without mats.

We hope all will love, bless, enjoy, and use These Lovely Pictures, as much as we have.

With all Blessings of the "Beloved Mighty I AM Presence" and the Ascended Host,

VIOLET FLAME CLASSES

Our Beloved Ascended Master, Saint Germain, has said, that He would appreciate it greatly, if every "I AM" Temple, Sanctuary and Study Group would increase as much as possible their Violet Flame Classes.

It would be well if every "I AM" Sanctuary would have Violet Flame Classes on Wednesday as well as Saturday.

Wherever possible all are having Violet Flame Classes every morning from 7:00 to 8:00 o'clock as added Power to assist each one in his daily business activities.

It has become necessary, because of the National conditions in Our Land, for every "I AM" Study Group to give at least fifteen minutes of Violet Flame Decrees or longer.

We want this added Power in every group, even the first Fundamental, for greater Protection, Supply and Victory for the "I AM" Students as well as the Nation.

Lovingly, "I AM"
