

## BELOVED MIGHTY ORION'S DISCOURSE

CHICAGO, ILLINOIS

APRIL 23, 1944

bring you greetings of Cosmic Love from Those Spheres of Activity in which I dwell. May I pour a Feeling of My Love to you, which will enable you to know something of the Cosmic Powers of the Universe around you; that Life has provided for your Freedom, your Victory and your Great Eternal Happiness?

I represent the Three-Fold Action of Divine Love in the Cosmic Power from the Great Central Sun to This System of Worlds! My Activity comes through the Physical Sun and from thence, I dispense It to those who belong to This System of Worlds! You in the unascended state can scarcely comprehend what THE MAGNET OF COSMIC POWER OF PURE DIVINE LOVE MEANS IN THE UNIVERSE AROUND YOU! THE POWER OF A LOVE SO GREAT, IT CONSIDERS NOUGHT THAT HAS BEEN, NOUGHT THAT IS; BUT ONLY THE PERFECTION WHICH MUST MANIFEST NOW AND BE SUSTAINED FOREVER!

Therefore, "I AM" the Great Forgiving Cosmic Action of Pure Divine Love! In the Use of the All-Seeing-Eye, It sees the cause and effect of all things; but IS ONLY CONCERNED WITH PERFECTION IN CONSTANT MANIFESTATION! Everything above the octave of this world's manifestation; everything in the higher atmosphere of your Earth—from thence on into the Great Cosmic Realms of Creation—THAT ACTIVITY OF LIFE knows nought but the Perfection of the Cosmic Action of Pure Divine Love! Love which in the Action of the Blue Ray, releases Love, Wisdom and Power to any point; and manifestation automatically is instantaneous!

THE COSMIC LOVE WHICH I REPRESENT SUPPLIES THE ENERGY, SUPPLIES THE SUBSTANCE,

SUPPLIES THE WISDOM; AND LOOKING WITHIN ITSELF IN THE USE OF THE ALL-SEEING-EYE, BRINGS FORTH AND SEES THE END FROM THE BEGINNING; KNOWING THE DIVINE PATTERN OF PERFECTION ONLY! THIS TO WHICH I TURN YOUR ATTENTION, THE SEEING OF THE MAGNIFICENT PATTERN OF PERFECTION, WHICH THE SEVEN MIGHTY ELOHIM TO THIS SYSTEM OF WORLDS, HAVE DRAWN FORTH INTO OUTER MANIFESTATION AND PLACED UPON THIS EARTH, IS THE GREAT JOY OF COSMIC CREATIVE ACTIVITIES!

To design Beauty and Perfection and know the Ultimate of Its Limitless Expansion is that which is within My Heart; and within the Heart of every Ascended Master and Cosmic Being! To supply the Unlimited Energy of the Universe at any point in creation; and be the Outpouring of Its Life, focused into a Design of Perfection with the Command: "LET THERE BE MADE MANIFEST THIS WHICH I SEE," is the Authority of the Cosmic Life of ALL CREATION!

To be able to speak a Word which focuses Unlimited Energy—more energy than mankind has ever comprehended was in the Universe around it, can be drawn into One Focus instantly at Our Command; but the Right to wield Power of Such Cosmic Magnitude, has been attained and earned ONLY through aeons and aeons and aeons of time! DURING THAT TIME, WE HAVE POURED FORTH ONLY LOVE; COSMIC DIVINE LOVE OF ABSOLUTE PURITY; THE CONTINUAL RECOGNITION OF PERFECTION; THE ABSOLUTE PERFECT BALANCE OF ALL QUALITIES! OUR LOVE SO GREAT, THAT LIKE A MIGHTY COMET RUSHING THROUGH SPACE, IT CAUSES TO COME INTO OUTER ACTION, A FOCUS OF SUBSTANCE AND ENERGY; WHICH CARRIES WITHIN IT OUR DIVINE DESIGN FOR SOMETHING MAGNIFICENTLY BEAUTIFUL, EVERLASTINGLY USEFUL AND EVER-EXPANDING IN ITS PERFECTION!

I wish I might show you an Action of the Fire Element

which "I AM" privileged to use; which it is My Great Joy to draw forth and Whose Beauty I watch with Ceaseless Admiration! My Symbol is a Triangle of Three Blue Flames through which play constantly the Pink and the Gold. My Quality, My Authority, My Cosmic Attunement are That of Divine Love, charged with the Cosmic Power from the Great Central Sun which can produce instantly, whatever Perfection I choose to call forth!

Just as you would see changeable silk, with those three colors, but with the Pink predominant, just so do These Flames continually move! They flood forth the Three Qualities which are imperative to draw forth, whenever manifestation is to be brought into outer activity.

I work in co-operation with the Mighty Cyclopea! Divine Love in the Use of the Power of Sight – Pure Divine Love from Our Great Cosmic Activities of Creation, is at all times a building activity! It is an Expanding Manifestation of the Enjoyment of the Life, Beauty, and the Perfection of Cosmic Action! WITHOUT THIS QUALITY OF COSMIC DIVINE LOVE, YOU WOULD HAVE NO COHESIVE POWER IN MANIFESTATION! There would be no way and means to hold substance together through which energy could pass, except Divine Love give of Itself, the Qualities that draw all manifestation into harmonious accord! Then, only Beauty and Perfection are able to come forth!

The Cosmic Divine Love to which I refer, never permits a shadow of human discord to be imposed upon Its Creation; because of the Rapidity of the vibratory action which exists in Interstellar Space. It is used by the Cosmic Beings in Their Great Creative Activities and is of Such Tremendous Height and Such Power, that no human quality can exist within It; any more than a piece of paper could exist within an electric furnace were you suddenly to place it there. It would be gone on the instant! Just so does the Cosmic Power of the Divine Love which

“I AM” to This Earth, consume within Itself instantly, whatever is of the shadows; when it comes within the Radius of My Love, My Substance, My Energy, and My Light.

I might refer to This Quality which “I AM” pouring forth as a Tremendously Positive Force of Pure Divine Love in Its Cosmic Action! It is Love from the Great Central Sun! In the Great Scheme of Creation It is Adoration and Obedience which compel Perfection and in which no other idea or feeling can ever register. THEREFORE, “I AM” THE THREE-FOLD ACTION OF THAT COSMIC DIVINE LOVE WHICH NOTHING HUMAN EVER APPROACHES!

In This Outpouring which “I AM” to the Earth, there must come forth at intervals, a Wave of My Feeling, a Wave of My Love, a Wave of My Cosmic Power; which passing through the structure of this Earth, passing through the mental and feeling world of mankind—compels the annihilation of all discord.

There are many phases of the Activity of Cosmic Divine Love mankind has never contemplated! The people know not the slightest fragment of some of These Magnificent Cosmic Activities, which if contemplated a few hours, would reveal the Light, Beauty and Perfection contained within Life! It would last them for Eternity!

The mass of mankind’s attention, because it has been turned to discord has not been given to Us! It has not called for Our Qualities! It has not cared to become acquainted with Us! Just as children lost in the forest, crying and wandering in a maze of forgetfulness; so has the mankind of This Earth, the mass of the people, become enmeshed in energy; which is heavily charged with their own vibratory action of the shadows of hate, anger, fear, selfishness, and discord!

I WANT YOU TO FEEL something of the Cosmic Power which can enfold you, which can come to bless you,

if you so desire! When those, who are frightfully vicious, stand before the Mighty Astrea in fear and trembling, as they see His Blue Flame – when that Circle of Blue Flame surrounds them, the human gives way and accepts its inevitable annihilation!

In the outpouring of the Blue Flame which it is My Privilege to direct, clothed with the Pink and the Gold of Wisdom and Power; when Those Three Qualities are blazing forth, they simply move into all things and everything else dissolves before their approach!

What has ordinarily been referred to as Divine Love from the outer standpoint, sometimes in moments of ecstasy, you have occasionally touched a fragment of Its Feeling; but the Cosmic Divine Love, which I represent, is Power, Love and Wisdom in the Action of the Flame! It simply is the melting or dissolving away of all that is not Eternal Perfection!

The Earth will one day be bathed in all the Flame of Love within My Heart! The Three-Fold Action of the Pink, which is My Fundamental Quality, balanced by the Wisdom of the Gold and the Power of the Blue, is going forth! The Action of the All-Seeing-Eye is imprinting Its Patterns of Perfection upon all energy, all substance, all consciousness, all Life, all Light everywhere! When you understand This, you will begin to understand what the phrase – the “Treasure House of the Almighty” means to you.

Become aware of the Cosmic Action of Life and Its Unceasing Gifts to you, the beloved of all mankind! As you really contemplate These Cosmic Manifestations throughout the Universe, your Hearts will burst with Love and Gratitude; with the Desire to know and BE the Power of Our Love; which can produce Manifestations of Eternal Cosmic Perfection!

No one in This Universe is entrusted with the Unlimited Direction of Terrific Electronic Force, except That

One be the Fulfillment of the Law of Cosmic Divine Love! Because of the tremendous amount of energy focused upon a planet or through its humanity; to produce manifestations in the outer forms, It is drawn, directed and released only at the Command of Cosmic Beings; Who have been the Fullness of ALL Life's Perfection throughout uncountable aeons of time!

I EXPLAIN THIS TO YOU BECAUSE THE ENTIRE UNIVERSE AROUND YOU IS IN A CONSTANT STATE OF EXPANSION! ALL IS GROWING GREATER AND MORE MAGNIFICENT AS AEONS OF TIME GO BY! You, one day, will have come up and out of the human discord and the shadows of this world! Then, as you look up and behold the Manifestations of the Cosmic Scheme of Perfection in the Universe around you—you will feel as if you had come out of the grave, in which you had been imprisoned for centuries! With Its Great Freedom of breathing in the Great Fire Breath of Divine Love—the Flame of the Almighty from the Central Sun and from this Physical Sun, you will begin to know that you have just realized what it means to live Life according to the Divine Plan!

“I AM” TREMENDOUSLY MORE POSITIVE IN THE DIVINE LOVE WHICH I WIELD, than many of Those whose Divine Love has poured out to you throughout the centuries; and Who give so ceaselessly for the harmonizing and purifying of the conditions of this world! The reason for that is Three-fold! First, except where the Individual calls to Me personally—individually—My Work is to the mass of mankind, rather than to the Individual! In the second place, My Service is to the entire world and then to the System. So unless there be a Direct Call to Me, Direct Acceptance given and a “Cup” offered, through Which My Cosmic Power can focus for the Freedom of all Life and Blessing of Life with My Power of Love, then My Outpouring is simply to the whole! If the Individual,

who really accepts My Reality and My Existence, will make Me aware of his love or her love and desire to free all mankind from distress, I will come!

The freeing of the world from the throes of its agony, is a matter of Cosmic Decision for the Seven Mighty Elohim of Creation, as well as the Other Cosmic Beings, Who assist This World back into the Light! Since that is Our Responsibility, when the Individual is ready and reaching up, offers Us a Greater Opening; We can hasten the Release of the world from whatever mankind has generated!

Think you not that it takes a Tremendous Cosmic Pressure of Divine Love upon the atmosphere of Earth; to hold in leash the countless rates of vibration mankind has sent forth; qualified with hate and anger and destruction? When the mass is continually releasing those rates of vibration into the atmosphere, do you not realize it takes a Mighty Love from Cosmic Beings to keep destruction from exploding and destroying everything on Earth?

Do you know that within the structure of the Earth there has to be poured forth an Intensifying Power of My Love; in order to keep the tensile strength of the structure of the Earth itself to a certain point; to stand against the continued destruction mankind is generating? It takes a Very Positive Force of Divine Love to sustain the Earth from within and to hold the pressure of the atmosphere above; in order to keep the frightful destructive feeling, which is going forth constantly into the atmosphere of Earth, from shattering the network of the Seven Mighty Elohim of Creation, of whom "I AM" ONE!

I would that you would remember your Responsibility in the use of energy! Try to feel and try to make others feel, that the Great Cosmic Law of Balance, holds all responsible for the energy of the Universe which they use! When you really value the Trust Life has placed here, you will remember Us; and co-operate with Every Constructive Thing in This Universe – Every Constructive Being!

Mankind has gone on so long, feeling it never had to pay for that which is being sent forth—which is its own Life! Yet it has paid constantly! Remember in regard to all destructive qualities, forces and Individuals upon this Earth, the Universe around this planet and the upper atmosphere of this planet, are charged Eternally, with the Cosmic Love of Creation from the Great Central Sun, which none of those unascended could ever change!

The planet and the Universe around it were originally Self-Luminous! Even the atmosphere and the ethers were filled with Light; but because of the density through discord, into which mankind has drawn itself, the Light has come only so far! Into the Upper Atmosphere of Earth and into the other planets of the System in Interstellar Space, all is qualified with Cosmic Divine Love! It is the Great Energy of Creation, released from the Great Central Sun!

When you realize Those Manifestations are EACH ONE a Focus of Terrific Energy and all of It is qualified with Cosmic Divine Love, Wisdom and Power, held in Perfect Balance; you must love and forever worship the Great Intelligence of Life, Who is the Giver of Those Gifts! Do you quite comprehend just how Great is the Cosmic Being—the Mighty Intelligence Who draws forth throughout aeons of time, a Manifestation such as your Physical Sun; and keeps It in Sustained Ever-Expanding Action throughout those aeons of time?

That is directed by an Individualized Being and Beings of Cosmic Power and Intelligence from the Great Central Sun! It is not just a happenstance nor just a concentration of fire, placed there by accident or by your law of relativity, as your scientists so glibly repeat! No Focus of Energy and Substance comes together anywhere in This Universe, except by the Conscious Direction of one or more Individualized Beings, Who have the Authority, Wisdom and the Power of the All-Seeing-Eye, to draw It into outer form!

May I again reiterate, as your Beloved Saint Germain did, there is not a Law of Relativity, so don't clutter up your minds! "I AM" trying to make you feel today the Power of Cosmic Divine Love so Great in Its Manifestation; that It designs and brings into outer form Systems of Worlds and Galaxies of Systems! There could not be one atom of hate nor discord nor imperfection allowed; when Those Manifestations are drawn into Cosmic Space! There should not be through those in this world, who carry the Flame of Life within the Heart! The Unfed Flame of Life stands within the Permanent Atom of every human Heart in human embodiment! When that Tiny Flame has been given by your Higher Mental Body into the substance of your physical form, it is so the Majesty, Beauty, Power and Perfection of Divine Love, may reveal Its Gifts to the Universe around It; and LIFE IS MEANT FOR NOTHING ELSE!

In order to be worthy of the Cosmic Powers of Manifestation, the Individualized Being, Who is permitted to wield Unlimited Power and direct Unlimited Energy, must be the Fulfillment of the Law of Divine Love! The Fulfillment is a Power of Divine Love and the Wisdom of Divine Love and They have nothing to do with human qualities!

Can you comprehend just how Great is the Love of These Mighty Beings Who direct Their Light Rays, Their Currents of Energy and the Flame of Love from Their Hearts, to this planet and to the Individualized Beings upon it? Your Beloved Sanat Kumara – and remember six others before Him, throughout this long period of time, gave Their Love so It might keep discord from shattering the planet!

Earth owes Her Existence this hour to the Love of the Seven Kumaras! Mankind's creation of the centuries, has weighed heavily upon the structure of Earth, cycle after cycle! When the pressure came to the point where

it almost shattered the structure of the Earth, Those Beings—a Part of Myself—poured Their Cosmic Love to still the turmoil of humanly qualified energy!

Think you not the Earth itself has rebelled and the Powers of Nature also, against mankind's inhumanity to man? Even the Beings of the Elements would no longer tolerate the discord; the structure of Earth was rent in twain and whole portions sunk overnight! When the structure of Earth itself through cataclysmic action, has been torn asunder because of human discordant feeling, then you must realize what the necessity is in this world, for My Love; to dissolve what has caused such frightful distortion of Life's Divine Plan!

Now, the need of my Love to the Earth is Greater this hour than ever! When Life designed the physical structure, the physical form; and the Intelligent Beings established the magnificent system of leverages in the human body; the magnificent system of circulation; the magnificent sensitivity of the atomic structure; It gave mankind these bodies in which to live! When Life has provided THE MOST PERFECT MECHANISM ON THE EARTH—a human form—Life has entered therein; to expand Its Gifts of Beauty and Perfection to the Universe! When the consciousness of Life has been so prostituted by frightful misuse; mankind uses the intellect to design more and more vicious ways of shattering human beings, through the instruments of war! Where has the Intelligence that abides within the Cosmic Love of the Universe gone? When the mass of mankind is subjected to this frightful thing, where has My Cosmic Love—given through the centuries—gone?

Think you not they need me? Blessed Ones, except for your Beloved Saint Germain, whose Love through seventy thousand years for you alone, has been conveyed to you, It was also My Cosmic Love! When He brought forth This Light of the "Beloved Mighty I AM Presence,"

it was the hour wherein either My Love must come forth and stop this thing or the Earth itself dissolve! It just might interest you to know, that the Great Cosmic Law of the Central Sun, does not permit the Handiwork of the Seven Mighty Elohim of Creation to go into discard, because of human beings' disobedience to the Divine Plan.

MY COSMIC LOVE SHALL COME TO THE ASSIST-  
ANCE OF THOSE WHO CARE TO THINK ABOUT ME!

Yes, if you have noticed, you have been told in astronomy, there is a Constellation of Orion. That was as much as you ever knew! Yet there is a Focus of Life—a Focus of Light—which stays in Its Divine Pattern in That Constellation through an immeasurable length of time, so far as mankind is concerned! People have not wanted to know much about what was above them! Their attention has been, as your Beloved Saint Germain said, a downward looking; and your world today is a picture of what that produces!

I CHALLENGE YOU, BELOVED OF THE LIGHT, TO GAZE UPON THE CONSTELLATION WHICH BEARS MY NAME! GIVE IT YOUR LOVE AND ASK FOR ITS LIGHT, ITS INTELLIGENCE AND ITS LOVE TO COME BACK TO EARTH TO FREE MANKIND FROM THE SHADOWS! WITH YOUR CALL TO ME FOR THE THREE-FOLD POWER OF THE FLAME OF MY COSMIC LOVE, I CAN ASSIST YOU AND THE EARTH TO MORE RAPIDLY DISOLVE THE SHADOWS!

“I AM” going to say something very important! Don’t misunderstand Me; but My Love—the Feeling and Flame of Love from My Heart—shall draw the Life Streams of those in this war into My Love; when I turn My attention to them! “I AM” looking the Earth over today! My Love shall go out and give Courage and Strength to those who do not want to kill! If the Truth were known, not one per cent of the people who are sent into the holocaust of war, really want to do what they are made to do! THEN IT IS

TIME THOSE WHO HAVE ISSUED SUCH ORDERS, WERE REMOVED FROM THE PLANET BY THE AUTHORITY OF THE SYSTEM!

OH, IF YOU ONLY KNEW, PRECIOUS ONES, WHAT POWERS OF LIGHT YOU COULD DRAW INTO THE OUTER WORLD, WITH YOUR LOVE, ACCEPTANCE AND FEELING; WHEN IT GOES TO THE GREAT COSMIC BEINGS OF CREATION—WITH AN INSISTENT COMMAND FOR THE FREEDOM OF THE WHOLE—YOU WOULD SCARCELY STOP MAKING YOUR CALLS! Do you remember your Precious Saint Germain saying to you, the Beloved David Lloyd and I believe the Beloved Mr. Kelly, kept pleading so incessantly with the Ascended Ones for More Help to you, that at times They had to ask him to desist? I say this for your acceptance, if you choose: “If unascended mankind were as persistent as that; in the Calls to Us for the Freedom of their fellow men, there would be no war in your world today!” You, in the unascended state, being an atom in the body of the mass of mankind, are the Authority for what you want in This Octave! Therefore, the Part has the right to assist the Whole! Your hand has the right to assist your other hand, if you so direct it! SO DO YOU, AS UNASCENDED BEINGS, IN YOUR FIERCE RELENTLESS DETERMINED CALLS FOR THE FREEDOM OF ALL MANKIND FROM ALL HUMAN QUALITIES, BECOME THE AUTHORITY! Thus, the Great Cosmic Law answers; and you may be as persistent as you please and you will never be told to desist!

NOT THAT THE GREAT ONES ARE DISTURBED BY DAVID LLOYD OR BLESSED MR. KELLY, NOT AT ALL; BUT THE LAW OF OUR OCTAVE DOES NOT PERMIT ASSISTANCE, UNLESS ENOUGH OF MANKIND IN THE AUTHORITY OF THE “MIGHTY I AM PRESENCE,” COMMANDS IT FORTH AND RELEASED TO THE WHOLE! THAT IS WHY “I AM” HERE! THIS GOOD MESSENGER

SINCE THE CONCLAVE OF THE "I AM" YOUTH LAST FALL, HAS PERSISTENTLY—EVEN BEFORE THEN—CALLED TO ME FOR WHATEVER COSMIC LOVE IS NECESSARY, TO FREE THE EARTH FROM THE FRIGHTFUL CREATION OF WAR.

As more of you use the Full Authority of your own Life Streams, to call forth ALL the Cosmic Love of Creation, if need be, to free the Earth; if you persist and never let go, then the Cosmic Light watches your Calls come forth to Us! When they reach a Certain Intensity, It will draw down the Full Response to Your Call! THE SHADOWS WILL BE CAUGHT WITHIN THE FLAME OF MY LOVE; AND THERE WILL BE NOUGHT BUT THE LIGHT REMAINING!

Take your Authority in the Name of your "Mighty I AM Presence" and that of all mankind! Use It again, again, and again, with the Command—that mankind shall stop its destruction! Then, the Cosmic Love of Creation, in Its Release of the Light, shall set the Earth Free! MANKIND SHALL FACE THE LIGHT, STAY WITHIN IT, AND FULFILL THE DIVINE PLAN!

Don't allow your feeling to accept for a second, that the rest of the vicious plan of those who want to destroy all mankind—if they could—has to be outpictured! They will try every diabolical thing their consciousness can think of; but I say to you: "CALL TO THE COSMIC BEINGS FOR WHATEVER COSMIC ACTION OF LIFE IS REQUIRED, TO MAKE THEM STOP ALL DESTRUCTIVE PLANS, ALL DESTRUCTIVE ACTION OF THIS EARTH FOREVER!"

You have been told America is the Heart of the World! This might sound humorous to you, but it looks like the Earth had heart trouble right now! It has, but it is a fungus growth around the heart which needs to be cut away! THE HEART OF THE WORLD SHALL NOT BE SACRIFICED FOR THE REST OF THE BODY! Will you

believe Me today? Take your stand and use that as your Command in the Authority of your "Beloved Mighty I AM Presence"! CALL FOR THE GUARDING OF THE THINGS OF WEALTH, WHICH BELONG TO AMERICA; AND HAVE BEEN PLACED HERE BY THE MIGHTY COSMIC POWERS OF LIFE, FOR THE SUSTAINING OF LIFE WITHIN THIS LAND.

We love the World, but the Heart must be guarded! Don't allow contamination of your principles or the abrogating of the Authority of your Constitution, to be allowed anywhere in this land! MAKE THOSE IN OFFICE VERY DEFINITELY KNOW THAT! YOU HAVE BEEN ENTRUSTED WITH A DIVINE GIFT—THE GOD-CONSTITUTION OF THE UNITED STATES OF AMERICA! It has blessed you for many years! It is entitled to your Protection now; so those who come after you, may not return to the slavery which once was within your land!

DON'T YIELD ONE INCH TO OUTER WORLD AUTHORITY, TO REGULATE YOUR POSTWAR FINANCIAL ACTIVITIES! YOU CALL THE POWERS OF GOD, THE "MIGHTY I AM PRESENCE" AND THE ASCENDED ONES TO REGULATE AMERICA'S FINANCIAL STATUS; TO TAKE POSSESSION OF HER RESOURCES, AND ADMINISTER THEM, AS GOD ALMIGHTY INTENDS AND YIELD TO NO HUMAN BEING!

Those who are of the Light within This Land, shall be clothed in My Cosmic Power of Divine Love—Power that is Absolute—so long as their motive is to FREE America, protect her people, and her God-Constitutional Form of Government! The hour is at hand, when the Cosmic Powers must come forth and give Protection to all; who want to save the God-Constitutional Government of the United States of America.

The Seven Mighty Elohim of Creation hold the Balance of Power to This System of Worlds! Your Call and your Love to Them through your Music, has drawn forth

Tremendous Help already! Keep it up! Give Them recognition! Give Them your Love! Call forth all They have at Their Command, to free America from all that is not of the Light; and They will hold your hand and give you all Their Light; until She stands Free as Beloved Saint Germain desires!

“I AM” the Cosmic Power of Divine Love in Its Three-Fold Action, which dissolves all that is not of the Light; and My Cosmic Power of Divine Love is something no destructive force cares to wrestle with or oppose!

Many Manifestations have come forth on This Earth, by calling forth the Power of Pure Divine Love! Many, many, many millions of Manifestations have come! When I say to you the Pressure of My Cosmic Divine Love is overwhelming to the whole world; then you may begin to comprehend something of the TERRIFIC ENERGY which is at My Command; and which I can direct if you will call!

Your Adoration to the Seven Mighty Elohim has been beautiful! We are intensely grateful, for you have given an Acceptance that the outer world does not even comprehend! Keep It up and there is not one of the Seven Mighty Elohim Who would ever refuse you one thing; when you call forth that which is for the Freedom of the Whole World!

Whatever Powers of which We are the Custodians, you desire to bring into the outer manifestation of your daily life or national affairs—remember: “ASK US TO CHARGE FORTH ALL OUR COSMIC POWER OF THAT SAME ACTIVITY; TO FREE THE WORLD; FREE ALL MANKIND; FREE ALL LIFE; AS WELL AS YOURSELVES!”

The Cosmic Light is flooding the Earth! It is growing Brighter! When the Outpouring on the Day of the Ascension takes place, through Beloved Jesus’ Mighty Outpouring at that time—amplified by the Cosmic Beings Who assist Him “I AM” SURE YOU WILL ALL FIND

MUCH MUCH GREATER POWER AND HAPPINESS WITHIN YOURSELVES; BUT DON'T BE DECEIVED! THE EVENTS THAT AFFECT YOUR NATION DURING THE REST OF THIS YEAR ARE VARIED; THE DESTRUCTIVE FORCES ARE READY AT EVERY OPPORTUNITY TO STRIKE! CALL FOR ALL WHO SERVE THE LIGHT TO COME INTO PUBLIC OFFICE AND INTO CONDITIONS OF THE FINANCIAL WORLD! IT IS NECESSARY TO YOUR NATIONAL WELFARE AND SAFETY!

Destructive forces are frightfully desperate when it comes to facing the reckoning which they know must be! So if all the people who want the Constructive Way of Life, would stand with you; give These Decrees as you do; and stand fiercely for all that is Right—Just and Honorable—in your America, you would be a “Cup of Light” which We would amplify with a Cosmic Pressure against which no discordant force could stand! We must do the best We can as the people awaken one by one; come into This Activity, as the Light grows Brighter and expands further! Then will It, at the same time, penetrate the structure and the atmosphere of the Earth, until the hour of removal has arrived.

For the next week call forth, if you will, THE MIGHTIEST COSMIC PRESSURE OF COSMIC DIVINE LOVE TO THIS SYSTEM FROM THE SEVEN MIGHTY ELOHIM; AND LET US SEE WHAT WE CAN DO! CALL THE MIGHTIEST COSMIC PRESSURE OF COSMIC LOVE TO THIS SYSTEM FROM THE SEVEN MIGHTY ELOHIM! GIVE THEM YOUR HEARTS! USE THE AUTHORITY OF YOUR LIFE STREAMS! ASK US TO WALK THE EARTH THROUGH YOU! WE WILL NOT REFUSE YOU AND THE EARTH NEEDS YOU. MANKIND NEEDS US!

KEEP UP YOUR CALLS AND KNOW THE UNIVERSE WHICH SURROUNDS YOU, CONTAINS MORE OF THE POWER OF LOVE, THAN ALL THE DISCORD ON THIS PLANET THIS HOUR! ALL DISCORD MANKIND HAS

EVER GENERATED THROUGHOUT THE CENTURIES, IS NOT ANY MORE THAN THE WAVE OF YOUR HAND, BEFORE THE PRESSURE OF COSMIC POWER TO THIS SYSTEM OF WORLDS! ITS DIVINE LOVE IS INVINCIBLE EVIDENCE THE MOMENT YOU LOOK ABOVE; FOR THE WORLD AND THE UNIVERSE ABOVE YOU ARE THE OUTPOURING OF THAT DIVINE LOVE WHICH YOU NEED!

THE SEVEN MIGHTY ELOHIM WILL NOT REFUSE YOU THEIR LOVE! NEITHER WILL THE ANGELIC HOST, NOR WILL YOUR "BELOVED I AM PRESENCE," NOR THE LEGIONS OF LIGHT! WHEN THERE IS SO MUCH LOVE AND SO MANY WHO ARE READY TO GIVE YOU THE COSMIC POWER OF COSMIC DIVINE LOVE; THEN DRAW IT; AND SEE FOR YOURSELVES, WHAT IT WILL DISSOLVE IN THE WORLD AROUND YOU!

WHEN YOU HEAR MY NAME OR THINK IT OR FEEL IT, REMEMBER "I AM" THE COSMIC POWER OF COSMIC DIVINE LOVE, GREATER THAN ALL MANKIND HAS EVER KNOWN ON THIS EARTH IN ANY AGE! SO IS YOUR MIGHTY SANAT KUMARA AND THE LORDS OF THE FLAME FROM VENUS! THOSE GREAT BEINGS WHO HAVE DIRECTED THE POWER OF THE SACRED FIRE; THE UNFED FLAME OF A THOUSAND SUNS UPON VENUS FOR AEONS OF TIME, HAVE LOVED THE EARTH; SO THEY ESTABLISHED A FOCUS OF THAT FLAME INTO THE STRUCTURE OF THE EARTH ITSELF! SUCH A FLAME ABIDES WITHIN THE ROYAL TETON! THIS REMEMBER! THEY LOVE YOU!

WE LOVE YOU! ALL THE SEVEN MIGHTY ELOHIM LOVE YOU! IF YOU REALLY ONCE IN YOUR FEELING FULLY COMPREHEND OUR COSMIC POWER OF COSMIC DIVINE LOVE, YOU WILL KNOW WHAT IT MEANS TO REST WITHIN THE ARMS OF YOUR "BELOVED I AM PRESENCE" AND LET THE COSMIC POWER OF DIVINE LOVE GO BEFORE YOU ON OCEANS

OF FLAME; AND CONSUME ALL ELSE BEFORE IT  
CAN ACT OR APPROACH!

Your "I AM" Decrees of Prevention are Wonderful! Never forget your Decrees, your Music, the Constructive Desires of your feeling world, the Desires of your Hearts—all of Them are the Calls of Life which do accomplish that whereunto they are sent! Those are the Calls of Life which Life always answers! Within Those Calls REMEMBER IS THEIR MANIFESTATION COMPLETE IN THE OUTER WORLD, WHEN YOU FEEL IT WITH THE COSMIC POWER OF COSMIC DIVINE LOVE!

This may seem just like words to you this afternoon; but the Radiation of Their Consciousness and My Feeling, are being anchored within your feeling world; within your intellectual consciousness; within your mental and feeling world; and when YOU REALLY CONTEMPLATE THEM, you will know what They mean as time goes on. The Radiance has been given! The Words have been spoken! The Record has been made within your consciousness! YOUR CALL TO YOUR "BLESSED MIGHTY I AM PRESENCE" AND TO US FOR THE ILLUMINATION, WILL DO THE REST; WHEN YOU TURN YOUR ATTENTION TO US; STILL THE FEELING AND RECEIVE MORE AND MORE AND MORE OF THIS POWER!

Use all the Power your Heart desires! Call forth Power without limit, Beloved Ones! WHEN YOU CALL THE COSMIC POWER OF COSMIC DIVINE LOVE, NOTHING CAN TOUCH YOU! AGAINST COSMIC CREATION, THE HUMAN CANNOT STAND!

Give your attention to the Seven Mighty Elohim, your Calls to Me and the Lords of the Flame from Venus! Draw to yourselves the Fullness of All My Words mean this afternoon! May your Calls to Us draw unto you the Full Illumination, through which your Higher Mental Body can act; draw forth your Cosmic Freedom, be your Cosmic Victory; and let you render your Cosmic Service to

the Light; until all Life is the Fullness of Its Perfection! Then, there are no more records in the Universe, that there has ever been shadows of human distress!

May the Blessing of ALL the Cosmic Power of the Cosmic Love of the Seven Mighty Elohim be a Pressure of the Flame and the Love from Our Hearts; which enfolds you and dissolves away from you, all that is less than Our Perfection! MAY OUR COSMIC POWER OF OUR LOVE AROUND YOU, WHILE OF TREMENDOUS PRESSURE, YET BE THAT WHICH MOVES BEFORE YOU AND STILLS ALL ELSE FOREVER!

I thank you!
