

BELOVED GODDESS OF JUSTICE

SANTA FE, NEW MEXICO

MAY 30, 1948

BELOVED ONES OF FREEDOM, Beloved Ones of the Light, Beloved Ones of the Victory of God's Divine Justice, I greet you tonight in the Love, the Power, and the Wisdom of Our Octave, which compels Balance to be held everywhere, not by force, but by the Power of Loving, Willing Co-operation.

I want tonight, to make it so easy for you to give the Obedience the Cosmic Law requires in fulfilling the Divine Plan of your Life Streams, that you will be able to pour the Radiation of Our Obedience, or the Feeling of Our Obedience to those you contact; until there will awaken within all whom you contact, the Desire to give Willing Obedience to the Great Cosmic Law; which brings the Supremacy of Divine Justice in fulfilling the Divine Plan everywhere for each one.

Beloved Ones, there are many people throughout the world who know This Law is True! They are as sure of It as they exist; but the outer self is not quite willing to accept the discipline, and give the Obedience; which enables the Full Power of the Law to act through the outer self. We are trying to bring all under This Radiation to the place, where the giving of Obedience in the Requirements of the Cosmic Law, is a Great Loving, Joyous Activity, and not a strain or sense of struggle with limitations and problems.

We want you to feel it is a Privilege to give Obedience to the Great Demands of the Cosmic Law; because from all that is Greater than this world, there comes a Love to mankind which is Greater than people can understand.

Mankind in the comprehension of the human intellect knows so very little about that which is greater than itself. Therefore, those of you who understand the Law of the

“Mighty I AM Presence,” can open the door that you choose at will; reach into Our Octave and into the Greater Activities of the Universe and draw back to yourselves – by Conscious Effort – the Explanation of many things which are an hundred years in advance over anything the outer world has today.

We have opened the Door for you to look into Our Octave; to comprehend something of what is There; to understand some of Our Cosmic Responsibilities and Activities; and to co-operate with Us in drawing forth Their Greater Blessings to the Earth. You have had Conscious Explanation of That, and you have received advance Information; because you have made effort to be obedient thus far; but sometimes it seems difficult for the outer self to accept the discipline required by the Cosmic Law, in order to earn the Right to use Greater Power; and be worthy of that Power so It may bless you forever! Through your use of It, you can be a Blessing to the Whole Universe forever!

Most people desire money, healing, power, and things of the outer world; and they think if they obtain them, it will bring them happiness. That is not what brings Happiness. You may look around you everywhere in the physical octave and you can find people with an abundance of money, plenty of intelligence, Light, and understanding – with plenty of things, and plenty of power. Sometimes they have very great health and strength, yet, they are not happy; and they are not fulfilling the Divine Plan of their own existence, because the outer self is undisciplined.

The atomic structure is merely an aggregate of energy, substance and vibration. It is a focus of power; but if you do not hold that power under your control, people will control you and run away with you!

So when there comes resentment or rebellion against Obedience to what the Ascended Masters have required or requested; stop a moment! Ask yourselves what the feel-

ing of rebellion, resentment, and resistance will do to the thing you desire the most; because it is bound to affect the Fulfillment of your Desires and Calls! Even in the doing of things which are constructive, things that really do fulfill the Divine Plan, they are interfered with by the feeling of rebellion, resentment, and resistance.

If that moment appears, you can CALL FORTH THE INVINCIBLE FIERY HAND OF THE VICTORIOUS CHRIST—YOUR “MIGHTY I AM PRESENCE,” IN ITS COSMIC SERVICE—TO SEIZE, BIND AND ANNIHILATE THAT THING, SO IT TOUCHES NO PART OF LIFE; AND FORBID IT TO EXIST IN YOUR WORLD! THEN, CALL FORTH FROM YOUR OWN “BELOVED MIGHTY I AM PRESENCE,” WHATEVER WILL RELEASE ITS VICTORY OF THE LOVE OF THE SACRED FIRE THROUGH YOU; WHATEVER WILL COMPEL THE SUPREMACY OF DIVINE JUSTICE, WHICH BRINGS WILLING OBEDIENCE IN THE USE OF OUTER THINGS! Then, you will find shortly, there will be no difficulty on your part to shut off anything that seeks to disturb! Turn right away from it, turning the attention to the Unfed Flame in the top of the head! DEMAND THE VICTORY AND SUPREMACY OF OUR DIVINE JUSTICE IN THE FULFILLMENT OF THE DIVINE PLAN; AND DEMAND THE JOY WHICH ENABLES YOU TO GIVE WILLING OBEDIENCE!

So, instead of feeling you are under a discipline which is rigorous and trying, there is no feeling of that sort! There is just a Happy, Wondrous Co-operation of the outer self to the slightest Requirement of the Cosmic Law! It holds all things in Divine Order, and in Perfect Balance, maintains whatever will produce Victory and Divine Justice to all and holds the Highest Activity of the Supremacy of Divine Justice, in Its Victorious Presence for It must ALWAYS be the Love of the Sacred Fire!

People so often feel that Divine Justice is giving them their own way; that, of course, is far from the Truth! DIVINE JUSTICE IS THE OUTPOURING OF THE VIC-

TORY OF THE SACRED FIRE IN SUCH PRESSURE FROM WITHIN; THAT IT COMPELS BALANCE TO BE MAINTAINED BY LOVING CONTROL OF ALL CONDITIONS; AND AT ALL TIMES BE HELD UNDER THE COMMAND OF THE HIGHER MENTAL BODY!

My Dear Ones, while the physical law of the physical octave was originally meant to be an Extension of the Divine Law, in order to maintain Purity and Order and Happiness in the physical octave; yet the human law has become so distorted by the selfish desires of mankind, that it is no longer a way and means of producing either Justice or the Victory of constructive activity.

If you are going to move and act in the physical octave and have success in constructive action, you must understand This; and DEMAND WITH EVERY POWER OF YOUR BEING, THAT THE VICTORY AND SUPREMACY OF DIVINE JUSTICE WHICH BRINGS DIVINE ORDER AND SUCCESS IN THE OUTER WORLD, MUST GO FORTH AT YOUR CONSCIOUS COMMAND! IT MUST BE QUALIFIED WITH THE VICTORY OF THE LOVE OF THE SACRED FIRE THAT PREPARES YOUR WAY; UNTIL THE ILLUMINATION COMES, WHICH SHOWS YOU THE RIGHT THING TO DO AT EACH MOMENT AND GIVES YOU THE STRENGTH TO DO IT! SACRED FIRE LOVE HOLDS IT PROTECTED, UNTIL IT CAN EXPAND AND FULFILL THE DIVINE PLAN!

Everywhere you move in the physical octave, selfishness is rampant; and selfishness is what has prevented Divine Justice holding control of the things in the physical world! The things which have been thrown out of balance, have become like that through the lack of Conscious Acknowledgment; and the lack of Conscious Demand for the Victory of the Love of the Sacred Fire, to be the producing Presence that brings Divine Justice.

When you use That as your Scepter of Power – and if Divine Justice seems not to be in your physical affairs, and you want to bring It about; DEMAND THAT IT BE-

COME A THING MANIFEST, BY THE VICTORY OF THE LOVE OF THE SACRED FIRE! Then whatever changes take place, in order to bring about Divine Justice, will come Harmoniously and Permanently. Unless you do a thing by the Power and Victory of the Love of the Sacred Fire, IT IS NOT PERMANENTLY ACCOMPLISHED!

I want to explain something 'I AM' quite sure you do not yet realize! When you desire Victory in something constructive; and you use That Phrase to demand the Victory of the Sacred Love of the Sacred Fire, you must pour your Love to the Sacred Fire! To bring about the success that fulfills the Divine Plan, I wish you to understand it is not only the Hand of your 'Presence' using the Great Love Flame; the Great Violet Flame or the Unfed Flame in a condition, to purify and regulate it until it yields you Perfection; but THAT CALL FROM YOU MEANS YOU ALSO MUST POUR OUT YOUR LOVE TO THE SACRED FIRE!

In other words, when you call for the Victory of the Love of the Sacred Fire, it means that Victory must be within yourselves! There must go forth from the Unfed Flame in your Heart, the Fiery Devotion to the Activities of the Sacred Fire from the Great Central Sun! The Love must pour forth from you to the Fire Element; if you are to have the Release of whatever is required within It, to bring you Its Victory; to hold the Supremacy of Divine Justice; and supply you with whatever is required to fulfill the Divine Plan.

If you are going to draw from Above, These Magnificent Activities of the Sacred Fire, which are Master over everything in this world; then there must go from you, first, the Fiery Devotion of Love to that Sacred Fire; in order to start the Impulse which draws It back to you through magnetic attraction!

Therefore, in the Real Understanding of what Divine Justice means to Life, the Very Core of Its Power and Manifestation is the Fiery Devotion of your Love to the

Fire Element above you! I mean by that, Those Cosmic Activities of the Sacred Fire which are directed by the Cosmic Beings to produce Perfection in this world; directed by such Beings as the Mighty Sanat Kumara, and the Divine Director, the Lord the Maha Chohan, and the Great Beings from the Central Sun!

So the very Fundamental Requirement of bringing Divine Justice into your affairs and your world, is for YOU, FIRST OF ALL, to love the Sacred Fire! You must send your Love and your Fiery Devotion to Those Activities of the Sacred Fire; which are producing manifestations everywhere throughout Creation that are beautiful and Magnificently Perfect! They are always held in Divine Balance and Divine Order to produce Beauty and Happiness, and the Victorious Accomplishment of expanding Perfection to fulfill the Divine Plan.

You see, the average person's concept of Divine Justice is to compel someone in the outer world, whom the outer self thinks has injured him in some way, to take some punishment and make restitution. That is the average person's concept of Divine Justice! We don't have much to do with that—in fact, not anything at all!

Our Idea of the Supremacy of Divine Justice, is first of all, to release from your Own Heart Flame, Its Fiery Love and Gratitude to the Greater Flame of which It is a Part! That is the first Divine Justice to Life! When Fiery Love and Devotion go forth to the Central Sun, and to the Great Beings Who govern the Fire Element to This System of Worlds; as It goes forth, and draws back Their Response to you, you breathe in the Gift of Their Love of the Sacred Fire! It establishes within you the Power to send forth whatever causes Balance! It holds Perfection and the Supremacy of Divine Justice in the conditions of the world around you!

Therefore, if you are going to demand Divine Justice in your affairs, if you understand Me tonight, the first energy which goes forth from you will be a Wave

of Love from your Heart in Fiery Devotion, Love and Gratitude to That Master Element of the Universe in the Great Central Sun! It contains within It the Love you require to manage conditions in the business world; or anywhere else that brings the Fulfillment of the Divine Plan, and Joy to others which enables Divine Justice to come through!

You can't have Divine Justice in your world hurting others! So long as you want to lash some part of Life to do your will, you will not have Divine Justice! I want to remind the entire Student Body tonight—that some of you; and "I AM" not permitted to say what the Decision of the Cosmic Law will be, as to how many of the "I AM" Students might be taken en masse into the Ascension! If the Cosmic Law decides that under an outer world crisis which might arise, then My Dear Ones, those who are to come into Our Octave, cannot bring hate with them! They cannot bring fight, rebellion, criticism, condemnation, or a dictatorial attitude which expects the world to worship at their feet!

If the Student Body is to have the Ascension, and "I AM" making the Call with all the Love of My Command that not one fails to get It, then the Student Body, "I AM" sure will understand Me tonight! You will not be concerned with making someone else always do the will of the outer self! Instead, the Fiery Devotion of Love and Gratitude will go first to the "Mighty I AM Presence" and the Beings of the Central Sun! It will draw back the Outpouring of the Victorious Love of the Sacred Fire, which those Beings are, to enter into Individuals and conditions; and Harmoniously, Silently, Joyously, and Permanently change the conditions by the Individual's own Love!

Until you do a thing through the Love of the Sacred Fire, you will do it over, and over, and over again. So, the Supremacy of Divine Justice that makes you Master over all in this world, must come about by your Love,

Gratitude and Fiery Devotion to the Element of the Sacred Fire in the Central Sun; of which your own "Blessed I AM Presence" is an Individualized extended Flame!

Please understand Me tonight, your Individualized Flame from the Great Central Sun doesn't float around in the Universe just loose somewhere! It is a Flame that is extended from the Central Sun, and has projected you, as the outer instrument; by which It might pour through you in less intense action or concentration than It uses at Cosmic Levels. It wants to pour through you Its Love, Its Supremacy, or Its Harmonious Balanced Control of Substance and Energy, into conditions in the world around you; and that is the Supremacy of Divine Justice!

The day, My Loved Ones, that you no longer want your own way, you will let Our Love hold sway! When there seem to be limitations, problems or friction of any kind, just settle yourself first; and not be concerned about whether or not you get Divine Justice! Be willing to send your Fiery Devotion and Love to your "Blessed I AM Presence" and the Beings of the Central Sun; asking the Invincible Fiery Victorious Hand of the Love of the Sacred Fire to do the regulating you would like to do by physically controlling somebody! That is the old animal way! A Divine Being doesn't come and want to haul off, as you say, and land on somebody, in order to make that one do your will! THE LASH HAS TO BE BURNED!

The dictators of the world are to be removed, whether they be Individual, National, or International! (Applause) Thank you, Precious Ones! While you are standing I want you to remember This, unless mankind has This Understanding and the people themselves give Obedience to the Cosmic Law of the "Mighty I AM Presence," those who oppose It will automatically remove themselves from this Earth; by their own defiance of that which is greater than themselves! The Law of the Universe is the Victory of Love, and That is the Supremacy of Divine Justice; first to the source from whence you come, and then to the

energy and the substance in the Universe around you! When you have given Divine Justice you won't have to ask for It; because the world will give it back to you with interest! Won't you be seated please.

I wish you all to experience the Joy that I want you all to have in this Class. This is your Victorious Happiness Class; and if you want Happiness; you are going to have It—Supremacy! (Applause) Thank you, Precious Ones, won't you be seated please.

I want you to see distinctly tonight, with the Illumination that is being drawn within the room, what the qualities of the human are in comparison with the Divine. The Beings Who create a System of Worlds, Who give It Their Life, Their Love, Their Substance, Their Intelligence, and Their Protection, bring all things together Harmoniously through Love! Co-operation takes place; Balance is maintained; and Perfection is outpictured.

That which mankind does in the physical octave to try to accomplish something, even though it be constructive—if the outer self does not use the Divine Way of producing That Perfection, then the outer self is but an animal! "I AM" going to put something pretty plain tonight, because if you understand the Love which is back of it, you will have the Happiness Class and your Happiness will be of such Power; that wherever you go, others will absorb It; and the very Happiness of your Love will automatically compel Divine Justice to come to you without even asking It!

I want you to remember, everything that is Harmonious in your thought, your feeling, or your spoken word is Divine! Everything that is discordant is but the animal! We are not going to varnish anything; and there is no Divine Justice in the animal feeling! Only animals fight! Divine Beings don't fight! Can you imagine a war in the Ascended Masters' Octave?

Do you know what takes place in the Councils of the World when the Great Divine Beings assisting the

people of Earth counsel together as to what is best to remedy conditions that are so vicious. When the Councils come together, the One in charge counsels with the others; and all ideas are placed forward for acceptance or rejection; but nobody is used as a whip over someone else!

The reason "I AM" taking This up tonight, Precious Ones, is because whatever you want to have changed in your world, call to Me for the Victory of the Love of the Sacred Fire, first; then to the Central Sun! If you will call for the Victory of My Supremacy of Divine Justice, you will find a Love going into a condition that will first of all establish Harmony; and then what heretofore has seemed like opposition will become co-operation; and out of chaos and disorder will arise the order which is Peace!

Oh, people want to rule and control somebody else! There never is a greater failure on Earth than that feeling; because, My Dear Ones, you who know This Law, cannot come into Our Octave with that feeling to any human Being on this Earth, good, bad, or indifferent!

Unless you draw forth through Love, the co-operation which enables constructive thoughts and feelings to act together for the benefit of all—you will do over, and over, and over whatever you attempt; or you will face the same problem over, and over, and over; until you do everything you have to do by calling forth the Victory of the Love of the Sacred Fire! Your Love and Devotion to the Sacred Fire of your "Presence" and the Ascended Masters is the first Part of your Victory! Therefore, it is the Open Door through which the Balance of Love, Wisdom, and Power can bring Divine Order out of chaos and then Divine Justice automatically is yours!

You could take every Court of Law in this Land, and if people understood This Law and would take their attention off each other whom they hate; the Divine Part of the individual could control. If they would send forth Love and Gratitude to the "Presence" and pour forth Adoration through Fiery Devotion to the Sacred Fire in the Central

Sun, they could harmonize themselves through That Love! They could call forth the Invincible Hand of the Sacred Fire to produce the Victory and Supremacy of Divine Justice! That Sacred Fire Element would go into people and conditions and burn out the hate. It would burn out rebellion, resentment, criticism, and condemnation, and would remove their anger; until the Divine Part of the Individual would come forward and hold control!

Do you know what happens when Individuals become angry or condemnatory or dictatorial? The Higher Mental Body just says: "I will step aside"! It recedes farther away from the physical body and the animal feelings for the time being, hold control! That Higher Mental Body will not come nearer again, until the Violet Flame has purified the outer feelings; and more Light holds the Harmony which is the Magnet to draw the Higher Mental Body closer.

If you want Magnificent Ideas of Inspiration, if you want the solution, the Perfect Solution of your problems; then the brain structure must have more Light within it; in order to draw the Higher Mental Body closer into the outer self, to release through you what is required to harmonize your conditions; and solve your problems intelligently, harmoniously and permanently.

THERE IS ONLY ONE SUPREME AUTHORITY AND ONE COMMANDING PRESENCE AND SCEPTER OF DOMINION, AND THAT IS YOUR LOVE AND FIERY DEVOTION TO YOUR "BLESSED BELOVED MIGHTY I AM PRESENCE" AND THE GREAT CENTRAL SUN! WHEN THAT WAVE FROM YOUR HEART-FLAME GOES BACK TO ITS SOURCE, THE NEXT IMPULSE WHICH IS YOUR NEXT HEART-BEAT, IS RELEASED WITH GREATER POWER AND GREATER LIGHT; AND LIGHT BLAZES AROUND THE PHYSICAL FORM! WHEN THE ATTENTION GOES TO DISCORDANT THINGS OF THE OUTER WORLD, THE HIGHER MENTAL BODY RECEDES!

You remember the Discourse when the Goddess of

Light said, "Sometimes the Higher Mental Body stands with Its Hands over Its eyes, covering and refusing to behold the degradation and the deeds which disgrace the Temple of Life"! That is why there has been the statement: "Mine eyes are too pure to behold iniquity"! THE HIGHER MENTAL BODY WON'T TAKE THE PICTURES INTO ITS OWN WORLD AND INTO ITS OWN SUBSTANCE OF MANKIND'S DEPRAVITY OF THE PHYSICAL WORLD.

THE HIGHER MENTAL BODY WON'T TAKE THOSE VIBRATORY ACTIONS OF HATRED, CONDEMNATION, CRITICISM, AND BLAME INTO ITSELF; BUT YOU WHO KNOW THIS LAW WITH ONE INTENSE RELEASE OF FIERY DEVOTION OF THE LOVE OF THE SACRED FIRE, THAT COMES OUT OF YOU AS A GIFT TO YOUR "PRESENCE" AND THE GREAT CENTRAL SUN, WILL FIND RETURNING INTO YOU A LOVE WHICH IS THE MASTER PRESENCE OF THE UNIVERSE.

Then will you find those statements "The Fiery Invincible Hand of the Victorious Christ," moving before you as a Living Flame; purifying and consuming discordant thoughts and feelings, until as you approach—your way is clear; and there are those who will assist you to do what has to be done harmoniously!

Oh, My Dear Ones, if you don't want any more discord, I challenge you tonight, to take your stand! After you have sent your Love and Gratitude to your "Beloved Mighty I AM Presence" and the Great Central Sun, demand through the "Invincible Hand of the Victorious Christ," that every problem be solved Harmoniously, Permanently, and Silently; by the Love and Victory of the Love of the Sacred Fire!

Most of the time you won't even have to speak a word! Conditions will automatically be raised into the Light, where Perfection will hold the Perfect Balance! Then the Supremacy of Divine Justice becomes a Reality to you; and success is as easy as breathing! That is what brings you Permanent Happiness!

THERE ISN'T A PERSON UNDER THIS RADIATION WHO CAN'T DO THAT, IF HE OR SHE WANTS TO! There are certain Calls in the Love to the Sacred Fire which you may send forth! You can call to the Mighty Sanat Kumara, Myself, Beloved Lord Maitreya, or any Ascended Master or Cosmic Being! You can call forth Their Victory of Their Love of the Sacred Fire; and that means the Power of the Love They have generated which brought Them to the Ascension! It gave Them the Victorious Momentum of Cosmic Power required, to do the Gigantic Service They have rendered to mankind through the centuries.

WHEN YOU UNDERSTAND WHAT IT MEANS, WHEN YOU CALL IT FORTH FROM THE GREAT LORD MAHA CHOHAN, OR THE BELOVED MIGHTY SANAT KUMARA, YOU CAN CALL FORTH THEIR VICTORY OF THE LOVE OF THE SACRED FIRE! THEN YOU WILL CALL FORTH THE STRENGTH AND THE POWER OF THEIR LOVE, OR ITS MOMENTUM OF VICTORY ALL THROUGH THE CENTURIES!

In other words, you can have the Full Power of the Sacred Fire which They have drawn forth, concentrated, and used in outer action! YOU CAN DRAW THE FULL VICTORY OF THEIR COSMIC MOMENTUM INTO ANY CONDITION TO BE THE SOLUTION OF ANY PROBLEM, HARMONIOUSLY, SILENTLY, AND PERMANENTLY! When Life provides you with This, do you tell Me there is any excuse for wrangle or constant daily struggle?

Oh, Precious Ones, this morning in These Decrees there was enough Power released to dissolve the problems of the World, if people will only accept It!

What do you think We exist for, if We couldn't correct what the animal in mankind has created? If We found enough human Beings opening the Door to Us; and asking Us to solve these problems Harmoniously, Permanently and Silently, do you think the outer world conditions could exist another twenty-four hours?

The Mighty Sanat Kumara, Who for centuries has poured His Love to the Earth; the Mighty Cyclopea, Who waited; and the Mighty Silent Watcher, Who has waited over two hundred thousand years to do certain things at a Cyclic Moment; do you tell Me They would withhold one thing from mankind, if the people would but open the door and let Their Love pour through? Love is the Supremacy of Divine Justice to Life! They have given Divine Justice to This System of Worlds! Can you comprehend—is there anyone here who can tell Me how Great is the Love of the Mighty Sanat Kumara, Who is called the “Voluntary Exile”—leaving His Great Cosmic Work on Venus, to come and stay in the atmosphere—mark you, the lower atmosphere for two and a half million years?

Could you fail if you drew His Victory of the Love of the Sacred Fire into your problems? How much do you think He loves the Sacred Fire? When you draw the Victory of His Love of the Sacred Fire into your physical problems and conditions—asking Him to help you solve them Harmoniously, Silently, and Permanently; do you think He would refuse you, when He has waited two and a half million years for your calls? NO! Neither would anyone else in the Ascended Masters’ Octave nor the Cosmic Beings!

Do you, tonight, not understand the Privilege that is yours in the amount of Power These Great Ones have offered you; when They ask you to CALL FORTH THEIR VICTORY OF THE LOVE OF THE SACRED FIRE; WHICH MEANS THEIR FIERY DEVOTION WHICH GAVE THEM THEIR ASCENSION? It is Their Fiery Devotion to the Sacred Fire which has drawn through the centuries, Their concentrated use of the Fire Element!

What do you imagine is the Power of the Victory of the Love of the Sacred Fire of Beloved Helios; a Being so Great Who can draw the Electronic Force of the Universe, the Fire Element, into a manifestation as Powerful as your Physical Sun? How Great do you think is His

Love of the Sacred Fire, in order to produce that kind of a manifestation? Were you to CALL HIS VICTORY OF HIS FIERY DEVOTION TO THE GREAT CENTRAL SUN, My Dear Ones, the Power of the Love They have offered is without any limit whatsoever!

What do you think is the Power of the Fire Element which the Mighty Victory has drawn through the centuries, in His Victory of the Love of the Sacred Fire? When He says: "I have not known anything but Victory for hundreds of thousands of centuries," His Love and Fiery Devotion has gone to the Central Sun; and every Wave of Love He has sent forth has brought a Greater Wave of That Flame into Him—charged again with Victory!

That is why, if you choose to discipline the outer self and command it to send the Fiery Devotion of your Love to your "Blessed I AM Presence" then to the Great Central Sun, you can call to Me for My Victory of the Love of the Sacred Fire, and My Supremacy of Divine Justice! You will find I can teach you to Love That Sacred Fire in a Way which will compel Balance into your world, Supply into your hands, Healing to your bodies, Victory and Success without limit; so swiftly into your worlds, that you can scarcely believe the Majesty of Its Power and the Miracles of Its Presence!

You have the Wide Open Door, My Loved Ones, to be like the Ascended Masters, by calling for Their Victory of the Love of the Sacred Fire; and calling forth My Victory of the Supremacy of Divine Justice! If you choose to be a Law unto yourselves and just go on expressing the animal qualities, you will stay in the octave of the animal! There is no recourse otherwise!

We are offering the Divinest Power in the Universe, without any limitation whatsoever, as a Glad Free Gift of Love—simply to help get you Free and into Our Octave; and you can't bring the animal to Us! You can only enter through Our Door, through your Fiery Devotion and Love to the Sacred Fire from whence you came; and of which

you are an Eternal Part!

You have the Master Key, the Scepter of Power, the Authority of Victory Supreme in this which I have explained tonight! Try Me out! Use It! Use It! Use It a thousand times a day with every breath and Heartbeat! Let It go forth THE FIERY LOVE TO THE GREAT CENTRAL SUN THROUGH YOUR "BELOVED I AM PRESENCE"! ASK IT TO FLOOD YOU WITH THE BLAZING PRESENCE OF ITSELF, AND MAKE YOU THE ASCENDED MASTERS' VICTORY OF OUR LOVE TO THE SACRED FIRE; WHICH DRAWS TO YOU, ON THE INSTANT, EVERYTHING THAT CAN PRODUCE PERFECTION; AND GIVE YOU MASTERY OVER ALL IN THIS WORLD! THEN THE SUPREMACY OF DIVINE JUSTICE WILL BE A LIVING, PRACTICAL REALITY TO YOU, AND NOT ONE THING CAN FAIL YOU!

You are no longer subject to the conditions of the outer world, if you understand what the Beloved Najah, the Mighty Sanat Kumara have said to you; and what "I AM" saying tonight! Before This Class is finished, if you dare to practice This which I have given, during the remainder of the Class, you will prove the Truth of My Words!

You are not subject to the discordant conditions of the outer world when you know This Law! When you take your stand, that through your Fiery Devotion of Love to your "Beloved Mighty I AM Presence" and the Great Central Sun—through your Happy, Joyful, Willingness to give Obedience; and through your Great Forgiving Love to all that is wrong—you are no longer subject to the discordant reactions of your mistakes or those of others! You will know the Supremacy of Divine Justice is a Reality! It is the Practical Application of the Love of Creation; and the Powers of the Sacred Fire, Infinite in Their Cosmic Action for Eternity, are yours as Free as the air you breathe!

My Dear Ones, the Messenger has worked incessantly

to dissolve discord between Individuals; and the time is approaching when We can no longer permit the constant wrangle between human Beings, to take up Her time and energy when, with undivided attention to This Call, there could come through Her to bless you all, that which will stay for Eternity; and will compel mankind to admit the Truth!

You have had These Magnificent Decrees! These Fiery Hand of God Decrees, are as Infallible as the existence of the Universe, Itself! You are the Open Doors through which We wish to purify the outer world's activities; and establish Divine Order in your Nation to bless the rest of the world! We are offering you the Victory of Our Intense Love of the Sacred Fire, and have throughout untold centuries!

How Great do you think is Sanat Kumara's Love, when of His Own Free Will, and also the Love of the Mighty Victory and Those Who came from Venus to assist the Earth, two and a half million years ago – He came to give that Love to free the Earth! That Love is the Great Height to which They had attained! They came to bring Their Love to the Planet Earth; and you have never had one wave of anything from Them but Love! Not one!

Patience, Love, and Devotion to the Sacred Fire are the Supreme Divine Justice to creation! My Dear Ones, when you call forth the Victory of Our Love of the Sacred Fire, don't forget the Sacred Fire purifies everything! So when you are calling forth the Victory of Our Love, you are calling forth Its Purity automatically; and as that Fire Element passes through, It consumes everything unlike Itself. You seem only a handful tonight, compared to the mass of mankind; but, My Dear Ones, could you see what is going forth through you, as you agree with My Words in your feelings – could you see the Flood of that Light over your Nation; remember, It enters into the mental and feeling world of all mankind as an

Eternal Part of the Light; and none can prevent It!

So through your Radiation tonight, there are Cosmic things being accomplished which only the Great Ones understand! I challenge you tonight to make This Call!

The Beloved Master Jesus, through the centuries, has been known as the "Lord of Love" and the "Prince of Peace," because during His Ministry and previous lives His Paramount Thought has been His Fiery Devotion to the Victory of Love, both to His "Presence" and the Great Central Sun! The Fiery Devotion of His Love drew to Him the Power to produce manifestations, which He experienced; and which He left as a record in the atmosphere of Earth, for mankind to understand and follow if the people choose.

The Fiery Devotion to Our Sacred Fire, the Fiery Love within your own Life Stream to your "Blessed Mighty I AM Presence" and the Great Central Sun, will open the door to everything in the Universe!

Oh, it isn't worth anything, My Dear Ones, from tonight—to be even slightly concerned, with anything which seeks continually to prod people with discord!

Don't expect the Messenger to take sides with you against somebody. If people can't agree, then they must settle their differences alone! We can no longer allow time and energy to be used for anything but that which could bring forth such Love and manifestation as to lift you to the Heights of Victory!

You have been taught through those Decrees this morning, to charge and fill your Electronic Circle with Our Magnificent Victories of the Sacred Fire. They will solve everything if you will accept Them and apply Them! They are the Scepter of Creation; and in a world which is sinking in its own hate and depravity, We must have some one who will be unyielding to the hate of the outer world; and stand the Being of Love who pours the Sacred Fire that brings the Victory of God!

There is coming the Release of Certain Assistance

to the "I AM" Student Body, through channels which are Invincible; before which the world will bow and She has to be the Guard for their Protection. SHE HAS TO BE THE DOOR THROUGH WHICH THE POWER FLOWS!

You have no idea yet the Power which can and will be released through those Decrees. Therefore, every problem in your Beings and world can be dissolved tonight; but don't be surprised if She refuses to be a part of any discord. That cannot longer go on! SHE IS PART OF MY BODY; AND "I AM" HERE TO PRODUCE BALANCE! That can only come through the Fiery Devotion to the "Mighty I AM Presence" and the Great Central Sun! The world will yet understand the Authority of the Sacred Fire; and those who have sneered will be in the degradation of their own creation; until they, too, learn to love as those who have gone before!

There isn't a problem which can confront you, that We cannot dissolve in ONE FLASH of Our Flame, but your Love and Fiery Devotion of all the Sacred Fire means to mankind, must go forth with Gratitude to your "Blessed Mighty I AM Presence" and to the Great Central Sun; with the Fiery Gratitude of Love which knows nought but Devotion to Its Source!

You will find the Very Wave as It goes forth, releases the Magnetic Attraction through the outer self, that draws the Hand of God into Action! Even before you have called, will you find the answer manifest in the physical octave! What do you think will be the Momentum of the "I AM" Student Body, in the constant use of That Phrase: "Swifter than Lightning, sweep through the physical octave of Earth, and compel the Victory of the Love of the Sacred Fire"?

When We can draw That Power through Her, and through you, then you must decide whether you Joyfully and Willingly accept the discipline; or whether there is still the restless resentment and rebellion, when the animal of the outer self can't have its own way!

YOU HAVE BEEN THE MOST PRIVILEGED PEOPLE ON EARTH! WE LOVE YOU WITH A DEVOTION THAT IS UNSPEAKABLE! WE WILL NEVER DESERT YOU! WE WILL REMIND YOU AGAIN, AND AGAIN, AND AGAIN OF THESE THINGS; UNTIL EVERYTHING HUMAN LETS GO OF YOU FOR ETERNITY! (Applause)

Thank you, Precious Ones, as long as you exist, remember, We offer you the Use of Our Ascended Master Consciousness; and the Victory of Our Love is yours to command in the physical octave without limit! It is the Wide Open Door to everything in the Universe! Through It flows the Action of the Sacred Fire, and before which physical conditions are but a shadow!

When the Great Hand of the Cosmic Law moves into Action at the "Command of the Cosmic Christ"—which means Those Cosmic Beings Who govern This Whole System of Worlds—and They start into Action the Forces of Nature to compel the Purification of the people of Earth, THAT ASKS NO PERMISSION TO PERFORM! THE FORCES OF NATURE ACT!

The Light will move in; and those who love with Our Fiery Devotion, their own "Beloved Mighty I AM Presence" and the Central Sun, will be caught within That Light, and carried untouched by the destruction of the human creation in the world around them!

Our Love is not here today, and gone tomorrow! You have Friends of Mighty Power; and now We have given you the Victory of Our Love which through centuries has used the Sacred Fire to compel Perfection. Yours is the Privilege! Ours is the opportunity to serve; and the Victory of yourselves and your Nation, must stand before the World; as an example of the Proof, Reality and Practical Application of This Law; until every knee shall bow and give Obedience in Willingness to co-operate with the Great Infinite Plan of Perfection! Won't you be seated please.

More than that, My Dear Ones, use This Constant

Phrase, "The Victory of Our Love of the Sacred Fire," for It brings you a Protection through which the human cannot pass! It is Infinite Protection for your Loved Ones! It is Infinite Protection for yourselves and your property; and if that isn't the Supremacy of Divine Justice, what could be? I give you the Divine Gift of My Love through the centuries, of the Sacred Fire which brings Victory and the Supremacy of Divine Justice! It is what you need, by your own Love, over the things of the physical world that have appeared as problems and limitations.

You are privileged; and don't forget the Master Jesus' Words when He said: "Be of good cheer, I have overcome the World"! Therefore, you can too! Use His Ascended Master Consciousness of the Victory and Love of the Sacred Fire which He attained; and see for yourselves whether you receive the answers or not! If you ever choose to use That of the Mighty Hercules, you would learn something of Love, you would never learn from anyone else! You will find the Victory of His Love of the Sacred Fire has produced such Mighty Powers and Strength! It will produce that within you! You will wonder how you could have ever felt any other way! Isn't that an Anticipation of Happiness?

To have Boundless Health, Strength, Happiness, and Limitless Power, to use and go forward with the Joy of perfecting conditions; and compelling Divine Justice to be where the human has seemed to appear, is a Joy you can only know as you move into action, and do it yourselves!

You can't walk on Our feet; and We can't walk on yours! Of course, I don't mean that exactly physically. You walk on them, but you don't like it when We walk on them. We are not as heavy on your feet, as you are on on each other. Each one must walk every step of the Path ALONE! As your Fiery Devotion to your "Beloved I AM Presence" and the Central Sun goes forth; grows

greater, and greater, and greater; and YOU DEMAND THE VICTORY OF OUR LOVE OF THE SACRED FIRE TO JOIN YOURS, IN THE COMMAND TO OVERCOME THE THINGS OF THIS WORLD—YOU WILL HAVE NO STRUGGLE, MY DEAR ONES! TONIGHT YOUR PROBLEMS CAN VANISH! Your limitations be no more! The Light breaking before you, reveals within Itself the Divinest Gifts you have always sought, but never attained.

Happiness Supreme, and the Unlimited Use of Gifts to give to those you love, bring them Strength, Courage, and Power in a world of darkness, in which they know not where they are going.

MY LOVED ONES, TAKE ME AT MY WORD TONIGHT! CAST NOT A SHADOW AGAIN UPON ANY PART OF LIFE; AND I WILL SHOW YOU MANIFESTATIONS OF A LIGHT SO BEAUTIFUL! SO POWERFUL! SO JOYOUS IN YOUR USE OF IT, THAT YOU WILL NEVER AGAIN, NEVER AGAIN WALK IN THE SHADOWS—NEVER!

“I AM” here to bring Victory, Balance, Purity, and the Supremacy of Divine Justice! It begins with your Fiery Devotion to your “Blessed Mighty I AM Presence” and the Great Central Sun! As your Wave of Love goes forth, calling forth Our Victory also—of the Love of the Sacred Fire, you are flooded and enfolded in Our World; and the Miracles you have sought and called for become your daily, natural experience; as practical as anything in the Universe can ever become!

It will be as Real as Reality Itself, the Divine Way of your journey through the atmosphere of Earth is open before you, and beckons you on into the Fullness of your Ascension! “I AM” WITH YOU! YOU ARE NEVER ALONE! If you care to experiment with calling forth Our Victory of the Love of the Sacred Fire from various Cosmic Beings, to whom you have been giving your Love and Devotion; if you care to experiment with gathering, as it were, the combined Victory of many, “I AM” sure

you will need no further Word from Me!

You, yourself, will be proof of My Words made manifest; and then We will go forth happy – like happy children, hand in hand, in a world of Our Own; whose Radiation, as We pass by consumes the shadows and their cause! It moves us forward releasing the Beauty, and Perfection of God's World made manifest in this physical octave! The Earth and Heaven have become One; the Ascended Masters' Octave is manifest in the physical octave; until Freedom has claimed all into the Honor Flame of God's Heart; and even the memory of destructive records has been taken out of the great, great memory of This System of Worlds.

The Great Great Silence is a Wonderful Place; and from It come the Secrets of the Universe! Those who have entered into the Heart of the Honor Flame of Life, do not want to hold a memory of anything that has caused distress to God's Life.

Therefore, as you ask the Law of Forgiveness to act in your own world and wipe out the memory of your mistakes; prevent any discordant reaction ever touching you or your worlds ever again; be willing to do it for others! Then you will soon find the Hand of the Supremacy of Divine Justice has changed your world into the Fulfillment of the Divine Plan; and you won't want to remember anything but the Happiness of Obedience to the Great Cosmic Law!

Thus, will the "Music of the Spheres" fill the atmosphere of Earth! Then will you hear the Cosmic Bells of Freedom ring their Joy throughout Creation, for the return of the Planet into the Sun of Light from whence you came!

You are a Part of That Great Love Flame! You can never cease to exist nor lose your identity! Let your problems cease tonight! Use Our Victory of the Sacred Fire, and I shall show you the Supremacy of Divine Justice everywhere you move! All will love you, and co-operate with you; because the Intensity of Our Sacred Fire going

before you, will have dissolved the opposition which heretofore, people thought they felt. We can change their thought, as well as you can change yours! It all begins there!

So, as I leave you tonight, "I AM" going to experiment with a Garment of My Love of the Sacred Fire! Within It is a Certain Peace, a Power, a Confidence for you to feel Me consciously and at will; reaching the Hand of My Love, commanding the Supremacy of Divine Justice, to go before you and reorder your world; and you in turn, call It forth for your fellow man.

You shall not know one hour of distress again, if you believe Me tonight! My Love is Eternal! My Victory is Invincible! Inevitable! Infallible! Try Me out! See how much I have loved the Sacred Fire! You can be the Example to show your fellow man how to do It also! YOU ARE FAVORED INDEED! YOUR OPPORTUNITY IS GREAT! YOUR RESPONSIBILITY IS UNESCAPABLE! YOUR COUNTRY NEEDS YOUR LOVE OF THE SACRED FIRE AND OUR VICTORY TO DRAW INTO THE OUTER THAT WHICH PREVENTS ANY MORE DISTRESS!

So if you will co-operate with Our Assistance to your Nation, that It may render Its Assistance to the rest of the World; there is nothing We will not bring to assist you!

You do not realize how much We love you! You do not realize how much you can help Us to help the World! To live for the Victory of the Love of the Sacred Fire to engulf the World, is indeed the Fulfillment of the Divine Plan!

May that hour approach soon wherein you will hear the "Music of the Spheres" and the Cosmic Bells of Beloved Saint Germain's Freedom, ring Their Eternal Song of Love to the Sacred Fire!

Thank you, Precious Ones, with All My Heart! I love you! I thank you; and I serve you forever!
