

BELOVED GODDESS OF PURITY'S DISCOURSE

CHICAGO CLASS

Afternoon

JANUARY 16, 1944

MRS. G. W. BALLARD:

The Beloved Goddess of Purity will give a Discourse that concerns your physical bodies. As This Service is rendered for you, it also goes forth to affect the physical bodies of all throughout America, then throughout the Earth.

BELOVED GODDESS OF PURITY

BELOVED OF THE LIGHT, We want you to open the Throne Room of your Beings and look within your own Hearts! I represent the Substance of Purity! That is what I draw from My Octave of Light! The God of Purity represents the Individualized Flame! I represent the Substance of your Heart and the God of Purity directs the Flame that enters into the Permanent Atom. The Great Elohim of Purity governs the Great Release of those Oceans of Flame of Eternal Invincible Purity, from both the Physical Sun and the Great Central Sun.

If you will enter deep into My Feeling while "I AM" speaking, I shall endeavor, if you will accept It, to draw the Substance of Eternal Purity from My Octave of Light; and pour It forth to you to enter into the atomic structure of your bodies and fill your feeling and mental worlds.

If you will but maintain Purity in the mental and feeling world, and refuse to accept thoughts and feelings that are not Eternally and Invincibly Pure; then you must replace them by the Substance of Eternal Invincible Purity! I trust you are all feeling the Ease, the Quiet and the Peace which I pour to you. It is filling the room, and much the same as you move in the atmosphere of the outer world, you shall move in the Atmosphere and Substance

of Mighty Eternal Invincible Purity; if you will place your attention – first of all upon the “Beloved Mighty I AM Presence,” then call to Me.

THE SUBSTANCE WHICH I DRAW IS THAT ETERNALLY INVINCIBLY PURE SUBSTANCE OF LIGHT! IT IS WHITER THAN SNOW AND AS SPARKLING AS DIAMONDS!

I want you to make the Call, if you will, to your own “Blessed I AM Presence” first; then to the Mighty Astrea, Mighty Saint Germain and the Archangel Michael; to use the Sword of Blue Flame on the substance of your etheric bodies, to dissolve and consume all records that are destructive! These are the patterns which, if not consumed, form a focus for the destructively qualified substance of the doubt and fear of mankind, to anchor into you when your feelings are either irritated and off guard, or when you are too tired!

If you will listen to Me today and really give Me acceptance in your feeling, you shall be free from this thing, because many have been very critical for many years. Many are still critical in thought and word, at least in feeling; FOR ALL IRRITATION IS A FORM OF CRITICISM AND IS IMPURITY! “I AM” going to be very plain with you today, for you must know the Truth if “I AM” to help you and your own Heart’s Desires are to be fulfilled.

WHEREVER THERE HAS BEEN A HABIT OF CRITICISM OR CONDEMNATION IN THE PAST, VERY POWERFULLY CALL FOR THE ETHERIC RECORD OF THAT HABIT TO BE BLASTED FROM THE UNIVERSE AND THE CAUSE AND EFFECT OF IT CONSUMED! Then it cannot be a focus on which other energy and substance can gather in the future! If it still remains there, it becomes a magnet of attraction to similar feelings and thoughts from others!

I want so much for you to be Free, because there is an opportunity at hand, for everyone of you who will take

your unshakable stand with your bodies, to be Free from all substance, through which the outer destructive forces can reach you! Don't go on and accept a thing, week after week, when with a few hours of intense determined Call to your "Mighty I AM Presence" and the intense feeling of stillness within, you would draw into your bodies the Substance of Eternal Invincible Purity both from your "Presence" and from My Octave of Light! If you will draw the Substance of Light from your "I AM Presence," don't forget to qualify It with Eternal Invincible Purity! Your "Blessed I AM Presence" has always been giving you Pure Substance throughout the centuries, but you have requalified It! Therefore, if you want your bodies filled with Eternal Invincible Pure Substance, you must so qualify It! You must express to your "Beloved I AM Presence" that you want the Substance which It gives you, to be charged with Eternal Invincible Purity! Then as It accumulates, you will not have recurring periods of distress, wherein the outer world can reach you.

The Substance which I direct can be drawn into your bodies, into your mental and feeling world; and can be so concentrated in the atmosphere about you, that It becomes the air you breathe! My Substance CAN be called forth into the atmosphere about you. If you will accept It and call persistently and really be determined with every atom of your Being, you can have It! It can be drawn around you so powerfully that those who might enter your atmosphere with impure thoughts or feelings, would be unable to express them in your presence.

This is a Tremendous Protection and will give you Tremendous Peace; but you must command It! You must decide with every atom of your Being, that you want Absolute Eternal Invincible Purity, if you are to be rid of your limitations of the centuries! Until your bodies change in appearance as well as your feeling world; until your affairs change; until your world changes; until your atmosphere changes; then YOU NEED TO MAINTAIN

THIS POSITIVE UNSHAKABLE INSISTENT DEMAND,
THAT MY SUBSTANCE OF ETERNAL INVINCIBLE
PURITY SHALL BE THE ONLY SUBSTANCE IN YOUR
BRAIN, BODY AND WORLD!

How much do you want Me? You want Me only as much as you refuse acceptance to all else! You want Me with your intellects, because you know that Perfection cannot come without Purity; but watch your feelings so when they want to express something discordant, your "Mighty I AM Presence" will remind you that you do not want My Purity!

"I AM" with you as much as you want Me, but I will not intrude Myself; and I will not dwell in those who must be coaxed. I was driven from the Earth once and I have returned; because I was called forth with great sincerity and with great desire for Purity; but if you really want Me, you will conquer your human selves! I want you to have Eternal Invincible Health! You cannot have It without My Substance of Purity; or the Substance of Eternal Invincible Purity from your own Beloved Glorious "I AM Presence"!

If you really want My Purity so you may be insulated against the desire of the outer world, then you must call for It with Fierce Determination; because that impure substance wants to hold close to you like tar or chewing gum – that is perhaps a crude comparison, but nevertheless it is true! That discordantly qualified substance sticks tighter to you than paper on the wall; so you are going to have to use a fierce positive force, if you are to command it out; and accept My Substance of Eternal Invincible Purity in its place!

I will give you all you will ever require, but you must decide! You must be fiercely, relentlessly positive so you will have nothing else except ALL of My Purity! You cannot want health in your body, in your thoughts and feelings; and then in secret turn your attention to that which is below the Heart. "Where your attention is,

there you are drawing forth the qualities and the energy!"

As Our Precious Saint Germain said last night: "Never look back and never look down." The Light of Eternal Invincible Purity comes to you from Above, and if you want Me, I will abide with you! I have Unlimited Legions of Angels of Purity to help guard you; when you are fiercely determined to associate with nothing but My Purity.

We have tried during this whole Class, and you are entering into the eighth week, to have for just once, one piece of music go forth with no coughing, no discord in the room and no noise! Yet We have not been able to accomplish it thus far.

In the weeks that are to follow, closing the Seven Weeks tonight, the Seven SACRED Weeks; we are entering into a time, which might be called the "Purity Class," if you will so determine it! I shall make every possible effort. My Love shall not leave one thing undone, which I can do to help you to Our Purity! It is going to take an INFLEXIBLE STAND on your part to get enough rest; so the energy comes into the body when and where it is needed! It is also going to take an INFLEXIBLE STAND to refuse acceptance to all substance from the outer world, that is not as Pure as My Heart!

If We can have a "Cup" of enough Individuals who insist on This, who are determined to have the Manifestation, you shall have the Co-operation of every Being in this Universe, to help cover your land with Our Substance and hold the Purity, which is required for Her Protection and Supply to Her people.

If you choose to accept My Request, for I shall make it a Request, that you call forth the Most Intense Action of the Violet Consuming Flame first; then call the Fiery Christ Blue Lightning Purity from the Great Central Sun to release the Beings of the Four Elements from all the viciousness which has been imposed upon them.

Especially over the last two years, there have been those who have issued orders to destroy crops! Now the Beings of Nature are refusing this year, to furnish food for mankind! To some degree you may change it, if you will call on the Law of Forgiveness and use the Violet Consuming Flame! Then call My Substance of Purity to insulate those Beings; and pour to Them your Limitless Love and Gratitude in the name of the people of your land.

To some degree this may be governed, but the Individuals, who have been responsible for ordering destruction of crops, are going to feel the hand of their own creation returned upon them—their viciousness against Life! They have not much longer to stay; and I hope the Great Cosmic Law will see fit to release that Dispensation quickly; so no more human distress may be permitted in This Universe!

“I AM” very anxious, together with Our Precious Saint Germain, to build anew your Beloved America—Our Beloved America—and make Her a Temple of Pristine Purity, so dazzling, so beautiful, so radiant! Then We may give to you all the Gifts from Our Octaves to bring into This World that Beauty and Perfection which are to be eternally sustained! You know as in spring house cleaning, you must throw out the old before you purchase the new. You must cleanse the old house, redecorate it and purify it, before you bring in something lovely, which is to bring you great Joy and keep great Harmony there forever.

THIS IS THE HOUSE CLEANING OF THE AGES!
PRECIOUS AMERICA, HEART OF THE WORLD, THY
SUBSTANCE SHOULD BE AS PURE AS MY HEART!
THEN THE FLAME WITHIN THY HEART, WHICH THE
GOD OF PURITY GOVERNS, TOGETHER WITH THE
LORDS OF THE FLAME, WILL POUR FORTH ITS
CHOICEST BLESSINGS—ITS GREATEST DELIGHT,
ITS MIGHTIEST HAPPINESS TO EVERY PARTICLE OF

LIFE THAT EVER COMES WITHIN THE ARMS OF AMERICA!

In your Beloved South America there is also need to bring about a cleansing! Some of the forces of Europe have sought to contaminate again with their selfishness that which belongs under the Direction of the Mighty God Meru, the Mighty Goddess of Light and Precious Nada, for She is Meru's Messenger!

When you call for the Purification of the Forces of Nature in the United States of America, will you command that those of the Light all over the World, shall be abundantly supplied? Command Oceans of the Flame of Eternal Invincible Purity flood to them and carry on Those Flames, My Substance of Purity to become the Things of Purity to bless them! You can assist all who are of the Light throughout the Earth to be supplied, to be protected; and in that, each one becomes a Cup of Light and Supply to those of mankind who are to remain here.

I say to you, to clear the concept of some who have not thought the "Crystal Cup" was important: You do not yet dream, Precious Ones, what the "Crystal Cup" represents! Your Heart should be a "Crystal Cup" of the Flame of Life; and what would you do without any Cups on your Planet? Do you not think there is an excuse for that form in existence? If you had no Cups on the Planet, would you be quite so comfortable? The "Crystal Cup" is a Great Receptacle which is a Great Treasure House for Supply! Our Supply of the Powers, Power and the Light of Life must come to bring you Manifestations from the Octaves Above!

You have heard Others of the Ascended Masters say: "We are but the more advanced consciousness of yourselves. We are your Life!" Do you remember that often? I think not. We are your Life! Will you think about that for a few moments? Do you feel that, when I spread My Love, My Radiance and My Substance into the room? Your feelings want the Peace, the Ease and the Light,

which is My Love and you feel It! If I give It to you, It becomes a part of yourselves! Then "I AM" the more advanced consciousness of yourself; and you, if you accept My Substance, are part of My Love.

The Flame in your Heart is Part of the Fire Element of which "I AM" a Flame! The Fire is one, the same as the water is one, the air is one and the substance of Earth is one! You recognize the substance of Earth, do you not, whether it be in America or whether it be in other parts of the World? It is all the structure of Earth and you know it when you contact it. Why do you not know Me? Why do you not feel My Flame? You can, if you want to! How much do you want Me, Precious Ones, today? Do you want Me? I think not much of the time! "I AM" not popular with mankind when the people are caught in the whirlwinds of impurity! Every unkindness, every discordant word is an impurity to Me, because "I AM" a part of you! "I AM" Life and you are Life!

If you love Me, you will cleanse your bodies by refusing acceptance more powerfully, to all that is not the Peace of My Purity; because Peace and Purity are very nearly alike! When you have Purity you automatically are at Peace, and when you can keep your feelings at Peace, Purity begins to enter in! Our Beloved Brother, Saint Germain, bless His Angel-Heart forever, is an Angel Deva of the Violet Flame!

MY BLESSED BROTHER, SAINT GERMAIN, HAS OFFERED THE MOST HARMONIOUS, EASIEST, LOVING WAY TO DISPOSE OF YOUR IMPURITY; AND IF YOU USE HIS VIOLET FLAME ENOUGH, NO SUBSTANCE COULD CAUSE YOU IRRITATION WITHIN! YOU DO NOT LOVE HIM IF YOU DO NOT USE HIS VIOLET FLAME ENOUGH! HE OFFERS YOU THE TREASURES OF EXISTENCE. HE OFFERS YOU EVERY WAY AND MEANS THAT LIFE PROVIDES TO CORRECT EVERYTHING YOU DO NOT LIKE, HARMONIOUSLY, LOV-

INGLY, PERMANENTLY AND JOYOUSLY! As He once said to you, if others thought that He was closely connected with Me, He would not be much more popular than "I AM"; and yet people crave His Freedom! People crave the Blessings, the Joy and the Peace of Purity! They want the Powers which I can bestow; but I will not give Them, until the Law is fulfilled.

The Cycle has closed wherein much more of Life's Substance or Energy is going to be given to any Life Stream for use, unless it be used constructively in the future! WHEN I SEE THE HEARTS AND THE FEELINGS OF THOSE BLESSED BOYS IN THE CAMPS CRAVING TO GO, TO GET SOME PLACE ALONE WHERE THEY CAN GET AWAY FROM THE FILTH OF SUGGESTION, MY HEART ALMOST BURSTS TO CLEANSE THIS EARTH; TAKE THOSE PRECIOUS ONES IN MY ARMS, AND CUT THEM FREE FROM THE REMEMBRANCE OF ALL UNLIKE MY PURITY! YOU WHO SIT HERE IN THIS ROOM THIS DAY, HAVE NOT A FRAGMENT OF AN IDEA WHAT THOSE PRECIOUS LIFE STREAMS ARE ENDURING; BECAUSE PEOPLE WON'T PROTECT THE PURITY WHICH I GIVE! NOW THE MASS OF MANKIND, UNLESS THEY WILL LISTEN, ARE GOING TO BE EDUCATED BY THE POWERS OF NATURE!

The Beings of the Elements are almost refusing to associate with mankind any longer; because of the frightful hatred and frightful impurity which is being imposed upon Them. Now you can undo this, if you will keep yourselves purified; because I will not withhold any Power or any of the Powers which I command; if I know that you have decided with every atom of your Being to be My Eternal, Invincible Purity! TAKE ME AT MY WORD IN THOUGHT, FEELING, WORD AND DEED; KEEP YOUR ATTENTION UPON MY PURITY; DEMAND EVER-EXPANDING OCEANS OF THE FLAME OF ETERNAL INVINCIBLE PURITY! CALL THE ANGELS OF ETERNAL PURITY, WHOM I COMMAND BY THE LEGIONS!

CALL TO THE GREAT GOD OF PURITY FOR THE
FLAME IN EACH ONE'S HEART TO COMMAND ALL;
AND SEE WHETHER YOU WIELD MY POWERS OR NOT!

Without My Purity what do you have; and if I were to
withdraw again, what would be the result? You must
have Me! Everything you love, all the Harmony you have
ever had, all the Peace or Supply you have ever had came
to you by some of My Substance, or that from your "Pres-
ence" which holds My Quality of Eternal Purity!

Will you take your unshakable stand for the rest of
the time This Messenger is here? Tomorrow begins a
Gigantic Opportunity, which you have never yet had the
privilege of serving, for your nation! Twenty-five hundred
Mayors from various cities in the land have come together
to try to protect Constructive Business in America and
the Rights of the American people! Do you think they do
not need My Purity? They cannot have what they want
without It! "I AM" not arrogant! These people must be It!

Life will no longer give you Its Blessings, unless
My Purity comes first, for that is the Law of This Cycle!
The Cosmic Law Itself is closing the Door against the
sinister force's discord; and MY PURITY IS THE ONLY
THING THAT CAN PROTECT ANYBODY! IT HAS TO
BE THE FOUNDATION OF ALL THAT COMES IN
DURING THE GOLDEN AGE!

Precious Saint Germain, help these Beloved Ones of
the Light to use more Violet Consuming Flame! Help
them to feel the Law of Forgiveness; and the great joyous
letting go of all feeling against any part of Life that is
not a Blessing!

WILL YOU CHILDREN OF THE LIGHT, TRY TO
REMEMBER WHENEVER YOU RAISE YOUR HAND, IT
IS ALWAYS RAISED IN BLESSING! IF YOU WILL ASK
ME, I WILL RELEASE AT YOUR CALL, THOSE LIGHT
RAYS AND RIVERS OF MY SUBSTANCE OF ETERNAL
INVINCIBLE PURITY TO FLOOD OVER ANYTHING
AND EVERYTHING YOU DESIRE!

The Great Elohim of Eternal Invincible Purity commands Oceans of Flame which you cannot even comprehend! He could cover the Earth with an Ocean of That Pure Fire; which would smother every discordant thing in mankind's feeling!

PRECIOUS, PRECIOUS, PRECIOUS ONES OF THE LIGHT, I LOVE YOU BEYOND ALL WORDS TO EXPLAIN, AND I WANT YOU TO BE FREE! I WANT YOU TO FEEL THE "MASTER POWER" AND THE HAPPINESS, THE COSMIC AUTHORITY WHICH YOU HAVE THE RIGHT TO WIELD; IF YOU WILL FEEL THE FULLNESS OF MY ETERNAL INVINCIBLE PURITY!

I might seem very gentle to you sometimes, but I can be extremely positive; and destructive forces don't like My Positiveness; but "I AM" going to be much more positive in the future to release the Life Streams in the camps of America's National Defense, from the frightful contamination that has been imposed upon them! They are not there of their own Free Will! They are there because of the contamination of the substance of the feeling world of humanity!

There is another thing which I have not spoken of and yet it must be faced! It must be handled! It has not been mentioned. The children who are taking embodiment during this war are coming in under Beings of frightful impurity! I would like to assist Those Life Streams, if enough of humanity will make the Call for Forgiveness, and call for Purity!

Precious Ones, except for you "I AM" Students, the masses of the world want My Blessings, but they do not want Me! They want to go on having their own way—releasing any feeling they want to! When the penalty returns and Life demands a balancing of Its Accounts, they want My Blessings! My Heart aches, as near as an Ascended Master's Heart can ache, when I know they need My Purity! They want Its Blessing, yet they will not open the door!

So if you choose to bless all Life, as I see your Hearts have done so often, make a specific Call and bless all the children who are coming into embodiment through this war atmosphere. A Great Dispensation could be given. A Great Dispensation could be granted from the Great Central Sun, to insulate those Life Streams and cut them Free from whatever contaminated the feeling which may have been around them as they take embodiment! In this way, through calling on the Law of Forgiveness, We will be enabled to render an Assistance to a great number of Life Streams, who taking embodiment at this time, do have Great Light! Many of them are to remain as the builders of the future of America; but We do not want the war hate, war irritation and the war anger to be recorded in their atomic structure, nor in the atmosphere about them, if any of it can be prevented.

“I AM” asking you to render a Great Merciful Service to Life. Ask for a Dispensation that will insulate those Life Streams in the Substance of My Eternal Invincible Purity! Blaze around them an Ocean of the Flame of Eternal Invincible Purity from the Mighty Elohim of Purity! Then We may undo, at least to a large extent, that which has been the unbridled release of mankind’s human desires! Yet with your Calls, We can raise even the result of that into the Light; and use it for the Freedom of Life!

I hope your “Mighty I AM Presence” and Higher Mental Bodies help you do This. I ask It to record within you the Words “I AM” saying this afternoon in Letters of Living Fire! I CHARGE MY WORDS TO BE EVER ALIVE WITHIN YOU TO REMIND YOU OF MY PRESENCE; and if need be, to speak This again through your consciousness, whenever that which is not My Purity attempts to or gets your attention!

“I AM” pleading for the Purity of your Life, so you may know only happiness; and may be qualified to draw all the Powers and Mastery of your Life Streams through

your flesh structure; and render Greater Help to America while there is yet time! That is the reason I must have a certain amount of Purity within you, before a certain Pressure of Light can be released through you! America needs every ounce of Light and every ounce of the Pressure of Light into the physical atmosphere itself, in order to protect her people and shut off this onrushing holocaust!

Therefore, during the coming weeks as the Class is continued, will you get enough rest so there is a certain portion of energy comes into your bodies to help you remain insulated against the discordant world about you? If I see you are making a sincere determined effort, I shall help you beyond all measure, beyond all "I AM" promising now; but I must have your physical co-operation to a certain point!

I know you say: "But I have to go downtown and work. My family has to have so much attention; the children have to have so much of my time; or business compels it." YOU MUST ONE DAY PUT YOUR GOD BEFORE EVERYTHING IN THE OUTER WORLD! WHEN YOU CHOOSE TO DO THAT, IS YOUR AFFAIR; BUT WE HAVE ONLY YOU TO WORK THROUGH FOR AMERICA'S PROTECTION. NEITHER YOUR BUSINESS, YOUR HOMES NOR YOUR AFFAIRS WILL BE OF ANY IMPORTANCE IF AMERICA DOES NOT GET ENOUGH LIGHT IN TIME TO SAVE HER! SUIT YOURSELF AS TO WHICH IS MOST IMPORTANT!

In your outer world activity get as much rest as you can; but when you come to give these Decrees, come with Energy that is blazing with Light and Purity! I will move Heaven and Earth to protect you, to supply you and blaze through you your Heart's Desire, to bring you into the Perfection of your Higher Mental Body; so you may release Unlimited Protection to your Beloved America and the National Defense!

DO YOU THINK IT IS FAIR TO THEM TO HAVE THEM RETURN TO A LAND THAT HAS BEEN ROBBED, PLUNDERED AND DEBAUCHED BY DESTRUCTION; AND THE RIGHTS FOR WHICH THEY HAVE BEEN FIGHTING AND FOR WHICH THEY WERE FIGHTING REMOVED SO THEY COME BACK TO A CONDITION OF SELFISHNESS AND DESTRUCTION?

I love your America, Precious Ones, more than most of the American people love America themselves! I see what must be done during the next three months, and "I AM" depending upon you! I know your Hearts want what I want, because your Heart's Flame is Part of Me; but I want your feeling to want the same thing your Heart does. I want your intellects to want what your Heart does; so We may all together form an advancing Legion of Light; backed up by the Ascended Host and the Limitless Invincible Powers of Light throughout creation! Then there can move into the outer world an onrush of the Cosmic Light of a Thousand Suns; whose very Approaching Radiance compels every destructive force to give way before We approach. I think that is worth Obedience and Every Request which I have made of you this afternoon.

Remember, "I AM" the Substance that forms your Hearts! The God of Purity is the Flame within them! The Angels of Purity form the atmosphere about you, together with the Mighty Elohim of Purity, Thou Great Glorious Being, Whom to see is to worship and adore for Eternity! "THOU ART THE GREAT CUP OF THE FLAME TO THE EARTH OF ETERNAL INVINCIBLE PURITY!"

Mankind I believe will awaken. I want so much to release America from that which has sought to intrude into the "Crystal Cup" of the World; into the Heart of the World; for America is the Heart of the World and Her Substance of That Heart should be My Substance of Purity! She stands this hour with Light approaching from the west, covering to some degree the landed surface; but there is much shadow in the middle west and much shadow in the east.

So will you continue to call forth into every detail of America's activities, Oceans of the Flame of Eternal Invincible Purity from the Mighty Elohim of Purity? May Oceans of It flood over This Land, smother, dissolve and consume all substance that is not Eternal Invincible Purity and Freedom of the Light for America, her people and her resources forever.

This day I call to the Great Central Sun for Dispensations of whatever nature are required to do something for those Precious Ones in the National Defense; to shut off everything which suggests impurity to them for any reason whatsoever! May the whole sinister creation be rolled up as a scroll this hour and taken to the Compound, to be dissolved and consumed from creation, as if it had never been! May the Great Incoming Cosmic Light release the Perfection of the Permanent Golden Age; and build America into a land of such Blessing, Purity and Everlasting Light, that her people do not know any longer, how to qualify anything in the Universe with anything less than the Purity and Perfection Life intends!

May a Dispensation be given to release from the Forces of the Elements the frightful thing that has been imposed upon Them. I shall continue to ask and with your Call I believe We may gain the Dispensation! Otherwise, and unless the Cosmic Law sees fit to release some other assistance, the people who have done that thing, will have imposed upon the Nation famine and poverty; which I do not feel is necessary for the American people to go through, if they will give Me assistance in time! That is one reason We are continuing This Class, because Nature for the coming season must be given assistance, if the people are to survive!

I love those Precious Beings of Nature and They appreciate Purity; so if you will bless Them, command Their Release wherever you move, then take your attention off of it. Command Absolute Purity and the Violet Consuming Flame to go over the structure of the ground itself;

and consume cause, effect, record and memory of everything that does not permit Nature to give you Her choicest Blessings! Flood Her with your Love, Gratitude and Purity, or a Call for Purity; then much may be avoided!

What do you think Nature struggles under? If your bodies absorbing the hate and anger of war, have absorbed from the atmosphere, this which makes you cough and irritable; if that has come into your bodies with all of your effort and Use of the Violet Consuming Flame and your Calls to the "Presence"; what do you think has been condensed upon the Forces of Nature – the Forces of the Elements and the Powers of Nature?

Think it over, Precious Ones, and try to burn up, try to put in the fire all substance you have contaminated! It is better to burn things by fire, than to put them in the water! The Beings of the Water Element suffer under discord, as well as the Beings who govern the action of the Earth or the Plant Life! Try to put in the fire all substance that has been contaminated; so the Electronic Force may be released and Those Beings set Free!

If you think your bodies have suffered under this so-called flu, which is nothing but war hate and war anger; what do you think the Plant Life feels like – and Plant Life feels just as surely as you do! It does not have an emotional body exactly like yours; but Life within it is very sensitive to impurity; and cringes and withdraws from mankind's radiation, if it not be pure!

Let us from now on, Precious Ones, keep calling the Substance of Purity into the physical atmosphere and call forth the annihilation of all hate, all anger and all selfishness! I will help you and so will every Being and Power of Light in this Universe! It might be a very good idea to specifically call to every Ascended Master and Cosmic Being in this Universe; to charge forth Oceans of Eternal Invincible Purity; so They may add Their Life Streams and Actions of the Flame of Eternal Invincible Purity, to that which the Great Elohim of Purity directs to This System!

As you call This Purity forth from your own "Mighty I AM Presence" and Higher Mental Bodies, call to These Great Beings, besides the Mighty Elohim, the God of Purity, Myself and the Angels of Purity! I feel reasonably certain that you will draw forth through your Call the Assistance through These Dispensations; which will neutralize to a very large extent, this mass accumulation! I will help you if you will make Those Calls; but give Me energy that is Pure and Harmonized! Then I will do all the Great Law permits to amplify It and send It forth; until there is a Great Pressure and Release from the Octaves above, of the Flame of Eternal Invincible Purity and the Substance of Eternal Invincible Purity! Then It can move forward like an avalanche or forest fire down the side of a mountain; which eats out everything in its pathway and leaves it clean, pure and obedient to the Light! This can come, whether it be around human Beings, around the Plant Life or structure of the Earth Itself or in the atmosphere!

So with your Calls and Our Combined Efforts let us see what we can do this coming week! Let us hold all the representatives who are here from other cities, in Great Oceans of Our Flame of Eternal Invincible Purity! Let us call, too, for each one to be held in a Great Pillar of My Substance of Eternal Invincible Purity! Then as they move back into their respective cities, the Light raises, pours forth and will automatically purify their cities, too!

Let us call forth that Expanding Power of Eternal Invincible Purity and see with Our Combined Efforts how much we can accomplish, especially in the next week! Life will not say no, if you will call to It; and IF YOU WILL BE INFLEXIBLE IN YOUR DECISION THAT THERE SHALL NOT BE ANYTHING BUT ETERNAL INVINCIBLE PURITY TOUCH LIFE WHEREVER YOU MOVE FOREVER!

Take My Hand! Accept My Heart! Be My Co-worker

and the Heavens will be filled with Those Who will assist us to that Victory! That is the Greatest Assistance We can give to Beloved Saint Germain, outside of the Use of the Violet Consuming Flame. "I AM" determined with your Assistance, for you are the "Cup of Light to America," TO CLEANSE EVERY CITY OF EVERYTHING THAT IS NOT MY PURITY! The Goddess of Light is determined to never stop; until every destructive force is removed from the Earth. Beloved Saint Germain is determined that America shall be Free; and Our Beloved Godfre is determined to hold that Obedience in the feeling of the people, which enables this to be accomplished!

TOMORROW AS THE MUSIC GOES FORTH FLOOD EVERYTHING AT YOUR COMMAND FROM YOUR "PRESENCE" TO COMPEL ETERNAL INVINCIBLE PURITY, AND THE GREAT ONES WILL STAND BY YOU AND DO WHAT YOU CANNOT DO!

I call Legions, Limitless Invincible Legions of Eternal Invincible Purity; to fill the air about you and the Angels of Eternal Invincible Purity stand guard over you; and everything you attempt to do and all you hold near and dear! I ask the Mighty Elohim of Eternal Invincible Purity, to keep pouring around you, Oceans of the Flame of Love from His Heart; and move you forward the Victory of His Light in America; to give Beloved Saint Germain the Assistance He must have.

Now may the Love from My Heart, from His Heart and the Heart of every Ascended Being and Cosmic Being of Light in This Universe; all the Angels and the Great Beings Who direct the Forces of the Elements—charge Oceans of the Flames from Their Hearts—the Flame that intensifies Eternal Invincible Purity; and surges It forth with irresistible Pressure from the Great Silent Watcher; from the Heart of the Great Great Silence, to move It into outer action and to compel all to be Its Perfection forever!

As you have sat here, the atmosphere has been charged with Our Substance of Eternal Invincible Purity!

May it continue to become more and more blazing; move around you, go before you and keep you reminded of This One Call; which can be the Victory and Supreme Authority all over your land! May this week be so filled with Oceans of Eternal Invincible Purity; that it becomes like a living forest fire of Our Love around those who are to enter this city! May they be clothed with an Ocean of Our Flame to go back to the various parts of the country, and wherever they move set all into action to give Obedience to Our Great Law that demands Purity for the Freedom and Victory of Light in America!

May each one of you be clothed and charged with Oceans of Our Flame of Eternal Invincible Purity; to go back, flood your Groups and have them call It to flood your cities and intensify Our Purity without limit; until the Great Cosmic Light entering in, takes Its Dominion and forever dissolves all human selfishness and discord from the Planet!

With My Love I hold you in the Flame of My Life! You are a part of Myself! May you be a “Cup of the Flame of Eternal Invincible Purity,” and illumine by your Flame all substance you contact and make It the Purity of Our Flame also!

I thank you.
