

THE GOD OF THE SWISS ALPS' DISCOURSE

OURAY, COLORADO

AUGUST 20, 1944

THE LODGE - AFTERNOON

BELOVED ONES OF AMERICA, in bridging the Ocean to pour My Flame to your Mighty "Cup of Light" and the Earth, it is My Great Joy to pour forth from the Retreat in the Swiss Alps, from which Beloved Saint Germain has worked so long, every Cosmic Power at My Command to assist you who have loved the World and have given your Calls for the Freedom to all Life!

I form the other end of that Open Ended Cross of Saint Germain's Freedom to the Earth. Since the Gods of the Mountains throughout the World are entrusted with drawing and controlling the Electronic Force within the Mountain Ranges of the Earth, it becomes My Privilege to pour forth to your America the Power of the Swiss Alps, wherein your Great Beloved Saint Germain poured His Love for so many centuries. He has drawn from that Retreat Its Mighty Cosmic Power to assist mankind who would let Him give His Freedom.

Electronic Force and Power, which I guard in the Swiss Alps, is a very ancient Focus of Mighty Cosmic Power of thousands of centuries. So, also, does the Great Himalaya in India hold under His Direction the Tremendous Electronic Force focused within the Himalayan Range. We are placed on different Continents, but not so with your Beloved America. Within the North and South Americas each has a God of the Mountains, one in each Continent, but two being in the Western Hemisphere form that Mighty Focus of the Cosmic Currents to this part of the landed surface of the Earth, to be the stabilizing Power against the destructive forces of the rest of the World.

If it had not been for the Mighty Focus of Light in that

Retreat in the Swiss Alps from which Saint Germain worked in the Middle Ages, Europe today would have been in a still worse condition. It is bad enough, only God knows, but it would have been much worse had not the Purifying Power from those Swiss Alps poured forth to the people, to try to hold in leash that frightful unbridled selfishness which has wrecked one nation after another there for centuries.

“I AM” coming forth today to join forces with the Mighty Himalaya across your America. There are Currents of Tremendous Cosmic Power drawn in the Mountain Ranges of India and the Swiss Alps, which can connect over your America the same as that drawn by the Mighty God Tabor and Beloved Meru pouring through the Three Americas. This forms a Mighty Cross over the Western Hemisphere, and It is no imaginary thing. The Mighty Electronic Currents which flow through the Mountains are all purifying in their nature. They are also protective and powerfully energized, of course. Mankind little dreams that there stand in the atmosphere of Earth two Great Electrodes between which can pass Cosmic Power and Electric Force, which the mind of man has never comprehended or even imagined.

Just as you have seen in the generation of artificial lightning, through consciously generated electrical currents, a bolt of electricity flashes between two gigantic electrodes and consumes everything in its path, so are there Cosmic Currents in these four places of the Earth that can be directed to connect with each other, and where They come together in the center of the Cross a certain Manifestation is to come forth. More than that I cannot say for the present, except that as you call for the Full Cosmic Action of all Electrical Force held within the Mountain Ranges of the Himalayas, the Swiss Alps, the Rockies and the Andes, to annihilate all evil from your land and pour Their Protective Force to compel your “Cup of Light” to be filled with that Cosmic Light Substance, so can We direct those Currents at your Call to produce whatever is necessary for

America's Protection.

Not that We do not want to protect the rest of the World; but when the rest of the Earth has become so chaotic and so heavily charged with discord, then the Cosmic Beings Who direct these Mighty Forces of Nature work together to save the whole. That is why the Power which is drawn from the Retreat in the Swiss Alps, from Mighty Himalaya's Retreat in the Himalayan Mountains, from the Mighty God Tabor's Retreat here in your Rockies and Mighty Meru's Retreat at Lake Titicaca, means the focusing to a given point of four of the Mightiest Streams of Electronic Force to this Earth, and that is necessary to hold certain balance in the structure of the Earth itself in and around the Three Americas.

The Power which has been drawn in the Retreat of the Swiss Alps has been one of very Great Peace and Purifying Power, and to some degree It has been held insulated against the conditions in those countries surrounding the Swiss Alps; but nevertheless, from that Retreat We have poured forth for centuries every possible Assistance to illumine the minds of the people of Europe to try to dissolve their selfishness, and again, again and again have We consumed hatred that is unspeakable, and yet, they are determined to go on—the same forces which have sought to hold their claws on America and do the same thing within these Three Americas. "I AM" determined, with your Calls, those same forces shall let the rest of the Earth alone forever! So is the Mighty Himalaya!

The Mighty Himalaya governs the Electronic Force which surges throughout India and China. With your Calls to Us, and the understanding that there pours forth to the "Cup," which America is to the Earth, these Cosmic Currents of Electronic Force to hold the Balance of Light here, I think you will see some remarkable changes.

America's Cup of Light has to be maintained, and Her Light must abide within That. If that Light has to come

from the four points of the compass in order to hold the pressure within the United States of America, to steady the Forces of Nature for the Protection of the Americas, then so shall it be!

Don't blame any of the Nations of the Orient for this present war. There are certain vicious individuals in Europe who have been determined to wreck America; and those Nations in the Orient, that have been used as the tool, were but the unfortunate claws. Those forces for centuries have prodded Europe, one Nation against another, into war for one reason or another, and because the Americas were minding their own business, the munition makers could not stand it, so they have embroiled this Nation in the destruction of the rest of the World.

Now when the Life Energy, the Substance and the Wealth in the "Cup" of the World—the "Heart of the World," which America is—when those Streams of Energy and Substance have been sent forth, together with the Life Energy of your people to sustain the destruction of that which has wrecked Europe, then, My Dear Ones, there must come some Cosmic Assistance, or else it will wreck America; and America must not be wrecked!

The Mighty Himalaya knows well that intent against your Nation, but since He is the Authority over certain Air Currents covering the Americas, with your Calls to Him, the Mighty Aries and the God of the Air, you can do much to not only upset the plans of those who are responsible for this war, but to annihilate them before they come into further action.

The Mighty Himalaya has been Guardian of that Range since the beginning of this Planet. Therefore, in the Authority which He is over the Air Currents over America, I think you have a Cosmic Friend of Mighty Power!

Since the Powers drawn forth in Our Retreat in the Swiss Alps have withstood the viciousness of the warring nations of that portion of the Earth for so long, you must

understand there is a reason for that; and We are Authority, never fear, when it comes to the use of certain Cosmic Powers of Life and Electronic Force!

It was by no accident that Geneva was made a Focus for the Nations to consult throughout the World concerning peace, because they were drawn there within the Radius of Our Retreat to try to bring justice and balance and some semblance of peace to confused mankind.

You have two Mighty Focuses on this Continent of the Gods of the Mountains; and in addition to That you have the Retreat at the Royal Teton, and that of the Mighty Hercules. That had to be done within North America, My Dear Ones, in order to maintain at least a certain percentage of constructive action here.

You remember your Beloved Saint Germain saying, there had been placed within the United States of America two Currents, the shape of a Sword, the strong part of the hilt, or just below the hilt, being under Chicago, the point down into Florida and the handle up in Canada. That Cross of Currents, or Sword of Currents goes into the structure of Earth and also high into the atmosphere. He said later on another Cross of Currents would be placed in and over the United States of America, its point going down into Mexico and the other handle up into Canada, making the Open Ended Cross of those Currents. We are anchoring That second Sword today!

The Cosmic Powers, My Beloved Ones, which are at your Command are beyond the explanation of words. Only as you see the provision by the Great Cosmic Law for emergency generated by mankind will you understand how Great is the Love, the Wisdom, the Forgiveness and the Power of the Cosmic Beings, who have guarded mankind and tried to set them Free in the Light.

The people cannot go on indefinitely under the hypnotic control of the warring forces of the world, you know that. The hour of awakening is near at hand, and We are

drawing these Currents across your Continent today to keep that awakening from being an explosion. The mass of the people sleep, that is true to some degree, but you know there comes the time of awakening from every sleep of the senses, either by the illumination of the mind or by a shock to the emotional body.

“I AM” standing high above the Swiss Alps directing to you the Electronic Force from that Retreat to amplify that which has already been drawn within this building by Others of the Ascended Host and Cosmic Beings. From here It goes directly to your Beloved Himalaya in India. This is the reason that recently you were asked to give Decrees for India and China, because Beloved Himalaya governs China’s destiny, as well as India’s!

When these Currents from east to west cross your Continent in the atmosphere over your Land, it is because a Cosmic Moment is approaching, wherein certain destructive forces have to be leashed by severe means. The Mighty God Tabor, in the Power He pours forth in the Rocky Mountains, has stood blessing you constantly. He has sought to amplify everything you have sent forth with a Force from these Mighty Mountains over which He is the Authority.

The Beloved Meru, the Blessed Nada, the Goddess of Light and your Beloved Master Jesus have been pouring Their Love tremendously to South America to prevent the same claws of war from gaining a foothold in that Land. We feel reasonably certain that their efforts are going to be completely in evidence, because they have not reckoned with the Power of the Master Jesus in South America, nor the Determination, shall I say, of your Mighty Goddess of Light! She made a Vow, when the black magicians were seized, the discarnates removed from North America and that psychic substance consumed, that She would never stop until every destructive force on the Earth was annihilated! Your Beloved Godfre, almost the last words in the

last Class which He spoke were: "Give Me My other Body, My Sword of Blue Flame and let Me go forth and slay the destructive forces!" His Determination has not waned any!

I might say to you with the Power and the Love which your Beloved Saint Germain has poured to Europe for centuries, that "I AM" just as determined to free America from the fiends of war as you are, and as He is to remove from Europe and the rest of the World all ways and means of engulfing mankind in war again on this Earth for any reason!

You can call forth, if you will, through these Mighty Currents of Electronic Force from the Mountain Ranges that form the Cross of Cosmic Electronic Force over the Americas, the intensified Focus of whatever is necessary to shatter the claws of the beast from the Americas forever. There must be removed from this land the energy from those Life Streams whose human creation has been so frightfully destructive for so long. When those Life Streams are compelled to let go of America, all the energy they have planted here is withdrawn at the same time!

The human accumulation that keeps feeding war must cease to be upon this Earth, and if you will consider the Cosmic Electronic Force from these four Mountain Ranges of the World focusing Their combined Action over America to the Annihilation of all in the atmosphere of your Land that sustains war, many plans will not come to fulfillment.

Some of you, who attended the New York Exposition, remember the artificial lightning which shattered the piece of wood that was hung between the two electrodes when the ten million bolts of electricity passed through. I wish you would remember that and CALL FORTH THE COSMIC ELECTRONIC FORCE FROM THE GODS OF THE MOUNTAINS INTO EVERY PLAN TO CONTINUE WAR, INTO EVERY WAR ORDER, INTO THE BRAIN AND BODY OF EVERY INDIVIDUAL IN THIS LAND WHO SEEKS TO IMPOSE VICIOUSNESS UPON THIS NATION!

If you will call for the combined Action of the Gods of the Mountains of Their Cosmic Electronic Force to explode through the plans of war, those individuals will meet with something to handle which they have not contemplated before. I wish you to see this Force that goes between these four Mountain Ranges like a Great Highway of Blue Flame and Blue Lightning, from which there can shoot forth at any moment an exploding Power like a Beam of Electronic Force, just like a great Stroke of Lightning that explodes every war plan within this Land! Consciously direct That into all which wants to hold America in the claws of war for any reason in any of the Americas!

It is because of the crossing of this Electronic Force over the Mountain Ranges over your Land that you are not in the condition of the rest of the World! This is a Provision of the Cosmic Law for the Protection of the Heart of the World. If This were not the Action of the Seven Mighty Elohim in the building of this World, your Nation could not have kept out of the slaughter of the rest of the World.

This forms a Cross, My Beloved Ones, over the Americas, and every destructive force on the Planet is afraid of the Cross of Light! That is why I wish you to see like a gigantic Highway from the Swiss Alps to the Himalayan Mountains, from the North Pole to the South Pole, through your Mountain Ranges, a Great Highway of Blue Flame and Blue Lightning, directed by the Gods of the Mountains to compel the shattering and letting go of everything which breathes of war over the Americas! It must be brought into outer Action at the Call of some unascended beings.

Because of Beloved Saint Germain's Great Love and Gifts and Blessings to Europe for so long, We are grateful and hope to render this Service to America that is so dear to His Heart, and which We all love, and must hold the Light more blazing in order to shut off that which will be the aftermath of this war.

If you will see these two great Highways of Blue

Flame and Blue Lightning covering the Americas, with your Call to the Mighty Himalaya, Aries and the God of the Air to burn out of your atmosphere everything which sustains war or any other destructive activities, you will find you can starve your enemy, so-called, until there will be no victories of so-called temporary success. There has never been a victory yet of the war plans, but there has been temporary domination; but there will be no more, if you will understand what the Service of the Gods of the Mountains is to the Earth.

This portion of the Rocky Mountains here has been called the American Alps, and even some of the same names are used for your highest peaks. That is not an accident either. That is because this Power has to be drawn here from the Retreat where the Mighty Saint Germain has served so long. The Power that He has gathered in His Service to Europe in the blessing to the people there shall now come forth to bless His Work in America!

Your Beloved Nada, Who has worked with Him so long, since Her Heart has offered so much to South America and North America, stands ready always at your Call to send forth your Love and your Blessings and your Calls for the Protection of the Three Americas, as well as the Mighty Meru!

The Mighty God Tabor invited you to His Retreat, did He not? We invite you to the Swiss Alps, when you can come under the escort of your Beloved Saint Germain! One day, My Beloved Ones, you, who are strong enough to hold this Light, until the mass of the world's discord has been compelled to let go, will one day visit the principal Retreats in the rest of the World, and be shown what has gone on in the various Nations of the Earth, when you seem from the outer standpoint to be struggling against tremendous problems. You are so unaware of the Greater Service you all render at the Inner Level, and it is well you do not remember too much of It!

The most unsatisfactory part of your Life Stream's Service, or at least that which seems the least powerful, is that which you are doing in the physical octave; for when you render your Service in the Higher Mental Bodies or your Etheric Bodies, powerfully charged with Light at the Inner Level, you would be amazed. You would hardly recognize yourselves in the amount of Power you release There compared to that which you are aware of in the physical bodies; but that is the way you draw the Power at the Inner Level, then It stands ready to surge through your Conscious Call into the physical problems of this world.

So do not be discouraged when there seems to be obstruction in the physical, you do not know how much Power you wield at the Inner Level. You do not know in one intense Call what will come to your Assistance and burst through the wall of human resistance and make you the Victory your Hearts desire.

I want to show you something of what These Currents from the Gods of the Mountains do! Supposing you had a gigantic rock which you wanted to remove, and you placed against that in four directions four jack hammers which they use in the mines to drill holes and shatter the rock. If you put one of those on each side of the rock, and they all start to work at once, the rock would not stand much chance, would it? If all those blows came from out the atmosphere from all four sides, it would be a very easy matter to shatter the rock. Well, that is the Power I want you to call forth from the Mountains over America; and ask that there drive into every destructive plan in this Land a Shattering Action of the Blue Lightning from the Gods of the Mountains, to compel the Annihilation of all plans of war before they can be directed against anything else in the Americas.

Some of those in the commercial channels, who want to take more wealth out of these Mountains, have no purpose on earth except to keep the people enslaved in more

destruction of war. I tell you in This Call – if you will call to your Beloved God Tabor to give Protection and Success to all Activities in these Mountain Ranges that are constructive, and to focus the Blue Lightning, which He directs, into all that is not, I think you might help tremendously to prevent the fulfillment of their plans.

These Mountains should be a Haven of Peace, as have been the Swiss Alps for many centuries. You can receive Peace, Energy, Courage and Power in the Mountain Ranges of the World that you do not get anywhere else! Therefore, while you are here, fail not to make the Call to be charged with all the Power of the Gods of the Mountains, the Cosmic Power of the Gods of the Mountains to enfold you, and to be directed through you into the outer world's activities, as you return to carry more of this Light into them.

My Dear Ones, there can enfold you, if you will call It forth, the Energy and the Flame from the Gods of the Mountains to give you gigantic Courage, Strength, Power and Protection. You can, as it were, come out here and become heavily charged, just as you would an electric battery. You place it on a charger until it is filled up. You can come into the Arms of these Mountains, and by your Calls to the Beloved God Tabor and all the Gods of the Mountains, you can ask to be so charged with the Power of the Mountains, Their Protection, Their Strength and Pure Electronic Force, that when you return to the other parts of the country, you go back as a Mountain of Power, a Mountain of Light, a Mountain of absolutely Pure Energy, qualified with the Consciousness of Cosmic Beings, to stand amidst the turmoil of the outer world and blaze that Electronic Force qualified with Light into whatever the problem is, and it will dissolve at your Command! This is One of the Services of the Love of the Gods of the Mountains!

Do you know what We can do for those who love the Mountains and who love Us? We can make you, each one – now this sounds peculiar – but We can make each one of you

a Mountain of Our Cosmic Electronic Force and Love in the very midst of the conditions in which you are spreading the Light in the outer world. There is no limit to the amount of Power from these Mountains which We can draw around each one of you, and like a Supply Station, you can turn that on or off consciously and at will, just as easily as you would open the faucet, let the water run and shut it off when you had enough.

When your task seems great in the outer world, when the problems seem important or great, it would be well to call a Mountain of Power around yourselves that is Greater than the problem, and then you will gain the feeling of absolute Mastery over it.

What I want to convey this afternoon into your feeling world is, that when you have problems to handle in the outer world, you sometimes feel it is a struggle, because you feel the problem has more energy than you have, and you become tired. Not so in reality! That is not the truth! You are a Being of the Fire Element, and by your Calls to the Gods of the Mountains, you can ask for any amount of Electronic Force from the Mountain Ranges in this Land, or on the Earth, to surge around you and like a Mighty Constant Charge of Electronic Force go into the problem and shatter it in one Call!

Regardless of what mankind has generated through selfishness, hatred, anger and destructive feeling, those human characteristics are very, very weak compared to the Forces within Nature which raise a Mountain Range in perhaps twenty-four hours. What do you think is the Power within the Mountain Ranges in this locality? What do you think has been the Electronic Force required in the cataclysmic changes of the past, which can raise these Mountains and turn them up on end? That is the Force We direct!

What think you is the Pressure and Force within the gas belts under the crust of the Earth, the surface of the Earth, that can, in one mighty surge overnight, twist a

whole Mountain Range and stand the strata at right angles to its former position? Then, you must realize the Cosmic Beings Who built this World, and the Gods of the Mountains Who control the pull of the Electronic Force through the substance in these Mountains, wield Power that the human intellect has never contemplated. If it were not for that tremendous Electronic Force focused within these Mountains, which radiates constantly out over the rest of the landed surface of your Nation, how do you think the atmosphere over this Land could be kept pure?

I want to explain something from the standpoint of the physical body. The Rocky Mountains and the Andes form the same thing to this Continent as your backbone does to your body; and it is within the backbone that the Life Stream abides. Your spinal cord is the main supply of Light to the nerves of your body. Well, just so is the Powerful Stream of Electronic Force through the Mountain Ranges of North and South America the supply of Light to the rest of this Continent, this Hemisphere rather.

That is why, when you come into these Mountain Ranges, you step into powerful, purifying forces; and if you will remember and try to feel the Intensity of the Electronic Force in these Mountain Ranges, then ASK YOUR "PRES-ENCE" AND THE GODS OF THE MOUNTAINS TO MAKE YOU FEEL A MOUNTAIN OF THAT ELECTRONIC FORCE CLOTHING YOU BEFORE YOU RETURN TO THE OTHER PARTS OF THE LAND! Until you become accustomed to feeling the great accumulation of that Force drawn around you, then be careful to qualify It with the Cosmic Flame of Cosmic Love's Perfection! Then you can return and like a Great Sun charge those with whom you come in contact with that same mighty Feeling of Purity, Power and Strength of the Mountains!

This is what We want to charge into the Student Body and those of you who have things to accomplish when you return to the other parts of the Nation. I want you to feel

that at any moment. When you still yourselves just remember the Majesty and Power in these Giants of Nature! ASK THE GODS OF THE MOUNTAINS TO CHARGE YOU WITH THEIR COSMIC POWER TO SHATTER THAT WHICH OPPOSES THE LIGHT! You will feel that Power surge around you, and It becomes a Gigantic Armor of the Powers of Nature to enable you to do what you will, so long as it is constructive and the Fulfillment of the Divine Plan.

My Dear Ones, when you know the quantity of energy that is in the waters of the Planet; when you see the energy that is in the oceans and in the water that rushes down the sides of these Giants of the Mountains, there is no reason why every one of you should not have that same tremendous strength and energy focused in, through and around your physical bodies. I want you to feel the Cosmic Flame of Strength and Energy Inexhaustible, and Power Invincible from the Gods of the Mountains from the Mountain Ranges of the Earth! I want your atomic structure to feel the Electronic Force in these Mountains, and when you return feel that the moment you turn your attention back here, the door swings wide and all the Energy, Power and Strength you require rushes forward to refresh you, to make you Invincible and to be an Ever-Expanding Fountain of Courage, Power and Strength to others, who want your Victories of the Light.

Your physical bodies can be as strong as you please, when you will place your attention upon the Source of Strength, Energy and Power. I know of nothing which will make you feel so deeply as to move among these Gigantic Mountains and see the handiwork of the Builders of the Planet. Why should any of you feel weak, tired or discouraged, when the Gods of the Mountains can draw into your body in a moment Electronic Force which will last you for a lifetime; but you must place your attention on the Beings Who have drawn that Electronic Force and Who are Its Dispensers.

If you want a loaf of bread and you purchase it in the outer world, you go to the bakery where they make it, do you not? So, if you want the strength of the Mountains, the Gods of the Mountains are the Ones to Whom to call! If you want the Gifts of Nature, the Beloved Maha Chohan and Virgo are the Beings to Whom to call; and I would not suggest, but just give you the idea, that you clothe yourselves with the Invincible Power of the Mountain Ranges of this Land, especially through this section, and the Mighty Cosmic Flame from the Beloved God Tabor, before you return to your association with those of the outer world.

I would ask you to gather your momentum, your atmosphere from the Mountains, and ask that It be made Invincible to the atmosphere of the cities, so when you return to the cities, you may still move in your own Mountain of Electronic Force, Strength and Power of Eternal Purity! You have not been drawn here by accident, Precious Ones! The Cosmic Moment had arrived, when the Door must be opened to some of these Greater Activities in this Land, and you are privileged to be the Builders of the America of the future! Therefore, you must know what your America contains, and I want to make you feel your Authority in your desire to fulfill the Divine Plan of drawing forth from the Mountains everything which is under Mighty God Tabor's Direction.

He can give you Energy! He can give you Materials! He can give you Supply! He can give you Gems and Things of Beauty that no human eye has ever beheld before! He stands waiting and has offered This, and there is no reason you cannot have His Glorious Gifts within your coming Temples of Light and Music in Beloved Saint Germain's Activities.

The Mighty Gifts that the Great Gods of the Mountains hold at Their Command contain such Happiness as you never dreamed could come upon this Earth! Your joy would be unspeakable, My Dear Ones, were you suddenly to have

the Inner Sight opened by the Mighty Cyclopea and be allowed to gaze within the Mountain Ranges for perhaps an half hour. It would be a very easy thing for Mighty Cyclopea to simply intensify the Action of the All-Seeing-Eye within you, and show you the Beauties in the Mountain Ranges of the Handiwork of the Mighty God Tabor! He could expand your activity of the All-Seeing-Eye and show you within the Himalayan Mountains Beauties and Magnificence and Power of Light, which would forever make you the Master Presence of Perfection! He could part the atmosphere of Earth and let you see within the Cave of Light in India, and once your eyes beheld That, no human thing on this Planet could ever attract you again.

These Things are Real, My Dear Ones! Their Power is Eternal! Their Perfection is Almighty! They belong to the Great Giver of the Universe! Draw forth Mountains of whatever you want! **CALL TO THE GODS OF THE MOUNTAINS TO GIVE YOU THE BLESSINGS, THE POWER AND THE PROTECTION OF THE MOUNTAINS IN WHATEVER YOU ARE DOING, WHEREVER YOU MOVE IN THE REST OF THE WORLD,** and We shall become a Cross of Electronic Force over you, and in and around you, which will give you the feeling of Mastery over all energy wherever you move, but you must remember Us!

You remember the things of the outer world that you want! You remember the things you want to do the next day, the things you want to do tomorrow. You remember tomorrow when it comes; but you cannot have Our Power, you cannot have Our Light, you cannot have Our Protection or Victory of Accomplishment unless you remember Us, unless you ask for It; unless you offer Us the Cup of your bodies, your feelings and your minds, and ask Us to pour into your Cup of Life Our Greater Powers of the Greater Life around you.

I want you, who have come to this "I AM" Crystal Cup Lodge, to begin to comprehend slightly, deeper than you have ever before, what the "Crystal Cup" means to

this Earth! None of you yet has comprehended what is within That Expression! Do you know the Great Cosmic Crystal Cup of the Supply of Energy to this Earth never runs out of Energy? It never runs out of Wisdom, nor Substance, nor Light, nor Power!

You are or should be a "Crystal Cup" of Light, and if you really understand what is within the Flame of your own Life, then you cannot run out of anything. I want you to feel, each of you is a "Crystal Cup," into which the Flame of Life has come within the Heart; and that Cup can pour out all It has, and the next moment be filled again! It can give here, there and everywhere, and the next moment be filled again; for the Cosmic Crystal Cup is never empty and never lacks anything that you could desire which is constructive!

Your bodies are "Cups" of energy which you receive from the "Mighty I AM Presence"! Give that out in Love, Happiness and Blessing to all, and hold your arms to the "Mighty I AM Presence" and again have whatever you call for!

Now America represents the "Cup of Light" to the Earth, and as you call forth these Great Streams of Electronic Force from the Gods of the Mountains, the Cross of Living Fire stands above the Cup and Manifestation must come forth! When the Cross of Blue Flame stands over the "Cup," Perfection has to manifest!

Therefore, feel the Flame of Love from the Hearts of the Four Gods of the Mountains meeting above you and clothing you in Their Great Outpouring of Flame, wherever you move. Give Them the opportunity to draw the Power from the Mountains into the cities, and you be the "Cup" through which They can pour It in Its Mighty Purifying Activity and fulfill the Divine Plan, so everything you do every day is a Great Outpouring from the "Crystal Cup of Life," to command and compel Perfection and the Divine Plan Fulfilled in the Greatest Joy of all creation!

The government of this land should be a "Crystal Cup" of Saint Germain's Purity and Freedom to the people, of Divine Justice from the Goddess of Justice, and the Blessings of the Goddess of Light and the Goddess of Liberty! Your governmental activities should be an Outpouring of the Blessings of Life to the people! Therefore, when the activities of your land do no longer carry out the Divine Plan of Freedom to the people, then there must come a cleansing; and the Cosmic Power of the Gods of the Mountains can cleanse very rapidly!

ASK YOUR BELOVED GOD TABOR AND THE MIGHTY HIMALAYA TO GOVERN THE AIR CURRENTS AND THE PHYSICAL ATMOSPHERE IN AND AROUND THE INDIVIDUALS WHO ARE IN POSITIONS OF AUTHORITY AND TRUST IN YOUR GOVERNMENT, AND COMMAND BY THE COSMIC PRESSURE OF THE POWER OF THE MOUNTAINS THE PURIFICATION OF ALL THAT CONCERNS THE PEOPLE, AND LIGHT WILL COME WITHIN THE MINDS AND THE FEELINGS OF THOSE WHO HAVE ACCEPTED POSITIONS OF PUBLIC TRUST! The Gods of the Mountains, My Dear Ones, can direct Their Power everywhere, and it will take a Mountain of Power to cleanse some of the conditions within this land!

Now, since the second Sword of Flame has been placed within the structure of the ground of the United States of America today, I hope you will accept My Offer, that as you call to the Gods of the Mountains to hold Their Authority in full control in the atmosphere of America, and loose the Blue Flame and the Blue Lightning which shatters every destructive force within your borders, you will give Us an opportunity to act in conjunction with each Other.

This will be a Mighty Combined Action of the Four Gods of the Mountains of the World, and will enable the Eastern and Western Hemispheres to come under the Cross of Blue Flame; and from that the Expanding Power and Blue Lightning can enter into that which is destructive and

burn it up, as if you placed it in an electric furnace, and it was consumed by the fierceness and concentration of the force focused there.

When it is apropos, I would appreciate it also, if you would CALL FORTH THE POWERS, THE FULL COSMIC FLAME FROM THE FOUR GODS OF THE MOUNTAINS TO FLOOD INTO EUROPE WHATEVER IS NECESSARY TO SAVE YOUR BLESSED ONES IN THE NATIONAL DEFENSE WHO HAVE BEEN SENT THERE; AND TO PURIFY THE WORLD FROM THAT WHICH HAS BEEN GENERATED BY THE WAR BEASTS! I will help the Gods of the Mountains, in order to undo that, with any concentrated Focus of the Blue Flame and Blue Lightning over your America, to reach forth that Flame to cover those who belong to your America, then to expand It to the rest of the Earth!

That is why I have come, so you may feel the complete connection and concentrated, World-wide Action between the Four Gods of the Mountains! I would think it well, if you saw go forth from that Cross of Blue Flame over the Three Americas a Mighty Curtain of Blue Flame, that stands between the Western Countries of the Americas and Siberia, and those other Nations that are not friendly to the United States. We want to draw that Protecting Wall of Blue Flame and make impossible the accomplishment of that which the communistic element wants to impose upon your Land.

“I AM” offering That from the four points of the compass to come together in united Action over the United States of America, enter into Her Land and burn away every force which is not as pure and free as Mighty Saint Germain’s Own Heart, and the Fulfillment of His Divine Plan of Freedom, and the Fulfillment of the Destiny of this Nation as the Ascended Master Nation of the Earth, and Her Victory of Light to reign here forever!

We love your Beloved Saint Germain! He has worked

so long to free the people of Earth, and century after century His Handiwork has been imposed upon again by destructive forces, because mankind was not grateful enough to Him. Now let us come together and **CALL FORTH THE POWER FROM THE FOUR MOUNTAIN RANGES, AFFECTING THE AMERICAS, AND LOOSE THE POWERS THAT CARRY THIS WORK FORWARD TO ITS FINAL VICTORY AND ATTAINMENT!**

Feel yourselves, My Beloved Ones, as you return to the outer world, clothed and moving in the Mountain of Blue Flame from the Four Gods of the Mountains, before you Their Cross of Blue Flame charged with that Cosmic Flame of Cosmic Love's Perfection, and abide at rest within That, and see the change in the feeling of the energy of your bodies! Feel yourselves moving within a Mountain of That, and knowing Its Great Sustaining Power until your Victory of the Ascension!

We offer That, and That is the Flame of Love from the Hearts of the Gods of the Mountains! May you become a Mountain of Our Love to the rest of mankind, and wherever that Flame flows, call Us to annihilate that which is not Beloved Saint Germain's Victory for America, and let Us help you assist others to hold this Land Free from destruction forever!

We hope to welcome you here again before long, and may you come here often, drink of the Light of the Mountains – the Liquid Light – and **BE** the Fullness of Its Freedom to all whom you contact! Oh, I want each one of you to be so Free, so Strong, so Invincible, that you feel the Great Cosmic Joy of just pouring everywhere Everything that is required to dissolve away the human, and awaken mankind one after another to the Freedom and Pathway which Life offers for the Victory of your Ascension, and the Ascension of all.

BE the Happiness, the Purity, the Freedom and the Strength of these Mountains to all whom you contact from

now on, and call Us into Action, and let Us give you the Cosmic Cross of the Flame of Love from the Hearts of the Gods of the Mountains! Let Us show you the Beauties and the Glories that you have a right to have, My Beloved Ones!

One day, I hope to show you the Beauties within the Swiss Alps, within the other Mountain Ranges of the World; within those Glorious, Magnificent Caves in the Andes, wherein the Jewels are so Magnificent, and have a Perfect Use in the outer world. I want you to see within the Mighty God Tabor's Retreat! I want you to see under the Bramaputa River in the Himalayan Mountains, and show you what the Builders of the Planet have done with the Substance and Energy of the Universe. I want you to be the Strength of the Mountains, and be as free as the birds of the air.

Call the Cosmic Cross of Blue Flame of Love from the Gods of the Mountains to abide over you! May you live within It and BE Its Protection to all that is of Freedom and Victory of the Light for America, and to all who seek the Light throughout the Earth!

Let us cleanse the Earth, and then enjoy the building of the Permanent Golden Age which is Beloved Saint Germain's Divine Plan for America and the World! That is your Great Privilege this hour; and whether you make the Ascension now or later, these Magnificent Places of Beauty which you are to bring forth will be a Song of Joy for Eternity; and you can come and go, and every time you come, you will make them still more Beautiful, and they will go on and give their Power to Life, and raise all into Our Cosmic Power and Freedom!

Thank you for your presence here! Thank you for your Love of the Light, and your Courage, Strength and Power you have had to hold to It thus far! Now I want you to be Strong; to be Free; to be Happy and feel your Invincible Protection within the Cosmic Cross of the Flame of Love from Our Hearts, that the Mountains may give you Their Wealth for the Freedom of all mankind.

Thank you, Blessed Ones! I give you the Blessing from the Swiss Alps! May you feel Its Purity and Its Power; and your Beloved Saint Germain, in His Work of centuries, stands waiting your fullest Release of the Light!

Thank you, Precious Ones! May the Gods of the Mountains clothe you in Their Cosmic Flame, and make you Its Cosmic Outpouring to your America, to Our America and the whole World in Saint Germain's Mighty Name of Cosmic Freedom!

I thank you!
