

BELOVED MIGHTY ASTREA'S DISCOURSE

SANTA FE, NEW MEXICO

APRIL 25, 1952

BELOVED ONES OF MY HEART, let us enter in tonight to the Demand for Those Powers from the Great Central Sun that have never yet been used upon Earth, to bring Instantaneous Manifestations of the Sacred Fire – those Manifestations that are required to instantly remove that which continually seeks to destroy.

There are Activities of both the Violet Consuming Flame and other Powers of the Sacred Fire from the Great Central Sun that have never yet been used upon the Earth, and if you will reach in through your Calls and demand those Activities which have never been used here, but which you call forth now, to compel the Instantaneous Removal of destructive forces, you will give Me added Assistance in the Consuming of those conditions in the psychic stratum, which constantly sustain the anti-Christ in its frightful determination to destroy everything.

I want to say something tonight concerning socialism, communism and these various ideas which mankind has brought forth. They have never worked in any Nation of the World. Wherever they have come forth, they have done nothing but destroy. Therefore, shun them as you would a rattlesnake, and call the Powers of Cosmic Christ Fire into physical conditions to instantly remove that which seeks to destroy the constructive activities of the Land.

We need more Intense Action and Greater Power to offset the release of the energy from those atomic bombs into the atmosphere. Therefore, "I AM" calling This to your attention tonight with the Desire that you help Us draw forth from the Great Central Sun those Activities of the Cosmic Christ Fire which mankind has never yet used, but which offset this added release of atomic energy. There is nothing to fear, just know that out of these experiences will come your Eternal Freedom, but We want you held

within the happiness and the full conscious awareness of Our Power of Cosmic Christ Fire, that Violet Flame Love from the Great Central Sun which in its Constant Action consumes, consumes, consumes all that seeks to destroy.

CALL FORTH THE POWERS OF THE VIOLET CONSUMING FLAME FROM THE GREAT CENTRAL SUN WHICH HAVE NEVER YET BEEN USED UPON EARTH TO PREVENT THE SINISTER FORCE ACCOMPLISHING ITS ENDS. Since My Responsibility is that of loosening the hold of the psychic stratum upon the lives of individuals, and since that also includes the conditions which enslave a nation, then "I AM" very hopeful, if you will give Me these Calls, of drawing more quickly into physical conditions That which will limit the destructive forces' accomplishment of what they desire within a certain time. If we can delay this, it will hasten greatly the Victory of the Light within this Nation.

When mankind uses the faculties of Life for nothing but insane destruction, then there must come the shock by the use of Cosmic Powers of which they do not know; then they will not think they can conquer so easily. There are many Activities of the Sacred Fire from the Heart of Creation of which destructive forces know nothing, but of which you may learn, and WHICH THROUGH YOUR CALLS WE CAN USE IN THE LOWER ATMOSPHERE OF EARTH TO MAKE MANY OF THE DESTRUCTIVE PLANS OF THE SINISTER FORCE FAIL COMPLETELY; WE CAN MAKE THEM ALL FAIL! We could do It instantly, but the shock would be so great it might disintegrate portions of the Earth itself, and that We do not do.

THE MIGHTY PELLEUR, LAST NIGHT, IN HIS EFFORT TO POUR THAT SUBSTANCE IN AND AROUND YOU TO HOLD ITS COSMIC COMMAND, IS A POWERFUL FORCE ON THE SURFACE OF THE EARTH, AS WELL AS WITHIN THE STRUCTURE OF EARTH, TO ENFOLD YOU AND TO STRENGTHEN YOU TO STAND AGAINST

THE OUTER WORLD'S DESTRUCTIVE ACTIVITIES; but since you have the Authority and the Power to keep your attention to your "Mighty I AM Presence" first, and then to the Great Central Sun, DEMAND THOSE VICTORIOUS ACTIVITIES OF THE GREAT VIOLET FLAME LOVE IN THE HEART OF CREATION, CHARGE THAT COSMIC CHRIST FIRE INTO PHYSICAL PLACES AND CONDITIONS WITH WHATEVER POWER IS NECESSARY TO PRODUCE INSTANTANEOUS RESULTS.

We want more Power of the Violet Flame than has been required to produce Instantaneous Effect; then as you use It, It will lift you into a very much greater sense of Mastery. You can CALL FOR ACTIVITIES TO COME FORTH FROM THE GREAT CENTRAL SUN THAT HAVE NEVER BEEN USED, BUT THAT WHICH YOU DEMAND NOW FOR THE PROTECTION OF THE NATION IS FOR THE SECURITY OF ALL THAT IS CONSTRUCTIVE WITHIN YOUR BORDERS. DEMAND, DEMAND, DEMAND UPON LIFE THESE GREATER POWERS OF VIOLET FLAME LOVE AND VIOLET FLAME ACTIVITIES FROM THE GREAT CENTRAL SUN, THAT CAN CHARGE INTO CONDITIONS AND DO THAT WHICH MANKIND HAS NEVER EXPERIENCED BEFORE!

The Blessed Saint Germain, long ago, told you to call forth those Activities which have never been used in this World before; and may I again, tonight, remind you to do the same thing, because of what I require through you to bring these conditions into more concentrated action to save the Nation and to offset the conditions in the atmosphere which must be controlled by the Sacred Fire. You make the Demand and We will do!

Your greatest requirement within the Nation tonight is for these, may I say, unknown Activities of the Sacred Fire to come quickly now into outer action through your Calls to disconcert the destructive forces, so their plans will be very much disturbed, and that will throw them into

confusion where they cannot go forward with what they intended so quickly.

Know with every fiber of your beings that I, together with the Ascended Host, love you beyond anything you can understand tonight for your continued determination, your courage, the strength and the Love you have had to stand unflinching with your determination to draw these Powers and set the people free. Therefore, We trust you with many things that We could not bring into the use of others of mankind. This of which I speak tonight you will find a Terrific Power of Protection, both for yourselves and those to whom you send it, who are constructive.

This Activity will bring Great Illumination within yourselves individually and will increase rapidly the Protection of that which is constructive within the Nation. It will form a Strengthening Activity for those of the outer world who are trying to do right and trying to hold to God but don't understand the Law enough to make the application you have. Until you are Ascended you will never understand just how fortunate you are to have been taken by the Blessed Saint Germain and prepared over these years, to have your Momentum gathered at this time, by which you can render this Service for the Nation. When He prepared you to have this Momentum already gathered through your Decrees, He foresaw and knew without question what you would have to face, and because of His Determination to hold the Guard for the Nation, naturally you come very close to His Heart, because of your willingness to keep on calling forth the Sacred Fire—these Powers which He requires in the physical octave. Your Calls, My Dear Ones, are the strength within the people of the United States of America, which forms a certain proportion of the Life of the Nation to reach up and hold to God as they know it.

You do not quite understand just how much your Calls have drawn into the physical conditions of the Nation to strengthen the people through Radiation, so they have the

courage and the determination to hold to that which made your country great in the beginning, and will be the Light and Strength to enable it to survive and fulfill its Destiny. You see when the Light within the mass of the people reaches a certain Intensity, We know there is strength enough then to hold to That which is the Fulfillment of the Divine Plan; but if someone does not charge that Light and Strength through some of the people themselves, then there would not be enough Strength of the Light to carry the Ideal forward for which the Nation was brought forth in the beginning. Therefore, the Courage, the Strength, the Power and the Love of the Mighty Saint Germain can to you become the Light in the people of the Nation to produce the Ideals for which you stand.

From the Inner Standpoint, not until you are completely Ascended, will you quite comprehend what it has meant through your Calls to draw the Light into the people themselves through your Radiation, into the mental and feeling world of the mass of the people. Now, as We turn your attention to making your Calls to the Great Central Sun to send forth into the physical conditions of this World and into the physical atmosphere, those Activities of the Violet Consuming Flame's Power and Love and Victory which have never been used yet in this World, you make the Call, because when these Powers are released and they produce certain Manifestations within the Land, those who are destructive will not understand Them, and That will be a very Great Power of Shock to make them let go of some of the destructive things which they intend.

In your use of those Powers which have never been used in this World before will come Illumination to you! The Greater Understanding of these Magnificent Activities of the "Blessed I AM Presence" and the Cosmic Beings will bring you Illumination as the time goes on, and as you understand That more and more, will you find those Forces acting in your world individually, to bring more Instantaneous Fulfillment of your Calls, until you reach a certain

point wherein the very Fulfillment of the Call charges you with the full confidence and knowledge of your own Mastery.

Know always that when you reach to the Heart of Creation, the Great Central Sun, and you DEMAND THE FIRE POWERS OF ITS LOVE INTO PHYSICAL CONDITIONS TO COMPEL INSTANTANEOUS FULFILLMENT OF YOUR CALLS, there will come many very Delightful Experiences. Your joy will be almost indescribable as you watch This act and see the Manifestations which will be revealed. This will bring much help into the atmosphere of Earth itself.

When We have watched mankind so long misuse the Great Energy of Life and the faculties of the intellect to so incessantly destroy, then there must come a very Intense Action of the Cosmic Fire to consume the mass accumulation of that substance which is in the atmosphere of Earth and forms an almost indescribable barrier between Us. When mankind releases into the atmosphere the energy and the substance of their frightful discordant feelings, it forms a thick, sticky, grey substance in the mental and feeling world of the people, and that is what We have to cut through in order to make them understand why they should call to their "Beloved Mighty I AM Presence," and why they should use the Violet Consuming Flame; but you who are dwelling within more of Our Light-Substance and more of Our Sacred Fire than you understand, you are really living in a world of your own, composed of Our Substance and Our Activity of the Sacred Fire which keeps you closer to Us and charged with Our Power, even when you do not quite realize it.

Now, in the Call which I asked you to make tonight, I would like it if you would specify the Instantaneous Consuming of the entire psychic stratum and psychic substance in the atmosphere of Earth. You make the Call and We will draw and use the Power as rapidly as you can stand it. If mankind but understood what the Great Law of Love

demands of Life and what It holds ever ready to give and how very practical is the Power of that Violet Flame Love from the Great Central Sun Magnet and from the Central Sun Itself, My Dear Ones, if people understood how Wonderful that Power can be drawn into outer conditions, you would realize It is more Valuable than all the wealth on the World. There isn't anything on Earth so Valuable as the Conscious Understanding and Use, mark you, of the Great Central Sun Magnet's Violet Flame Love; and if you will call forth Its Powers in physical action which have never come forth before, many things will occur that perhaps you will not understand to begin with, but since they will produce only a Good Effect for you, they will soon illumine themselves to you as you use the Power more and more.

We want you to become accustomed to the Use of these Greater Powers of the Sacred Fire, and as you hold to the Demand for the Great Central Sun Magnet's Violet Flame Love and all the Powers which It can draw into physical conditions, an entire new world will open up to you, open unto you. Then as you understand It and use It, will you see where the secret of your Mastery lies. It is only as you use Power, that you become aware within yourselves of the Mastery which Life is ready to give you, when you use those Powers continuously while in the unascended state.

Mankind has sought the use of power, but has not qualified it nor kept it controlled by the Love and the Wisdom which would have brought them happiness and Perfection in its use; but when you call forth the Great Central Sun Magnet's Violet Flame Love, It contains Power and Wisdom also. There isn't one Activity of the Violet Consuming Flame which you could ever use that would ever produce the slightest discord, not the slightest. So you have been raised into the Use of an Infallible Power whose Boundless Blessings as yet you have hardly touched.

That Violet Flame has released many of Its Gifts

and Blessings to you, but you have such a fragment of It, compared with what you can have and what the Full Mastery of that Violet Flame Love means to you. If you will charge those very words into your conditions, into yourselves and the conditions around you, the Mastery, the Full Mastery of the Great Central Sun Magnet's Violet Flame Love, and make yourselves a Pillar of Its Living Presence, then keep charging It into outer conditions with your Demand for the Annihilation of everything psychic out of the Universe, out of Life everywhere – just with an Inner Sweep, so to speak, of It, demand the Annihilation of everything psychic by this Release of the Violet Consuming Flame, and then you will feel a tremendous lightness within yourselves. You will feel a Relaxation and a Relief from the problems, from your limitations, from things which have disturbed you, but you don't know what they were, nor where located or how to get rid of them.

Many conditions under which mankind struggle, once they have turned to the Light, can be thrown into that Universal Consuming, which takes place when you call for the Annihilation of everything psychic, and then the individual is cut Free much more quickly. As the Blessed Saint Germain told you, some things have to be balanced person to person, but the vast majority of the individual's creations can be thrown back into the Universal Violet Consuming Flame and consumed, and then the student be cut Free to go forward, if he will keep his attention upon the "Presence" and fulfill the Great Divine Plan, and through the Calls the "Presence" will make restitution, adjustment and balance for the wrong of the past; but it will be done joyously through the Conscious Use of that Violet Flame Love by the Calls of the outer self.

This is one of the most wonderful Activities of Love, Mercy and Forgiveness to Life, and if you will call This forth into your physical conditions, "I AM" sure you will be delighted beyond words with the Results which I will be

able to produce in your worlds. Do you know what that means? My Love will be able to produce for you these Greater Blessings and Perfection as you call This into yourselves and into outer conditions. It gives Me certain Freedom which I cannot have, or cannot use, in the Activity of the Cosmic Law, until the Calls come forth first. You have to ask a question before an answer can be given. Therefore, if you desire to reach up and use this Violet Flame Love and Activities of that Love which have never been drawn into this World before, you will swing wide many doors, for the experiences will bring you Joy beyond words, and many of those I will govern directly Myself. (Applause – audience rising)

Thank you, Precious Ones, and while you are standing just a moment, will you feel this Great Violet Flame Love from the Great Central Sun Magnet flooding in and around you like a Great Mantle of Violet Flame whose Blazing, Loving, Healing Presence pours Its Power in and around you. In this way you will feel quick Relief from many conditions which have disturbed you perhaps for years, and This will also be a tremendous Help to those Incoming Life Streams that are taking embodiment at this time, as you call It into the Nation and the World. May It enter into you so powerfully tonight that one limitation after another will be thrown aside like an old garment, and you go forward in the feeling of your Masterful Accomplishment to the Freedom which is yours, which only that Love can give, because It is the Law of all Perfection. It is the Commanding Authority of all Creation. Therefore, as the psychic conditions are consumed that Love will reveal the Fullness of Its Perfection to you all. Won't you be seated please?

So let us go forward held within the Heart of that Great Violet Flame from the Great Creative Heart of the Great Central Sun. You do not quite realize that from within that Heart of Life there are ever coming forth greater and

greater and greater Powers which ever produce Happiness and Manifestations which beautify everything and bless all that is in the Universe. So as you call This into outer conditions to annihilate everything psychic, you will draw the fangs of the destructive forces and take out of their hands energy by which they dominate mankind and sustain their destructive activities.

So I will await your Calls; and rest within the assurance that when your Calls have been given, there will come the Answer just as surely as you make the Call. So with the Fullness of all that it is My Privilege to give and which the Responsibilities of My Service to the Earth carry always to those who will assist Me, I will give you every Blessing that I can bestow, if you will give Me this co-operation to render My Service to Beloved Saint Germain and bring about more quickly Changes within the Nation which will shut off that which I do not care to mention, but which is planned and which must be avoided if great distress is to be kept from the people.

There are many good people in the outer world, Precious Ones, who want to hold to God, even with the faults within them. There are many who love Freedom and love to do for mankind; and to these, as you make this Call, will there come a Strength and a Power to hold to those Activities which are Constructive, and bring Greater Light into the Nation to more quickly control conditions in order to fulfill the Great Divine Plan and give Protection where it belongs.

So, tonight, into the Heart of that Violet Flame Love may I lift you, and when you leave the body tonight, know you have placed it to rest within the Heart of that Violet Flame Love from the Great Central Sun, and ask your "Beloved I AM Presence" to draw forth these Greater Powers of Its Blessing to you that when you awaken on the morrow you may have these Greater Powers, and the day will go forward to bring the Victory you desire. So I call forth

from the Heights of Perfection those Activities of the Violet Flame Love which are the Power of the Cosmic Christ to produce in this world that which is the Fulfillment of the Law. Therefore, you may become one with the Authority and Power of the Law of the Violet Flame Love.

May It rule everything in your world and bless your Nation with that which raises the people to the Perfection of their Freedom and arouses within them the Desire to come forward and complete their Victory unto the Ascension, that the Nation may arise as the “Cup” of Freedom to the Earth, and that Violet Consuming Flame is the only way by which that Freedom can come. May It release with Cosmic Power and Action, to bring you quickly the Victory that you hold for Eternity in your Service to the World, and may all the Love and Freedom which that Great Violet Flame can give flood you forever with your Victory.

Thank you with all My Heart tonight!

REMINDER!

“When there is discord or problems or limitations to be handled in the outer world, make your intellect remember, if you are going to handle discord you must have Sacred Fire Purifying Love first; because you can only control this by the Sacred Fire Purifying Love that is the Master throughout creation and is the Miracle Presence within you.”
