

TALK ON SUPPLY—BY OUR BELOVED MAMA
CHICAGO, ILLINOIS

MARCH 16, 1952

The Magnet is an Open Door. Do you know the meaning of Beloved Jesus' Statement—"I AM" THE OPEN DOOR THAT NO MAN CAN SHUT? I ask Him to give you His Ascended Jesus Christ Fiery Miracle Mind and Understanding of what the Great Central Sun Magnet means to you and to all Life.

When He used the Statement—"I AM" THE OPEN DOOR THAT NO MAN CAN SHUT, He referred to a Magnet, because the Magnet does not have a door. It is an Archway, but there is no door to close. Then He was the Magnet to draw the Perfection from His "Presence" and from the Great Central Sun into Himself and pour It out to the World, but He poured It down into the Earth also.

Concerning your supply, if you will use His Statement—"I AM" THE OPEN DOOR THAT NO MAN CAN SHUT, understanding that it is not a door that anybody can lock against you, it is an Open Door. Then take the Statement: "I AM" THE GREAT CENTRAL SUN MAGNET'S OPEN DOOR INTO THE HEART OF GOD'S LIMITLESS OPULENCE AND SUPPLY.

I want you to get this clear, because everything in the Universe is coming from the Invisible into the visible all the time, and things are being returned into the Invisible. The Invisible which is above you is your supply, or source of supply of everything in this world. Everything is coming out of the Invisible and going back into the Invisible—I am speaking of the physical senses. Then what we are supposed to do is hold the balance of the energy that comes from the Great Central Sun into ourselves; and the Flame in our Hearts if allowed to expand makes us Its Sun Presence or the Projection of Itself. Then our duty to the Universe around us is to pour out the Perfection of the Great Central Sun to everything that is in the Universe around us.

With yourself as the Great Central Sun Magnet extended, so to speak, into the physical octave, you have the Great Central Sun and Its Intensity of Power which has come down through our Physical Sun, and It has come down again in lesser intensity into our own Electronic Presence of the "Mighty I AM," the Electronic Body and the physical form. Therefore, as you reach into the "Presence," you are in reality the Great Central Sun's Heart Flame simply stepped down into a lesser intensity, and you are, shall I say in direct perspective, or you are in the direct Beam of that Flame from the Great Central Sun! As you draw That into yourself and feel yourself a Part of that Sun Presence, then you are the Magnet of Life drawing from the Great Central Sun above you whatever you require to produce manifestation here, to produce Perfection which expands and blesses the rest of the World and the Universe.

You cannot receive from the Great Central Sun anything but that which is good. Its energy is constantly flowing into yourselves, and you are constantly using it. When you begin to acknowledge yourself as the Great Central Sun Magnet's Open Door which no man can shut—into the Heart of God's Limitless Opulence, then you realize that Its Power and Its Flame flow from the Great Central Sun, through the Physical Sun, then through the Electronic Presence, down into the outer self! When It touches the top of the Magnet, It flows both ways into the structure of the Earth; and can form a Sun at each end of the Magnet. You stand a Sun within It which draws to yourself all things through Love!

This is as mechanical as anything can be. In the first place, the action of a magnet to a piece of steel which comes within its force field, is an irresistible drawing of that steel to itself! However, mankind has been in the habit of reaching into the world out here, and drawing things to themselves. When the Power of the Flame, which is the Love from the Great Central Sun, is allowed to flow continuously into the outer self, It will draw from above

more of Its Perfection to the outer self! Thus, It would be a Radiating Sun of Its Everlasting Supply.

Then, if there is something in the physical world required in what you are going to do out here, the very Power and Flow of that Love from the Central Sun, as It flows forth to bless everything in the physical world, swings in a circle, reaches out and draws to you your own. I do not want you to feel this is complicated. Just ask for the Ascended Jesus Christ Fiery Illumination of all the Great Central Sun Magnet means to you; all that Beloved Jesus knows It means to your Life Stream. Then when you say: "I AM" THE OPEN DOOR THAT NO MAN CAN SHUT, or "I AM" THE GREAT CENTRAL SUN MAGNET'S OPEN DOOR INTO THE HEART FLAME OF GOD'S LIMITLESS OPULENCE, you have but to feel that come into yourselves! Then pour It out to the rest of Life! Ask your "Presence" to give you what It will; and, My Dear Ones, you will have a thousand times more than you ever dreamed you had a right to in the world.

I want you to have that Limitless Supply! The reason I am saying this, My Dear Ones, is because you do not know when the outer world conditions will change! This Law is changeless, just the same as the multiplication table! When the Beloved Jesus said: "I AM" THE OPEN DOOR THAT NO MAN CAN SHUT, He knew He was that Flame from the Great Central Sun, whose Action of Life is to draw Perfection from that Central Sun; and produce Manifestations out here, which carry Love and Happiness to Life! That is Freedom! You will never have Freedom until you get That.

So you are a Sun from the Great Central Sun, whose Duty it is to pour your Love's Blessing to the ground under your feet, to the atmosphere around you and to everything that lives. Ask the "Presence" to pour through you Its Heart Flame and give to the Universe around you That which fulfills the Divine Plan. That is what I meant in the Decree you have already given: "BELOVED MIGHTY
