

BELOVED MIGHTY BEING VENUS' DISCOURSE

SANTA FE, NEW MEXICO

JANUARY 21, 1951

BELOVED ONES OF THE PLANET EARTH, with Great Joy do We enter into the Oneness of Life which enables Us to feel all that is required; to expand and release whatever is Constructive and to more readily assist the people of Earth to rise out of the shadows of human distress.

Great has been the misuse of God's Energy through the centuries; yet GREATER still is the Mighty Love which rules all! Know with every fiber of your Beings, the Eternal Happiness you desire comes only from Cosmic Love which sustains THIS WHOLE SYSTEM OF WORLDS! Such Love, it is Our Great Privilege to offer to the people of Earth in Its Ever-expanding Sacred Fire that brings into outer manifestation the Eternal Blessings of Life.

May I lift you this hour into the feeling of Our Reality, Our Love and Our Oneness with the All-Pervading Life, the Mighty Authority of the "Beloved Mighty I AM Presence" in the Great Central Sun, which ever governs all in Loving Perfection! Try to realize what the Cosmic Sacred Fire of Our Love means to the people of Earth, for your Life and Our Life is One Life! Therefore, the Love We pour forth is the One Love from the Heart of Creation, within which abides all the Power that creates Systems of Worlds, peoples them with Beings of the Cosmic Sacred Fire and sustains and expands the Great Divine Plan fulfilled through them.

Try to realize whatever you do in this world – if it is to bring you Happiness which is Permanent – must come by the Use of the Cosmic Fire which We direct to the Planet Earth! You might go forward with all the physical action your Hearts could desire, but if you do not love to do that which must be done, then it will have to be done over and over and over again until it is done by the Cosmic

Love of the Great Sacred Fire of Creation which We direct to the Earth! It is the Sustaining, Governing Power of Perfection on every Planet in This System and Every System throughout space everywhere!

Could you understand what is within the Cosmic Sacred Fire of Our Love, there is not anything or all of mankind on Earth, could ever persuade you to forget It for one instant! Know as We send It forth, It performs whatever action fulfills the Great Divine Plan and sustains It, until the Next Wave of Love comes into outer Manifestation to make It Greater! Then you will realize in the use of the Cosmic Sacred Fire of the Great Love of all Creation, you can draw to yourselves Activities which have never yet manifested upon the Earth.

In those former Ages when the Beloved Sanat Kumara came and in a few moments gave the Sacred Fire which was sustained for months until He came again, just so do We flood forth throughout the Planet Earth, at intervals, this Cosmic Sacred Fire of Our Purifying Love to change the vibratory action of the atmosphere in which mankind abides! The Fire of Our Love, as It passes through the substance in the atmosphere, changes everything! It purifies the substance and the energy, raises and consumes the pressure of discord mankind has created; and gives every Life Stream another chance to try again to reach the Perfection of the Ascension, by which each one may go forward to Cosmic Activities of Creation!

Today, I want to touch upon something mankind does not understand! From the lowest to the highest, from the smallest to the Greatest Manifestation in all the Universe, OBEDIENCE to the Law of the Octave of Its Existence is forever the Joy of Life in the Expansion of Its Perfection. We, in the Activities which control an entire Planet, give Obedience with Loving Gratitude and Joy to the Law which controls the Whole System! The System gives Obedience to the Law which controls the Galaxy. Then do you think mankind should imagine that the people have

any right to disobey the Requirements of Life which manifest the entire Universe and sustain It in ever-expanding Action and Perfection? Try to charge your outer selves with the Cosmic Love and the Cosmic Sacred Fire of Our Obedience to the Great Cosmic Law, so Obedience may become easier for you in the physical octave, to sustain Constructive Activities and enable you to accomplish the Greatest Victory possible from day to day.

Try to realize you never deal with individuals! You always deal with Life! Life will hold you responsible if you do not deal with the Sacred Fire of Our Love, which is Life's Almighty Control of all things to produce Perfection, sustain and expand It! The Cosmic Power which governs Whole Systems of Worlds is the Cosmic Love and the Cosmic Sacred Fire of the "Beloved Mighty I AM Presence" in the Great Central Sun! It is localized. It is concentrated. It is focused into any Special Activity when you desire to produce Manifestation! Then think you, mankind is any exception to that which governs all that is Greater than this world?

Do not rebel against the Obedience required by the Cosmic Law! Do not rebel against the Requirements of whatever produces Perfection! Rather keep your feeling world charged with the Fiery Love and Cosmic Power from Our Great Planet, so there comes into yourselves the Enjoyment of doing anything you need to do to fulfill the Divine Plan! Then you do it with the ease which only Love can give! When there is not great enjoyment and ease of accomplishment in producing Perfection, know always, you lack the Cosmic Love from Our Octave and Its Sacred Fiery Power which comes through It to control all things easily and joyously.

We want to bring into each of you, Our Feeling of Our Cosmic Love which brings you Relaxation! Relaxation is not inertia nor a negative condition — not by any means! There is a Certain Balance within the physical body at a point near the Heart, only directly in the middle of the

chest! When you learn to rest within That Flame – the Permanent Atom, as It expands through the upper portion of the body – you will find the Point of Perfect Balance from which you can act, but which never is tension in the body! This comes by opening the Heart; and through Love to your “Beloved I AM Presence” and the Greater Beings in the Universe, the very feeling of Expansion and Upreaching of your own Heart’s Flame will draw in and around you Our Cosmic Fire of Our Love which always brings Balance, Peace, Purity and Ease! Then in a moment, with a Wave of your hand, will you find the Beings of Nature bringing to you that which mankind struggles to attain through human effort!

When you know how Wonderful Our Love is, Precious Ones, “I AM” sure you will never forget to use It again! Learn to love Life! Learn to love to help people! Learn to love to set Life free! Learn to co-operate with everyone for the Accomplishment of Our Great Constructive Activity! Hold to a Transcendent Ideal which is worthy of everything in your Life to accomplish It, so It frees all!

This Cosmic Fire of Our Love is the Most Wonderful, Transmuting, Ascending Action within yourselves to make your Pathway Glorious in its Attainment! Let It make your Ascension just like a breath passing from the outer into the Inner, which is all of Love for Eternity! Try to know the Cosmic Fiery Love of which I speak does not fight human creation! Like the storm cloud, as the Light passes through, nothing can fight with the lightning! Did you ever notice that? The storm cloud never fights the lightning! It can’t! Well, just so does the Cosmic Fiery Love from the Planet Venus come into yourselves. It is Master and where Our Flame flows nothing fights It, for It either becomes Our Love or ceases to be!

We want you to feel the Majesty of This Power! We want you to feel Our Mastery and Use of This Cosmic Fire! We want you to experiment with It and realize always, as you call to Us for Its Release into your physical actions

and your physical affairs, It becomes a Permanent Part of your own Life! Our Cosmic Fiery Love from the Planet Venus—the Great Ones Who direct Its Activities There—is Our Life! That Fiery Love is Life and is a Part of your Life once you call It into your world of action! Once you turn your attention to Us, accept Our Reality and call forth Our Fiery Love of Cosmic Action, It becomes a Permanent Part of you! I can guarantee you, It has not a thing within It, which would ever trouble you!

We see mankind throughout the ages, struggle, struggle, struggle, because individuals will not use the Fiery Love from Our Octave, which We have offered throughout the centuries, which We have used to keep mankind from going completely to the “second death”! We release This Knowledge from time to time, and yet mankind will not use It! You, Beloved Ones, have used It! “I AM” speaking, of course, of the people of the outer world, when I say they have not used It! You, Beloved Ones, who have accepted Our Presence and have called for Our Cosmic Fiery Love to come into your outer affairs, have become One with Our Life through your Heart’s Call! I congratulate you, because you let the Love of Our Life, which is Greater than you or greater than your outer activities, enter into you to give you more Power over the discordant conditions of your world.

The hour is approaching when more of Our Fiery Love must come into the atmosphere of Earth! Those of you who daily remember to make This Call will call forth much Greater Power into your outer affairs, into your bodies, into your surroundings! Call forth more of Our Cosmic Fire to exist in the rest of the world around you! Then Our Life becomes for you the Guardian Presence and the Cosmic Fiery Love which is the Gift of Our Life; and the Action of Our Life entering into you reveals how We live Life in Our Domain, in Our Realm of Action!

As you draw forth the Fiery Cosmic Love from the Planet Venus and from the Lords of the Flame from

Venus, ALL Who direct that Fiery Love to the Earth will teach you Our Way of Life. As you call Our Life forth in, through and around yourselves, you will find It an Illumining Presence which will teach you how to live Life as We live It! We live It much more intelligently than the people of this world! I can assure you, much Illumination, Permanent Happiness and the Great Mastery which your Hearts crave, do come into your outer use until you know the Great God Presence, the "Mighty I AM," which through Its Fiery Love reveals the Perfect Way of Life!

Do you know what you can call forth from within the Cosmic Fiery Love from Our Octave? You can call forth many things, Beloved Ones, which are going to be given to the people of Earth in the Incoming Golden Age — THINGS which must come from Our Planet to yours! You will find Wonderful Ideas, Wonderful Inventions, Wonderful Healing Power; Wonderful Music and Wonderful Magnetic Control of conditions in this world, which can only be controlled by the Great Magnetic Power of Our Fiery Love! There are some things in your world which cannot be controlled except by the Magnetic Power from Our Planet until the Planet Earth is purified! Then the Power releases from within the Hearts of the people and It becomes a Permanent Action in your physical world.

In order to help you stand against the discord of the outer world and go forward to fulfill your Heart's Desire for the accomplishment of the Great Divine Plan, We want to bring you closer and closer into Our Way of Life! We want to teach you how to use the Cosmic Fiery Love from Our Octave and thus bring It into yours. As We give It to you in response to your Call, It becomes a Sustained Action for you until you call for It again! When you call for It each day, a Greater Wave comes to sustain Our Perfection around you to give you the Power for Greater Accomplishment which always moves you forward, Victorious over all limitations you contact!

When We call forth a Wave of Our Fiery Love in Cosmic Action, It sustains you in your outer activities for a certain length of time, but you do not lose It when you use It! You simply let It flow forth to bless the conditions in your world! After It has reached out and is rendering Its Service, when you call again, you receive more of Our Cosmic Fiery Love to enable you to do Greater Things to give Greater Blessings to mankind. Oh, Beloved Ones, please know all physical effort in this world of Constructive Accomplishment cannot come forth, be sustained or expanded except by the Cosmic Fiery Love from Our Octave! If It comes from your "Presence" or the Ascended Host, Our Love must be allowed to expand Its Fiery Action! The Whole Universe depends on This Activity, Beloved Ones!

The Great Cosmic Fire of Creation is the Cosmic Action of the Life and the Love of the "Beloved I AM Presence" in the Great Central Sun! It is the Directing Intelligence which uses everything Constructively; and therefore, produces only the Happiness which fulfills the Great Divine Plan! So, unless your accomplishment contains the Living Happiness of the Great Cosmic Love's Sacred Fire, you will have to do it over and over and over, until you put Our Cosmic Love and Cosmic Fire into your accomplishment to make It Permanent and Ever-expanding in Its Constructive Action.

Under the Cosmic Law, Beloved Ones, of the "Beloved Mighty I AM Presence" in the Great Central Sun, any manifestation which does not produce Permanent Happiness to Life cannot be sustained permanently! If a thing be discordant, the Cosmic Law will not let it be made permanent, because it is produced by mankind's misuse of energy, and is, therefore, not God-Created. But when you call forth the Cosmic Fiery Love from Our Octave to produce a Manifestation, It carries Permanent Happiness to all the Universe around you! If it seems difficult to love Life, ask the Fiery Cosmic Love from Our Octave to come

here! Call the Great Cosmic Love from the Great Beings Who have drawn This Flame into your world! Those Beings are the Seven Great Kumaras! IF YOU ASK THEIR FIERY COSMIC LOVE BE MADE ALIVE IN YOU; TO BECOME PERMANENT HAPPINESS IN ALL THAT YOU DO, THEY WILL TEACH YOU, BY THEIR LIFE RADIATED INTO YOU, WHAT IS WITHIN OUR COSMIC FIERY LOVE WHICH HAS MADE THE PLANET VENUS SO MAGNIFICENT AND BEAUTIFUL, AND SUCH A SUN IN SPACE!

You call Us a Planet, but in Reality We are a Sun! What think you has made such Cosmic Action of the Fire Element there in the Heavens to maintain Its Light, ever expanding Beauty and Perfection throughout aeons of time? It is the Fiery Love in Cosmic Action from the Great Central Sun, which is ever growing Greater within the Planet Venus! I say to you, your physical scientists need not worry about the Sun decreasing! On the contrary, when a Sun is created It ever expands into a Greater Sun! Then It creates Planets which become Suns, while It becomes a Greater Sun!

IN REALITY EACH OF YOU IS A MINIATURE SUN! You are the Sun of your world and your obligation to Life is to ever let the Cosmic Fire of Our Love grow greater within yourselves so your Light may go forth and produce Greater Happiness in the world around you. Your Divine Obligation to Life is to produce Permanent Happiness to all the Life around you and if you do not do it, you fail in the Fulfillment of the Divine Plan!

When you contact vicious forces you will need the Cosmic Fire to purify them! Your Sacred Obligation is to go forth and create Permanent Happiness, Beauty and Perfection, all which is constructive, all that has a right to be maintained and expanded! This is the Fulfilling of the Great Divine Plan! The Great Eternal Purpose of Life is not just the expression of your little ideas from day to day! That is not the fulfillment of the Divine Plan! The Great

Divine Plan is to draw forth Our Cosmic Sacred Fire from the Life which is Greater than your outer selves and send It forth into the physical octave to produce Permanent Perfection, Permanent Happiness which forever expands! You cannot change the Great Cosmic Law of That Divine Command! Mankind's disobedience never breaks the Law nor changes It! People break the physical body by disobedience to the Great Law! Remember, as you call forth the Fulfillment of the Ascended Masters' Divine Plan, Their Way — you are going to see the Cosmic Fiery Love from Our Octave come into the physical world in order to fulfill the Divine Plan!

You, who understand your “Beloved I AM Presence,” can call Our Fiery Love into yourselves and into your affairs to produce Perfection this world has never yet seen! Your opportunity is limitless! The Door is wide open at all times and there is nothing in the Universe to say you nay! You can accomplish the Greatest Thing of which you can think, through THIS CALL, for the Fiery Love in Cosmic Action to come from the Planet Venus to the Earth, for We are your Guardians! The Beloved Sanat Kumara, in the Service He and the Other Kumaras have rendered through the ages, has poured Flame after Flame of His Love, the Sacred Fire from Our Planet Venus, to your Earth to sustain and expand all that is Constructive!

So as you contemplate what Our Love means to the Earth, as you desire It within yourselves, as you use It in outer physical action, will It reveal to you that which only It can teach! Our Mighty Fiery Love in Cosmic Action can teach you all about Itself! If you will use It, the Greater Peace and Happiness which become Permanent in your world will make you realize what Transcendent Power, what a Scepter of Dominion, Our Cosmic Fire is in your outer use!

You are going to have to use It in outer physical action, if you are going to survive against the destruction of the outer world! “I AM” not come idly today! I have come

with the Decision to draw This Cosmic Fire, whose Love mankind must have, in order to protect anything Constructive within your Nation!

This Cosmic Fire is as Real as any physical flame you have in the physical octave! Since It is the Fire of Life, We are the Outer Expression or Manifestation of Greater Perfection than your Life has yet produced in this world! If you reach up and want the Fiery Love and Cosmic Action of Our Life, We are happy and joyous to give It to you! It is Our Privilege to pour It forth whenever you desire It! Just as you love to give your children things which make them happy, so do We love to give you That which makes you happy! So you see, you do have Tremendous Cosmic Friends of That Love which is Master of all and contains ALL you could ever desire! (*Applause – audience rising*) Thank you, Precious Ones, won't you be seated please?

Beloved Ones, Life is the Greatest Gift which can be given, and the Cosmic Fiery Love from Our Octave is Our Life! Therefore, when you call It forth into the physical world and the physical conditions of your affairs, We are giving you Our Life to make your Life happier! As you expand Perfection in your affairs and charge It with Our Eternal Happiness, you are giving the Life of your outer selves to the other Life around you to make it happy! This automatically brings back to you Greater Happiness! Just as We release these Great Cosmic Flames from Our Octave into the physical atmosphere of Earth to consume discordant conditions and to bring Greater Freedom and Happiness to you, It makes Us happy. When We see you cut Free from human limitations, then We are happier!

As you draw forth Cosmic Fiery Love from Our Octave into yours, and into your conditions to create or expand all that is Constructive, It makes you happier in the use of whatever gives you Mastery over this world! Your very happiness goes forth and is a Raising Force to the Life around you! So the moment you draw forth the Cosmic

Fiery Love from Those Octaves of Life, which are Above and Greater than your physical world, Our Life becomes One with your Life! Our Qualities expanding in and through you to produce Greater Happiness in the world about you, automatically raise everything you contact, nearer in vibratory action to Our Octave of Perfection.

So the Planet Venus is like a Sun to the Planet Earth! It pours the Radiation of Its Light and Its Fiery Flames of Love to the Planet Earth! Its Radiation dissolves the shadows of discord; the vibratory action of the Earth itself is increased to the point where it becomes more LUMINOUS! Oh, I ask you to experiment with This! I trust I will have the opportunity to come at intervals to assist you more powerfully to understand Our Love and to encourage you to use It in outer physical action! (*Applause – audience rising*) Thank you, Precious Ones, will you please be seated?

Now do not go out and discuss This with others! Rather go ahead and use It first, until you gather the Momentum of Its Fiery Action in and around you to change conditions into the Greater Perfection which makes mankind wonder how you can do It! After you have produced the Manifestations which transcend most of what is in this world, mankind will listen to you! When you reveal the Way and Means by which you do It, mankind will be more receptive by that time and you will not need to go through the persecution and condemnation which otherwise you would experience!

Strange isn't it, that in mankind's ignorance, individuals are so determined not to recognize something which is GOOD AND GREATER THAN THEMSELVES? Only when they are almost ready to pass out of the body with their own misery, will they awaken to all that God, the "Mighty I AM Presence," wants to bestow to help them be happy and free!

Just move into your outer daily activities and charge each day ahead of you with the Great Fiery Love from the

Planet Venus; the Lords of the Flame from Venus, and the Beloved God Victory and His Legions of Victory! My Dear Ones, you could no more help being Victorious over conditions of the outer world than you could cease your existence in the Universe! When you call forth the Cosmic Fiery Love from These Great Beings Who have manifested such Perfection through aeons of time, you call the Perfection of Their Life into your physical action! Then there must come Perfection here! As you call Our Cosmic Fiery Love here, It becomes a Permanent Part of your own Life, because We are Life, just the same as you are Life, for Life is One! You cannot divide It!

You think your Life is separate from Ours, but It is not; because the moment you think of Us, We are instantly aware of it by the Light within Life! So Our Life is aware of what is in your Life! When you reach up to Us and want the Greater Action of Life's Perfection, you must make Our Perfection part of yourselves in your octave. Then Our Perfection must manifest around you! If mankind tried a thousandth part as determinedly to call forth the Fiery Cosmic Love and Perfection from the Greater Planets of the System, as they do and are determined to breed war, Dear Hearts, you would all be Ascended Beings!

THE GREATEST NEED IN YOUR WORLD TODAY IS OUR COSMIC FIERY LOVE FROM OUR PLANET VENUS! If you are going to consume the hate which has generated war, you must have the Flame of Fiery Action or the Cosmic Fire of Our Great Love drawn into your physical atmosphere! It must come into the physical structure of the ground you walk upon; into your physical bodies, into your minds and feeling world! Our Cosmic Fiery Love must come into you and into your Life; if you are going to consume the hate which constantly binds mankind to distress!

The World is taking its Initiation in Love! Hate has

seemed to predominate, but as you call Our Great Cosmic Fiery Love from the Planet Venus into the Planet Earth and DEMAND THE ANNIHILATION OF ALL HATE AND ALL THAT IS CREATED BY HATE, you will find you can release Life! If you call forth Our Cosmic Sacred Fire to release Life here from all that is not Love, you will find your Life Streams have become ONE with Our Life Flame! Then, Its Cosmic Fire begins to enfold you, serve you, bless you and make you happy as only Our Fiery Love can do! There is nothing in all the Universe which can make you as happy, as the Use of Our Cosmic Fiery Love to be Our Mastery in yourselves to produce Perfection and Permanent Happiness for all mankind! The Cosmic Flame which We pour forth in and around you could never produce anything but the most Uplifting, Immortally Pure, Wonderful Happiness and Action of Life from Our Octave!

You see, We do not have on the Planet Venus the creations of impurity and discord which are in your world; for if We did, the Planet would not be Luminous. Since the Fiery Cosmic Love has made Our Planet LUMINOUS, if you draw Our Flame into yourselves, into your affairs and into physical action, IT WILL BECOME A LUMINOUS PRESENCE IN YOU! It makes the body more Luminous and the atmosphere more Luminous! It illumines the mind! It raises and purifies the substance! It makes your Life like Our Life; because Our Vibratory Action is higher and It automatically raises everything wherever It moves!

You must see the Fiery Cosmic Love from Our Octave is the Great Central Sun Magnet's Magnetic Power to raise everything into Greater Perfection, to expand It, to increase Its Happiness and Beauty in the Universe! You may live in a World of the Fiery Cosmic Love from Our Planet, if you so desire, if you so decide, if you so remember to call It forth! (*Applause — audience rising*) Thank you, Precious Ones, won't you be seated please?

Now as you love your Nation, call forth Our Cosmic Fiery Love from Venus to charge throughout the people

and let Us see how much of their hate We can consume in a short time! We are trying an Experiment, and I trust the Great Cosmic Law will permit the Mighty Sanat Kumara, the Great Victory and Others Who are assisting in purifying the Earth, to concentrate a Certain Activity of Our Fiery Element into the United States to help guard the Heart of the World against the destruction human creation intends! We are trusting for a Dispensation of the Cosmic Law to permit the consuming of a certain proportion of the accumulation of discord which the sinister force has used against America! If you will call This forth, It cannot but help you and raise you, regardless of what takes place in the outer world! We are offering It and hoping you will call It forth into outer action to offset some of the frightful things intended through the use of the atomic bomb!

I have not come by accident, nor just to satisfy the desire of the outer self of one or more individuals! I have come because of the Cosmic Need of the Nation and the World, for I tell you truly this hour, the intent in the use of the atomic bomb is to blight the Earth completely; and that We cannot allow! Those Great Beloved Kumaras, Who are My Messengers of Flame, Who are the Lords of Cosmic Love, have for two and a half million years abided in the atmosphere of Earth, voluntary exiles from the Realms of Perfection! They are ever pouring Their Flame of Love into the darkness of human filth! After Their long centuries of Service, I know the Cosmic Law does not permit such Service of Love to be useless! Because you have awakened to your "Beloved I AM Presence," and because of the Service of your Mighty Saint Germain, the Great Archangel Michael, the Beloved Goddess of Justice and your Beloved Nada, all through the ages, We offer you Our Power of Sacred Fire Love! Because of Their Continual Service to Life, I come and offer you, if you will call It forth, this Cosmic Help which We trust will be powerful enough to offset the frightful thing intended through the use of the

atomic bomb! (*Applause – audience rising*) Thank you, Precious Ones, won't you be seated please?

If you will DEMAND Cosmic Sacred Fire blaze here, under the Cosmic Law, We are obliged to comply with That Demand so long as it be Constructive! I would greatly appreciate it, as will the “Beloved Mighty I AM Presence” and Higher Mental Body of every Life Stream, if you will DEMAND whatever Cosmic Fiery Love of Our Immortal Purity is necessary, to charge into the Younger Generation; and forbid their energy to be used for filthy purposes for any reason! You make the call, and let Us see how rapidly the Cosmic Law will permit the ANSWER to come into outer physical manifestation.

Call forth the Cosmic Fiery Love from the Planet Venus to be the CONTROL of the atomic bomb; to be the CONTROL of your Younger Generation; to be the CONTROL of your government, your Nation and your people; to be the CONTROL of your resources! In the Fiery Authority of the “Beloved Mighty I AM Presence,” forbid your resources or your people to be used for destruction for any reason; and let us see what We can do to stand the Guard more quickly!

May Those Cosmic Legions of Our Fiery Love come into the physical atmosphere of Earth, into your physical activities; and BLAZE THE FIRE which forbids the filth of human creation to any longer engulf your people! There are Life Streams, Beloved Ones, who belong to Our Planet Venus, and yet have forgone the Perfection which is There to come and abide in your world to give Their Light and Their Flame to prevent wholesale destruction! The people of Earth must be purified! The structure of Earth Itself must be purified! The atmosphere of Earth and the Powers of Nature must be purified! Our Cosmic Fiery Love is the Purifying Flame which is the Action which must come; because It is a Higher Vibratory Action than anything you have in the physical world! Since It must come by your own Calls to Us, “I AM” offering Those Powers and

Activities of Our Fiery Cosmic Love into your outer use so you may all more quickly be protected against the intended discord! In the meantime, Our Life becomes Part of your Life; and in Its Commanding Authority as the government of your people, which you are when using these Powers of Life, it takes the Release of certain Activities of the Sacred Fire which can prevent much destruction intended!

I would like to take a Class, as did the Great Archangel Michael, and in the use of that decree to guard you, to produce Perfection and guard your Power, see what We could do through the Release of Our Cosmic Fire of Our Great Love! Then, if the Great Beings permit, I would like to come as did the Cosmic Angel, in a Series of Dictations close enough together to release a more Concentrated Action of Our Cosmic Fiery Love! It, thus, becomes permanently anchored in and around you and the structure of the Earth to go forward and accomplish more quickly all that is needed! (*Applause – audience rising*)

Precious Ones, thank you with All My Heart. It looks like My Efforts were successful, since the Fiery Love in your Hearts has responded to the Call of Mine! I thank you, Precious Ones, won't you be seated please?

With all My Heart's Love shall I come back with the Fiery Love from Our Octave in answer to your Heart's Call! Depending upon the need, will the Cosmic Law decide the time for the Concentration of This Flame which We are hoping to bring into outer action as soon as possible! So today, do I commend you to Its Heart. May I reveal the Glory of Its Powers into your outer use! May I clothe you with a Mantle of Its Immortal Protection! May It be for you the Fullness of Everything Good you could ever desire! As you use It in outer physical action, will you find the world becoming all your Hearts desire; and the Fulfillment of the Divine Plan becomes a Reality in your world forever!

In all the Glory of the Heart of Creation, do I clothe

you today! I want you to feel so close to Us in Our Fiery Cosmic Love, in That GREAT ONE LIFE which seeks always to give Happiness to all! May It be the Living Magnetic Power of the Great Central Sun Magnet! May Our Glory blaze Its Sacred Fire wherever you go to consume all which is not the Fiery Love of Creation, and forever raise you all to your Eternal Freedom! May It go forth over your Nation tonight and raise the Nation as quickly as possible out of the clutches of all that is of the shadows! May the Angels of Our Cosmic Fiery Love stand and watch you, stand your guard and give you every Blessing which comes under Their Direction; as you call Our Sacred Fire to consume all that is not Our Love wherever you go!

In the Glory of Its Heart, the Victory of Its Cosmic Fire, the Freedom of Its Eternal Directing Intelligence and Boundless Power, We clothe you tonight! We give you every Assistance to hold the Victory of the Cosmic Fiery Love of Creation the only Controlling, Possessing Presence in your Nation, until it is Free; and then through the Nation to the World!

It is Our Fiery Cosmic Love from Our Octave which We wish to pour forth to fill America, the “Cup of Light to the Earth,” until Its Light has consumed all that is of the shadows! May It wrap you in Its Dazzling Heart and make you Its Masterful, Victorious Presence everywhere you go until you come to Us Ascended and Free!

I thank you and good night.
