

THE SHRINE OF MY HEART!

The Shrine of My Heart is God's Honor Flame,
The Flame that caused me to be!
That Altar of Life, my Immortal Self,
That Presence, "I AM" — all Free!

The Shrine of My Heart is where God abides,
It is My Own Heart's Command!
Its Voice ever speaks above Earth's great din,
Before My Heart's Shrine I stand.

The Shrine of My Heart is God's Altar Pure,
Its Power none here can change!
Its Light forever and ever expands,
Dissolves all here that seems strange.

The Shrine of My Heart is God's Temple of Peace,
The Peace that only God gives!
Its Power does come and holds Full Command,
As each one in God's Heart lives.

The Shine of My Heart is God's Miracle Love,
The Love by which we exist!
Its Gifts and Blessings forever remain;
God hold control! We insist!

The Shrine of My Heart is God's Victory here,
Its Freedom all must attain!
Perfection's Great Glory all must become;
Protection then does remain.

The Shrine of My Heart is God's evermore;
Its Powers here now blaze through!
My "Great I AM Presence" speaks and all hear;
It says: "Do all that I do!"

The Shrine of My Heart is God's World for me,
Then Heaven on Earth here has come!
My Throne-Room of Being then here abides,
Till all my Victories are won.

The Shrine of My Heart I ever adore;
Its Gift is Eternity;
For now from That Shrine does All Good come through!
It is all God's Purity!

In the Shrine of My Heart God's Will is done;
That Will "I AM" every day!
The Glories of Heaven to Earth have come,
As we live only God's Way!

The Shrine of My Heart is God — the Great One,
That One "I AM" — ALL THAT IS!
I enter Its Flame and blaze all Its Light,
All in my world NOW is His!
