

### REMINDER!

ATTENTION: "I AM" ASCENDED MASTER YOUTH

BELOVED NAJAH

SANTA FE, NEW MEXICO

DECEMBER 21, 1950

"May I correct something which We see acting quite a good deal in the 'I AM' Student Body, especially in the Younger Generation. When the human gets rebellious and wants to have its own way, regardless of whether it is right or wrong, We do often hear the remark: 'Well I am a Being of free will, so I will do as I please.' That is very dangerous! You have been doing as you please through the centuries and that is why there are limitations in your world. Do not be so afraid that your own free will is going to be intruded upon. Just surrender everything into the Will of that 'Beloved Mighty I AM Presence' and Higher Mental Body. Then if there seems opposition in the outer, retire and come within the Immortal Heart Flame of your own 'Beloved I AM Presence,' and there know the Oneness of your will with the Will of Divine Perfection. There is no obedience to the 'Beloved I AM Presence' ' Divine Plan's Fulfillment in your constant demand to do as you please. That is simply the human domination and will one day wreck you. That is why I came to give the warning."
