

May the Mantle of that Love which it is My Privilege to offer, clothe you today and make Itself felt very tangibly at all times, until your own Immortal Love illumines all things in your world unto the Final Attainment of your Victory. In the Eternal Joy of that moment, you will remember My Words of today and wonder how anything in the physical world could hold you so long from the Freedom of Immortal Light, Immortal Love, Immortal Happiness. There alone do you belong, and only There will you be Eternally Happy. Until then, may My Love draw you on into Its Dazzling Light and let you accomplish to your Heart's content, that which purifies the World and replaces it with the Perfection which now must become Immortal.

Thank you, Beloved Ones of America! The Cave of Light in India calls to your Heart's Flame to become Its Dazzling Light in the Western World!

Thank you.

NOTES AND DECREES – BELOVED NAJAH'S DISCOURSE

SANTA FE, NEW MEXICO

DECEMBER 21, 1950

You, who so long to be free from limitation, I say in entering into the Joy of sending forth the Calls which release mankind into Greater Freedom, will you find the Greatest Joy and Greatest Freedom of all, as you are able to release more and more of mankind from the limitations that have bound them for centuries! The same thing is true in the conditions of the Nation and the World.

* * *

Try to feel that your Service to the Light is the Great, Eternal Joy of freeing Life from the shadows of human limitation, and the only thing which can consume the shadows is the Light! So regardless of what still has to be done in the outer, try to know that your daily service to Life is the constant release of more and more Light into the physical octave by Conscious Command – by the drawing forth of those Great Powers of the Sacred Fire and the Cosmic Light into the physical octave of Life.

* * *

Try to know that to use these Great Powers of the Sacred Fire and the Cosmic Light to more quickly consume human creation and let one Life Stream after another go free from the torture of centuries, Dear Ones, is Joy unspeakable.... There is no Joy greater than to use the Great Cosmic Fire of that Love from the Heart of Creation which intensifies the Light in this World and sets Life free.

* * *

Even in the business world, to draw these Powers of the Sacred Fire and free all business activities in your Nation from the selfishness and impurity and destructive forces that have woven a network about that which is constructive, there is very great joy in compelling destructive forces to LET GO and release the Life substance of this World into the Perfection of Love's Eternal Light.

* * *

No matter what seems wrong in the outer, know always, the Fire Element and the Great Directing Intelligence of the Supreme Love of Creation – the Mighty, Miracle, Victorious “I AM Presence” in the Great Central Sun and all mankind is, at all times, the Authority, the Power and the release of all you could ever require to bring this Freedom which Love alone can bestow.

* * *

So wherever you move in the outer world, see how practical it is to call forth the Cosmic Law's Immortal Love and Oneness of the Sacred Fire into conditions that cannot be purified in any other way, for all that is wrong must be corrected by the Fire Element, and That is directed either from your own “Mighty I AM Presence” or the Ascended Masters or Cosmic Beings. Therefore, feel your responsibility to keep using the Great Cosmic Law's Fiery Oneness with the Love in the Heart of Creation to blaze that Flame which compels the purification of all. Whenever you require assistance in the physical octave, try to feel that what you need is more of the feeling of Oneness with the Love from your own “I AM Presence,” then from the Physical Sun, the Great Central Sun and your Oneness with the Love of the “Mighty I AM Presence” of all mankind.

* * *

Whatever you want to bring into outer physical action to produce manifestation, keep demanding that it manifest for you by the Cosmic Law's Miracle Oneness with all the Love which is necessary to perfect and bring This quickly into outer use. So wherever you move, know your obligation to Life is to call forth the Expanding Flame of Immortal Love so the "Presence" may release Its Powers into the physical octave, and you bear witness in outer manifestation of Its Mighty Reality, Its Authority, Its Power and Its Glorious Oneness with you.

* * *

When you have felt that you were struggling alone out here in the outer to accomplish things under great opposition, you have not felt your Oneness with your "Presence." You felt you were alone and your outer self had to do these things, while if you would stand that aside for a few moments and demand the feeling of the outer self now receive and feel Its Eternal Oneness with the Immortal Love and Purity of your own "I AM Presence," then as you make the outer self feel that, will you find the change in your feeling automatically flows out into the problems or the condition, and that Flame automatically transmutes them.

* * *

The outer self for so long has felt it had to use the energy of the outer self in physical action to do what needed to be done to help change conditions; and all the time the outer self did not realize or feel that the Sacred Fire of the "Mighty I AM Presence" and Its Immortal Love are the Powerhouse of the Universe. Therefore, when the outer self has been allowed to gather habits through the centuries of feeling that the "Presence" was not the Reality and that the Reality was out here, well then everything became reversed; and the outer self became so artificial that it manufactured many, many excuses in the outer, imagining each one was going to produce the Perfection that the outer feelings craved; and yet this can never be done.

* * *

All mankind have to learn that the Great Reality and Powerhouse of Life is that "Beloved I AM Presence," whether it be your own, that of mankind, the Physical Sun or the Great Central Sun, matters not. That is the Reality! That is the Powerhouse! That is the Sacred Fire! That is the Eternal Love, the Immortal Love, if you please, of the Eternal Light; and that is Reality!

* * *

Do you remember Beloved Victory saying in one of His Dictations that for a little while there are still two of you, in the outer, but just for a little while. We are trying now to close the door against this feeling of two and let you know the Oneness of Immortal Love, the Oneness of the Sacred Fire, the Oneness of the Immortal Authority of your own "Beloved I AM Presence," with all the energy of your outer self. Then when you say: I HAVE COME HOME INTO THE IMMORTAL HEART FLAME OF MY "MIGHTY I AM PRESENCE," AND ITS LAW OF ETERNAL VICTORIOUS LOVE AND THE SACRED FIRE NOW IS THE CONTROLLING FORCE IN MY OUTER ACTIVITIES, you will feel as you reverse the habits of centuries, such a release, such a Freedom as you have never known and can never come in any other way.

* * *

It is because substance has become anchored into your outer world activities that you thought you had to control it by the personal will of the outer self, while in Reality since the "Mighty I AM Presence" is all Authority, Its Power of Immortal Love and the Sacred Fire should have been allowed to be the Controlling Force in outer activities.

* * *

May I correct something which We see acting quite a good deal in the "I AM" Student Body, especially in the Younger Generation. When the human gets rebellious and wants to have its own way, regardless of whether it is right or wrong, We so often hear the remark: "Well I am a Being of free will, so I will do as I please." That is very dangerous! You have been doing as you please through the centuries and that is why there are limitations

in your world. Do not be so afraid that your own free will is going to be intruded upon. Just surrender everything into the Will of that "Beloved Mighty I AM Presence" and Higher Mental Body. Then if there seems opposition in the outer, retire and come within the Immortal Heart Flame of your own "Beloved I AM Presence," and there know the Oneness of your will with the Will of Divine Perfection. There is no obedience to the "Beloved I AM Presence' " Divine Plan's Fulfillment in your constant demand to do as you please. That is simply the human domination and will one day wreck you. That is why I came to give the warning.

If someone seems to intrude upon your free will, Oh Dear Ones, why don't you surrender your free will to the complete obedience of your Higher Mental Body and then say: "I AM" COME WITHIN THE FIERY TEMPLE OF MY OWN HEART'S FLAME, AND THERE I DO THE WILL OF MY HIGHER MENTAL BODY. This can never be defiance to that which is right. If you knew what your human desires have done to you because you determined to be an authority and use the power of the will in opposition to the Divine Desires of the Higher Mental Body, My Dear Ones, there isn't a person here who wouldn't gladly surrender everything to the Oneness of the Divine Will.

When you start into action to correct that human thing and you take your stand: "I AM" THE COSMIC LAW'S IMMORTAL ONENESS WITH THE DIVINE WILL OF MY "BLESSED I AM PRESENCE" AND THE ASCENDED HOST! "I AM" IN THIS OUTER SELF THE IMMORTAL ONENESS WITH THE DIVINE WILL OF EVERY DIVINE DESIRE OF MY HIGHER MENTAL BODY. Then, the outer desires would be consumed or dissolved; and the Divine Desires of the Higher Mental Body have an opportunity to show you the Blessings the Higher Mental Body wants to bring into your outer activities to keep you happy. Don't ever allow that thing to fool you again. That is a trap of the sinister force devised to entrap mankind centuries ago by making the outer self feel it would be a law unto itself, and that the outer could be the Authority over the Inner and that is abject insanity.

The moment you train the feelings of the outer self to surrender everything into the Oneness with the Divine Will and the

Divine Desires, of your "Blessed Mighty I AM Presence" and Higher Mental Body, you will never be concerned about allowing the outer self to have its own way. You will FORBID it and you will co-operate with everything that is constructive and never let that thing trap you.

The outer self doesn't want to surrender its desires nor to do the Divine Will of the "Presence." Whenever the outer self thinks its free will is being intruded upon, that trap is perhaps the most subtle of all. All you have to do to know that your Divine Will is being given its full Dominion in the outer self is to call for it. Therefore, when you say: "I AM" THE IMMORTAL ONENESS IN ALL MY OUTER ACTIVITIES WITH THE DIVINE WILL OF MY "MIGHTY I AM PRESENCE," AND ITS DIVINE DESIRES ARE THE ONLY MANIFESTATIONS IN MY WORLD, then the Oneness and All-Power of the Will of God, the "Mighty I AM Presence" becomes the Master Flame as It blazes through the outer self and fills the world around you with the Perfection which should have been yours in outer manifestation centuries ago. Two million and a half years has the human self demanded its will rule in the outer, and two million and a half years has it been enslaved in destruction, and until that thing is reversed you will always have limitation in your world. Do not be so particular about using your own free will! Do not pay any attention to that rebellious human thing; and if it begins to disturb you, silence it and demand the Divine Will of your own "Mighty I AM Presence" be obedient in the outer. Therefore, Peace and Harmony are the only proof that the Divine Will is in action.

You can have Peace, Harmony, Power and Love such as has never manifested on Earth by your complete acknowledgment that: "I AM" THE IMMORTAL ONENESS WITH THE DIVINE WILL OF MY "MIGHTY I AM PRESENCE," AND ITS DIVINE DESIRES ARE NOW THE MANIFESTATIONS IN MY OUTER ACTIVITIES, AND THAT WHICH IS HUMAN IS GONE FOREVER.

"I AM" THE COSMIC LAW'S IMMORTAL ONENESS WITH ALL THAT IS DIVINE! There is your surrender! There is your Freedom! There is your Victory! When you do that with Divine

Will, Precious Ones, there cannot be limitations or discord in your world ever again. All limitations and discord are but the results of the human will. And the human will is what? A demand in the feelings to be two instead of one with that "Presence."

Energy is only loaned and if it is qualified with the human desires and the discord of the outer, it is but usurped power and it is stolen energy. All energy is misused energy or stolen energy until this Oneness with the Great Divine Will of the "Mighty I AM Presence" is acknowledged by the outer self. If there seems to be domination from the outer, say: "I AM" ONE WITH THE AUTHORITY OF MY "MIGHTY I AM PRESENCE," AND IT IS THE MASTER OF THE OUTER. THE IMMORTAL FLAME OF THAT LOVE WHICH GIVES AND KNOWS ALL IS THE MASTER OF THE OUTER and your Oneness with That is the Manifestation of the control of the outer which you desire.

When you say in cases of uncertainty: "I AM" THE ONENESS WITH THE ETERNAL DIVINE WILL AND THE ETERNAL DIVINE DESIRES OF MY "BELOVED MIGHTY I AM PRESENCE" AND THE ASCENDED MASTERS, AND I DO THEIR WILL IN OUTER MANIFESTATION! Then the sinister force recedes and lets you alone.

Say often: "I AM" THE WILL OF PERFECTION'S FLAME! I DO THE WILL OF PERFECTION'S FLAME! I MANIFEST THE WILL OF PERFECTION'S FLAME! Then the outer manifestations will bring you joy that has no problems or limitations connected with them. If you knew the Power in that one Decree, nothing could ever disturb you again.

I DO THE WILL OF THE VICTORY OF IMMORTAL LOVE! I DO THE WILL OF THE FREEDOM OF THE SACRED FIRE! I DO THE WILL OF THE COSMIC "MIGHTY I AM PRESENCE," AND ITS DIRECTING INTELLIGENCE GOVERNS ALL ACCORDING TO THE GREAT DIVINE LAW! Then when you say: "I AM" THE WILL OF MY "BELOVED MIGHTY I AM PRESENCE" IN ITS VICTORIOUS PERFECTION, RULING ALL IN THIS WORLD; AND ITS ETERNAL LOVE CONTROLS, QUALIFIES AND PROTECTS ALL IN THE FULFILLMENT OF THE DIVINE PLAN! If you are able to make this surrender with

deep feeling and determination that is inflexible, then will the Heart of Creation open to you all that abides within the Flame — the Eternal Youth, Eternal Beauty, Indestructible Health, Boundless Ever-expanding Supply; Invincible Protection, Cosmic Illumination — the Peace, Joy, Freedom, Victory and Divine Justice! Oh Dear Ones, the Heavens are open to you in this Decree.

“I AM” THE ONENESS WITH THAT ETERNAL WILL OF PERFECTION’S FLAME AND ITS IMMORTAL POWERS IN OUTER MANIFESTATION REVEAL THE WILL OF GOD MADE MANIFEST IN A WORLD OF SHADOWS AND THE LIGHT MUST THEN APPEAR AT MY COMMAND TO HOLD DOMINION AND FULFILL THE GREAT DIVINE PLAN!
