

BELOVED LORD MAITREYA! LORD MAITREYA!
LORD MAITREYA!

(Alternate line)

Come hold us in Thy Mighty Flame!
Set us Free in Thy Mighty Name!
Blaze through us all Thy Great Might!
Enfold us in Garments (Armor) of Light!
Make us all the Victory Thou art!
Make us the Flame of Thy Glorious Heart!
Flood us with Thy Great Cosmic Love!
Send it forth wherever we move!
Forever with Light fill our way!
Protect us by Light, night and day!
Sing through us Light's Great Cosmic Song!
To Thy Mighty Heart we belong!
Compel Thy Perfection right through!
Control by Thy Love all we do!
Forevermore hold Thou our hands!
Fulfill all our "I AM" Commands!
Wherever we go hold God's Peace!
Make all but Thy Love ever cease!
Blaze through! Make all Thyself see!
Make mankind now all they should be!
Reveal all Thy Secrets and Power!
Rule through us each moment, each hour!
In all of Thy Glory come through!
Make mankind know and see Thee, too!
Make Thy Wisdom illumine all our way!
Make Thy Love through us now hold sway!
Protect and bless all we hold dear!
Come through! Abide with us here!
