

TALK GIVEN BY OUR BELOVED MAMA

WASHINGTON, D.C.

MAY 15, 1942

Now I am going to tell you what your hands represent and why this is the fundamental for Precipitation.

Some group of humanity have to do This. It only comes through those who will not create that which will take more energy to dissolve that which did not come forth perfect. Many of you have asked me what the hands represent. I have told you they are the tools God provides you with to reach into the Universal and draw forth from the Ascended Masters' Octave That which is to be used here.

Now follow me closely. You heard me say that your Heart was the Heart of God – the Flame of Life in your own Heart. Now the Permanent Atom of your physical flesh is the tip of the Flame of your individualized stream which is the Flame of Life from the Great Central Sun. The tip is in the Flame of Life in your Heart. Just as if a Great Flame came from the Great Central Sun and enveloped your whole Life Stream and poured Its energy and love and activity out through your flesh body, the energy in every human body is a Gift of Life from the Heart of Life, the Great Central Sun. Now the Flame in your Heart is the Flame which expands through your body and flows out through your hands; and your hands are the Extension of the Flame of God's Life from the Great Central Sun. It is the Power that you have, to give the Gifts of Life, whether they be of healing, whether they be the molding of the substance of this world into the things of this world, whether it be the Blessing of Light which goes forth through your hands or whether it be the Expansion of that Flame to go to any distance and produce a Manifestation by the Power of Divine Love of the Ascended Masters from the Great Central Sun.

The Group of Ascended Beings Who govern that Activity are the Ones Who give Their Life to you, who become the humanity of this World. Those are the Great Cosmic Beings, and that is how the World becomes peopled – by the Expansion of the Love Flames from the Great Central Sun upon a World. In

pouring forth all the Power and Secrets from the Heart of the Great Great Silence, that is the Silence which has reference to the entire System of Worlds, the Galaxy to which we belong. That Heart of the Great Great Silence, if you have become really still enough – and as I feel It just now – no one here has ever entered into that Great Silence deeply enough to know what I mean. But if you get perfectly still long enough, until you quiet every rate of vibration in your mental and emotional body, so that your mind does not jump around and think of all kinds of things, and you have all the energy in your mental and emotional bodies completely quiet, and then are able to hold that quiet for half an hour, an hour or a day, so still that you are not even conscious of the need of breath – if you have entered into that Silence for even one full minute, you will know you have never before touched the fragment of Happiness. You have never known what Divine Love and real Peace are, until you are able to consciously go into that Silence and hold It as long as you choose – until it seems not only your bodies, but the air around you becomes so quiet that everything begins to settle and you begin to see the Light everywhere. When you really get still enough, you will automatically begin to see your Higher Mental Body and your “Beloved Mighty I AM Presence.”

Really, we should all be able to see our Higher Mental Body easily and at will. The moment we turn our attention to our “Presence” and really get still, we should be able to see straight through, and see our “Presence” face to face! It depends upon the stilling of the energy in our mental and emotional bodies, and it also depends upon the kindliness, the feeling of Love and Kindness; and when that Feeling comes, there is no tension in the nervous system. Everything is relaxed. There is an ease, a Love to that “Presence” which is unspeakable. There are no words to describe the Gratitude you feel to your “Presence” when that feeling begins to act. It is worth all the struggle you have ever gone through in all lifetimes, once you see that “Presence” and feel that Love from that “Presence” to you.

The Power of Precipitation is not released just by visualizing something and sitting down with a concentrated strain trying to force the energy through. That is what some of those

who turned from this Light did, because they tried to draw forth the Power of Precipitation before they purified their worlds. The Power of Precipitation depends on the amount of Divine Love from the Great Central Sun in that Flame of your Life Stream which you can consciously call forth from the Flame of Love in your own Heart, and It brings forth such ease and breathless stillness and happiness, such joy as you cannot describe. It is a Feeling words cannot convey. When that Feeling comes, there is no resistance in It. It just flows in ease from the Heart of God.

Your hand becomes the Extension of the Flame from your Heart — the tip of the Flame which goes clear back into the Great Central Sun. Then as you give your Love and Blessing to the Light in the atmosphere about you, the electrons which float in the atmosphere, which are the Universal Light, then love and thank and bless the Light that is everywhere for all It is, for all It contains, for all It has always done, and as you pour your Love and Gratitude and Blessing to the Light, asking It to intensify and expand, then you visualize the Flame of Love from your Heart, throat and forehead. Then visualize within the Flame whatever you desire, with just the great ease, that Love which is so comfortable, It is so happy, and just keep on loving and blessing and seeing That become manifest.

As you continue to make effort to do This, and then after you have worked with it for awhile, go back into your outer world activities and maintain this Kindness and Harmony. IF YOU WOULD MAINTAIN THAT UNBROKEN, WITHOUT A WAVE OF ANYTHING TO DISTURB THAT FEELING, WITH WHAT THE STUDENT BODY ALREADY HAS AND THE HELP THE ASCENDED ONES ARE READY TO GIVE, ASK YOUR HIGHER MENTAL BODY TO STAND MASTER OVER YOUR HUMAN FORM AND SEE THAT YOU DO NOT REGISTER ONE RATE OF VIBRATION IN THIS UNIVERSE OF DISCORD, AND NOT LET YOU SWING OUT OF THAT AND KEEP THAT UNINTERRUPTED FOR A CERTAIN PERIOD OF TIME, YOU COULD HAVE ANYTHING YOU WANTED!

BE CAREFUL WHAT WORDS YOU SPEAK UNLESS YOU WANT THEM TO BECOME LIVING FORMS IN THE

ATMOSPHERE ABOUT YOU! When we begin to call forth the Cosmic Light from the Great Central Sun and the atmosphere becomes Luminous, you will see those forms, and you do not want to see them if they are discordant. That is why I gave the information, do not go to sleep ever again until you have made the Call to your Higher Mental Body to reach Its Great Loving Arms out and draw back all of the energy you have ever sent out, everything less than Purity and Perfection. Keep your body in the Violet Consuming Flame while you sleep, and throw your Etheric Body into the Unfed Flame and burn from it everything less than Perfection. Then charge it with the Seven-Fold Flame of the Seven Mighty Elohim and anchor It around your physical body as a Wall of Protection and Perfection to draw forth the Power of Precipitation for the people of Earth who are constructive, who want to love God and do not yet know how to do it, and to expand this Light through that Seven-Fold Flame. If you will do This, your Joy will never cease!

You have not yet touched the fragment of Happiness which is yours, once you begin to use This Power. You, who might be artists, do you know the extreme Happiness if you have desired to bring forth something very beautiful and the whole thing comes out just as good or better than you desired it and it stands there Perfect before you? Is the feeling anything you can convey in words? Doesn't it cause you great happiness in your feeling world? If you are a musician and some exquisite melody comes forth and every time you play it, you feel that great Happiness, is there anything in the outer world to compare with it?

You must call forth the Seven-Fold Flame of the Seven Mighty Elohim to be a Wall of Flame to protect you. The people of the outer world, if they find out you have this Power, will be those who will worship you and if you let them, they will want to be with you so you will hardly be able to get rid of them, but you will have to handle their pull upon you. That is a force of energy you will have to handle. The other group will hate you. Your Wall of Flame must stand there and repel that hate. You must be undisturbed, once you draw that forth, by love, hate, success, failure, life or death. You must stand like the

Great Central Sun Itself, above everything, yet pouring Its blazing Light into everything, and yielding to nothing but that "Presence" and the Ascended Masters. The release of that Gift to you at this time depends on the amount of kindness you can maintain to each other, because They will not release that Power to a person who has not conquered the desire to say unkind things. It is going to be needed. We should be strong enough to qualify. Let us ask at night everything that would injure us in the use of that power is taken out. When you give your Decrees, feel the Flame from your Heart is speaking those Decrees and as that Vibration goes forth into the atmosphere at the Command of the Higher Mental Body, It bursts into the Flame of Divine Love from the Great Central Sun, and that Manifestation is a physical thing in that place and is sustained by the Cosmic Light.

Then there will come to you the responsibility for the Use of this Great Power. Never use It until you call to your "Presence." First, ask the "Presence" to precipitate through you whatever It wants you to have, not only for your own world, but what It wants you to have to help others! This is the way Beloved Saint Germain explained it.

Once I was quite curious and asking a lot of questions about Precipitation. I said: "How are you going to get something precipitated if you never saw it in this world?" He said, "Say to the 'Presence,' for instance, My 'Mighty I AM Presence,' precipitate me a marvelous avocado salad.' Then the 'Presence' would bring forth food that would be most delicious and satisfy you perfectly. If you ask for something you have never heard of, you could say: 'Precipitate me a marvelous salad, something I have never had before.' Then that gives the 'Presence' the opportunity to bring forth that which has never been brought forth before. If you say: 'Mighty I AM Presence,' precipitate through me that which you know I am going to require in greater service to the Light, to give more protection or render service to the Student Body or those who are constructive, give me that which You know I am going to require to expand the Light in Its most Powerful Activity, and set as many people free in the Ascension as soon as possible, or to protect America,' then you leave the

power of selection and free will in the Hands of the Higher Mental Body, and you will keep the door open to many manifestations of great Joy for yourself individually.”

Please do not repeat one word of what you have heard me say this afternoon. Unless you can be the Law of the Great Great Silence, you will not be trusted with the Power. This is why we called forth the Power of the Great Great Silence in Philadelphia, New York, Boston and here. It is well to call forth the Power of the Great Great Silence from Beloved Cyclopea, the Silent Watcher, the Lords of the Blue Flame from the Great Central Sun, asking Them to clothe you in Their Luminous Presence and seal you in the Heart of the Great Great Silence and speak only when it is necessary. You will need to call forth also the All-Knowing, Dazzling, Fathomless, Diamond Shining Mind of Mercury!

The third group of Ascended Masters to whom you will have to call will be Beloved Cyclopea, Hercules, the Angel Deva from the Jade Temple and the Silent Watcher, to stand guard and clothe you with Their Luminous Presence and be the Law of the Silence. And by the Expansion of the Flame of Divine Love from the Great Central Sun, realize that your hand is the Hand of the Flame of Divine Love from God, the Creator of the Universe who molds the substance of interstellar space into a World or System of Worlds, the Creator individualized, with all the attributes of Life and God, to do in your individual world what the Great Beings from the Great Central Sun do for the whole System.

The only attributes of Life the Ascended Masters have to work with are the same as we have here. They have the same Power of Sight, the Power of God's Sight, which we use. The Power They use to see is the same Power that you use in the unascended state in the flesh body. The Power to visualize things, the Power to hear, is the same Power. The Power to reason is the same Power. The Power of Discrimination is the same Power. The Power to Love as the Ascended Beings love is the same Power They have! They have simply taken these individual Powers and used Them longer and drawn more energy into Them, is the reason They get more Powerful Manifestations.

All of it depends on the ability we have to clear our feelings. **WATCH EVERY FEELING THAT GOES THROUGH YOU!** Analyze it; and just the moment you are disturbed say: "Does my Higher Mental Body feel like that? Would Beloved Saint Germain, Jesus and Daddy feel like that?" If your feelings are less than Their Ease, Peace, Happiness and Joy, you will know you are not in the Higher Mental Body. The Flame has been shut off for the time being. **LET US LOCK THE DOOR ON THAT! DO NOT RECALL ANY OF YOUR OWN MISTAKES! DO NOT RECALL ANYBODY ELSE'S MISTAKES! FORGIVE AND FORGET AS THE ASCENDED MASTERS DO!** They are not interested in our mistakes! Keep your attention on the Ascended Ones! Keep your feelings harmonized until They can cut us free from every rate of vibration that is not self-mastery and move us forward into the Ascension. Do not think you can go into your Ascension and keep repeating other people's faults. That energy will not go into That Octave. We have to let go of all of our own faults and we have to let go of our own volition. Remember the old conundrum, "The man who made it doesn't want it; the man who bought it couldn't use it; and the man who used it didn't know it!" Answer: A wooden overcoat! (a casket)

That is just about as much as our human creation means and that is all these discordant feelings amount to. If you will master this, you will have all the Powers in the Universe! Remember that old Greek saying: "He who is master of himself is greater than he who taketh a city!" If you hold that energy in that great happiness, just as if you are a whole extension of the Great Flame of Divine Love from the Great Central Sun, **YOUR HANDS ARE THEN GOD'S HANDS OF FLAME WHICH CAN HEAL, CAN BLESS, CAN PRECIPITATE AND DO ANYTHING PERFECTLY — ANYTHING YOUR HANDS WANT TO DO —** play music, cook dinner, etc. **REMEMBER, YOUR HANDS ARE THE FLAME OF LOVE FROM THE HEART OF THE GREAT CENTRAL SUN,** God's Power to give, the Power that molds the Universe and holds It in the Heart of God; in that is always the feeling of the Use of Kindness and Helpfulness. The moment you are unhappy, just stop

everything, because nobody else in the world is to blame for the feelings inside of your energy. YOU HAVE TO SIT IN THE FEELINGS OF YOUR ENERGY! Nobody can change them for you but yourself. You have to sit in it! If you create it, it is going to sit in your world until you dissolve it! You cannot be entrusted with the Power of Instantaneous Precipitation until you become a Being of Divine Love.

The easiest way I have found when people become unkind, in order to hold that power undisturbed, I say: “I forgive and forget it. ‘Mighty I AM Presence,’ overwhelm that by the Light and Love and Peace of a Thousand Suns and take Your Dominion forever!”

The “I AM” is the Flame in your Heart, the Flame of Divine Love from the Heart of the Great Central Sun. When you say: “I insist and demand,” that is the Authority of your Higher Mental Body. When you say: “God, take and hold Thy Eternal Command,” you are releasing everything into the Higher Mental Body.

We will have to handle all things in the future by the Light and Love and Peace of a Thousand Suns, if we are going to have this Power entrusted to us. Let us see who can qualify! If you fall down, pick yourself up and try over again. Every night clear your world; and see what the Great Ones will give to you. I call This forth for all under This Radiation!

I have tasted a little of This, and I tell you, all human experience put together is not worth one moment of that Happiness once you become It. Once you feel that Power of the Great Great Silence, your Love is so great, so all-powerful, and is such Authority, there is not anything else that really matters. You let it roll off like water off a duck.

I settled some very distressing things in Los Angeles not so long ago. Some one came to me with a tale about some one else. I listened for awhile and the tirade did not stop. I said: “What do you expect me to do?” They said: “Can’t you do anything? You are the authority here.” I replied: “I can pour my Love upon it. I love that person you are speaking about. I know some of those mistakes have been made. I have called to Beloved Saint Germain, Jesus and Daddy to dissolve it, but if I

allow my feelings to add to that which the individual is doing wrong, how in Heaven's Name will they ever be Free; and what do you think Life will hold me responsible for if I pour more discordant energy to that individual who is struggling under all she can stand – I add my condemnation. I want that person cut free. I am here to give Love and Freedom from human qualities, and I can't do that accepting what you say. I am going to go on loving that individual whether you like it or not. I am not going to take sides with you or the other one. I am the middle way, the Flame of Life which goes forth and covers you both. I am going to love you as much as I love that other one. I am going to pour out to that one who I know is making a brave fight against things of which you know nothing. I am not going to pour out that which will not help them and you. Take your mind off it; forgive it and forget it; and keep the energy of your own world harmonized. If you add more distress to that one, then you are just like a man sent over the top in the front line trenches, and instead of ramming his bayonet into the enemy, he runs it into the one who is going over the top with him. Beloved Saint Germain says, there is no substitute for kindness, and there is no excuse for one unkind word so long as Eternity lasts. He told us that in the beginning. I want you to have the Power of Precipitation. There is nothing in the world that will make you master over your own limitation like the power to pour forth Divine Love. When you come up against vicious individuals and you want to hold your own peace and power, you can say: "BELOVED MIGHTY I AM PRESENCE," BLAZE A WALL OF BLUE FLAME BETWEEN US, or use a Cross of White Fire. Then the individual cannot move or must recede. That is the Mastery, the Power of Divine Love which gives you control of everything by the Call to the "Presence" and the Higher Mental Body, and Harmony is maintained in your feelings. There is no individual under This Radiation has had to handle what I have had to handle since Beloved Daddy's Ascension. I thought I was doing all I could before. HE is doing a lot from the Inner, but I am still having to carry a lot of the detail work which He used to handle, and in spite of that, It still goes on expanding.
