The Magic Presence

SONG OF THE LIGHT

The “Song of the Light” is a Voice I hear,
Within all the Light of God’s Heart!
It is so loving and always so clear;
From It I never can depart!

The “Song of the Light,”
God’s Greeting of Love,
Is singing forever through all!
It is Creation’s Great Magic God Hand,
Fulfilling Perfection’s Great Call!

The “Song of the Light,”
The “Presence’ ” Great Joy,
Is the “I AM Presence” of all!
It is God’s Power o’er all now Supreme,
In answer to each one’s Heart’s Call!

The “Song of the Light,”
God’s Cosmic Command,
God’s Victory now everywhere,
Is God’s Own Great Life, God’s Own Greatest Gift,
God’s Freedom beyond all compare!

The “Song of the Light,”
God’s Great Unfed Flame,
Heals all in God’s Own Mighty Way!
It is God’s Wisdom and Music’s Great Power;
It is God’s Own Greatest Light Ray!

The “Song of the Light,”
Does sing here all Free,
By the Power of God’s Own Flame!
It is the Peace of Perfection’s Great Realm,
The “I AM” – God’s Great Cosmic Name!

The "Song of the Light,"
That the Angels sing,
Is flooding Its Blessing o'er all!
The Truth of the Light,
That the Masters bring,
Is answering our every Heart Call!

The "Purity of Light"
That we now here blaze,
Is healing all and setting all Free!
The "Power of Light"
That we do call forth,
Comes rushing God's Love now to Thee!

The "Music of Light,"
In Its Cosmic Flame,
Creates God's Great Systems of Worlds!
The Heart of God's Light,
Through Its Honor Flame,
Forever round us all whirls!

The "Vict'ry of Light"
Now comes here to Earth
In Infinite Power Supreme!
Its Miracles blaze,
As we speak God's Word,
The Flame in each Glorious Life Stream!

The "Source of all Light,"
All here now must know —
The Heart of the Great Central Sun!
Our Blessed Presence,
The "Mighty I AM,"
Is our every Victory won!

The “Voice of the Light”
Forevermore sings,
As we use God’s Great, Great Command!
The Freedom of Light
Must now come clear through,
To protect and save our own Land!

The “Power of Light”
And Its Great Supply,
Fill all everywhere in all space!
The Peace of the Light
And Its Great Glory, too,
Are ours, too, here every place!

The “Presence of Light”
Is God’s Life to all,
And in It all must ever dwell!
The Truth of This Light,
Mankind must now know!
Its Law in God’s Word we do tell!

BLESSED MR. RAYBORN'S DISCOURSE

SEATTLE, WASHINGTON

MINUTE MEN OF SAINT GERMAIN

BELOVED MINUTE MEN OF SAINT GERMAIN, I rejoice with you in the Light within you which has created your interest and brought you to this point of understanding. Once you understand that your Life is the only important thing in all the Universe, you will harmonize yourself and co-operate with It. Then, you will find It releasing Itself into and through your body and out into your world to produce the Perfection. Life is and holds Perfection for every human being who will understand his Source, which is the "Mighty I AM Presence" and Its Mighty Action.

In your experience you have thought you were very limited or even that Life was limited. Make no such mistake about it! Life is never limited, neither is the human individual limited, except by what limitation the discordant feeling imposes upon him.

You are the Vanguard of the Activity of Beloved Saint Germain, and will one day carry into the business world this Mighty Application which is so necessary today. It must be done in order to harmonize and make man the success which Life wants him to be, but only through the Power of Divine Order and Justice.

I say to you gentlemen, in My own experience in mining, on my ranch, which I brought to a certain degree of success, I did not realize during those years that I was acting according to the Law of Life. The desire was so natural within Me to maintain harmony, that I simply went on expressing the full harmony of Life, as I understand It now. I see that few individuals — because of suggestions imposed upon them — are able to do that. Now I see why, as perhaps you know, if you have read the Saint Germain Series of books and the explanation of how Beloved Saint Germain trained Mrs. Rayborn in her

operatic career. When She would have probably been a failure, He came to Her rescue and then Her success was very great.

From that time on, and even before, I was receiving His Radiation. It was enabling Me to be the sustained Harmony, which I thought was just a natural activity within Me. That great Harmony made the success of My two business enterprises. Today, I see where all mankind in the understanding of the "Mighty I AM Presence," which is your Source of Life, can so harmonize themselves with Its Requirements, that It will release Itself.

Please understand, that this Power of Light is not something you have to drag forth by force; but your harmony and attention to your individualized "Presence" of Life, which is the "Mighty I AM," as you observe by the Chart, will naturally flow through you to do all for you perfectly. Life always has wanted to release Itself, but because of the discord in the feelings of mankind, which constantly clothed It, the Higher Mental Body, which is the discriminating and distributing Intelligence for this Mighty Energy, saw how useless it was to release greater and greater energy into the Life of the individual, when that one was constantly requalifying it with discord. This is why mankind has not had more of Life flowing through, because as long as they continue to requalify Life's energy with discord, it is a dangerous thing.

Do you realize your Life is the most Dynamic Power in the Universe? You can call forth and charge all Life to be as powerful as you require; as I find Myself able to do now, and as I have seen Beloved Saint Germain and the Others do repeatedly. You can call forth and charge the Energy of Life, to do what you decree; and that is all there ever is to act; whether it be force or energy, so-called, or whatever it is that is acting. As you call it forth, you can concentrate it and cause it to be more powerful than the dynamite you use for blasting.

In the Activity of Life, the Great Ones use a Light Ray in preparing many places in the Universe which contain the great information the Ascended Masters govern and protect. You use, and I used in the mine, machine drills and electric drills to break

down the formation; while They stand and concentrate a Ray of Light and can do more in ten minutes than four men with those drills can do all day.

This is the Power of Light and the Power of Energy, which is Life, which can be drawn and focused upon a given objective for required activity.

I want you to understand why Life does not ordinarily release Its full amount of Energy. Do not blame Life for not giving you more; because Life, if it did release Its Power when you are qualifying It discordantly, would explode the body. Why? Because your Heart is the Focus of this Great Light which is the Power of the "Presence"; and when you call It forth, or release It through your body, It must act through your Heart. If you would call It forth in a Ray of Light as the Chart indicates, independently of your body, discord could not occur. But when you call It forth through your body, you must hold in balance, by harmony in your feelings, the greater Power of Life which you call forth. Do not forget This, because many of you are coming to this point of understanding in the call to your "Presence," where you are able to release remarkable power and energy.

If you do not understand that you must hold harmony in your feelings, which is co-operation with your call to Life, you will produce destruction instead of constructive activity. Only constructive action is the intent of Life. Your power of qualification is the most tremendous thing in your use of energy. Your attention to the "Presence" will release the energy, but your power of qualification must be governed; if you are going to be free from the activity of the destructive forces.

Remember, as yet the human creation and destructive forces that mankind have generated, are still operative in and about humanity; not as they were even a year ago, by far, but still enough to seize upon discordant energy or discordant feeling within you; and cause that destructive force to intrude into your world — either into your body or into your business activity, which causes failure.

Gentlemen, you cannot imagine the constant interference

that the sinister force drives against individuals. I did not, Myself, until My Freedom came, because I was not affected by it in My world, having an Invincible Inner Protection; but when I see, as We move among the mass of mankind, the countless number of men and women who are deprived of success, because of the discordant vicious element that acts through human discordant creation, "I AM" amazed. Such discord is concentrated against the individual, either by discarnate entities, which are individuals who have cast off the body and are still in the atmosphere of Earth because they cannot leave it, or by the black magicians, whom you have heard the Messengers refer to many times.

These individuals are real. Do not ever make the mistake of thinking they do not exist or that they are not affecting mankind. It is not a thing to be afraid of, but you must understand and hold your guard against those things. I mean by that, even against the gentlest suggestion acting in your feeling world. You all have had sudden impulses which, if you had followed them, would have made you sorry the rest of your life; and when people have followed those sudden destructive impulses, sometimes have regretted it the whole embodiment.

Therefore, you are dealing with the power of energy and the force of destructive activities. Now follow this closely! All destructive activity is force, energy qualified without discrimination. How vastly different that is from the Call to the "Mighty I AM Presence" which brings forth the Activity of Life, governed by Divine Intelligence; for It contains Divine Order and Divine Justice in Its Mightiest Activity.

This is why, if you understand the activity of Life and the forces about you, in and through which you are moving, you will know the great danger you are in, if you yield to one destructive thought or feeling; because in the great mass accumulation, if you hold destructive feeling enough, the destruction rushes in upon you in its mass accumulation and it goes beyond your control. There is not a human being living in the human body today who can control it, if you invite it through discord in your feelings; because your guard is gone, and where is your protection?

Your Higher Mental Body who stands above you is the Director of the Energy that flows through. It is the Guard and is the only Guard mankind has to govern this Energy and direct its mighty flow. You must understand that your inharmonious feeling is the activity that requalifies your Life Energy and produces limitation, discord and failure in your Life. You may not even know it, but the sinister, subtle force is always acting wherever it can find an opportunity.

I say to you, one of the most deadly things in America today, as the Mighty Victory has told you, is the subtle, secret activity of dope. The marijuana weed, that has become so generally known among mankind is destructive enough; but that is only the feeder to other things that absolutely wreck the feeling world of mankind. Remember, gentlemen, the tragic activity of those substances! All those things are substance! They are not just like a mental activity. They are substance, and if that anchors within your feeling world, you are under its possession and claws.

Therefore, I urge you to watch! Stand guard and under no condition take such a thing into your system, because it will begin to act in your feeling world and before you know it, your feeling has become wide open to the mass accumulation of destructive forces. Then your desire for the Higher Ideals is gone; and you sink under that nefarious thing. There are thousands in America today who are under that tragic, terrible influence. Only one who is familiar with the effect produced by it, can, by looking into the eyes of the individual, tell what is there. You do not realize how cunning the sinister force of human discordant creation is; because it will watch every individual, while in the presence of another. Unless you can detect it in the eyes, you will not know it is there in the other individual.

This point is so subtle, that the average individual would never detect it! It is in the feeling world of the individual. This vicious substance goes forth by the power of radiation. For instance, if you eat onions or garlic you will find the odor going forth from your body and from every cell in your body. In

identically the same way, this substance will go forth through radiation, from the marijuana weed, and produce the same condition in others. Dope flows through radiation and touches the feeling world of others. Then the individual has been a part of putting that essence into the feeling world of another individual. If it continues, it will create the same desire within the individual and will draw them into its use and destruction.

Such is the responsibility of each one to his fellow man. We have seen that operating. There is a man who is an aide in the government, or supposed to be. Yet, he has become such a user of dope, that his family are in the gravest danger and the family does not even dream of such a thing. His wife and two beautiful children are in gravest danger by the radiation that is going forth from him. We are determined to shut that off and not allow them to pay the penalty for his mistake! We are proceeding to erase that and cut it off from coming into their world; but We cannot do that for all mankind. Because of the Light of his wife and children, the Great Law permits Us to give Our Assistance.

This is the condition that is existing in many parts of America today; and you, who understand this as Minute Men of Saint Germain and the "Mighty I AM Presence," must make the Call for Help! As We have the opportunity, We shall put this forth as often as possible to the Minute Men of America, that they may make the Call.

Now, gentlemen, you represent the Outpouring of Life, the "Mighty I AM," into the business world. So far no special, direct effort has been made to drive forth this Understanding into the business world; because certain other activities had to be brought forth first. Now it is time for the Call to be made. Remember, that your Call to the "Mighty I AM Presence" is a thousand times more powerful than any human effort you can make! Many times, following your Call, you are impelled to make certain human effort. You will be compelled to do the Right Thing in the human effort, if you have made the Call first; but do not always jump at conclusions in the prompting. Analyze and see whether it is wisdom or not. Then soon, you

will come to know the difference between a general impulse and the direct impulse from your "Presence." This is important!

You must realize, that this Great Law with which you are dealing, is a powerful force. It is very powerful energy. Therefore, remember the most valuable thing to you is to understand that you must keep your feelings harmonious, if you are going to call forth this Greater Power of Life.

"I AM" sure you do not see your responsibility to your business or any outer activity. If you are calling forth this Great Power, and then you allow something to irritate and disturb you or make you very angry, you release the whole charge of that feeling into all the energy of your world, in spite of anything you can do. If it exists in your feeling, if you have generated it, it goes forth into your world; then you are responsible for the failure of your outer activity or business. Most people will not even believe Us when they are told that this is the cause of failure in their own worlds; but it is as true as "I AM" telling you. Mankind, alone, is responsible, because of uncontrolled energy; and I mean by that anger, hatred or any of those qualities that release a charge of that discordant quality into your world.

Those discordant qualities in the individual's feeling are what produce limitation, failure and distress; but if you will understand this point and watch that you do not allow such feelings to generate and requalify the energy in your world, you will go forward quickly from one Victory to another in all you do.

Suppose you have an activity in your business that you especially want to make very successful; and you were to call forth a great charge of energy and project it into your business. This great charge, which you call forth, is the Power, the Love, the Wisdom of the "Presence." If you did not hold Harmony in your feelings, or you did not understand this Law, and requalified the energy destructively, then, you would be responsible for the failure of your business. On the other hand, you can call this Power forth and hold yourself Harmonious in spite of anything; you can hold the concentration of That

steady; and you would achieve success with a speed which would astonish any person who is not familiar with This Law.

Now, if you wish to achieve success, you know how to go about it. I tell you, gentlemen, if you have not a dime in your pocket today, there is nothing in the world can stand before you or between you and your abundance from Life, which is the Treasure House of your "Presence"; if you will start to deliberately call It into action. I do not mean by that, you should proceed to accumulate a great amount of money, regardless of what you intend to do with it. The Service to Life is the only proper use of money and you can have all you want today, if you understand that; because your "Presence" is your Treasure House which will release it into your action and use.

Observe that Stream of Energy from the "Presence." (*pointing to the Chart*) It contains all that ever came into expression in Life. The Idea, the Energy, the Intelligence are there, which have produced all good through human beings. Therefore, as you understand that, you will see how human beings are never limited as to what they can call forth.

Then you will feel your own ability to call forth this Greater Intelligence and Activity of Life, to come into your world of action and produce success; and it is the only way Permanent Success can ever be established or maintained. Therefore, if you will give attention to this Ascended Masters' Instruction of the "Mighty I AM Presence" and try It out, you will see, by your own experience, the Truth which It is. All of these activities of Life mankind must prove to themselves. You can do Me the honor to believe I tell you the Truth; but you cannot know It, until you have proved It to yourself. That is why the Mighty Instruction Beloved Saint Germain has brought forth to you is so important. You can prove the Activity, the Presence and Authority of Life, which is manifesting through your own physical body.

Then you may see why this Great Power of Life is also Its Mighty Intelligence; take your Beloved Edison, for instance. Through a few early experiences, he became convinced that he had the Power to draw forth whatever he fixed his attention

upon; and through that, many things came forth upon which he had not fixed his attention; but the concentration enabled him to bring forth all of these marvelous things, which it is your joy to experience and use today.

That is only one activity of this Mighty Activity. Anyone of you sitting in this room, who would still himself and concentrate on any given objective upon which you wish to fix your attention, can call that forth into your Life, a concentrated activity and experience. You can even see a building in its entire physical form. You are not limited in anything you wish to fix your attention upon and hold it sustained; but the difficulty with mankind is in their not understanding This Law. They have not held their attention long enough upon a thing to allow the flow of Life to be sustained there, until the individual could see it. If they did, they would have the proof and manifestation of the Power of their attention; and what it does to hold and concentrate the Power of Life, until It finds Its full expression.

If you care to take hold and apply This Law, you must be in earnest. You cannot afford to have any wrong motive in your being. If you do, you pay the penalty for it as sure as the world. There was a day, only forty or fifty years ago, when mankind could deceive each other and did do it, but it can seldom be done today, for the reason that the Great Cosmic Light is making all mankind alert; and they sense and feel the motive in other individuals in spite of all they can do. Therefore, shortly, it will be impossible for any wrong motive within individuals to be hidden.

Those who will take hold of the constructive activity of Life will be able to render a service beyond your fondest imagination today. Only as you apply This Law and continue to call forth Its full Power, will the Inner Impulse impel you into things. You will go from one thing into another successfully, until you find the full volume of Life acting within you to produce results. As you decide how this energy is going to act — for you are the decreer of your own world — you can, at any time, place your attention upon any constructive activity you choose and fulfill your fondest desire, almost immediately.

In the past, mankind had to work up through years and years of preparation; but it is entirely different in your understanding of the "Mighty I AM Presence" and Its Mighty Focus which is before you. The speed and power of action in your call to the "Presence," will cause an accomplishment to take place at this time in a few weeks or few months, that a hundred years ago would have taken years to accomplish.

In your outer mechanical activity you see the mighty things and the greater Perfection which have come forth. Just think of the mechanical Perfection which has come forth in forty years! If you had told mankind, forty years ago, that they would have what they have today, they would have thought you were crazy; but the proof is, it is here and mankind is using it. If this has occurred in the mechanical world where you see its evidence; in your understanding of the "Presence," which is the Power of Life, do you not see, how even in your individual Life, you can transcend all mechanical activities a thousand fold? Because you are Life in direct action through a conscious form. And after all, these mechanical improvements came through human forms, from within that Stream of Life and Energy through a human being who did not know that the "I AM Presence" was there.

If a thing will act, through just desire alone, then your consciousness held upon the "Mighty Presence of Life," calling Its Mighty Streams of Energy forward into action, will do a thing in a few days, or a few weeks, that must have taken the involuntary action months and years to do in bringing the energy of the "Presence" to the point where it was acting with definite power.

This is why your opportunity and your privilege to pour this Radiation out to your fellow associates is the Greatest Privilege which ever was before mankind in the whole Universe; because remember, it has been long, long, long centuries since This Understanding of the "Mighty I AM Presence" was brought into the outer world. Even in the Retreats, because of the misunderstanding of occult laws, It was withheld; and only a few of the students who entered those Secret Retreats ever knew of the Violet Consuming Flame. They were taught certain

activities which brought It into action, but they did not know It was even there.

TODAY LIFE, THE GREAT COSMIC LAW, HAS SEEN FIT, THROUGH YOUR BELOVED SAINT GERMAIN, TO BRING THIS FORTH AND HAND IT TO MANKIND, AS THE GREATEST GIFT OF LIFE EVER PRESENTED TO HUMAN BEINGS. IT IS YOUR UNDERSTANDING OF YOUR POSITION TO YOUR OWN GREAT PRESENCE OF LIFE, THE "MIGHTY I AM."

Observe that Chart and see your position, your connection, with your own "God Presence — the Mighty Presence of Life!" Your connection with your own "Mighty I AM Presence" is the only reason you are able to have these physical bodies and manipulate them. You know at so-called death when that Life withdraws, those bodies are helpless. There is nobody in the Universe who can deny that. Yet, five minutes before Life withdrew, all the organs and faculties in the body were in action. Life was causing those organs, the entire activity of the body, to function, was it not?

Then, how can mankind deny Life, when their attention is brought to the point where they see how they can release a greater volume of It; how can they fail to see and understand It? You are greatly privileged today, but the full Power of Life will not act for you without your Call. The fact that mankind has come into these limitations is proof of it; but at your Call and the harmonizing of your feelings, Life will begin to pour and pour Its Mighty Energy and Power. As It sees you are strong enough to hold your harmony in the face of all human conditions, It will release Its Power and Energy without any limit whatsoever.

You observe what has taken place with the Messenger, who a few years ago was a timid lad; yet today, he is able to release energy almost without limit. You can do the same thing, but you must be as determined as He is; as humble and obedient to Life as He is; then you will have the fullness of It pouring forth into action. That is the only way you can, but it is worth every effort any human being can make in the endeavor to

harmonize himself, that Life may pour forth this great Perfection. So harmonize yourself and make the Call to It. Is it not simple? It is the simplest and yet the most majestic thing that Life offers through Its maintained activity.

APPLY THIS GREAT LAW! STUDY IT! BECOME SO FAMILIAR WITH IT, SO ANYTHING WHICH COMES TO YOUR ATTENTION STANDS BEFORE YOU INSTANTLY THE ASCENDED MASTERS' EXPLANATION AND WORDS! You perhaps do not quite understand what words can do. They always have been, to some extent, but in the understanding of the Law of Life, the "Mighty I AM," Words are Cups which hold the qualities those Words express. Therefore, it is imperative that you be careful of the words you use and not use destructive words, not even in jest, because that energy acts.

THEREFORE, PROVE THIS LAW FOR YOURSELF, FOR YOU HAVE BEFORE YOU THE COMPLETE INSTRUCTION OF LIFE; AND BELOVED SAINT GERMAIN HAS NOT LEFT ANYTHING UNEXPLAINED IN THOSE BOOKS. Of course, where you have the privilege of attending the Classes, you receive a great deal of additional Explanation; but if you do not, take up those Books and apply This Law as directed, and you will produce exact mathematical results.

Remember, if there is that within your feeling world that constantly causes you to question, doubt and wonder, what is this or that — if this or that can be true — you are in a wavering consciousness; and such a feeling does not allow the "Mighty I AM Presence" to hold Its Mighty Focus sustained and prove to you all that your Heart desires. Therefore, if you want to apply This Law and be Free, fix and hold your attention in concentrated activity and refuse to allow the outer world to confuse you, either by direct or indirect human suggestion. Stand your ground with your "Mighty I AM Presence." Keep calling It into action, not necessarily looking for any special result; but just for the joy of holding your attention to Life, and then see what Life will do for you.

Gentlemen, why do you suppose you are in physical bodies like these? Once you manifested magnificent bodies with a mind as clear as crystal, receiving direct from the Presence of Life all

which It held; but as the attention of mankind was driven down, they lost the clearness of the Understanding of the “Mighty I AM” and, hence, the limitations of today are the result.

It is as though a triangle stood before you. You came down one side by your own intention, volition and disobedience to Life. Now, you have to start at this point, which is the Earth, and go up on the other side of it. This is what you are doing now. You are going up into Perfection; this time in the Understanding of the “Mighty I AM Presence,” never to again come back into human conditions.

We sometimes wish We could take a group of men, four or five thousand, and take two weeks time to hold them every day in Our Radiance; starting in at the simplest fundamentals and carrying on up, on up, into the most marvelous Explanation of Life. Were that possible at this time, those men would go forth Masters of everything that Life holds for them. This is the reason why Beloved Saint Germain established the ten day classes; because the individuals are held in the Radiance of the Ascended Ones long enough, to begin to anchor or stabilize them. Such stabilizing cannot be done in one meeting.

Sometimes individuals come into the Messengers’ Classes for just one meeting and some particular point of a subject is taken up. They do not understand it and do not see the blessing which is there, because they do not stop to consider that they have not heard the fundamentals which have gone before.

Therefore, utilize every opportunity you have to be in the Messengers’ Classes. Then you will see how quickly the mighty living proof will come. In between classes, I urge you to read, study and apply the information in those books; because that will hold you where you are now, until They are with you again, or you are some place with Them. Then, you will be sustained in this Power.

There is only a small part to be raised, for instance, as you are in this Class; but if you do not sustain It, It is only a temporary benefit and blessing. Of course, whatever you grasp in the acknowledgment of your “Mighty I AM Presence” becomes a permanent thing; but the Radiation which is lifting you so

much more than you realize in the outer, will be sustained, if you will so qualify It and call your "Presence" into action to see it is done. So will you do that and have the blessing which Life offers you?

What are We today? What is Beloved Saint Germain, Jesus, Nada, the Great Divine Director, Myself and the Other Ones Who are free? Just a little more advanced action of Life than you are today. We just have entered into Our Freedom. It is the same Life acting in Its more advanced Activity. Therefore, try to feel It and that is how you can feel that the Ascended Masters and the Cosmic Beings are real. They are just a little more advanced Activity and Focus of Life than you.

Now gentlemen, observe this Chart. That Great Presence, the "Mighty I AM," Who is above every one of you, is the Governor of the Universe, as well as of you individually. That "Presence" has always been there above every human body in which you ever focused – the same Life. That Stream of Life and Energy never changes; that is your own Wondrous Individualization. Your bodies take on a different appearance and form each time you draw and build another body; but the Stream of Life is one and the same Individualization throughout Eternity. It never changes from the time It came forth from the Heart of Life, until It returns aeons of time hence.

Therefore, try to feel that, and you will understand why Life can produce such Perfection for you; and why It is within your reach. Mankind sometimes says: "That is all right for those certain individuals, they have not had to contend with what I have – they do not know all of my troubles."

Gentlemen, every human being has troubles according to the intensity with which his own power of qualification is acting, and for no other reason. Therefore, one experience is no worse than another; but the individual who thinks that his experience and troubles are greater than anyone else's is just looking at Life from his own viewpoint; but his troubles in the hands of another, probably would not be trouble at all. If the other individual's troubles were in your hands, it might not be any trouble to you; but if you accept that something outside

has power to limit or deprive you, it is not true and never was in the world. It all acts just because of your human acceptance that gives power to outside things to limit and disturb you.

With all the Love of My Heart, I pour forth My Blessings to you. So recently having stood in a body similar to yours, I want you to feel how great My Joy is in this opportunity to talk to you today, and to try to convey into your feeling world My Feeling of the Victory. If you wish, I shall be your Friend and try to hold your hand, until you have the Strength, the Courage and the Freedom which Life holds within This Desire within your own Heart.

I thank you and bless you forever.

REMINDER!

BELOVED RAY-O-LIGHT – CD 633

“Now, in your calls to your ‘Beloved I AM Presence,’ to Me or to any of the Great Beings who direct this Sacred Fire, remember two things: destructive forces are fear; and doubt is uncertainty of Our Love. Destructive forces fear Our Love; and doubt is an uncertainty as to whether you think Our Love is going to act or not. Let Me remove that tonight. I can assure you Our Love will always act, and when you command your feelings to accept the instantaneous Action of My Sacred Fire Love to prevent doubt and fear in your feeling world, you will find more instantaneous Fulfillment of your Calls. And, if I were you, I would do definite work every day on those two feelings. Demand your Freedom from all doubt and fear, and your Freedom by such Invincible Sacred Fire Love from your ‘Beloved I AM Presence’ and the Ascended Host, that It blazes around you Its Blue Lightning for whatever is necessary to repel things that would make you fear or doubt.”

(PLEASE PLAY AND STUDY THIS DISCOURSE.)

TALK GIVEN BY OUR BELOVED MAMA

WASHINGTON, D.C.

MAY 15, 1942

Now I am going to tell you what your hands represent and why this is the fundamental for Precipitation.

Some group of humanity have to do This. It only comes through those who will not create that which will take more energy to dissolve that which did not come forth perfect. Many of you have asked me what the hands represent. I have told you they are the tools God provides you with to reach into the Universal and draw forth from the Ascended Masters' Octave That which is to be used here.

Now follow me closely. You heard me say that your Heart was the Heart of God – the Flame of Life in your own Heart. Now the Permanent Atom of your physical flesh is the tip of the Flame of your individualized stream which is the Flame of Life from the Great Central Sun. The tip is in the Flame of Life in your Heart. Just as if a Great Flame came from the Great Central Sun and enveloped your whole Life Stream and poured Its energy and love and activity out through your flesh body, the energy in every human body is a Gift of Life from the Heart of Life, the Great Central Sun. Now the Flame in your Heart is the Flame which expands through your body and flows out through your hands; and your hands are the Extension of the Flame of God's Life from the Great Central Sun. It is the Power that you have, to give the Gifts of Life, whether they be of healing, whether they be the molding of the substance of this world into the things of this world, whether it be the Blessing of Light which goes forth through your hands or whether it be the Expansion of that Flame to go to any distance and produce a Manifestation by the Power of Divine Love of the Ascended Masters from the Great Central Sun.

The Group of Ascended Beings Who govern that Activity are the Ones Who give Their Life to you, who become the humanity of this World. Those are the Great Cosmic Beings, and that is how the World becomes peopled – by the Expansion of the Love Flames from the Great Central Sun upon a World. In

pouring forth all the Power and Secrets from the Heart of the Great Great Silence, that is the Silence which has reference to the entire System of Worlds, the Galaxy to which we belong. That Heart of the Great Great Silence, if you have become really still enough – and as I feel It just now – no one here has ever entered into that Great Silence deeply enough to know what I mean. But if you get perfectly still long enough, until you quiet every rate of vibration in your mental and emotional body, so that your mind does not jump around and think of all kinds of things, and you have all the energy in your mental and emotional bodies completely quiet, and then are able to hold that quiet for half an hour, an hour or a day, so still that you are not even conscious of the need of breath – if you have entered into that Silence for even one full minute, you will know you have never before touched the fragment of Happiness. You have never known what Divine Love and real Peace are, until you are able to consciously go into that Silence and hold It as long as you choose – until it seems not only your bodies, but the air around you becomes so quiet that everything begins to settle and you begin to see the Light everywhere. When you really get still enough, you will automatically begin to see your Higher Mental Body and your “Beloved Mighty I AM Presence.”

Really, we should all be able to see our Higher Mental Body easily and at will. The moment we turn our attention to our “Presence” and really get still, we should be able to see straight through, and see our “Presence” face to face! It depends upon the stilling of the energy in our mental and emotional bodies, and it also depends upon the kindliness, the feeling of Love and Kindness; and when that Feeling comes, there is no tension in the nervous system. Everything is relaxed. There is an ease, a Love to that “Presence” which is unspeakable. There are no words to describe the Gratitude you feel to your “Presence” when that feeling begins to act. It is worth all the struggle you have ever gone through in all lifetimes, once you see that “Presence” and feel that Love from that “Presence” to you.

The Power of Precipitation is not released just by visualizing something and sitting down with a concentrated strain trying to force the energy through. That is what some of those

who turned from this Light did, because they tried to draw forth the Power of Precipitation before they purified their worlds. The Power of Precipitation depends on the amount of Divine Love from the Great Central Sun in that Flame of your Life Stream which you can consciously call forth from the Flame of Love in your own Heart, and It brings forth such ease and breathless stillness and happiness, such joy as you cannot describe. It is a Feeling words cannot convey. When that Feeling comes, there is no resistance in It. It just flows in ease from the Heart of God.

Your hand becomes the Extension of the Flame from your Heart — the tip of the Flame which goes clear back into the Great Central Sun. Then as you give your Love and Blessing to the Light in the atmosphere about you, the electrons which float in the atmosphere, which are the Universal Light, then love and thank and bless the Light that is everywhere for all It is, for all It contains, for all It has always done, and as you pour your Love and Gratitude and Blessing to the Light, asking It to intensify and expand, then you visualize the Flame of Love from your Heart, throat and forehead. Then visualize within the Flame whatever you desire, with just the great ease, that Love which is so comfortable, It is so happy, and just keep on loving and blessing and seeing That become manifest.

As you continue to make effort to do This, and then after you have worked with it for awhile, go back into your outer world activities and maintain this Kindness and Harmony. IF YOU WOULD MAINTAIN THAT UNBROKEN, WITHOUT A WAVE OF ANYTHING TO DISTURB THAT FEELING, WITH WHAT THE STUDENT BODY ALREADY HAS AND THE HELP THE ASCENDED ONES ARE READY TO GIVE, ASK YOUR HIGHER MENTAL BODY TO STAND MASTER OVER YOUR HUMAN FORM AND SEE THAT YOU DO NOT REGISTER ONE RATE OF VIBRATION IN THIS UNIVERSE OF DISCORD, AND NOT LET YOU SWING OUT OF THAT AND KEEP THAT UNINTERRUPTED FOR A CERTAIN PERIOD OF TIME, YOU COULD HAVE ANYTHING YOU WANTED!

BE CAREFUL WHAT WORDS YOU SPEAK UNLESS YOU WANT THEM TO BECOME LIVING FORMS IN THE

ATMOSPHERE ABOUT YOU! When we begin to call forth the Cosmic Light from the Great Central Sun and the atmosphere becomes Luminous, you will see those forms, and you do not want to see them if they are discordant. That is why I gave the information, do not go to sleep ever again until you have made the Call to your Higher Mental Body to reach Its Great Loving Arms out and draw back all of the energy you have ever sent out, everything less than Purity and Perfection. Keep your body in the Violet Consuming Flame while you sleep, and throw your Etheric Body into the Unfed Flame and burn from it everything less than Perfection. Then charge it with the Seven-Fold Flame of the Seven Mighty Elohim and anchor It around your physical body as a Wall of Protection and Perfection to draw forth the Power of Precipitation for the people of Earth who are constructive, who want to love God and do not yet know how to do it, and to expand this Light through that Seven-Fold Flame. If you will do This, your Joy will never cease!

You have not yet touched the fragment of Happiness which is yours, once you begin to use This Power. You, who might be artists, do you know the extreme Happiness if you have desired to bring forth something very beautiful and the whole thing comes out just as good or better than you desired it and it stands there Perfect before you? Is the feeling anything you can convey in words? Doesn't it cause you great happiness in your feeling world? If you are a musician and some exquisite melody comes forth and every time you play it, you feel that great Happiness, is there anything in the outer world to compare with it?

You must call forth the Seven-Fold Flame of the Seven Mighty Elohim to be a Wall of Flame to protect you. The people of the outer world, if they find out you have this Power, will be those who will worship you and if you let them, they will want to be with you so you will hardly be able to get rid of them, but you will have to handle their pull upon you. That is a force of energy you will have to handle. The other group will hate you. Your Wall of Flame must stand there and repel that hate. You must be undisturbed, once you draw that forth, by love, hate, success, failure, life or death. You must stand like the

Great Central Sun Itself, above everything, yet pouring Its blazing Light into everything, and yielding to nothing but that "Presence" and the Ascended Masters. The release of that Gift to you at this time depends on the amount of kindness you can maintain to each other, because They will not release that Power to a person who has not conquered the desire to say unkind things. It is going to be needed. We should be strong enough to qualify. Let us ask at night everything that would injure us in the use of that power is taken out. When you give your Decrees, feel the Flame from your Heart is speaking those Decrees and as that Vibration goes forth into the atmosphere at the Command of the Higher Mental Body, It bursts into the Flame of Divine Love from the Great Central Sun, and that Manifestation is a physical thing in that place and is sustained by the Cosmic Light.

Then there will come to you the responsibility for the Use of this Great Power. Never use It until you call to your "Presence." First, ask the "Presence" to precipitate through you whatever It wants you to have, not only for your own world, but what It wants you to have to help others! This is the way Beloved Saint Germain explained it.

Once I was quite curious and asking a lot of questions about Precipitation. I said: "How are you going to get something precipitated if you never saw it in this world?" He said, "Say to the 'Presence,' for instance, My 'Mighty I AM Presence,' precipitate me a marvelous avocado salad.' Then the 'Presence' would bring forth food that would be most delicious and satisfy you perfectly. If you ask for something you have never heard of, you could say: 'Precipitate me a marvelous salad, something I have never had before.' Then that gives the 'Presence' the opportunity to bring forth that which has never been brought forth before. If you say: 'Mighty I AM Presence,' precipitate through me that which you know I am going to require in greater service to the Light, to give more protection or render service to the Student Body or those who are constructive, give me that which You know I am going to require to expand the Light in Its most Powerful Activity, and set as many people free in the Ascension as soon as possible, or to protect America,' then you leave the

power of selection and free will in the Hands of the Higher Mental Body, and you will keep the door open to many manifestations of great Joy for yourself individually.”

Please do not repeat one word of what you have heard me say this afternoon. Unless you can be the Law of the Great Great Silence, you will not be trusted with the Power. This is why we called forth the Power of the Great Great Silence in Philadelphia, New York, Boston and here. It is well to call forth the Power of the Great Great Silence from Beloved Cyclopea, the Silent Watcher, the Lords of the Blue Flame from the Great Central Sun, asking Them to clothe you in Their Luminous Presence and seal you in the Heart of the Great Great Silence and speak only when it is necessary. You will need to call forth also the All-Knowing, Dazzling, Fathomless, Diamond Shining Mind of Mercury!

The third group of Ascended Masters to whom you will have to call will be Beloved Cyclopea, Hercules, the Angel Deva from the Jade Temple and the Silent Watcher, to stand guard and clothe you with Their Luminous Presence and be the Law of the Silence. And by the Expansion of the Flame of Divine Love from the Great Central Sun, realize that your hand is the Hand of the Flame of Divine Love from God, the Creator of the Universe who molds the substance of interstellar space into a World or System of Worlds, the Creator individualized, with all the attributes of Life and God, to do in your individual world what the Great Beings from the Great Central Sun do for the whole System.

The only attributes of Life the Ascended Masters have to work with are the same as we have here. They have the same Power of Sight, the Power of God's Sight, which we use. The Power They use to see is the same Power that you use in the unascended state in the flesh body. The Power to visualize things, the Power to hear, is the same Power. The Power to reason is the same Power. The Power of Discrimination is the same Power. The Power to Love as the Ascended Beings love is the same Power They have! They have simply taken these individual Powers and used Them longer and drawn more energy into Them, is the reason They get more Powerful Manifestations.

All of it depends on the ability we have to clear our feelings. **WATCH EVERY FEELING THAT GOES THROUGH YOU!** Analyze it; and just the moment you are disturbed say: "Does my Higher Mental Body feel like that? Would Beloved Saint Germain, Jesus and Daddy feel like that?" If your feelings are less than Their Ease, Peace, Happiness and Joy, you will know you are not in the Higher Mental Body. The Flame has been shut off for the time being. **LET US LOCK THE DOOR ON THAT! DO NOT RECALL ANY OF YOUR OWN MISTAKES! DO NOT RECALL ANYBODY ELSE'S MISTAKES! FORGIVE AND FORGET AS THE ASCENDED MASTERS DO!** They are not interested in our mistakes! Keep your attention on the Ascended Ones! Keep your feelings harmonized until They can cut us free from every rate of vibration that is not self-mastery and move us forward into the Ascension. Do not think you can go into your Ascension and keep repeating other people's faults. That energy will not go into That Octave. We have to let go of all of our own faults and we have to let go of our own volition. Remember the old conundrum, "The man who made it doesn't want it; the man who bought it couldn't use it; and the man who used it didn't know it!" Answer: A wooden overcoat! (a casket)

That is just about as much as our human creation means and that is all these discordant feelings amount to. If you will master this, you will have all the Powers in the Universe! Remember that old Greek saying: "He who is master of himself is greater than he who taketh a city!" If you hold that energy in that great happiness, just as if you are a whole extension of the Great Flame of Divine Love from the Great Central Sun, **YOUR HANDS ARE THEN GOD'S HANDS OF FLAME WHICH CAN HEAL, CAN BLESS, CAN PRECIPITATE AND DO ANYTHING PERFECTLY – ANYTHING YOUR HANDS WANT TO DO –** play music, cook dinner, etc. **REMEMBER, YOUR HANDS ARE THE FLAME OF LOVE FROM THE HEART OF THE GREAT CENTRAL SUN,** God's Power to give, the Power that molds the Universe and holds It in the Heart of God; in that is always the feeling of the Use of Kindness and Helpfulness. The moment you are unhappy, just stop

everything, because nobody else in the world is to blame for the feelings inside of your energy. YOU HAVE TO SIT IN THE FEELINGS OF YOUR ENERGY! Nobody can change them for you but yourself. You have to sit in it! If you create it, it is going to sit in your world until you dissolve it! You cannot be entrusted with the Power of Instantaneous Precipitation until you become a Being of Divine Love.

The easiest way I have found when people become unkind, in order to hold that power undisturbed, I say: “I forgive and forget it. ‘Mighty I AM Presence,’ overwhelm that by the Light and Love and Peace of a Thousand Suns and take Your Dominion forever!”

The “I AM” is the Flame in your Heart, the Flame of Divine Love from the Heart of the Great Central Sun. When you say: “I insist and demand,” that is the Authority of your Higher Mental Body. When you say: “God, take and hold Thy Eternal Command,” you are releasing everything into the Higher Mental Body.

We will have to handle all things in the future by the Light and Love and Peace of a Thousand Suns, if we are going to have this Power entrusted to us. Let us see who can qualify! If you fall down, pick yourself up and try over again. Every night clear your world; and see what the Great Ones will give to you. I call This forth for all under This Radiation!

I have tasted a little of This, and I tell you, all human experience put together is not worth one moment of that Happiness once you become It. Once you feel that Power of the Great Great Silence, your Love is so great, so all-powerful, and is such Authority, there is not anything else that really matters. You let it roll off like water off a duck.

I settled some very distressing things in Los Angeles not so long ago. Some one came to me with a tale about some one else. I listened for awhile and the tirade did not stop. I said: “What do you expect me to do?” They said: “Can’t you do anything? You are the authority here.” I replied: “I can pour my Love upon it. I love that person you are speaking about. I know some of those mistakes have been made. I have called to Beloved Saint Germain, Jesus and Daddy to dissolve it, but if I

allow my feelings to add to that which the individual is doing wrong, how in Heaven's Name will they ever be Free; and what do you think Life will hold me responsible for if I pour more discordant energy to that individual who is struggling under all she can stand – I add my condemnation. I want that person cut free. I am here to give Love and Freedom from human qualities, and I can't do that accepting what you say. I am going to go on loving that individual whether you like it or not. I am not going to take sides with you or the other one. I am the middle way, the Flame of Life which goes forth and covers you both. I am going to love you as much as I love that other one. I am going to pour out to that one who I know is making a brave fight against things of which you know nothing. I am not going to pour out that which will not help them and you. Take your mind off it; forgive it and forget it; and keep the energy of your own world harmonized. If you add more distress to that one, then you are just like a man sent over the top in the front line trenches, and instead of ramming his bayonet into the enemy, he runs it into the one who is going over the top with him. Beloved Saint Germain says, there is no substitute for kindness, and there is no excuse for one unkind word so long as Eternity lasts. He told us that in the beginning. I want you to have the Power of Precipitation. There is nothing in the world that will make you master over your own limitation like the power to pour forth Divine Love. When you come up against vicious individuals and you want to hold your own peace and power, you can say: "BELOVED MIGHTY I AM PRESENCE," BLAZE A WALL OF BLUE FLAME BETWEEN US, or use a Cross of White Fire. Then the individual cannot move or must recede. That is the Mastery, the Power of Divine Love which gives you control of everything by the Call to the "Presence" and the Higher Mental Body, and Harmony is maintained in your feelings. There is no individual under This Radiation has had to handle what I have had to handle since Beloved Daddy's Ascension. I thought I was doing all I could before. HE is doing a lot from the Inner, but I am still having to carry a lot of the detail work which He used to handle, and in spite of that, It still goes on expanding.

VIOLET FLAME CLASSES

Our Beloved Ascended Master, Saint Germain, has said that He would appreciate it greatly, if every "I AM" Temple, Sanctuary and Study Group would increase as much as possible their Violet Flame Classes.

It would be well if every "I AM" Sanctuary would have Violet Flame Classes on Wednesday as well as Saturday.

Wherever possible all are having Violet Flame Classes every morning from 7:00 to 8:00 o'clock as added Power to assist each one in his daily business activities.

It has become necessary, because of the National conditions in our Land, for every "I AM" Study Group to give at least fifteen minutes of Violet Flame Decrees or longer.

We want this added Power in every Group, even the first Fundamental, for greater Protection, Supply and Victory for the "I AM" Students as well as the Nation.

Lovingly, "I AM"
MRS. G. W. BALLARD
