BELOVED ELOHIM OF PURITY – CD 636

“You might think you want this or that or the other quality in your outer activity, and so you do. You need all those qualities. But when you call forth the Power of Purity, It is an Action of the Sacred Fire that the sinister force fears most, because it does not have That Purity within itself. This is why “I AM” calling It to your attention, that you may command your outer self to feel the Power of Purity of the Seven Mighty Elohim of Creation. Make yourself be still, and then command everything in your being and world to feel the Power of Purity of the Seven Mighty Elohim of Creation, then charge the Power of That Feeling into the atmosphere about you; and you command that every part of Life that comes near you be compelled to feel the Power of Purity of the Seven Mighty Elohim, because then disturbing conditions of the outer world know very well they cannot disturb you or master you. But you must keep the body stilled – relaxed – and command the energy within you to feel the Power of Purity from the Seven Mighty Elohim of Creation, and make that feeling an Eternal Part of your Life.”
