BLESSED SILENT WATCHER – CD 635

“Now, We know the masses of the people are in grave distress, but they are those who have misused the Powers of Life in the past. We do not want them in that distress, and certainly you do not; but there must come the Strength and the Purity of the Light within them, if they are going to be strong enough to be entrusted with the use of greater good, if they are going to be entrusted with the greater Powers of Life, to be Master over evil.

“It is selfishness and filth that has brought mankind into its present degradation, and there is only one way out, and that is to draw enough of the Sacred Fire, which the Violet Consuming Flame is, to purify the outer self of each Life Stream, and then call forth the Greater Strength of the Light of the Seven Mighty Elohim into the emotional body and the mental and feeling world of the outer self, to make each Life Stream pure enough and strong enough to be given greater powers to produce greater Perfection. And you cannot legislate evolution any more than you can govern the Sun and the stars and the planets in the Heavens. The Law of Life is Absolute.”
