

## REMINDER!

### BELOVED LANTO – CD 152

“Those Who will minister tonight are drawing a Focus in Their combined Action of a Greater Power of Cosmic Activities, both the Cosmic Light and the Sacred Fire of Individual Radiation for the Blessing of all who are coming to the Royal Teton tonight to absorb of Its increased Outpouring that they may feel Its Greater Protection about them and know They are a part of the Great Sacred Fire and Outpouring which the Cosmic Law has chosen to establish There for the Freedom of this Nation.

“Tonight, in combination with the Outpouring at the Royal Teton will there also be an increased Action from eight other Retreats on the North American Continent that will combine in their Release tonight for further Assistance to the people of the Light. It is not necessary for you to know where those other Retreats are, just feel that more and more of this Cosmic Power of the Sacred Fire and Cosmic Light is focusing within the Borders of this Nation and also within the Three Americas. . . .

“As the Beloved Master Jesus intensified through the Retreat in Arabia His Outpouring of the Blue Ray, I trust you may all remember clearly your part of that Activity and the Power He has loaned you and will increase around you as you give this your attention and recognize His Blue Flame Presence in Action everywhere. Do not fail to remember, that in turning your attention to Him, and holding the Picture of His Blue Flame Presence with your Love to Him, you become a part of His Blue Flame Presence, not only around yourselves, but of His Use of that Blue Flame to the Earth. You become then part of the Legions of that Blue Flame to more quickly raise all upon Earth into His Perfection as He promised.”
